Attached and marked as Exhibit "Q" is a copy of the Buchanan Waiver.

Pursuant to the terms of the Northern ELSA, Northern's failure to pay GE monthly instalments constitutes an event of default for which all amounts owing under the Northern ELSA become immediately due and payable. Northern has defaulted on its obligations to GE since on or about March 22, 2010.
- 30. A demand letter and a Notice of Intention to Enforce Security pursuant to section 244 of the BIA was issued on or about April 2, 2010, whereby GE demanded payment by Northern of all obligations owing under the Northern ELSA, the collective sum of which was \$10,654,541.80 as at March 31, 2010 (the "Northern NOI"). A copy of the demand letter and Northern NOI are attached and marked as Exhibit "R".
- 31. Similarly, a demand was made by GE upon Atikokan on or about April 2, 2010, a copy of which is attached and marked as Exhibit "S", whereby GE demanded payment by Atikokan for Northern's indebtedness owing under the Northern ELSA to GE, pursuant to the terms of the Atikokan Guarantee
- 32. Despite GE's demand for payment, Northern and Atikokan have failed to make payment or enter into a satisfactory arrangement with GE to rectify the defaults in respect of the Northern obligations. The amount of the debt plus interest owing by Northern and guaranteed by Atikokan, totals \$9,172,308.66, as at October 22, 2010.

(b) The Atikokan Default

33. Pursuant to the terms of the Atikokan ELSA, Atikokan's failure to pay GE monthly instalments constitutes an event of default for which all amounts owing under the Atikokan's ELSA become immediately due and payable. Atikokan has defaulted on its obligation to GE since on or about April 5, 2010.

Events Following the Defaults

(a) Employees and Pensions

- 37. I understand from information previously provided by management, that when Northern was in operation there were approximately 260 full-time employees, of which 240 were unionized, represented by the Communications, Energy and Paperworkers Union of Canada and its Locals 38X and 38.02 (the "CEP"). The CEP entered into a collective agreement with Northern for the period September 1, 2003 August 31, 2008, the term of which has lapsed (the "Northern CBA").
- 38. With respect to Atikokan, I understand from information previously provided by management, that when Atikokan was in operation there were approximately 220 full-time employees, of which 205 were unionized, represented by the Industrial,

16

Wood, and Allied Workers of Canada, Local 2693 (the "IWA"). The IWA entered into a collective agreement with Atikokan for the period September 1, 2001 – August 31, 2006, the term of which has lapsed (the "Atikokan CBA").

- 39. The Northern and Atikokan mills have ceased operations since in or around the fall of 2008.
- 40. I understand from discussions with management that there remain only two non-unionized employees at each of the Northern and Atikokan mills. These individuals assist with the maintenance and general overview of the mills, and in the case of the Northern facility, also assist with the water treatment operations at that mill.
- 41. With regards to the Northern mill, I understand from discussions with management that Northern sponsored a retirement plan for the employees of Northern Sawmills and a retirement plan for salaried employees of Northern. Both pension plans are single employer, defined benefit plans and have 205 active members and 19 active members respectively (the "Northern Pension Plans").
- 42. I understand from discussions with management that Atikokan sponsored a pension plan for employees for Atikokan and a pension plan for the salaried employees. Both pension plans are single employer, defined contribution plans, with 165 active members and 19 active members respectively (the "Atikokan Pension Plans").
- 43. GE previously requested information pertaining to the current valuations of the Northern and Atikokan Pension Plans. The most recent reports that GE was provided pertained to valuations for the period ending May 31, 2009.

(b) Insurance and Other Basic Costs

- 44. On or about October 26, 2010, GE was advised that Northern, Atikokan, Lucky Star and Buchanan Sales did not intend to continue making certain payments, including but not limited to, insurance premiums, the failure of which constitutes a further violation of the terms of the Northern and Atikokan ELSAs and GSAs. GE asked Northern and Atikokan to reconsider these proposed actions, which they refused. Attached and marked as Exhibits "V" and "W" is a letter from Wolfgang Gericke, president of Buchanan Sales to GE Capital Solutions, and a letter from Ken Buchanan, president of Lucky Star to GE Capital Solutions advising of their positions.
- 45. I understand that insurance premiums ceased being paid in or about early November, 2010. I am advised by Russ York at Northern that Northern and Atikokan cancelled its property insurance for the Northern and Atikokan mills effective on or about November 10, 2010.
- 46. GE attempted to contact Northern's existing insurance broker and was told that the insurance broker was unable to renew or find new insurance for the mills. Since this time, GE has been actively working to find insurance coverage for the properties. GE was able to obtain temporary coverage at an extraordinary premium. I am advised by Gregory Prince of PwC and do believe that more economical insurance coverage would be available to a receiver.
- 47. In the correspondence from Lucky Star, Buchanan Sales and Northern to GE Capital Solutions, GE is effectively asked to enforce its security in light of Northern and Atikokan's significant liabilities, and the fact that neither Lucky Star nor Buchanan Sales had further intentions to continue their support for the mills' ongoing expenses.

