## **Background**

### **I. In General [I.]**

This document contains amendments to the Income Tax Regulations (CFR part 1) under sections 1471 through 1474 of the Code (commonly known as the Foreign Account Tax Compliance Act, or FATCA). On March 18, 2010, the Hiring Incentives to Restore Employment Act of 2010, Public. Law. 111-147 (the HIRE Act), added chapter 4 of Subtitle A (chapter 4), comprised of sections 1471 through 1474, to the Code. Chapter 4 generally requires U.S. withholding agents to withhold tax on certain payments to foreign financial institutions (FFIs) that do not agree to report certain information to the Internal Revenue Service (IRS) regarding their U.S. accounts, and on certain payments to certain nonfinancial foreign entities (NFFEs) that do not provide information on their substantial United States owners (substantial U.S. owners) to withholding agents. On January 28, 2013, final regulations (TD 9610) under chapter 4 were published in the Federal Register (78 FR 5874) and, on September 10, 2013, a correction to the final regulations was published in the Federal Register (78 FR 55202) (final regulations). The Treasury Department and the IRS received numerous comments in response to the final regulations.

Following publication of the final regulations, the Treasury Department and the IRS also issued additional guidance under chapter 4. Notice 2013-43 (2013-31 I.R.B. 113) previews the revised timelines for implementation of the FATCA requirements (which are adopted by these temporary regulations) and provides additional guidance concerning the treatment of FFIs located in jurisdictions that have signed intergovernmental agreements for the implementation of FATCA (IGAs) but have not yet brought those IGAs into force. In particular, Notice 2013-43 clarifies that a jurisdiction is treated as having in effect an IGA if the jurisdiction is listed on the Treasury Web site as a jurisdiction that is treated as having an IGA in effect. In general, the Treasury Department and the IRS intend to include on this list jurisdictions that have signed but have not yet brought into force an IGA. The list of jurisdictions that are treated as having an IGA in effect is available at the following address: <http://www.treasury.gov/resource-center/tax-policy/treaties/Pages/FATCA-Archive.aspx>. Notice 2013-69 (2013-46 I.R.B. 503) further previews some of the changes that the Treasury Department and IRS intend to make to the final regulations and publishes a draft of the agreement that an FFI may enter into with the IRS in order to satisfy its obligations under section 1471(b) of the Code and be treated as a participating FFI (FFI agreement). Revenue Procedure 2014-13 (2014-3 I.R.B. 419) provides the final FFI agreement.

### **II. Regulatory Approach to Implementing Chapter 4 [II.]**

Chapter 4 grants the Secretary of the Treasury broad regulatory authority to prescribe rules and procedures relating to the diligence, reporting and withholding obligations under FATCA. The Treasury Department and the IRS exercised this authority by publishing final regulations that provide specific operational guidelines for implementing FATCA in a manner consistent with its policy objectives. As described in the preamble to the final regulations, the final regulations implement the statute based on a risk-based approach that is intended to address policy considerations, eliminate unnecessary burdens, and to the extent possible, build on existing practices and obligations.

Following publication of the final regulations, the Treasury Department and the IRS received unsolicited comments suggesting changes to or requesting clarification of certain rules in the final regulations. As a result of these comments, the Treasury Department and the IRS have continued to work with affected parties to develop rules that achieve an appropriate balance between fulfilling the important policy objectives of chapter 4 and minimizing the burdens imposed on stakeholders. As part of this process, the Treasury Department and the IRS have carefully considered comments received in response to the final regulations and have met with stakeholders. While many of these comments reiterate comments that were received and considered prior to the publication of the final regulations or suggest changes to the final regulations that are outside the scope of these temporary regulations, a number of comments proposed changes to the final regulations that the Treasury Department and the IRS believe warrant inclusion in these temporary regulations. The Treasury Department and the IRS will accept comments and engage with interested stakeholders in connection with finalizing these temporary regulations.

## **Explanation of Provisions**

### **I. In General [I.]**

In response to comments and after further consideration, these temporary regulations revise and further clarify the final regulations. To this end, these temporary regulations take into account helpful comments received and provide additional detail and certainty regarding the scope of obligations imposed under chapter 4. In addition, these temporary regulations reflect changes made to the final regulations to coordinate the chapter 4 regulations with the temporary regulations published under chapters 3 and 61 and section 3406 of the Code. Additionally, these temporary regulations contain modifications to the final regulations to further harmonize them with the IGAs. Several of the changes made by these temporary regulations were previewed in Notice 2013-69, the draft FFI agreement, and certain of the draft IRS forms released throughout 2013.

The following sections provide a discussion of the additions and modifications made by the temporary regulations to the final regulations. To facilitate this discussion, the defined terms set forth in the temporary regulations are used throughout.

### **II. Comments and Changes to §1.1471-1 - Scope of Chapter 4 and Definitions [II.]**

To address comments received and to provide further clarification, these temporary regulations modify certain definitions contained in the final regulations.

#### **II.A. Direct Reporting NFFE, Sponsored Direct Reporting NFFE, and Sponsoring Entity [II.A.]**

Comments requested an election providing NFFEs with the ability to report information about their substantial U.S. owners directly to the IRS rather than to withholding agents. In response to these comments and as previewed in Notice 2013-69, these temporary regulations provide certain NFFEs with elections to be treated as direct reporting NFFEs or sponsored direct reporting NFFEs. A NFFE that is treated as a direct reporting NFFE or sponsored direct reporting NFFE shall be treated as an excepted NFFE. Accordingly, definitions have been added for a direct reporting NFFE and a sponsored direct reporting NFFE, and the definition of a sponsoring entity has been modified. Conforming changes have also been made throughout these temporary regulations to implement these changes.

#### **II.B. Excepted NFFE [II.B.]**

These temporary regulations modify the definition of excepted NFFE such that excepted NFFEs include, among other things, a direct reporting NFFE and a sponsored direct reporting NFFE. In addition, to correct an oversight, the definition of excepted NFFE under these temporary regulations is further expanded to include a NFFE that is a qualified intermediary (QI), withholding foreign partnership (WP) or withholding foreign trust (WT).

#### **II.C. Offshore Obligation and Offshore Account [II.C.]**

In response to comments stating that the definition of offshore obligation in the final regulations is unclear, and in order to harmonize chapters 4 and 61, these temporary regulations define offshore obligation by cross-reference to §1.6049-5(c)(1) (which now uses the term offshore obligation instead of offshore account). These temporary regulations also remove the definition of offshore account because it is included in the definition of offshore obligation under §1.6049-5(c)(1).

#### **II.D. Pre-FATCA Form W-8 [II.D.]**

These temporary regulations make a clarifying change to the definition of pre-FATCA Form W-8. The final regulations define pre-FATCA Form W-8 as certain Forms W-8 that do not contain chapter 4 statuses. However, the chapter 4 status of a non-U.S. individual filing a Form W-8 is the same as his or her chapter 3 status. Therefore, the definition in the final regulations could be interpreted to mean that any Form W-8 previously submitted by a non-U.S. individual could not be treated as a pre-FATCA Form W-8. These temporary regulations modify the definition of pre-FATCA Form W-8 to avoid this result.

**II.E. Standardized Industry Coding System [II.E.]**

The final regulations define the term standardized industry code to mean a code that is part of a coding system that is used to classify account holders by business type for purposes other than tax purposes and that is implemented by the withholding agent by the later of January 1, 2012, or six months after the date the withholding agent is formed or organized. In response to comments, these temporary regulations remove the term standardized industry code and replace it with the term standardized industry coding system. The term standardized industry coding system in these temporary regulations is substantially similar to the term standardized industry code in the final regulations, except that it focuses on a coding system used by the withholding agent to classify account holders, rather than a specific code that is part of such a coding system. Additionally, and in response to comments, with respect to a preexisting obligation of an entity, the preexisting obligation documentary evidence rules have been liberalized by eliminating the requirement that the classification of the payee's status be recorded by the withholding agent by the later of January 1, 2012, or six months after the date the withholding agent is formed or organized.

**II.F. Certain Foreign Insurance Companies Treated as U.S. Persons [II.F.]**

The final regulations treat a foreign insurance company that is not licensed to do business in any State and makes an election under section 953(d) as a foreign person. Comments requested that a foreign insurance company that has made an election under section 953(d) be treated as a U.S. person. A foreign insurance company that has made an election under section 953(d) is required to report on its U.S. income tax return the U.S. persons that own a direct or indirect interest in it. As previewed in Notice 2013-69, and in light of the existing reporting requirements applicable to these entities, the temporary regulations modify the definition of U.S. person to include a foreign insurance company that has made an election under section 953(d) and that either is not a specified insurance company or is a specified insurance company that is licensed to do business in any State. In such cases, the foreign insurance company will be required to continue to report on its owners in accordance with its election under section 953(d). A foreign insurance company that has made an election under section 953(d) and that is a specified insurance company that is not licensed to do business in any State will continue to be treated as a foreign person for purposes of chapter 4.

**II.G. Coordination of Definitions [II.G.]**

In response to comments requesting clarification and in order to coordinate the definitions in the final regulations with the definitions in chapters 3 and 61 and the FFI agreement, these temporary regulations add definitions of backup withholding, branch, chapter 4 withholding rate pool, exempt recipient, IGA, non-exempt recipient, reportable payment, and reporting Model 2 FFI and modify the definition of a U.S. branch treated as a U.S. person. In addition, the definitions of financial institution, limited branch, limited FFI, and substantial U.S. owner are modified to ensure coordination between the FFI agreement and these temporary regulations.

**II.H. Harmonization With IGAs [II.H.]**

These temporary regulations modify the definition of nonreporting IGA FFI to include (in addition to an FFI that is identified or treated as a nonreporting financial institution pursuant to a Model 1 or Model 2 IGA that is not a registered deemed-compliant FFI) an FFI that is a resident of, located in, or established in a Model 1 or Model 2 IGA jurisdiction, as the context requires, and that meets the requirements for certified deemed-compliant FFI status under the temporary regulations. Certain definitions (including the definition of retirement plan under §1.1471-6(f)) are also modified to further harmonize these temporary regulations and the IGAs.

**III. Comments and Changes to §1.1471-2 - Requirement To Deduct and Withhold Tax on Withholdable Payments to Certain FFIs [III.]**

**III.A. Grandfathered Obligations - Definitions - Material Modification [III.A.]**

Comments indicated that outstanding life insurance contracts often contain a provision permitting the substitution of an insured and, as a result, cannot be a grandfathered obligation under the final regulations. Because such provisions are prevalent in existing life insurance contracts, the Treasury Department and the IRS have determined that life insurance contracts that have such a provision should be eligible for grandfathered status until the provision is invoked, but that any change or substitution of the insured under the contract should be treated as a material modification such that grandfathered status would no longer apply. These temporary regulations modify the final regulations accordingly.

