***PwC Bermuda serves as Relay for Life Luminaria Sales and Display Sponsor for fourth year***

**Hamilton, Bermuda** - PwC Bermuda will serve as the official Luminaria Sales and Display Sponsor for a fourth year at the annual Relay for Life event on May 18-19.

Dozens of PwC volunteers will be on hand at the firm's two Luminaria tents this year at the National Sports Centre, helping to sell luminaria. Numerous arts and crafts supplies will be available for families to come and decorate and personalize their luminaria.

PwC will also be offering other items to raise money for Relay for Life, including reef-safe, non-toxic sunscreen, fresh fruit and a glow in the dark nail polish station. In addition we will offer the public water bottle refills from our ClearWater Station.

As darkness falls, the PwC team will lay hundreds of the lighted luminaria around the tracks for the beautiful and touching Luminaria Ceremony, during which participants walk laps in silence.

- **The Luminaria bags are available now to purchase with a donation from PwC Bermuda's offices on the 4th floor of Washington House, and PwC will be in the Washington Mall on Tuesday, May 8th and Wednesday, May 16<sup>th</sup>, selling luminaria from 11am to 2pm outside the Sportseller.**

**Scott Watson-Brown, PwC Bermuda partner** said, "PwC is proud to be part of such an important global event and serve as the official Luminaria Sales and Display Sponsor. Almost all of us have been touched by cancer in some way and Relay for Life is an event that brings the whole community together to celebrate the survival of loved ones and pay tribute to lives lost.

"As many as 100 of our people come out each year to volunteer their time and participate in Relay for Life with their friends and families. Caring and giving back is an essential part of who we are as a firm and we are pleased to be able to help make this a successful event and help the Bermuda Cancer and Health Centre raise awareness and funds to support cancer prevention, detection and treatment on the island."

**Sheena Young, PwC Relay for Life Team Captain and committee member** said, "Please stop by our luminaria sales table in the Washington Mall today and May 16 to make a donation in honour of cancer survivors and loved ones lost to the disease. The Luminaria Ceremony is an important part of

the Relay for Life, serving as a poignant reminder of the purpose of the event. PwC is grateful for the opportunity to be involved and to support the community and the Bermuda Cancer & Health Centre.”

**ENDS**

#### **About PwC**

At PwC, our purpose is to build trust in society and solve important problems. We’re a network of firms in 158 countries with more than 236,000 people who are committed to delivering quality in assurance, advisory and tax services.