(c) Wood Supply Commitments

48. Northern and Atikokan received the benefit of a number of wood supply agreements/commitments from the Ministry of Natural Resources (the "Ministry") for the supply of a variety of wood supply requirements necessary for the operations of the mills, as well Northern and Atikokan entered into agreements with Abitibi-Consolidated Company of Canada ("Abitibi") in this regard. The initial wood supply commitments provided by the Ministry of Natural Resources were by way of letters dated October 21, 1996 and February 9, 1998. Northern and Atikokan had been participating in ongoing discussions and submissions with the Ministry regarding further wood supply commitments throughout 2010. We have sought details of these commitments from Northern and Atikokan and further information will be provided in this regard once the Receiver, if appointed, is able to confirm these details.

(d) Recent Attempts by Creditors to Enforce Judgment

- 49. GE has learned that there have been recent attempts by certain creditors to enforce judgments against Northern. On or about November 12, 2010, a notice of garnishment (the "Notice of Garnishment") was issued by the CEP upon the Royal Bank of Canada for an unpaid debt by Northern to the CEP pursuant to an arbitration decision rendered under the *Labour Relations Act*, 1995 on or about August 25, 2010. Attached and marked as Exhibit "X" is a copy of the arbitration decision and the Notice of Garnishment.
- 50. GE disputed the CEP's ability to garnish funds in priority to GE's security. I understand that amounts were garnished from RBC's accounts. I had thought that no further steps were being taken, however, I learned on or about December 21, 2010, that a garnishment hearing has been scheduled for on or about January 14, 2011.
- 51. On or about December 17, 2010, I also learned that the CEP will be applying to petition Northern into bankruptcy. CEP's counsel confirmed on or about December 21, 2010, that a January 4, 2011 date has been obtained for the hearing of the

bankruptcy petition. While the receivership request could continue notwithstanding the CEP's bankruptcy petition, GE is concerned that having different insolvency proceedings conducted by different insolvency professionals will unnecessarily complicate matters. GE prefers to have a receiver appointed over and deal with the assets subject to GE's security.

Need for a Receiver

- 52. The appointment of a receiver is necessary for the protection of GE's interests and is just and convenient in the circumstances for, *inter alia*, the following reasons:
 - (a) Northern and Atikokan are in default of their commitments to GE pursuant to the Northern Security Documents and the Atikokan Security Documents;
 - (b) GE has delivered the Northern NOI and the Atikokan NOI on or about April 2, 2010 under section 244 of the BIA;
 - (c) Northern is indebted to GE in the sum of \$9,172,308.66 as of October 22, 2010;
 - (d) Atikokan is indebted to GE in the sum of \$8,626,640.93 as of November 30, 2010;
 - (e) Northern and Atikokan have ceased operations since in or around the fall of 2008, and have been unable to meet their liabilities as they become due:
 - (f) Northern and Atikokan have failed to pay basic operating expenses, such as insurance costs which may adversely affect the value of the properties;

- (g) Garnishment proceedings have been commenced by unsecured creditors;
- (h) Bankruptcy proceedings have been commenced by unsecured creditors;
 and
- (i) Northern and Atikokan do not oppose the receivership request.

PwC as Proposed Receiver

53. I am advised by Gregory Prince of PwC and verily believe that PwC is qualified to act as Receiver of the Northern and Atikokan mills, and has consented to act in such capacity if so appointed by this Honourable Court.

Cash Flow and Borrowing Requirements

54. As noted, the Northern and Atikokan mills have not been in operation since in or around 2008. However, there are general maintenance and preservation costs being incurred by both mills. These costs which include payroll, gas, hydro, internet and telephone, material and services, and other miscellaneous costs which will need to continue to be incurred during the receivership proceedings. Based on estimates provided to GE by management, as well as the estimated professional costs of the Receiver, the cash flow requirements of the mills during the period of the Sales Process are approximately \$100,000 per month for Northern, and approximately between \$80,000-\$100,000 per month for Atikokan. The receivership order provides for the ability of the Receiver to seek funding, as required.