**III.B. Grandfathered Obligations - Determination by Withholding Agent of Grandfathered Treatment [III.B.]**

The final regulations provide that a withholding agent is required to treat a modification of an obligation as material if the withholding agent knows or has reason to know that a material modification has occurred. The Treasury Department and the IRS received comments stating that it is difficult for a withholding agent to determine whether there has been a material modification of a grandfathered obligation absent a disclosure from the issuer of the obligation, and therefore that the receipt of such a disclosure should be the only instance in which a withholding agent is required to treat a modification of an obligation as material. In response to these comments, the temporary regulations modify the final regulations to provide that a withholding agent, other than the issuer of the obligation (or an agent of the issuer), is required to treat a modification of an obligation as material only if the withholding agent has actual knowledge that a material modification has occurred. One example of an event that will cause a withholding agent to have actual knowledge of a material modification is if the withholding agent receives a disclosure indicating that there has been or will be a material modification to the obligation.

**IV. Comments and Changes to §1.1471-3 - Identification of Payee [IV.]**

**IV.A. Payee Defined [IV.A.]**

***IV.A.1. Exceptions - U.S. Intermediary or Agent of a Foreign Person [IV.A.1.]***

Comments requested that, in cases in which a withholding agent makes a withholdable payment to a U.S. insurance broker that is acting as an intermediary for or agent of a foreign insurer, the withholding agent be allowed to treat the U.S. insurance broker as the payee unless the withholding agent has reason to know that the U.S. insurance broker will not satisfy its withholding obligations. These temporary regulations modify the final regulations to adopt this comment.

***IV.A.2. Exceptions - U.S. Branch of Certain Foreign Banks or Foreign Insurance Companies [IV.A.2.]***

A payment made to a U.S. branch of a participating FFI or a registered deemed-compliant FFI may be treated as a payment made to a U.S. person if the branch is treated as a U.S. person for purposes of withholding under chapter 4. The final regulations inadvertently omit a cross-reference to the regulations containing the requirements of U.S. branches to report information regarding certain U.S. owners of owner-documented FFIs and passive NFFEs. These temporary regulations add a cross-reference to §1.1474-1(i)(1) and (2).

**IV.B. Determination of Payee's Status - Determination of Whether the Payment is Made to a QI, WP, or WT [IV.B.]**

In order to harmonize the rules in chapter 4 with those in chapters 3 and 61, these temporary regulations clarify that, with respect to a withholding agent's determination of whether a payment is made to a QI, WP, or WT, a Form W-8IMY, "Certificate of Foreign Intermediary, Foreign Flow-Through Entity, or Certain U.S. Branches for United States Tax Withholding," provided by such entity must contain the entity's QI-EIN, WP-EIN, or WT-EIN (as applicable). In addition, QIs, WPs, and WTs that have a GIIN must provide both a QI-EIN, QP-EIN, or WT-EIN and the GIIN to a withholding agent on the Form W-8IMY.

**IV.C. Rules for Reliably Associating a Payment With a Withholding Certificate or Other Appropriate Documentation [IV.C.]**

***IV.C.1. Requirements for Validity of Certificates - Withholding Certificate of an Intermediary, Flow-Through Entity, or U.S. Branch (Form W-8IMY) - In General [IV.C.1.]***

These temporary regulations clarify that, when a participating FFI or a registered deemed-compliant FFI has a branch (including a disregarded entity of the FFI) that both acts as an intermediary and is located outside of the FFI's country of residence, the GIIN of the branch (or disregarded entity) must be disclosed on the withholding certificate. This change provides more detail on the use of GIINs issued to branches or disregarded entities of an FFI and that are used, in part, to identify an FFI to withholding agents.

**IV.C.2. Requirements for Validity of Certificates - Withholding Certificate of an Intermediary, Flow-Through Entity, or U.S. Branch (Form W-8IMY) - Withholding Statement - Special Requirements for an FFI Withholding Statement [IV.C.2.]**

Comments requested additional clarification to the final regulations concerning the requirements of an FFI withholding statement, specifically with regard to the use of a chapter 4 withholding rate pool identified on an FFI withholding statement to allocate a withholdable payment (or portion of a withholdable payment) to persons included within the chapter 4 withholding rate pool. Some of these clarifications have already been previewed in the draft FFI agreement, published in Notice 2013-69, and the final FFI agreement, published in Rev. Proc. 2014-13. These temporary regulations provide further clarification of FFI withholding statement requirements, including rules on when a chapter 4 withholding rate pool may be used by an FFI to allocate withholdable payments to a class of persons within a particular type of chapter 4 withholding rate pool. For example, if a participating FFI (including a reporting Model 2 FFI) that is a non-U.S. payor receives a withholdable payment on behalf of an account holder of a U.S. account, the participating FFI may include the account holder in a chapter 4 withholding rate pool of U.S. payees provided on an FFI withholding statement to the withholding agent to allocate the payment (or portion thereof) to the U.S. payee pool when the participating FFI reports the account holder under §1.1471-4(d)(3) (Form 8966, "FATCA Report," reporting) or §1.1471-4(d)(5) (election to report on Form 1099). As a result, the participating FFI need not provide payee specific information to the withholding agent with respect to the account holder, even if such information would typically be required under chapter 61, because it will be reported to the IRS under chapter 4.

Additionally, reporting Model 1 FFIs and reporting Model 2 FFIs (without regard to whether such FFIs are U.S. or non-U.S. payors) may include certain recalcitrant account holders in a chapter 4 withholding rate pool of U.S. payees when such payments are not subject to withholding under chapters 3 or 4 or to backup withholding under section 3406 (for example, presumed U.S. non-exempt recipients). This rule was added to provide coordination between the various reporting regimes. For example, a reporting Model 2 FFI may include an account holder of a non-consenting U.S. account in a chapter 4 withholding rate pool of U.S. payees with respect to a withholdable payment that is not subject to withholding under chapters 3 or 4 or to backup withholding under section 3406 when the FFI reports the account holder as described in §1.1471-4(d)(6) for the year in which the payment is made.

Finally, in order to clarify potential ambiguities, and as previewed in the draft and final FFI agreement, these temporary regulations provide that an FFI withholding statement should indicate the portion of the payment allocated to a pool of recalcitrant account holders that hold dormant accounts for which the FFI (and not the withholding agent) will withhold in escrow under the procedures described in §1.1471-4(b)(6). Additionally, a participating FFI that elects to apply backup withholding under §1.1471-4(b)(3)(iii) to a withholdable payment that is also a reportable payment (as described under chapter 61) must also indicate the portion of the payment allocated to each recalcitrant account holder subject to backup withholding under section 3406 and report such payment to the IRS on Form 1099. A participating FFI will not be able to make the election to backup withhold under §1.1471-4(b)(3)(iii) unless it is able to report on the payment and tax withheld consistent with the rules under chapter 61 and section 3406.

**IV.C.3. Requirements for Validity of Certificates - Withholding Certificate of an Intermediary, Flow-Through Entity, or U.S. Branch (Form W-8IMY) - Withholding Statement - Special Requirements for a Chapter 4 Withholding Statement and Exempt Beneficial Owner Withholding Statement [IV.C.3.]**

An intermediary providing a withholding certificate for a withholdable payment under chapter 4 may also need to provide information under chapter 3 or chapter 61 if those chapters also apply to the payment the intermediary receives. These temporary regulations modify the final regulations to coordinate with chapters 3 and 61 by providing cross-references to the regulations under those chapters to clarify the information required to be included on a withholding statement when a withholdable payment is also reportable under chapters 3 or 61.

**IV.C.4. Applicable Rules for Withholding Certificates, Written Statements, and Documentary Evidence - Period of Validity [IV.C.4.]**

Under chapter 4, withholding certificates are valid for three years, unless an exception permits indefinite validity (until a change in circumstances occurs). Beneficial owner withholding certificates provided by certain entities qualify for indefinite validity if the certificate is furnished with documentary evidence establishing the entity's foreign status. Comments requested that section 501(c) entities be excluded from the requirement to furnish documentary evidence of foreign status as it is an undue burden on such entities. The Treasury Department and the IRS agree that it is appropriate to exclude these entities from the requirement to furnish documentary evidence of foreign status. In response to these comments and to coordinate with the rules under chapter 3, these temporary regulations cross-reference the rules for indefinite validity of withholding certificates for section 501(c) entities in §1.1441-1(e)(4)(ii)(B).

**IV.C.5. Applicable Rules for Withholding Certificates, Written Statements, and Documentary Evidence - Electronic Transmission of Withholding Certificate, Written Statement, and Documentary Evidence [IV.C.5.]**

The final regulations provide that a withholding agent may accept withholding certificates, written statements, and documentary evidence supporting a payee's claim of chapter 4 status electronically if the agent is able to verify the identity of the sender as the person named on the form. Comments requested that the verification rules be modified or eliminated to reduce the burden on the withholding agent. The Treasury Department and the IRS agree with the comments, but have determined that the electronic transmission requirements under chapter 4 should match those to be revised under chapter 3 in consideration of these comments. Therefore, these temporary regulations modify the final regulations by cross-referencing the electronic submission rules in §1.1441-1(e)(4)(iv)(C) which have been modified to adopt the change in a separate regulations package. These temporary regulations also make similar conforming changes to the final regulations with respect to requirements for an intermediary to electronically submit a withholding statement with a withholding certificate to a withholding agent.

**IV.C.6. Applicable Rules for Withholding Certificates, Written Statements, and Documentary Evidence - Acceptable Substitute Withholding Certificate - Non-IRS Form for Individuals [IV.C.6.]**

In general, a withholding agent may substitute its own form for an official Form W-8 if the substitute form contains provisions that are substantially similar to the official form. The final regulations provide that if a substitute form is used in place of a W-8BEN for individuals, the form must contain, among other things, the individual's city and country of birth. The Treasury Department and the IRS received comments indicating that the inclusion of city of birth on this form would impose an undue burden on withholding agents. In response to comments, these temporary regulations remove the city of birth requirement. After further consideration, however, the temporary regulations require that the substitute form must contain the individual's date of birth, without regard to whether a foreign tax identification number is provided.

