### ***PwC Bermuda's David Gibbons named to Captive Review Power 50 list***

**HAMILTON, Bermuda** – PwC Bermuda Captive Insurance leader David Gibbons has been named in the annual Captive Review Power 50 list.

More than 6,000 votes were cast in this year's polling period, helping Captive Review magazine to compile its definitive list of **the most powerful and influential individuals globally within the captive insurance industry today.**

Captive Review's editor Richard Cutcher said: "An influential stalwart of the Bermuda captive industry, David Gibbons has chaired the growing Bermuda Captive Conference for the past two years. When he is not overseeing the delivery of solutions to a variety of captives clients on island, he is an active member within the Bermuda Business Development Agency (BDA) working hard to promote the domicile and captive concept in the target markets of Canada, the United States and South America."

Mr Gibbons commented: "It's an honour to be included again in the Power 50 list and to be named among the top 20 professionals in the global captive insurance industry. It's also a credit to Bermuda's continued strength as a premier jurisdiction, and a great recognition of PwC Bermuda's leading insurance practice and our dedicated captive team's focus on bringing strategic solutions, expertise and value to our clients and the marketplace."