Proposed Marketing

55. In or about September, 2010, I met with the debtors in Thunder Bay and we discussed canvassing the market for potential purchasers of the Northern and Atikokan mills. PwC was retained to assist in the marketing efforts and initially identified potential purchasers, and commenced a preliminary canvassing of the

market for these assets. While this marketing process was initiated, further marketing efforts will be required during the course of the receivership.

- 56. GE has asked the proposed Receiver to prepare a proposed marketing plan for the Northern and Atikokan mills. GE would like to initiate the sales process as quickly as possible to keep costs at a minimum, and to permit PwC to continue to work with the information and prospects they initiated in the fall of 2010.
- 57. I understand that the proposed Receiver will be filing a separate report which outlines the proposed marketing plan for the Northern and Atikokan mills.

Notice

- 58. I am advised by Jordana Bergman, an associate at Stikeman Elliott LLP, and do believe that the following parties were provided or will be provided with notice of our intentions to seek the appointment of a Receiver:
 - (a) the other secured creditors, including: Lucky Star, Buchanan Sales Inc.,and the Royal Bank of Canada;
 - (b) the CEP and the IWA; and
 - (c) the Ministry of the Environment.
- 59. I have sworn this affidavit for the purpose of an Order appointing PwC as Receiver of Northern and Atikokan, and for no other or improper purpose.

ARTICLE 4 — INSURANCE

4.01 <u>Insurance</u>

The Debtor must obtain and maintain, at its own expense, insurance against loss or damage to the Collateral including, without limiting the generality of the foregoing, loss by fire (including socalled extended coverage), theft, collision and such other risks of loss as are customarily insured against on this type of Collateral, in an amount not less than the full replacement value thereof, in such form and with such insurers as are reasonably satisfactory to the Secured Party. If any such policies of insurance contain a co-insurance clause, the Debtor will either cause any such coinsurance clause to be waived or maintain at all times a sufficient amount of insurance to meet the requirements of any such co-insurance clause so as to prevent the Debtor from becoming a coinsurer under the terms of any such policy. All such policies must name the Secured Party as an additional insured and loss payee thereof, as the Secured Party's interests may appear, and must provide that the insurer will give the Secured Party at least 10 days written notice of intended cancellation. At the Secured Party's request, the Debtor must furnish the Secured Party with a copy of any policy of insurance and certificate of insurance or other evidence satisfactory to the Secured Party that such insurance coverage is in effect. The Debtor must give the Secured Party notice of any damage to, or loss of, the Collateral forthwith upon the occurrence of any such damage or loss. Should the Debtor fail to make any payment or perform any other obligation provided in this Section, the Secured Party will have the right, but not the obligation, without notice or demand upon the Debtor and without releasing the Debtor from any obligation hereunder or waiving any rights to enforce this Agreement, to perform any or all of such obligations. The amount of all such payments made and all costs, fees and expenses incurred by the Secured Party in performing such obligations will be immediately due and payable by the Debtor.

ARTICLE 5 — DEALING WITH COLLATERAL

5.01 Dealing with Collateral by the Debtor

The Debtor must not sell, lease or otherwise dispose of any of the Collateral without the prior written consent of the Secured Party, except that the Debtor may, until an Event of Default occurs, deal with its money or sell items of Inventory in the ordinary course of its business so that the purchaser thereof takes title thereto free and clear of the security interest, assignment and mortgage and charge granted hereby, but all proceeds of any such sale will continue to be subject to the security interest, assignment and mortgage and charge granted hereby and all money

received by the Debtor will be received as trustee for the Secured Party and must be held separate and apart from other money of the Debtor and must be paid over to the Secured Party upon request.

5.02 Rights and Duties of the Secured Party

- (1) The Secured Party may perform any of its rights and duties hereunder by or through agents and is entitled to retain counsel and to act in reliance upon the advice of such counsel concerning all matters pertaining to its rights and duties hereunder.
- (2) In the holding of the Collateral, the Secured Party and any nominee on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own of similar value held in the same place. The Secured Party and any nominee on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Debtor reasonably requests in writing, but failure of the Secured Party or its nominee to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

5.03 Registration of Securities

The Secured Party may have any Securities registered in its name or in the name of its nominee and will be entitled but not bound or required to exercise any of the rights that any holder of such Securities may at any time have, provided that until an Event of Default has occurred and is continuing, the Debtor will be entitled to exercise, in a manner not prejudicial to the interests of the Secured Party or which would violate or be inconsistent with this Agreement, all voting power from time to time exercisable in respect of the Securities. The Secured Party will not be responsible for any loss occasioned by its exercise of any of such rights or by failure to exercise the same within the time limited for the exercise thereof. The Debtor must from time to time forthwith upon the request of the Secured Party deliver to the Secured Party those Securities requested by the Secured Party duly endorsed for transfer to the Secured Party or its nominee to be held by the Secured Party subject to the terms of this Agreement.