**IV.C.7. Documentation Furnished on Account-by-Account Basis Unless Exception Provided for Sharing Documentation Within Expanded Affiliated Group - Preexisting Account [IV.C.7.]**

The Treasury Department and the IRS received comments requesting that, for preexisting accounts, a withholding agent be allowed to rely on documentation held at a branch of the withholding agent or a branch of another expanded affiliated group member even if the withholding agent does not treat the accounts as consolidated obligations. The comments indicated that, in certain cases, the requirement to treat the accounts as consolidated obligations in order to share documentation is too burdensome. These temporary regulations modify the final regulations to allow a withholding agent, with respect to a preexisting account that it maintains, to rely on documentation furnished by a payee for a preexisting account held at another branch of the withholding agent or a branch of another expanded affiliated group member solely to determine the chapter 4 status of the account holder if: (i) The withholding agent obtains and reviews copies of such documentation supporting the chapter 4 status of the payee and (ii) the withholding agent has no reason to know that, when the documentation is obtained by the withholding agent, the documentation is unreliable or incorrect.

IV.D. Documentation Requirements To Establish Payee's Chapter 4 Status [IV.D.]IV.D.1. *Reliance on Pre-FATCA Form W-8 [IV.D.1.]*

The final regulations generally allow the withholding agent to rely on a pre- FATCA Form W-8 for international organizations. In order to clarify a potential ambiguity and to conform with chapter 3, these temporary regulations provide that reliance on a pre-FATCA Form W-8 is limited to international organizations as defined under chapter 3 and under section 7701(a)(18).

IV.D.2. *Identification of U.S. Persons - In General [IV.D.2.]*

Under chapter 4, a withholding agent must treat certain payees as U.S. persons. In order to clarify a potential ambiguity, these temporary regulations provide that foreign branches of U.S. persons and FFIs that have elected to be treated as U.S. persons under section 953(d) (despite the fact that such FFIs may not be U.S. persons for other purposes of chapter 4) should be treated as U.S. persons by a withholding agent if the withholding agent has a valid Form W-9, "Request for Taxpayer Identification Number and Certification," from the payee or is required to presume that the payee is a U.S. person. This reduces burden because FFIs that have elected to be treated as U.S. persons under section 953(d) are generally treated as U.S. persons under chapter 3 and would need to provide a Form W-9 in connection with payments subject to chapter 3 withholding and reporting.

IV.D.3. *Identification of U.S. Persons - Preexisting Obligations [IV.D.3.]*

The final regulations provide that a withholding agent (other than a participating FFI or registered deemed-compliant FFI) that makes a payment with respect to a preexisting obligation may treat a payee as a U.S. person if it previously reviewed a Form W-9 or other documentation that established that the payee is a U.S. person and established that the payee is an exempt recipient for purposes of chapter 61. Comments from U.S. withholding agents indicated that the burden of documenting such payees that have previously been classified as U.S. persons is both significant and disproportionate to the benefits of obtaining documentation of U.S. status. In response to these comments, these temporary regulations modify the final regulations to allow withholding agents (other than a participating FFI or registered deemed-compliant FFI) to treat the payee of a payment with respect to a preexisting obligation as a U.S. person if the withholding agent has previously classified the payee as a U.S. person for purposes of chapters 3 or 61 and established (through documentation or the application of the rules in §1.6049-4(c)(1)(ii)) that the payee is an exempt recipient for purposes of chapter 61.

IV.D.4. *Identification of Participating FFIs and Registered Deemed-Compliant FFIs [IV.D.4.]*

The final regulations generally provide that a withholding agent may only treat a payee as a participating FFI or registered deemed-compliant FFI if the withholding agent receives an appropriate withholding certificate and a GIIN. The final regulations also provide a transitional rule for when withholding agents may treat payments made prior to January 1, 2017, with respect to a preexisting obligation, as made to a payee that is a participating FFI or registered deemed-compliant FFI. Under this rule the payee only needs to provide the withholding agent with its GIIN (which the withholding agent must verify) and indicate whether the FFI is a participating FFI or a registered deemed-compliant FFI. After further consideration and to coordinate with the rules under chapters 3 and 61, these temporary regulations modify the final regulations to provide that in such cases the payee must also have provided the withholding agent with a pre- FATCA Form W-8, as payees that receive U.S. source FDAP income would have already been required to provide a withholding certificate to a withholding agent. These temporary regulations further clarify the final regulations such that, when a participating FFI or a registered deemed-compliant FFI has a branch (including a disregarded entity of the FFI) that is located outside of the FFI's country of residence and receives the payment, the GIIN of the branch (or disregarded entity) must be disclosed on the withholding certificate.

IV.D.5. *Identification of Excepted NFFEs - Identifying a Direct Reporting NFFE, Identifying a Sponsored Direct Reporting NFFE, and Identification of an Excepted Inter-Affiliate FFI [IV.D.5.]*

These temporary regulations provide that direct reporting NFFEs and sponsored direct reporting NFFEs qualify as excepted NFFEs. Consistent with this change, these temporary regulations add to the final regulations identification rules with respect to direct reporting NFFEs and sponsored direct

reporting NFFEs. Additionally, under the final regulations, a financial institution does not include certain foreign entities that are considered excepted inter-affiliate FFIs. One of the requirements for such an entity is that it does not receive payments from, or hold an account with, a withholding agent other than a member of its expanded affiliated group. Comments requested that such entities be permitted to hold bank accounts with certain non-U.S. persons outside of the expanded affiliated group. The temporary regulations modify the final regulations with respect to an excepted inter-affiliate FFI to allow such FFIs to hold depository accounts to pay for expenses in the country in which the FFI is operating and that are maintained within the same country. Accordingly, conforming changes have also been made by these temporary regulations to add identification rules with respect to an excepted inter-affiliate FFI. An identification rule was not necessary under the final regulations because an excepted inter-affiliate FFI was not allowed to hold an account with a withholding agent other than a member of its expanded affiliated group.

#### IV.E. Standards of knowledge [IV.E.]

##### IV.E.1. *GIIN Verification [IV.E.1.]*

The final regulations provide that, under certain circumstances, a withholding agent has reason to know that a payee is not a financial institution. To clarify a potential ambiguity, these temporary regulations provide that a withholding agent has reason to know that a withholdable payment is being made to a limited branch of a participating or registered deemed-compliant FFI when it is directed to make payment to an address of the FFI in a jurisdiction other than the address of the participating FFI or registered deemed-compliant FFI (or branch of such FFI) that is identified as the FFI (or branch of such FFI) that is supposed to receive the payment. These temporary regulations further provide special rules regarding a direct reporting NFFE and a sponsored direct reporting NFFE's claim of chapter 4 status.

##### IV.E.2. *Reason to Know [IV.E.2.]*

Under chapter 4, a withholding agent may not rely on an FFI's claim of chapter 4 status if the withholding agent has reason to know that such claim is unreliable or incorrect. Under the final regulations, the withholding agent is required to review information used to satisfy AML due diligence requirements in determining whether a claim of chapter 4 status was unreliable or incorrect. In response to comments, these temporary regulations modify the final regulations such that when a withholding agent has classified a person by business type for AML due diligence or another regulatory purpose (other than for a tax purpose) that requires the withholding agent to periodically monitor or update the classification, the withholding agent will have reason to know that information contained in its account files conflicts with the person's claim of chapter 4 status only if the classification recorded by the withholding agent is inconsistent with the chapter 4 status claimed. Comments also requested additional time to review the information collected for AML due diligence because it is typically gathered and stored by a different department or division of the withholding agent and is not linked to the customers' account files. These temporary regulations adopt this comment and allow 30 days to review information collected for AML due diligence for new accounts.

The final regulations also provide due diligence requirements with respect to U.S. indicia of account holders for payments made with respect to preexisting obligations. After further consideration, the temporary regulations modify these provisions such that the U.S. indicia-based due diligence requirements generally do not apply to a withholding agent that has previously documented an account for purposes of chapter 3 or chapter 61. However, under the temporary regulations, a withholding agent that applies the limits on reason to know described in chapter 3 or chapter 61 must review for U.S. indicia any additional documentation upon which the withholding agent is relying to determine the chapter 4 status of the person. A cross-reference in §1.1471-3(e)(4)(viii)(A)(4) has also been corrected.

#### IV.F. Presumptions Regarding Chapter 4 Status of the Person Receiving the Payment in the Absence of Documentation [IV.F.]

The Treasury Department and the IRS intend for the chapter 4 presumption rules for determining the status of a person as an individual or an entity and as U.S. or foreign to be identical to the presumption rules in chapters 3 and 61. To ensure coordination of these rules, these temporary regulations modify the final regulations by cross-referencing the presumption rules under chapter 3, rather than restating the rules in detail. This change

ensures coordination between the presumption rules in chapter 3 and chapter 4 in the event that the chapter 3 presumption rules are modified.

## V. Comments and Changes to §1.1471-4 - FFI Agreement [V.]

### V.A. Withholding Requirements [V.A.]

#### V.A.1. *Satisfaction of Withholding Requirements - Election To Withhold Under Section 3406 [V.A.1.]*

As announced in Notice 2013-69, these temporary regulations modify the final regulations to coordinate withholding under chapter 4 and backup withholding under section 3406. Under §1.1474-6(f), a participating FFI that makes a withholdable payment that is also a reportable payment to a recalcitrant account holder is not required to apply backup withholding under section 3406 if it withholds on the payment under chapter 4. A reportable payment that is not subject to withholding under chapter 4 remains subject to backup withholding under section 3406. Additionally, these temporary regulations provide under §1.1471-4(b)(3)(iii) that a participating FFI may satisfy its chapter 4 withholding obligations for a withholdable payment that is a reportable payment made to a recalcitrant account holder that is a U.S. non-exempt recipient subject to backup withholding if the participating FFI elects for backup withholding under section 3406 to apply (rather than withholding under chapter 4 with regard to such payees). A participating FFI will not be able to make the election to backup withhold under §1.1471-4(b)(3)(iii) unless it is able to report on the payment and tax withheld consistent with the rules under chapter 61 and section 3406.

#### V.A.2. *Special Rule for Dormant Accounts [V.A.2.]*

With respect to dormant accounts of recalcitrant account holders, the final regulations permit a participating FFI to escrow amounts withheld under chapter 4 rather than deposit such amounts with the IRS. To coordinate with the chapter 3 and 61 regulations which would have required such amounts to be withheld upon, the temporary regulations limit this allowance to amounts not otherwise subject to withholding under chapter 3 or backup withholding under section 3406. In addition, a participating FFI may not delegate its responsibility to escrow the withheld tax to the withholding agent from which it receives the payment. These modifications are intended to harmonize the treatment of such escrowed amounts under chapters 3 and 4 and are consistent with the provisions of the FFI agreement.

