David Gibbons named to Captive Review Power 50 list

Hamilton, Bermuda – PwC Bermuda Managing Director and Captive Insurance Leader David Gibbons has been named to the **Captive Review 2014 Power 50** list. The prestigious list represents the 50 most influential, proactive and committed professionals within the global captive industry.

Mr Gibbons, in 12th place, is the second highest Bermuda-based captive industry specialist named in the list and one of only four Bermuda-based professionals.

The list is voted for by industry experts and readers of Captive Review magazine, which has more than 12,000 subscribers within the insurance sector. More than 600 submissions were received for this year's Power 50.

“David's award is a testament to his hard work and ability to help our clients find solutions to their important problems,” said PwC Bermuda Territory leader Arthur Wightman. “David, of course, would be the first to acknowledge that this success equally reflects the outstanding work that is performed by our people in the captive marketplace.”

Captive Review said: “Managing an office working with more than 200 captives, Mr Gibbons has established himself as a key presence within the Bermuda captive industry and now plays an active role on the organising committee for the domicile's annual conference. The PwC Bermuda office provides audit, actuarial and tax services to large pure captives as well as group entities.”