5.04 Notification of Account Debtors

Before an Event of Default occurs, the Secured Party may give notice of this Agreement and the security interest and assignment granted hereby to any account debtors of the Debtor or to any other person liable to the Debtor and, after the occurrence of an Event of Default, may give notice to any such account debtors or other person to make all further payments to the Secured Party, and any payment or other proceeds of Collateral received by the Debtor from account debtors or from any other person liable to the Debtor whether before or after any notice is given by the Secured Party must be held by the Debtor in trust for the Secured Party and paid over to the Secured Party on request.

5.05 Application of Funds

Except where the Debtor, when not in default hereunder, so directs in writing at the time of payment, all money collected or received by the Secured Party in respect of the Collateral may be applied on account of such parts of the Obligations as the Secured Party in its sole discretion determines, or may be held unappropriated in a collateral account, or in the discretion of the

Secured Party may be released to the Debtor, all without prejudice to the Secured Party's rights against the Debtor.

(i) the Secured Party believes in good faith that the prospect of payment or performance of any of the Obligations is impaired or that the Collateral is in danger of being lost, damaged or confiscated, or of being encumbered by the Debtor or seized or otherwise attached by anyone pursuant to any legal process.

- (k) the Secured Party may discharge any claim, lien, mortgage, charge, security interest, encumbrance or any rights of others that may exist or be threatened against the Collateral, and in every such case the amounts so paid together with costs, charges and expenses incurred in connection therewith will be added to the Obligations hereby secured.

When we can take action under this part, we may, in writing, appoint anyone to be a receiver or a receiver and manager of the property on any terms, including remuneration, that we think are reasonable. References in the mortgage to a receiver include a receiver and manager. We need not obtain security from the receiver and are not limited by any taw in our choice of the receiver. We may make the appointment even if we have taken possession of property and, when we do so, we will be treated as having gone out of possession. We may also, in writing, remove a receiver, appointed by us. When we remove a receiver, we may appoint a new receiver.
- 7.7.2 Effect of appointment. A receiver appointed by us is considered to be your agent and not ours. The receiver's acts and defaults are considered your acts and defaults and not ours. You alone are responsible for the receiver's acts and defaults and will pay the receiver's remuneration and expenses. Neither the appointment nor anything done by the receiver puts us in possession of property or makes us accountable for money except money we actually receiver.
- 7.7.3 Receiver's powers. A receiver appointed by us has the following powers:

- 7.11.2 Prior mortgages etc. When we can take action under this part, we may also pay a property tax or a mortgage, charge, item, rent or other encumbrance on the property if it has priority over the mortgage. For example, we may do so by private contract as well as by public auction or tender, and we may sell on credit as well as for cash.

- 7.15.1 When we self, grant a lesse, collect income or enter into any other kind of transaction authorized by these terms with another person, that person and any person deriving title under that person need only be satisfied that a discharge of the mortgage has not been registered and that the transaction is not of a kind that we have the power to enter. When a receiver appointed by us enters into any kind of transaction with another person, that person and any person deriving title under that person need only be satisfied that: a discharge of the mortgage has not been registered; we have signed a document purporting to appoint the receiver; the transaction is not been registered; we have signed a document purporting to appoint the receiver; the transaction is not aligned that we have the power to enter; and, the transaction is not of a kind that the document signed by us restricts the receiver from entering. Every such person may assume without enquiry that we can take action under this part, that we are using our powers properly and that the receiver issuing the receiver's powers properly. The person is not affected by the fact that a transaction is improper, even if the person actually knows of that fact. In particular, the person may do the following thinos:

- 7.15,1.4 The person may pay money to us or the receiver without being concerned about what we or the receiver do with it.
- 7.15.2 Any transaction that conforms to the previous paragraph will bind you. If you do have a claim for enything done by us, it will be restricted to a claim that is limited to actual damages and actual out-of-pocket expenses.
- 7.16 How our obligation to tend money is affected. Despite any other agreement, we need not lend money, make an advance or make credit available in any other way during the following periods:

- 7.16.2 while any circumstances exist that would have given us the right to take action under this part if we had not been required to give notice or allow time to pass.
- 7.17 Our protection. We are not responsible for any loss arising in the course of our taking action under this part or exercising a right under any other term of the mortgage, even if it was caused by negligence, unless it results from our dishonesty or our gross neglect.