### V.B. Due Diligence for the Identification and Documentation of Account Holders and Payees [V.B.]

#### V.B.1. *Identification and Documentation Procedure for Preexisting Individual Accounts - Specific Identification and Documentation Procedures for Preexisting Individual Accounts - U.S. Indicia and Relevant Documentation Rules - Documentation to be Retained upon Identifying U.S. Indicia - Standing Instructions to Pay Amounts [V.B.1.]*

The final regulations provide a cure for standing instructions to pay amounts to an account maintained in the United States for an account holder that differs from the cure provided under chapter 3. These temporary regulations modify the final regulations to provide an option to follow the chapter 3 rules by adding a cross-reference to §1.1441-7(b)(12).

#### V.B.2. *Identification and Documentation Procedure for Preexisting Individual Accounts - Specific Identification and Documentation Procedures for Preexisting Individual Accounts - Exception for Preexisting Individual Accounts Previously Documented as Held by Foreign Individuals [V.B.2.]*

The final regulations provide that a participating FFI that has previously established an account holder's status as foreign in order to fulfill its reporting obligations as a U.S. payor under chapter 61 is not required to perform an electronic search or enhanced review. Comments requested that this exception be extended to the identification and documentation performed by an agent of a participating FFI that is a U.S. payor. To address these comments and to further coordinate between the IGAs and the regulations, these temporary regulations modify the final regulations to adopt this comment.

V.C. Account Reporting [V.C.]V.C.1. *Reporting Requirements In General - Financial Institution Required to Report an Account - Special Reporting of Account Holders of Territory Financial Institutions [V.C.1.]*

Section 1.1471-4(d)(2)(B) provides a special reporting rule for participating FFIs that maintain an account held by a territory financial institution acting as an intermediary. If such territory financial institution agrees to be treated as a U.S. person, the participating FFI is not required to report under §1.1471-4 with respect to the account holders of the territory financial institution because such entities will report directly to the IRS. However, if the territory financial institution does not agree to be treated as a U.S. person, the final regulations require the participating FFI to report under §1.1471-4 with respect to each account holder of the territory financial institution that receives a withholdable payment (or portion thereof) and that is a specified U.S. person or substantial U.S. owner of a foreign entity (indirect account holders). The final regulations are ambiguous about how a participating FFI could report on these indirect account holders. To provide more clarity with respect to the reporting requirements and to provide additional flexibility, the temporary regulations give participating FFIs the option of reporting on these indirect account holders on either Form 8966 or Form 1099. Additionally, these temporary regulations clarify the scope of information that must be reported by a participating FFI on Form 8966 or Form 1099 with respect to account holders of a territory financial institution that has not elected to be treated as a U.S. person.

V.C.2. *Reporting Requirements In General - Financial Institution Required to Report an Account - Requirement To Identify the GIIN of a Branch That Maintains an Account [V.C.2.]*

The final regulations provide that a participating FFI may elect to comply with its obligation to report under §1.1471-4(d)(3) or §1.1471-4(d)(5) on a branch-by-branch basis. After further consideration, the temporary regulations provide that a participating FFI may report under §1.1471-4(d)(3) or §1.1471-4(d)(5) with respect to all of the participating FFI's U.S. accounts and recalcitrant accounts, or separately with respect to any clearly identified group of accounts (such as by line of business or the location of where the account is maintained). Consistent with the final regulations, a participating FFI must include the GIIN assigned to the participating FFI or its branch (including a disregarded entity of the FFI), as applicable, to identify the jurisdiction of the FFI or branch (or disregarded entity) that maintains the accounts subject to reporting.

V.C.3. *Reporting Requirements In General - Financial Institution Required To Report an Account - Reporting by Participating FFIs and Registered Deemed-Compliant FFIs (Including QIs, WPs, WTs, and Certain U.S. Branches Not Treated as U.S. Persons) for Accounts of Nonparticipating FFIs (Transitional) [V.C.3.]*

The final regulations provide transitional reporting requirements for a participating FFI or registered deemed-compliant FFI making a payment of a foreign reportable amount to a nonparticipating FFI. Under §1.1474-1(d)(4)(iii)(C) of the final regulations, a participating FFI is required to report the aggregate amount of foreign reportable amounts paid to each payee that is a nonparticipating FFI, even when such payments are not associated with a financial account. The final regulations define foreign reportable amount as a payment of FDAP income that would be a withholdable payment if paid by a U.S. person. Comments requested changes and clarification with respect to the transitional rule because it was unclear regarding the scope of payments subject to reporting and because of the cost of modifying systems to comply with this reporting rule. These temporary regulations continue to provide transitional reporting rules, but, consistent with Notice 2013-69, modify it to address these comments. First, the temporary regulations clarify that reporting will be required only with respect to nonparticipating FFIs that maintain an account with the participating FFI. Second, these temporary regulations modify the definition of foreign reportable amount to mean foreign source payments as described in §1.1471-4(d)(4)(iv) paid to or with respect to each such account. Third, the temporary regulations provide that instead of reporting only foreign reportable amounts paid to such nonparticipating FFIs, a participating FFI may report all payments made with respect to the account (not only foreign reportable amounts). Fourth, the temporary regulations provide that, when a participating FFI is prohibited under domestic law from reporting on a specific payee basis without consent from the nonparticipating FFI and the participating FFI has been unable to obtain such consent, it may report the aggregate number of accounts held by all such non-consenting nonparticipating FFIs and the aggregate amount of foreign reportable amounts paid with respect to such accounts. These temporary regulations also modify the final regulations to provide that the

information required under the transitional reporting rule will be provided on Form 8966, not Form 1042-S, "Foreign Person's U.S. Source Income Subject to Withholding," and accordingly move the transitional rule to §1.1471-4(d)(2)(ii)(F) and delete a residual paragraph in §1.1474-1(d)(3)(iii) and renumber (d)(3)(iv) through (d)(3)(x). These changes were previously announced in Notice 2013-69 and are also included in the final FFI agreement. Finally, the temporary regulations require participating FFIs to retain account statements for accounts maintained for such nonparticipating FFIs.

**V.C.4. *Reporting Requirements In General - Special U.S. Account Reporting Rules for U.S. Payors - Special Reporting Rule for U.S. Payors Other Than U.S. Branches [V.C.4.]***

The final regulations provide that a participating FFI that is a U.S. payor (other than a U.S. branch) is treated as satisfying its chapter 4 reporting obligations with respect to accounts that it is required to treat as U.S. accounts or accounts held by owner-documented FFIs if it reports the information required under chapter 61 and the information described under §1.1471-4(d)(5)(ii) (requiring additional information on accounts held by specified U.S. persons, U.S. owned foreign entities that are NFFEs, and owner-documented FFIs). In response to comments, the temporary regulations modify the final regulations to allow a participating FFI that is a U.S. payor to satisfy its chapter 4 reporting obligations with respect to its U.S. accounts or accounts held by owner-documented FFIs either by reporting the information described in chapter 61 and §1.1471-4(d)(5)(ii) or (iii) (the information reporting would be made on Form 1099 for U.S. accounts that are not U.S. owned NFFEs), as provided in the final regulations, or by reporting the information described in §1.1471-4(d)(3)(ii), (d)(3)(iii) or (d)(3)(iv) (the information reporting would be made on Form 8966). A participating FFI that reports the information described in §1.1471-4(d)(3)(ii), (d)(3)(iii) or (d)(3)(iv) and that is required to report payments under chapter 61 is not relieved of that obligation.

**V.C.5. *Reporting Requirements in General - Special U.S. Account Reporting Rules for U.S. Payors - Special Reporting Rules for U.S. Branches Not Treated as U.S. Persons [V.C.5.]***

The final regulations do not include a rule for reporting by a U.S. branch of a registered deemed-compliant FFI or limited FFI that is not treated as a U.S. person. To correct this oversight, these temporary regulations add new §1.1471-4(d)(2)(iii)(C) to provide that such a U.S. branch is treated as having satisfied its reporting requirements under chapter 4 if it reports the information required under chapter 61 with respect to account holders of accounts that the U.S. branch is required to treat as U.S. accounts or accounts held by owner-documented FFIs.

**V.C.6. *Reporting on Recalcitrant Account Holders - Extensions in Filing [V.C.6.]***

In response to comments, the temporary regulations modify the final regulations to provide an automatic 90-day extension of time in which to file Form 8966 with respect to recalcitrant account holders. An additional 90-day hardship extension may be provided in certain circumstances. These revisions are consistent with the extensions of time already permitted for filing Form 8966 with respect to U.S. accounts.

**V.C.7. *Treatment of a Disregarded Entity [V.C.7.]***

In response to comments and in order to address a potential ambiguity in the final regulations about whether a disregarded entity that is owned by an FFI is treated as a branch of an FFI, these temporary regulations clarify that the term branch with respect to an FFI includes an entity that is disregarded as an entity separate from the FFI. This clarification was previewed in the draft FFI agreement which was published in Notice 2013-69. These temporary regulations make additional changes throughout the final regulations to further clarify the treatment of a disregarded entity when such an entity is treated as a branch of an FFI. For example, the GIIN verification procedures that apply with respect to a branch of an FFI also apply with respect to a disregarded entity that is owned by an FFI. Additionally, a disregarded entity that is owned by an FFI may be treated as a limited branch if the disregarded entity is unable to comply with the terms of an FFI agreement with respect to accounts that it maintains, and the reason to know standards that apply to withholdable payments made to a branch of a participating or registered deemed-compliant FFI also apply to withholdable payments made to a disregarded entity that is owned by such an FFI.

V.D. Expanded Affiliated Group Requirements [V.D.]

The final regulations require that, in general, each FFI within an expanded affiliated group must be either a participating FFI or a registered deemed-compliant FFI. Comments noted that some FFIs within an expanded affiliated group will have the status of an exempt beneficial owner and requested that the regulations be modified to allow for such FFIs to be excluded from this requirement. The temporary regulations modify the final regulations to adopt this comment.

V.E. Verification - IRS Review of Compliance [V.E.]

The final regulations allow the IRS to request additional information in its review of Form 8966. The temporary regulations further allow the IRS to request additional information to determine an FFI's compliance with the applicable FFI agreement and to assist the IRS with its review of account holder compliance with tax reporting requirements.

V.F. Event of Default [V.F.]

The final regulations define events of default under an FFI agreement. This definition includes the failure to significantly reduce, over a period of time, the number of recalcitrant account holders and payees that are nonparticipating FFIs. Comments were made that this language was ambiguous and could imply an event of default, for example, even in circumstances in which an FFI consistently complies with the regulatory due diligence procedures. Accordingly, in response to the comments, these temporary regulations modify the final regulations to provide that this event of default consists of a failure to significantly reduce, over a period of time, the number of account holders or payees that the participating FFI is required to treat as recalcitrant account holders or nonparticipating FFIs as a result of the participating FFI failing to comply with the due diligence procedures for the identification and documentation of account holders and payees.

