E-learning modules available immediately on PwC Academy LMS

**Cloud solution on PwC Academy
Cornerstone Learning Management
System** Pay per module or unlimited user
access for 12 months

Client On-premise solution

eLearning SCORM packages running on Client's
Corporate learning management system

The user interface is normally PwC Academy branded, however it can easily be branded for your/Client's Corporate brand characteristics.

PwC managing participants, provides progress reports, but the primary repository of user data is the Corporate.

- PwC's Academy provides the e-learning files in a SCORM package* which are compatible to your Corporate LMS, flexible and runs on any system and no extra costs for future migrations.
- Users are managed by Corporate L&D team
- PwC provides updates on the existing modules based on contract terms.

*A SCORM package includes the training content and enables real time exchange of data with the LMS

IFRS 16 gamified training

The only gamified learning solution teaching IFRS16
Financial crime story – in virtual „Escape Room” format
„Serious” Game – containing 300 real life leasing questions
Suggested for anyone working with lease contracts, assets,
legal issues, procurement, finance, accounting, etc.
Both for users with or without prior IFRS16 knowledge
Users can continue the game where they left off at any time
Leaderboard: Participants can compare their results with the
score of others within the organisation
The game can be played unlimited times and results
improved until maximum score reached

Price per e-learning: 800 CZK + VAT