#### PART 8. OTHER TERMS

- 8.1 How various transactions or events affect us.
- 8.1.1 The mortgage. Our taking the mortgage or our advancing money under it does not put us under an obligation to lend money or to extend any other kind of credit. Nor does it add to any such obligation that we may have. The mortgage adds to our rights; neither the mortgage nor anything in it reduces the benefit to us of any other right we may have.
- 8.1.2 Our rights. A right of ours under the mortgage does not relieve you from a duty concerning the property or put a duty on us. Nor does our exercising the right. In particular, the right or exercise does not mean that we take over a duty based on possession, management or control. This subsection does not limit our rights.
- 8.1.3 Other transactions. Nothing in any other transaction between you and us takes away our rights under the mortgage. Nothing in the mortgage takes away our rights under any other transaction.
- 8.1.4 Your setting or deating with the property. If you set or deal in any other way with your interest in the property or part of it, you continue to be fiable for your obligations under the mortgage, and our rights equinat you or anyone else are not affected.
- 8.1.5 Subdivision of the real estate. The real estate may not be subdivided without our prior written consent, which consent may be arbitrarily withheld. If we give such consent then each pert of the real estate secures the total amount of the payment obligations.
- 8.1.8 Our giving releases or discharges. If we release anyone from an obligation or if we release any security, our rights against anyone else or under any other security are not affected. This applies when we agree to extend the time for payment of any of the payment obligations or to change their terms in any other way. It also applies when we discharge part of the property from the mortgage; if we do, the property not discharged secures the total payment obligations that remain owing. These terms apply whatever are the terms on which we give the release or discharge and even if we receive nothing in return. We are not liable to you for the release or discharge, except to account to you for money that we both actually received and accept to reduce the payment obligations.
- 8.1.7 Our delaying taking action or waiving rights. If we delay taking action under part 7 or exercising any other right under the mortgage or any other agreement, we do not lose or impair the right or any other right. If we waive a breach of any obligation under the mortgage or any other agreement. If we waive a right, we do not lose or impair any other right of ours. We will not be bound by an agreement that contains a waiver unless it is in writing and is signed by us.
- 8.1.8 Our dealing with future owners. After the mortgage is signed, a person may become an owner of the property and we may enter into an agreement with that person extending the time for payment of the payment obligations, renewing the mortgage or changing the payment obligations in some other way. If so, we do not lose or impair our rights against anyone who had agreed to pay or had guaranteed the payment obligations. The same applies if we deal in any way with a new owner or deal in any way with any other person who has an interest in the property or part of it.
- 8.1.9 Our obtaining a judgment, if we obtain a court judgment for a failure to pay any of the payment obligations or to perform any other obligation, the judgment will not supersede the obligation or our right to take action under part 7. We will continue to be entitled to interest under the payment obligations, calculated and payable as agreed, and the judgment may so provide.

Any Notice, if mailed, shall be deemed to be received on the fourth day after it was mailed. If any such policies of insurance contain a co-insurance clause, the Debtor will either cause any such coinsurance clause to be waived or maintain at all times a sufficient amount of insurance to meet the requirements of any such co-insurance clause so as to prevent the Debtor from becoming a coinsurer under the terms of any such policy. All such policies must name the Secured Party as an additional insured and loss payee thereof, as the Secured Party's interests may appear, and must provide that the insurer will give the Secured Party at least 10 days written notice of intended cancellation. Should the Debtor fail to make any payment or perform any other obligation provided in this Section, the Secured Party will have the right, but not the obligation, without notice or demand upon the Debtor and without releasing the Debtor from any obligation hereunder or waiving any rights to enforce this Agreement, to perform any or all of such obligations. The Debtor must not sell, lease or otherwise dispose of any of the Collateral without the prior written consent of the Secured Party, except that the Debtor may, until an Event of Default occurs, deal with its money or sell items of Inventory in the ordinary course of its business so that the purchaser thereof takes title thereto free and clear of the security interest, assignment and mortgage and charge granted hereby, but all proceeds of any such sale will continue to be subject to the security interest, assignment and mortgage and charge granted hereby and all money

received by the Debtor will be received as trustee for the Secured Party and must be held separate and apart from other money of the Debtor and must be paid over to the Secured Party upon request.