VI. **Comments and Changes to §1.1471-5 - Definitions Applicable to Section 1471 [VI.]**VI.A. U.S. Accounts - Account Holder - in General; Grantor Trust [VI.A.]

The definition of account holder in the final regulations does not treat a grantor trust as an account holder to the extent that the grantor is treated as owning the trust or all the assets in the trust under sections 671 through 679, regardless of whether the grantor is a U.S. or foreign person. If such grantor is a foreign person and the beneficiary of the trust is a U.S. person, the grantor is treated as the account holder and consequently, the account is a non-U.S. account and no beneficiary that is a specified U.S. person is treated as having an interest in the portion of the trust owned by the grantor. Therefore, the specified U.S. person is not an account holder and would not be reported even though such U.S. person might be a substantial U.S. owner of the foreign grantor trust. Further, for purposes of determining whether a foreign grantor trust has a substantial U.S. owner (and is a U.S. account), the final regulations provide that a substantial U.S. owner is any specified U.S. person treated as owning any portion of the grantor trust under sections 671 through 679, and a trust owned only by U.S. grantors is not treated as having a beneficiary that is a specified U.S. person. Thus, in contrast to the account holder rule, the test for determining a substantial U.S. owner of a trust is made without regard to the treatment of the settlor of the trust as a foreign grantor under sections 671 through 679. In response to requests for further clarification, these temporary regulations remove the grantor trust rule in the definition of account holder in the final regulations so that the general rule for treating an entity as an account holder will apply to treat a grantor trust as the account holder. Accordingly, a grantor trust that holds an account must provide documentation of its chapter 4 status as a FFI or NFFE. This change harmonizes the treatment of a grantor trust as an account holder for purposes of the chapter 4 withholding provisions with the provisions in chapters 3 and 61, which treat a grantor trust, rather than the grantor, as the payee.

VI.B. Financial Accounts - Value of Interest Determined, Directly or Indirectly, Primarily by Reference to Assets That Give Rise (or Could Give Rise) to Withholdable Payments, and Return Earned on the Interest (Including Upon a Sale, Exchange, or Redemption) Determined, Directly or Indirectly, Primarily by Reference to one or More Investment Entities or Passive NFFEs [VI.B.]

While financial accounts generally include equity or debt interests (other than regularly traded interests) in investment entities, financial accounts include only certain enumerated categories of interests in holding companies, treasury centers, and other financial institutions. Among the enumerated categories are certain equity and debt interests whose return or value is determined, directly or indirectly, primarily by reference to assets that give rise (or could give rise) to withholdable payments. The final regulations provide that a debt

interest is considered to have a value determined primarily by reference to such assets if the debt interest is secured by the assets of a U.S. person. The final regulations provide that an equity interest is considered to have a value determined primarily by reference to such assets if the amount payable upon redemption of the equity interest is secured primarily by assets that give rise (or could give rise) to withholdable payments. A similar provision under another enumerated category treating certain interests in holding companies and treasury centers as financial accounts (see §§1.1471-5(b)(1)(iii)(B)(2) and (3)) also applies to a debt interest secured by the assets of one or more investment entities described in §§1.1471-5(e)(4)(i)(B) or (C) or one or more passive NFFEs that are members of the entity's expanded affiliated group (collectively, the secured equity and debt provisions).

Comments have suggested that these provisions are overbroad because it is questionable whether the value of, or return earned on, a debt or equity interest is determined primarily by reference to assets of a U.S. person solely because the debt or equity interest is secured by such assets. In response to these comments, these temporary regulations modify the final regulations by eliminating the secured equity or debt provisions. The facts and circumstances may nonetheless lead to a conclusion that the value of a secured equity or debt interest is determined, directly or indirectly, primarily by reference to assets giving rise to withholdable payments (for example, when the amount payable as interest on, or upon redemption or retirement of, a debt interest is determined primarily by reference to the assets securing the debt interest).

In addition, the final regulations provide that a debt interest is considered to have a value determined, directly or indirectly, primarily by reference to assets that give rise to withholdable payments if amounts payable as interest on, or upon redemption or retirement of, the debt are determined primarily by reference to the profits or assets of a U.S. person. This provision inadvertently did not address whether debt interests with amounts payable by reference to equity interests in a U.S. person are debt interests whose return or value is determined primarily by reference to assets that give rise (or could give rise) to withholdable payments. To correct this omission, the temporary regulations modify the final regulations to include a reference to equity interests in, as well as profits and assets of, a U.S. person.

#### VI.C. Definition of Financial Institution [VI.C.]

##### *VI.C.1. In General [VI.C.1.]*

The final regulations provide that the definition of financial institution includes a holding company or treasury center that is part of an expanded affiliated group that includes a depository institution, custodial institution, insurance company, or investment entity. Comments noted that the definition, with respect to an insurance company, should be limited to a specified insurance company which is itself a financial institution. These temporary regulations correct the final regulations to treat a holding company or treasury center as a financial institution if it is part of an expanded affiliated group that includes a specified insurance company.

##### *VI.C.2. Holding Financial Assets for Others as a Substantial Portion of Its Business - Income Attributable To Holding Financial Assets and Related Financial Services [VI.C.2.]*

The final regulations provide that an entity is a custodial institution if at least 20 percent of the entity's gross income is attributable to holding financial assets for others and related financial services. The final regulations define income attributable to holding financial assets to include, among other things, fees for providing financial advice. As a result, an entity could qualify as a custodial institution under the final regulations even if the entity's sole business is to provide financial advice to clients and it does not conduct any activities as a custodian or broker. Comments indicated that this definition is overly broad and could cause entities that do not hold financial assets and therefore have no financial accounts to be treated as custodial institutions. In response, these temporary regulations modify the final regulations to define income attributable to holding financial assets to include fees for providing financial advice with respect to financial assets held in (or to be held in) custody by the entity.

##### *VI.C.3. Investment Entity - Examples [VI.C.3.]*

The final regulations generally provide that an investment entity includes an entity whose gross income is primarily attributable to investing, reinvesting, or trading in financial assets and that is managed by another entity that primarily conducts as a business certain investment-related activities. Examples 7 and 8 in §1.1471-5(e)(4)(v) are clarified such that a foreign introducing broker does not manage an entity if it does not have discretionary authority to manage its clients' assets. However, even though

these facts have been added to Examples 7 and 8, the results in Examples 7 and 8 remain the same. In Example 7, even when the introducing broker has discretionary authority to act unilaterally on its client's behalf with respect to its client's investments, because the introducing broker is an individual, the entity that she manages would not be treated as an investment entity under §1.1471-5(e)(4)(i)(B). By comparison, because the introducing broker in Example 8 is an entity that primarily conducts as a business certain investment related activities, the entity managed by the introducing broker would be treated as an investment entity under §1.1471-5(e)(4)(i)(B).

*VI.C.4. Exclusions - Excepted Nonfinancial Group Entities - In General [VI.C.4.]*

The final regulations provide that a holding company, treasury center, or captive finance company will not qualify as an excepted nonfinancial group entity if, among other things, it is formed in connection with or availed of certain arrangements or investment vehicles. Comments requested additional guidance on what it means to be "formed in connection with or availed of." The temporary regulations modify the final regulations such that any entity that existed at least six months prior to its acquisition by an arrangement or investment vehicle and which, prior to the acquisition, regularly conducted activities in the ordinary course of business will not be considered to be formed in connection with or availed of such an arrangement or investment vehicle, in the absence of other facts suggesting the existence of an investment strategy.

*VI.C.5. Exclusions - Excepted Nonfinancial Group Entities - Nonfinancial Group [VI.C.5.]*

For purposes of determining whether an expanded affiliated group is a nonfinancial group, the final regulations provide an income test for the three-year period preceding the year for which the determination is made. Comments requested: (i) that this exclusion also be applicable if the expanded affiliated group has been in existence for less than three years and (ii) that a group would qualify if it meets the income test over an average of three years (rather than having to meet the test in each of the three preceding years). The Treasury Department and the IRS have determined that the exclusion should be available to expanded affiliated groups that have been in existence for less than three years, and these temporary regulations modify the final regulations accordingly. The Treasury Department and the IRS continue to believe, however, that only expanded affiliated groups that meet the income test in each year of the testing period should qualify for the exclusion.

In order to provide further clarification when determining the percentage of income or assets of the group that produce or are held for the production of passive income, these temporary regulations also modify the final regulations by excluding transactions between members of the expanded affiliated group. In addition, these temporary regulations provide guidance on measuring the value of such assets.

*VI.C.6. Exclusions - Excepted Nonfinancial Group Entities - Holding Company [VI.C.6.]*

Comments requested that, for purposes of determining if a holding company is part of an excepted nonfinancial group, a trust or partnership that owns all the stock of a common parent corporation of an expanded affiliated group be eligible for treatment as a holding company and member of an excepted nonfinancial group. Otherwise, such entities are not treated as part of the expanded affiliated group and cannot qualify for such exception. These temporary regulations modify the final regulations to allow a partnership or other non-corporate entity to be treated as a holding company (and therefore as a potential member of an excepted nonfinancial group) if substantially all the activities of such partnership (or other entity) consist of holding more than 50 percent of the voting power and value of the stock of one or more common parent corporation(s) of one or more expanded affiliated group(s). If a partnership or other non-corporate entity owns more than 50 percent of the voting power and value of the stock of two or more corporations and each such corporation has its own subsidiaries such that it is the common parent corporation of an expanded affiliated group, each common parent corporation's expanded affiliated group will be treated as a separate such group for purposes of applying the rules of this section unless the non-corporate entity is treated as the common parent entity of the entire expanded affiliated group in accordance with §1.1471-5(i)(10).

*VI.C.7. Exclusions - Excepted Nonfinancial Group Entities - Treasury Center [VI.C.7.]*

Comments were received that the definition of a treasury center in the final regulations is too narrow in that an entity that manages working capital but does not otherwise invest or trade may not satisfy this

definition. For example, a group's cash pooling entity may be in a net deficit position and therefore may not be considered to be investing or trading in financial assets. In addition, with respect to the financing activities of such a vehicle, the final regulations could be read to limit situations in which an entity that is itself equity funded can qualify as a treasury center. In response to these comments, the temporary regulations modify the final regulations to clarify that an entity that manages the working capital of an expanded affiliated group (or any member thereof) will not cease to qualify as a treasury center solely because it has no investments and does not trade in financial assets. Further, the temporary regulations clarify that equity-funded affiliates may qualify as treasury centers.