# 5.02 Rights and Duties of the Secured Party

- (2) In the holding of the Collateral, the Secured Party and any nominee on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own of similar value held in the same place. The Secured Party and any nominee on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Debtor reasonably requests in writing, but failure of the Secured Party or its nominee to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

# 5.03 Registration of Securities

The Secured Party may have any Securities registered in its name or in the name of its nominee and will be entitled but not bound or required to exercise any of the rights that any holder of such Securities may at any time have, provided that until an Event of Default has occurred and is continuing, the Debtor will be entitled to exercise, in a manner not prejudicial to the interests of the Secured Party or which would violate or be inconsistent with this Agreement, all voting power from time to time exercisable in respect of the Securities. The Secured Party will not be responsible for any loss occasioned by its exercise of any of such rights or by failure to exercise the same within the time limited for the exercise thereof. The Debtor must from time to time forthwith upon the request of the Secured Party deliver to the Secured Party those Securities requested by the Secured Party duly endorsed for transfer to the Secured Party or its nominee to be held by the Secured Party subject to the terms of this Agreement.

## 5.04 Notification of Account Debtors

Before an Event of Default occurs, the Secured Party may give notice of this Agreement and the security interest and assignment granted hereby to any account debtors of the Debtor or to any other person liable to the Debtor and, after the occurrence of an Event of Default, may give notice to any such account debtors or other person to make all further payments to the Secured Party, and any payment or other proceeds of Collateral received by the Debtor from account debtors or from any other person liable to the Debtor whether before or after any notice is given by the Secured Party must be held by the Debtor in trust for the Secured Party and paid over to the Secured Party on request.

## 5.05 Application of Funds

Except where the Debtor, when not in default hereunder, so directs in writing at the time of payment, all money collected or received by the Secured Party in respect of the Collateral may be applied on account of such parts of the Obligations as the Secured Party in its sole discretion determines, or may be held unappropriated in a collateral account, or in the discretion of the

## PART 8. OTHER TERMS

- 8.1 How various transactions or events effect us.
- 8.1.1 The mortgage. Our taking the mortgage or our advancing money under it does not put us under an obligation to lend money er to extend any other kind of credit. Nor does it add to any such obligation that we may have. The mortgage adds to our rights; neither the mortgage nor anything in it reduces the benefit to us of any other right we may have.
- 8.1.2 Our rights. A right of ours under the mortgage does not relieve you from a duty concerning the property or put a duty on us. Nor does our exercising the right in particular, the right or exercise does not mean that we take over a duty based on possession, management or control. This subsection does not limit our rights.
- 8.1.3 Other transactions. Nothing in any other transaction between you and us takes away our rights under the mortgage. Nothing in the mortgage takes away our rights under any other transaction.
- 8.1.4 Your selling or dealing with the property, if you sell or dealin any other way with your interest in the property or part of it, you continue to be liable for your obligations under the mortgage, and our rights against you or anyone else are not affected.
- 8.1.5 Subdivision of the real estate. The real estate may not be subdivided without our prior written consent, which consent may be arbitrarily withheld. If we give such consent then each part of the real estate secures the total amount of the payment obligations.
- 8.1.6 Our giving releases or discharges. If we release anyone from an obligation or if we release any security, our rights against anyone else or under any other security are not affected. This applies when we agree to extend the time for payment of any other payment obligations or to change their terms in any other way. It also applies when we discharge part of the property from the mortgage, if we do, the property not discharged secures the total payment obligations that remain owing. These terms apply whatever are the terms on which we give the release or discharge and even if we receive nothing in return. We are not Rabie to you for the release or discharge, except to account to you for money that we both actually received and accept to reduce the payment obligations.
- 8.1.7 Our delaying taking action or waiving rights. If we delay taking action under part 7 or exercising any other right under the mortgage or any other agreement, we do not lose or impair the right or any other right. If we waive a breach of any obligation under the mortgage or any other agreement. If we waive a right, we do not lose or impair any other right of ours. We will not be bound by an agreement that contains a waiver unless it is in writing and is signed by us.
- 8.1.6 Our dealing with future owners. After the mortgage is signed, a person may become an owner of the property and we may enter into an agreement with that person extending the time for payment of the payment obligations, renewing the mortgage or changing the payment obligations in some other way. If so, we do not lose or impair our rights against anyone who had agreed to pay or had guaranteed the payment obligations. The same applies if we deal in any way with a new owner or deal in any way with any other person who has an interest in the property or part of it.
- 8.1.9 Our obtaining a judgment, if we obtain a court judgment for a failure to pay any of the payment obligations or to perform any other obligation, the judgment will not supersede the obligation, or detract from the obligation or our right to take action under part 7. We will continue to be entitled to interest under the payment obligations, calculated and payable as agreed, and the judgment may so provide.

Attention: Wolfgang Gericke, President

Dear Sir:

Re: Northern Sawmills Inc. Indebtedness Due to GE Canada Equipment Financing G.P. ("GE Canada")

We are solicitors for GE Canada in connection with the obligations of Northern Sawmills Inc. (the "Company") to GE Canada pursuant to Equipment Loan and Security Agreement dated March 22, 2007 having No. 150010293079, as amended (the "ELSA").

Pursuant to subsection 13(a) of GE Canada's standard terms and conditions incorporated into the ELSA (the "Terms"), the Company is in default of its obligations by virtue of the Company's failure to pay Instalments due pursuant to the ELSA within 10 days of their due date. Pursuant to section 14 of the Terms, upon default, GE Canada is entitled to declare the ELSA to be in default, whereupon all amounts owing pursuant to the ELSA become immediately due and payable.

On behalf of GE Canada, we hereby demand payment of all obligations owing under the ELSA. The amount of the obligations owing under the ELSA as of March 31, 2010 was \$10,654,541.80, as described in the attached early termination quote. Additional interest will continue to accrue until payment in full is made. This letter constitutes a demand for payment of the amount set forth above, further interest accruing at the rate set out in the ELSA, which accrues thereon to the date of payment, plus all costs incurred by GE Canada in connection with this matter. The exact balance owing will be provided for payout purposes upon request.

Unless payment or an arrangement satisfactory to GE Canada for payment of the amount demanded herein is made within 10 days from the date of this letter, GE Canada will take such steps as are necessary in order to recover the amounts owing by the Company under the terms of the ELSA. Those steps may include the commencement of legal proceedings, the costs of which will be for the Company's account. In addition, GE Canada may take steps to enforce

Re: Northern Sawmills Inc. Indebtedness Due to GE Canada Equipment Financing G.P. ("GE Canada")

We are solicitors for GE Canada in connection with the obligations of Northern Sawmills Inc. ("Northern Sawmills") to GE Canada pursuant to Equipment Loan and Security Agreement dated March 22, 2007 having No. 150010293079, as amended (the "ELSA").

Atikokan Forest Products Ltd. (the "Company") did guarantee the payment of all obligations of Northern Sawmills to GE under the ELSA pursuant to an unconditional unlimited guarantee and indemnity dated March 25, 2009 (the "Guarantee").

Accordingly, on behalf of GE Canada, we hereby demand payment from the Company under the terms of the Guarantee of the aggregate indebtedness owing under the ELSA, which as at March 31, 2010 was \$10,654,541.80, together with interest thereon from this date forward at the rate of 24% per annum in accordance with the terms of the Guarantee and all legal and other costs incurred by GE Canada to collect the amounts herein demanded. Those steps may include the commencement of legal proceedings, the costs of which will be for the Company's account, including an amount equal to 15% of all amounts demanded hereunder. In addition, GE Canada may take steps to enforce GE Canada's rights under all security previously granted by the Company, including, without limitation, the equipment loan and security agreement dated April 2, 2007 having No. 150010292870, the general security agreement dated April 2, 2007, the equipment security agreement dated March 25, 2009 and the collateral charge granted by the Company in favour of General Electric Canada Real Estate Finance Inc., as nominee for GE Canada, as amended. Dear Sir:

Re: Atikokan Forest Products Ltd. Indebtedness Due to GE Canada Equipment Financing G.P. ("GE Canada")

We are solicitors for GE Canada in connection with the obligations of Atikokan Forest Products Ltd. ("Atikokan") to GE Canada pursuant to Equipment Loan and Security Agreement dated April 2, 2007 having No. 150010292870, as amended (the "Atikokan ELSA"). We are also solicitors for GE Canada in connection with the obligations of Northern Sawmills Inc. ("Northern Sawmills") to GE Canada pursuant to Equipment Loan and Security Agreement dated March 22, 2007 having No. 150010293079, as amended (the "Northern Sawmills ELSA").