*VI.C.8. Exclusions - Excepted Inter-Affiliate FFI [VI.C.8.]*

Under the final regulations, a financial institution does not include certain foreign entities that are considered excepted inter-affiliate FFIs. One of the requirements for such an entity is that it does not receive payments from, or hold an account with, a withholding agent other than a member of its expanded affiliated group. Comments requested that such entities be permitted to hold bank accounts with certain non-U.S. persons outside of the expanded affiliated group. The temporary regulations modify the final regulations to allow such entities to hold depository accounts maintained in the country in which the entity is operating to pay for expenses in that same country.

**VI.D. Deemed-Compliant FFIs [VI.D.]**

*VI.D.1. Registered Deemed-Compliant FFIs - Restricted Funds [VI.D.1.]*

Under chapter 4, interests in a restricted fund that are not issued directly by the fund can only be sold through distributors that are participating FFIs, registered deemed-compliant FFIs, nonregistering local banks, or restricted distributors. In response to comments, even though these temporary regulations do not eliminate the requirement of the restricted fund to terminate its agreement with any distributor that has a change in status that causes it to no longer qualify to be a distributor and redeem or transfer all debt and equity interests of the FFI issued through that distributor, these temporary regulations do remove the requirement that the restricted fund certify to the IRS.

*VI.D.2. Registered Deemed-Compliant FFIs - Qualified Credit Card Issuers and Servicers [VI.D.2.]*

Comments were received that an FFI that issues credit cards may form a separate entity that services the credit cards. Under the final regulations, such an entity could be an FFI, but would not be treated as a registered deemed-compliant FFI because it is not an issuer of credit cards, even though such FFI would otherwise qualify for registered deemed-compliant FFI status. Pursuant to these comments, the temporary regulations expand the registered deemed-compliant FFI category to include qualified credit card servicers.

*VI.D.3. Registered Deemed-Compliant FFIs - Sponsored Investment Entities and Controlled Foreign Corporations [VI.D.3.]*

Under the final regulations, an FFI remains liable for its withholding and reporting obligations under chapter 4 even if a sponsoring entity performs these responsibilities on behalf of such FFI. In response to comments, these temporary regulations modify the final regulations to clarify that a sponsoring entity will not be jointly and severally liable for the sponsored FFI's obligations unless the sponsoring entity is also a withholding agent that is separately liable for such obligations.

*VI.D.4. Certified Deemed-Compliant FFIs - Nonregistering Local Bank [VI.D.4.]*

The final regulations provide that, in order to be treated as a nonregistering local bank, an FFI's business must consist primarily of receiving deposits from and making loans to unrelated retail customers. Comments noted that the final regulations do not provide a definition of unrelated for this and other purposes. In addition, it may be unclear how the final regulations would apply to a member-owner of a credit union or similar cooperative credit organization. In order to address these concerns, and consistent with the IGAs, these temporary regulations modify the final regulations such that a credit union or similar cooperative credit organization will be eligible for treatment as a nonregistering local bank if its business consists primarily of receiving deposits from and making loans to members, provided that no such member has a greater than five percent interest in such credit union or cooperative credit organization. For purposes of determining what unrelated means for retail

customers of a bank, as well as for purposes of aggregating the interests of related members of a credit union or cooperative credit organization under the five percent test, the temporary regulations provide that the rules of section 267(b) apply.

*VI.D.5. Certified Deemed-Compliant FFIs - Limited Life Debt Investment Entities (Transitional) [VI.D.5.]*

Comments were received stating that most securitization investment vehicles could not meet the requirements in the final regulations for a limited life debt investment entity (LLDIE) to be treated as certified deemed-compliant FFIs. To accommodate industry practices and expand the types of securitization vehicles that will qualify as a LLDIE, these temporary regulations make a number of significant changes to the definition of LLDIE in the final regulations. These changes include: (i) Removing the requirement that a LLDIE's organizational documents cannot be amended without the consent of all of its investors; (ii) clarifying that a LLDIE issues debt or equity interests under a trust indenture or similar agreement; (iii) extending the category so that it applies to a LLDIE that issued all of its interests on or before January 17, 2013 (for example, the date that the final regulations were filed); (iv) allowing a LLDIE to be treated as a certified deemed-compliant FFI until the LLDIE liquidates or terminates; (v) removing the requirement that investors be unrelated to each other; and (vi) expanding the types of assets that the entity can hold and still qualify as a LLDIE.

*VI.D.6. Certified Deemed-Compliant FFIs - Investment Advisors and Investment Managers [VI.D.6.]*

In response to comments, and to coordinate with the IGAs, these temporary regulations add certain investment advisors and investment managers that do not maintain financial accounts as entities eligible for treatment as certified deemed- compliant FFIs. Accordingly, these temporary regulations also add identification rules with respect to such investment advisors and investment managers.

*VI.D.7. Related Persons [VI.D.7.]*

Certain provisions in the final regulations (such as §§1.1471-3(c)(9)(ii)(B); 1.1471-5(f)(2)(i)(B); 1.1471-5(f)(4)(i); and 1.1471-5(i)(6)(i)) use the term related or unrelated to describe a relationship between parties. Comments noted that the final regulations do not define what is meant by related. These temporary regulations generally amend the relevant paragraphs of the final regulations to provide that parties are related for purposes of the relevant paragraph when such parties have a relationship described in section 267(b).

**VI.E. Expanded Affiliated Group [VI.E.]**

Comments requested that a LLDIE not be considered a member of an expanded affiliated group as a result of any member of such expanded affiliated group owning interests in such entity. These comments indicated that because interests in these entities are generally held through a clearing organization, these entities often would not be able to determine the identity of their investors. In addition, comments noted the burden of monitoring ownership changes for the purpose of determining when to include or exclude a LLDIE as a member of an expanded affiliated group, and the potential adverse consequences to the rest of the group in the event that any such entity is not properly included. Comments also stated that the definition of expanded affiliated group in the final regulations presents challenges with respect to non-corporate entities that are within a chain of commonly controlled corporations. For example, the final regulations do not clearly indicate whether constructive ownership rules apply to determine whether a non-corporate entity is controlled by a member of the group. In response to these comments, these temporary regulations modify the definition of expanded affiliated group to exclude from the group pre-existing LLDIEs (for example, a LLDIE that issued all of its interests, and was in existence, on or before January 17, 2013) and clarify the ownership rules applicable to corporate and non-corporate members of the group. These temporary regulations also permit (but do not require) a non-corporate entity to be treated as the common parent entity of the expanded affiliated group.

**VII. Comments and Changes to Section 1.1471-6 - Payments Beneficially Owned by Exempt Beneficial Owners - Foreign Central Bank of Issue [VII.]**

Comments were received stating that the functions of a foreign central bank of issue may be performed by an institution other than a bank. In response to these comments and in order to coordinate the regulations with the IGAs, these temporary regulations modify the final regulations to include an institution performing such functions within the definition of a foreign central bank of issue. In addition, comments stated that a foreign central bank of issue may earn

income from cash as well as securities. Accordingly, the temporary regulations allow a foreign central bank of issue to be a beneficial owner with respect to income earned on cash.

Comments also stated that some foreign central banks maintain depository accounts solely for their employees. These comments requested that such employee- only accounts not be treated as accounts held in connection with commercial activities. The Treasury Department and the IRS believe there is a low risk of tax evasion with respect to such employee accounts, and that the burden on central banks to register as an FFI for these activities and provide documentation as intermediaries would be disproportionately high. Therefore, the temporary regulations modify the final regulations to exclude maintaining such accounts from the definition of commercial activities.

### **VIII. Comments and Changes to Section 1.1472-1 - Withholding on NFFEs [VIII.]**

#### **VIII.A. Exceptions - Payments to an Excepted NFFE - Active NFFEs [VIII.A.]**

Comments noted that fiscal year financial statements may not be used in determining whether an entity is an active NFFE. These comments noted that preparing calendar year financial statements for entities using non-calendar fiscal years would cause significant burdens without commensurate benefits. Therefore, these comments suggested that an entity be able to use either its calendar or fiscal year in analyzing whether the entity meets the active NFFE test. Comments further suggested that an entity be allowed to use financial statements based on foreign accounting principles. These comments have been adopted and these temporary regulations modify the final regulations accordingly.

#### **VIII.B. Exceptions - Payments Made to an Excepted NFFE [VIII.B.]**

After further consideration, these temporary regulations provide that QIs, WPs, and WTs are treated as excepted NFFEs.

#### **VIII.C. Exceptions - Payments to an Excepted NFFE - Direct Reporting NFFEs and Sponsored Direct Reporting NFFEs [VIII.C.]**

These temporary regulations provide that excepted NFFE includes a NFFE that is a direct reporting NFFE or sponsored direct reporting NFFE. A direct reporting NFFE is a NFFE that elects to report on Form 8966 directly to the IRS certain information about its direct or indirect substantial U.S. owners (or it may be required to certify on Form 8966, or in such other manner as the IRS may prescribe, that it does not have any such substantial U.S. owners) in lieu of providing such information to withholding agents or participating FFIs with which the NFFE holds a financial account. A direct reporting NFFE is required to register with the IRS to obtain a GIIN and to agree to comply with the provisions in the regulations regarding reporting information about its substantial U.S. owners. In general, withholding agents and participating FFIs will identify and document a direct reporting NFFE in a manner similar to how withholding agents and participating FFIs will document a participating FFI, including by verifying that the GIIN of the direct reporting NFFE is listed on the IRS FFI List. Notwithstanding that a direct reporting NFFE will document itself to withholding agents and participating FFIs in a manner similar to a participating FFI, it will not be treated as a participating FFI and will not enter into an FFI agreement. Therefore, since the definition of excepted NFFE includes a direct reporting NFFE, an account held by a direct reporting NFFE will not be treated as a U.S. account and will not be reported to the IRS by a participating FFI with which the direct reporting NFFE has a financial account.

In addition, these temporary regulations modify the final regulations such that an entity may act as a sponsor for one or more direct reporting NFFEs. A sponsoring entity will report on Form 8966 directly to the IRS (on the sponsored direct reporting NFFE's behalf) information about each sponsored direct reporting NFFE's direct or indirect substantial U.S. owners. These changes were previously announced in Notice 2013-69 and were made in response to comments.

### **IX. Changes and Comments to §1.1473-1 - Section 1473 Definitions [IX.]**

#### **IX.A. Definition of Withholdable Payment - U.S. Source FDAP Income Defined - Special Rule for Sales of Interest Bearing Debt Obligations; Gross Proceeds Defined - Payment of Gross Proceeds - Amount of Gross Proceeds [IX.A.]**

Under the final regulations, income that is otherwise described as U.S. source FDAP income does not include interest accrued on the date of a sale or exchange of an interest bearing debt obligation if the sale occurs

between two interest payment dates. In order to harmonize this rule with the rules in chapter 3, these temporary regulations provide that this type of interest is not excluded from U.S. source FDAP income or gross proceeds if the sale or exchange is part of a plan described in the anti-abuse rule under §1.1441-3(b)(2)(ii).