Northern Sawmills has defaulted under its obligations pursuant to the Northern Sawmills ELSA and we have this day demanded payment of all amounts owing by Northern Sawmills to GE Canada pursuant to the Northern Sawmills ELSA. A copy of our letter to Northern Sawmills in that regard is enclosed.

All obligations of Northern Sawmills under the Northern Sawmills ELSA have been cross-defaulted with all obligations of Atikokan under the Atikokan ELSA, as acknowledged by Atikokan in an acknowledgement dated March 31, 2009. The default of Northern Sawmills under the Northern Sawmills ELSA constitutes a default by Atikokan of its obligations pursuant to the Atikokan ELSA. Pursuant to section 14 of GE Canada's standard terms and conditions incorporated into the Atikokan ELSA, upon default, GE Canada is entitled to declare the Atikokan ELSA to be in default, whereupon all amounts owing pursuant to the Atikokan ELSA become immediately due and payable.

On behalf of GE Canada, we hereby demand payment of all obligations owing under the Atikokan ELSA. The amount of the obligations owing under the Atikokan ELSA as of March 31, 2010 was \$10,055,189.04, as described in the attached early termination quote. Additional interest will continue to accrue until payment in full is made. The exact balance owing will be provided for payout purposes upon request. This letter constitutes a demand for payment of the amount set forth above, further interest accruing at the rate set out in the Atikokan ELSA, which

accrues thereon to the date of payment, plus all costs incurred by GE Canada in connection with this matter. The exact balance owing will be provided for payout purposes upon request.

Unless payment or an arrangement satisfactory to GE Canada for payment of the amount demanded herein is made within 10 days from the date of this letter, GE Canada will take such steps as are necessary in order to recover the amounts owing by Atikokan under the terms of the ELSA. Those steps may include the commencement of legal proceedings, the costs of which will be for Atikokan's account. In addition, GE Canada may take steps to enforce GE Canada's rights under all security previously granted by Atikokan, including, without limitation, the Atikokan ELSA, the general security agreement dated April 2, 2007, the equipment security agreement dated March 25, 2009 and the collateral charge granted by the Company in favour of General Electric Canada Real Estate Finance Inc., as nominee for GE Canada, as amended. In that regard, enclosed is a notice pursuant to section 244 of the *Bankruptcy and Insolvency Act* which is hereby being served upon the Company.

Please govern yourself accordingly.

As you are aware, both General Electric Canada Real Estate Finance Inc. ("GE"), and Buchanan Sales Inc. ("Buchanan") hold certain security interests against the assets of Atikokan Forest Products Ltd. ("Atikokan"). We have entered into Postponements registered March 30, 2009 affecting your mortgage security as well as a Waiver dated March 25, 2009.

In recent months, Buchanan has been supportive of the ongoing security and other expenses of Atikokan.

In light of current financial circumstances it does not appear that Atikokan will recommence operations in the foreseeable future. Accordingly, Bucharian will not continue its support for the ongoing expenses of Atikokan. In particular it intends to allow the insurance on the Atikokan assets to lapse, effective November 10, 2010, for nonpayment of premiums.

We believe that it would be to our mutual benefit to exercise our respective enforcement rights in a cooperative manner. We look forward to exploring the best route for such enforcement proceedings with you. Please contact me at your earliest opportunity.

As you are aware, both General Electric Canada Real Estate Finance Inc. ("GE"), and Lucky Star Holdings Inc. ("Lucky Star") hold certain security Interests against the assets of Northern Sawmills Inc. ("Northern"). We have entered into a Priority and Intercreditor Agreement dated March 22, 2007.

In recent months, Lucky Star has been supportive of the ongoing security and other expenses of Northern.

In light of current financial circumstances it does not appear that Northern will recommence operations in the foreseeable future. Accordingly, Lucky Star will not continue its support for the ongoing expenses of Northern. In particular it Intends to allow the insurance on the Northern assets to lapse, effective November 10, 2010, for nonpayment of premiums.

Lucky Star intends to enforce its security on those assets on which it has first-place priority according to the Priority Intercreditor Agreement. It does not appear likely that Lucky Star will obtain recovery, as a subsequent secured party, out of the remaining Northern assets. Since Lucky Star therefore likely has no economic interest in those remaining assets, Lucky Star invites GE to proceed with enforcement under its security.

We believe that it would be to our mutual benefit to exercise our respective enforcement rights in a cooperative manner. We look forward to exploring the best route for such enforcement proceedings with you. Please contact me at your earliest opportunity.