**IX.B. Definition of Withholdable Payment - Payments Not Treated as Withholdable Payments - Offshore Payments of U.S. Source FDAP Income Prior to 2017 (Transitional) [IX.B.]**

*IX.B.1. In General [IX.B.1.]*

The final regulations provide an exclusion from the definition of withholdable payments for certain non-intermediated offshore payments of U.S. source FDAP income prior to 2017. The Treasury Department and the IRS intended to provide that the exclusion does not apply to debt or equity issued by a U.S. person in order to prevent U.S. persons from exploiting this exception by issuing debt or equity interests through a foreign branch. To clarify the issue, these temporary regulations modify the final regulations such that the exclusion does not apply to payments made with respect to debt or equity issued by a U.S. person (excluding a deposit account maintained by a foreign branch of a U.S. financial institution).

Comments indicated that because the defined term payments with respect to an offshore obligation is not used in the final regulations, it is unclear whether, in order for this exception to apply, all payments must be made outside the U.S. To clarify, these temporary regulations modify the final regulations to use the defined term.

*IX.B.2. Insurance Brokers [IX.B.2.]*

Because the final regulations treat insurance brokers as intermediaries, the transitional rule for offshore payments of U.S. source FDAP income under the final regulations does not apply to insurance and reinsurance premiums paid to foreign insurance companies by non-U.S. insurance brokers. Comments were received stating that the transitional rule should apply to such premiums, because it applies to insurance premiums paid directly by the insured. These temporary regulations provide a transitional rule such that, for purposes of the exception for offshore payments, an intermediary does not include a person acting as an insurance broker with respect to premiums.

**IX.C. Definition of Withholdable Payment - Payments Not treated as Withholdable Payments - Collateral Arrangements Prior to 2017 (transitional) [IX.C.]**

Comments requested relief from withholding on payments made by a secured party with respect to collateral securing one or more transactions under a collateral arrangement between the secured party and the counterparty. Comments indicated that general industry practice is to commingle collateral from all counterparties in a single account held by the secured party and that this practice does not permit the identification of collateral to a particular counterparty. As a result, a secured party is currently unable to determine whether it is acting as an intermediary or a principal with respect to some or all of the payments made to the counterparty based upon the secured party's right under a collateral arrangement to sell or loan the collateral to a third party. To allow the industry time to develop the systems necessary to make this determination, these temporary regulations add a transitional rule so that withholding on such payments will begin on January 1, 2017, provided that only a commercially reasonable amount of collateral is held by the secured party as part of the collateral arrangement.

**IX.D. Substantial U.S. Owner - Indirect Ownership of Foreign Entities - Interests Owned or Held by a Related Person [IX.D.]**

The final regulations define a substantial U.S. owner to include a specified U.S. person that owns, directly or indirectly, more than 10 percent of a foreign corporation, partnership, or trust. Ownership is determined by aggregating interests held by related persons, applying certain provisions of the regulations under section 267 to determine whether such persons are related. These temporary regulations clarify that a person must have direct or indirect ownership in the entity before the aggregation rules apply, such that a substantial U.S. owner does not include an individual with no ownership interest other than an interest attributed to him from a related person.

## X. Changes and Comments to §1.1474-1 - Liability for Withheld Tax and Withholding Agent Reporting [X.]

### X.A. Information Returns for Payment Reporting - Filing Requirement - in General [X.A.]

The final regulations provide a general statement that a withholding agent needs to file a Form 1042-S to report a chapter 4 reportable amount, even though there are exceptions to this rule, such as the exception applicable to a participating FFI that provides its withholding agent with sufficient information for it to do the reporting. The final regulations have been modified to qualify this language.

The final regulations also provide that a recipient copy of the Form 1042-S may include more than one type of income, which would thus display information differently than the copy filed with the IRS. For refund purposes, it is important for the IRS to match the recipient copy of the Form 1042-S to the copy filed with the IRS. As previewed in the draft Form 1042-S instructions released on November 1, 2013, and to coordinate with the regulations under chapter 3, these temporary regulations remove the allowance for withholding agents to include more than one type of income or other payment on the copy of the Form 1042-S furnished to the recipient.

However, to allow sufficient time for withholding agents to adapt to this change to the final regulations, a withholding agent will be permitted to include more than one type of income or other payment on the recipient copy of the Form 1042-S for calendar year 2014. Starting with calendar year 2015, the Form 1042-S and accompanying instructions will require a separate Form 1042-S for each type of income or other payment.

### X.B. Information Returns for Payment Reporting - Filing Requirement - Recipient - Defined; Persons That Are Not Recipients [X.B.]

For Form 1042-S reporting, the final regulations provide that an excepted NFFE that is not acting as an agent or intermediary with respect to the payment is the recipient of the payment in question. However, if such entity is a flow-through entity, it is not treated as a recipient on the Form 1042-S for chapter 3 purposes. In order to have a consistent definition of recipient for chapters 3 and 4 reporting purposes (because reporting for both chapters is performed on a single Form 1042-S), these temporary regulations modify the final regulations by providing that an excepted or passive NFFE that is a flow-through entity is not treated as a recipient. Also, the final regulations have been modified to remove the provision indicating that a participating FFI or registered deemed-compliant FFI is not a recipient when it fails to provide information to the withholding agent regarding its reporting pools, which is reflected on Form 1042-S. These temporary regulations further remove the references to a participating FFI, registered deemed-compliant FFI, and U.S. branch that is not treated as a U.S. person from the definition of persons that are not recipients.

### X.C. Information Returns for Payment Reporting - Amounts Subject To Reporting - in General [X.C.]

These temporary regulations make a correction to the definition of the term chapter 4 reportable amount in §1.1474-1(d)(2) to add that this amount must also be a withholdable payment.

### X.D. Information Returns for Payment Reporting - Method of Reporting - Payments by U.S. Withholding Agents to Recipients - Payments To Participating FFIs, Deemed- Compliant FFIs, and Certain Qis [X.D.]

Consistent with changes made by these temporary regulations to clarify the chapter 4 withholding rate pools, the final regulations are modified to clarify that a withholding agent that receives an FFI withholding statement from a participating FFI or registered deemed-compliant FFI [must report with respect to each such pool identified on the FFI withholding statement] on a separate Form 1042-S issued to the participating FFI, registered deemed-compliant FFI, or QI (as applicable) as the recipient with respect to each such pool identified on an FFI withholding statement.

**XI. Comments and Changes to §1.1474-6 - Coordination of Chapter 4 With Other Withholding Provisions [XI.]**

These temporary regulations add a coordination rule for instances in which a participating FFI withholds under chapter 4 on a payment made to a recalcitrant account holder that is a U.S. non-exempt recipient, and such payment is also a reportable amount subject to backup withholding. The rule is applicable to cases in which the participating FFI does not elect to withhold on the payment under section 3406.

**XII. Future Guidance [XII.]****XII.A. Verification Requirements of Sponsoring Entities [XII.A.]**

Regulations describing the verification requirements of sponsoring entities will be proposed and issued separately from these temporary regulations. Under the proposed regulations, a sponsoring entity will be required to make two separate compliance certifications: one on behalf of its sponsored FFI or sponsored direct reporting NFFE with respect to the sponsored FFI's compliance with the requirements of an FFI agreement or the sponsored direct reporting NFFE's election to be treated as a direct reporting NFFE (as applicable), and a second certification on the sponsoring entity's own behalf with respect to its compliance with the requirements of its status as a sponsoring entity. In addition, the verification requirements in the proposed regulations will allow the IRS to request additional information from a sponsoring entity, such as regarding the information reported on the forms filed with the IRS with respect to a sponsored FFI or sponsored direct reporting NFFE in order to review such entities' compliance with the requirements for maintaining their status as a sponsored FFI or sponsored direct reporting NFFE, and to assist the IRS with its review of account holder or substantial U.S. owner compliance with tax reporting requirements.

**XII.B. FFI Agreement [XII.B.]**

Several changes made by these temporary regulations are not reflected in and may be inconsistent with certain provisions in the FFI agreement. As a result, the Treasury Department and the IRS intend to publish a revenue procedure revising the FFI agreement to conform to these regulations. For instance, the rules regarding an optional escrow by a participating FFI of tax withheld on withholdable payments to dormant accounts held by recalcitrant account holders are modified in these temporary regulations. The FFI agreement will be revised to reflect that the tax withheld in escrow becomes due 90 days after the date that the account ceases to be a dormant account, rather than the date that is the earlier of 90 days or the end of the calendar year following the date that the account ceases to be a dormant account.

In addition, cross references to the temporary regulations under chapters 3, 4, and 61 will be updated to reflect changes to the numbering of various sections of those temporary regulations after the date of publication of the revenue procedure containing the FFI agreement. For example, cross references in the FFI agreement to terms defined in the chapter 4 temporary regulations will be modified to reflect the addition of the term reporting Model 2 FFI and the renumbering of subsequent sections in §1.1471-1(b). In addition, an incorrect citation to §1.6049-4(b)(6) will be removed.

The FFI agreement will also be revised to reflect a change to the reporting requirements by participating FFIs that elect to backup withhold under section 3406 rather than to withhold under chapter 4 on a withholdable payment that is a reportable payment made to a recalcitrant account holder that is a U.S. non-exempt recipient subject to backup withholding. These temporary regulations clarify that a participating FFI may make the election to apply backup withholding under section 3406 with respect to an account holder only if it complies with the information reporting rules under chapter 61 and section 3406. Accordingly, various sections of the FFI agreement will be modified to reflect this change.

## **Special Analyses**

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866, as supplemented by Executive Order 13653. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. Chapter 5) does not apply to these regulations.

The collection of information in these temporary regulations is contained in a number of provisions including §§ 1.1471-3, 1.1471-4, 1.1472-1, 1.1474-1, and 1.1474-6. In addition, these temporary regulations amend a number of collections of information set out in TD 9610. The IRS intends that the information collection requirements of these temporary regulations will be satisfied by filing Forms 8957, 8966, the W-8 series of forms, W-9, 1042, 1042-S, the 1099 series of forms, as well as income tax returns (for example, Forms 1040 and 1120F) and Form 843 relating to refunds. As a result, for purposes of the Paperwork Reduction Act (44 U.S.C. 3507), the reporting burden associated with the collection of information in these temporary regulations will be reflected in the information collection burden and OMB control number of the appropriate IRS form.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Books and records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law.

Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 103.

Section 202 of the Unfunded Mandates Reform Act of 1995, Public Law 104-4, requires that an agency prepare a costs and benefits analysis and a budgetary impact statement before promulgating a rule that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year. If a budgetary impact statement is required, section 205 of the Unfunded Mandates Reform Act requires an agency to identify and consider a reasonable number of regulatory alternatives before promulgating a rule. The Treasury Department and the IRS have determined that there is no federal mandate imposed by this rulemaking that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year.

For the applicability of the Regulatory Flexibility Act (5 U.S.C. chapter 6), please refer to the Special Analyses section of the preamble to the cross-referenced notice of proposed rulemaking published in the Proposed Rules section in this issue of the Federal Register. Pursuant to section 7805(f) of the Code, these regulations have been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small business.

## **Drafting Information**

The principal authors of these regulations are Tara Ferris, Nancy Lee, Michael Kaercher, and Kamela Nelan of the Office of Associate Chief Counsel (International). However, other personnel from the IRS and the Treasury Department participated in the development of these regulations.

**1 §1.1471****1-1 §1.1471-1 Scope of chapter 4 and definitions [§1.1471-1]****1-1(a) Scope of chapter 4 of the Internal Revenue Code [§1.1471-1(a)]**

Sections 1.1471-1 through 1.1474-7 provide rules for withholding when a withholding agent makes a payment to an FFI or NFFE and prescribe the requirements for and definitions relevant to FFIs and NFFEs to which withholding will not apply. Section 1.1471-1 provides definitions for terms used in chapter 4 of the Internal Revenue Code (Code) and the regulations thereunder. Section 1.1471-2 provides rules for withholding under section 1471(a) on payments to FFIs, including the exception from withholding for payments made with respect to certain grandfathered obligations. Section 1.1471-3 provides rules for determining the payee of a payment and the documentation requirements to establish a payee's chapter 4 status. 1-2 §1.1471-2 Requirement to deduct and withhold tax on withholdable payments to certain FFIs [§1.1471-2]1-2(a) Requirement to withhold on payments to FFIs [§1.1471-2(a)]

1-2(a)(1) *General rule of withholding [§1.1471-2(a)(1)]*  
 [Reserved]. For further guidance, see §1.1471-2T(a)(1).

*Under section 1471(a), notwithstanding any exemption from withholding under any other provision of the Code or regulations, a withholding agent must withhold 30 percent of any withholdable payment made after June 30, 2014, to a payee that is an FFI unless either the withholding agent can reliably associate the payment with documentation upon which it is permitted to rely to treat the payment as exempt from withholding under paragraph (a)(4) of this section or the payment is made under a grandfathered obligation that is described in paragraph (b) of this section or constitutes gross proceeds from the disposition of such an obligation.*

*A withholding agent that is making a payment must determine who the payee is under §1.1471-3(a) with respect to that payment and the chapter 4 status of such payee. See §1.1471-3 for requirements for determining the chapter 4 status of a payee, including additional documentation requirements that apply when a payment is made to an intermediary or flow-through entity that is not the payee. Withholding under this section applies without regard to whether the payee receives a withholdable payment as a beneficial owner or as an intermediary. See paragraph (a)(2)(iv) of this section for a description of the withholding requirements imposed on territory financial institutions as withholding agents under chapter 4.*

*In the case of a withholdable payment to a NFFE, a withholding agent is required to determine whether withholding applies under section 1472 and §1.1472-1. Except as otherwise provided in the regulations under chapter 4, a withholding obligation arises on the date a payment is made, as determined under §1.1473-1(a).*

1-2(a)(2) Special withholding rules [§1.1471-2(a)(2)]

(2)(i) Requirement to withhold on payments of U.S. source FDAP income to participating FFIs and deemed-compliant FFIs that are NQIs, NWPs, or NWTs [§1.1471-2(a)(2)(i)]  
 [Reserved]. For further guidance, see §1.1471-2T(a)(2)(i).

*A withholding agent that, after June 30, 2014, makes a payment of U.S. source FDAP income to a participating FFI or deemed-compliant FFI that is an NQI receiving the payment as an intermediary, or a NWP or NWT, must withhold 30 percent of the payment unless the withholding is reduced under this paragraph (a)(2)(i).*

*A withholding agent is not required to withhold on a payment, or portion of a payment, that it can reliably associate, in the manner described in §1.1471-3(c)(2), with a valid intermediary or flow-through withholding certificate that meets the requirements of §1.1471-3(d)(4) and a withholding statement that meets the requirements of §1.1471-3(c)(3)(iii)(B) and that allocates the payment or portion of the payment to payees for which no withholding is required under chapter 4. Further, a withholding agent is not required to withhold on a payment that it can reliably associate with documentation indicating that the payee is a U.S. branch of a participating FFI that is treated as a U.S. person under §1.1441-1(b)(2)(iv)(A).*

(2)(ii) Residual withholding responsibility of intermediaries and flow-through entities [§1.1471-2(a)(2)(ii)]  
 [Reserved]. For further guidance, see §1.1471-2T(a)(2)(ii).

*An intermediary or flow-through entity that receives a withholdable payment after June 30, 2014, is required to withhold on such payment to the extent required under chapter 4. Notwithstanding the previous sentence, an intermediary or flow-through entity is not required to withhold if another withholding agent has withheld the full amount required. Further, an NQI, NWP, or NWT is not required to withhold with respect to a withholdable payment under chapter 4 if it has provided a valid intermediary withholding certificate or flow-through withholding certificate and all of the information required by §1.1471-3(c)(3)(iii), and it does not know, and has no reason to know, that another withholding agent failed to withhold the correct amount. A QI's, WP's, or WT's obligation to withhold and report is determined in accordance with its QI withholding agreement, WP agreement, or WT agreement.*

(2)(iii) Requirement to withhold if a participating FFI or registered deemed-compliant FFI makes an election to be withheld upon [§1.1471-2(a)(2)(iii)]  
 A person that otherwise would be a payee with respect to a payment but that makes an election to be withheld upon does not agree to accept primary withholding responsibility for the payment under chapter 3 or 4. Accordingly, such person cannot be treated as the payee and the withholding agent must determine whether it must withhold based on the chapter 4 status of the payee on whose behalf the person is receiving the payment. The election to be withheld upon is only available to the extent provided in paragraph (a)(2)(iii)(A) and (B) of this section. The election is not available to an entity that is required to accept primary withholding responsibility for the payment, such as a WP or WT receiving a payment of U.S. source FDAP income, or an entity that already must be withheld upon because it may not accept primary withholding responsibility for the payment and, as such, already must pass up documentation with respect to the payee to the withholding agent, such as a participating FFI that is an NQI receiving a payment of U.S. source FDAP income.

(iii)(A) Election to be withheld upon for U.S. source FDAP income [§1.1471-2(a)(2)(iii)(A)]  
 [Reserved]. For further guidance, see §1.1471-2T(a)(2)(iii)(A).

*A withholding agent is required to withhold with respect to a payment, or portion of a payment, that is U.S. source FDAP income subject to withholding that is made after June 30, 2014, to a QI that has elected in accordance with this paragraph to be withheld upon, unless such withholding agent also makes an election to be withheld upon under this paragraph (a)(2)(iii)(A) or is an FFI that may not accept primary withholding responsibility for the payment. In such case, the withholding agent must withhold 30 percent of the portion of the payment that is allocable, pursuant to a withholding statement described in §1.1471-3(c)(3)(iii)(B) provided by the QI, to recalcitrant account holders and nonparticipating FFIs.*

*If no such allocation information is provided, the withholding agent must apply the presumption rules of §1.1471-3(f) to determine the chapter 4 status of the payee. A QI that is an FFI and that makes the election to be withheld upon with respect to a payment of U.S. source FDAP income may not assume primary withholding responsibility under chapter 3 for that payment.*

*Conversely, a QI that is an FFI and that does not make the election to be withheld upon with respect to a payment of U.S. source FDAP income is required to assume primary withholding responsibility under chapter 3*

*for that payment. The election to be withheld upon is only available with respect to a payment of U.S. source FDAP income if-*

- (1) The withholding agent is a participating FFI, reporting Model 1 FFI, QI, or a U.S. withholding agent; [§1.1471-2(a)(2)(iii)(A)(1)]
- (2) The person who receives the payment is a participating FFI or registered deemed-compliant FFI that acts as a QI with respect to the payment; [§1.1471-2(a)(2)(iii)(A)(2)]
- (3) The person who receives the payment provides the withholding agent, at or before the time of the payment, with a valid intermediary withholding certificate with respect to the payment that notifies the withholding agent that it has elected to be withheld upon, certifies that it is not assuming primary withholding responsibility under chapter 3, and designates whether such election is made for all accounts held with the withholding agent or for the specific accounts identified on the withholding certificate; and [§1.1471-2(a)(2)(iii)(A)(3)]
- (4) The intermediary withholding certificate is accompanied by a withholding statement described in §1.1471-3(c)(3)(iii)(B). [§1.1471-2(a)(2)(iii)(A)(4)]

(iii)(B) Election to be withheld upon for gross proceeds [§1.1471-2(a)(2)(iii)(B)]  
[Reserved]

(2)(iv) Withholding obligation of a territory financial institution [§1.1471-2(a)(2)(iv)]  
A territory financial institution that is a flow-through entity or that acts as an intermediary with respect to a withholdable payment has an obligation to withhold (to the extent required under this section and §1.1472-1(b)) if it agrees to be treated as a U.S. person with respect to the payment for purposes of both chapter 4 and §1.1441-1(b)(2)(iv)(A). A territory financial institution that is a flow-through entity or that acts as an intermediary with respect to a withholdable payment is not required to withhold under paragraph (a)(1) of this section or §1.1472-1(b), however, if it has provided the withholding agent that is a U.S. withholding agent, participating FFI, reporting Model 1 FFI, or QI with all of the documentation described in §1.1471-3(c)(3)(iii) (in which it has not agreed to be treated as a U.S. person with respect to the payment), and it does not know, or have reason to know, that another withholding agent failed to withhold the correct amount or failed to report the payment correctly under §1.1474-1(d).

(2)(v) Withholding obligation of a foreign branch of a U.S. financial institution [§1.1471-2(a)(2)(v)]  
[Reserved]. For further guidance, see §1.1471-2T(a)(2)(v).

*Generally, a foreign branch of a U.S. financial institution is a withholding agent and is not an FFI. However, a QI branch of a U.S. financial institution is both a withholding agent and either a participating FFI or a registered deemed-compliant FFI. Accordingly, a QI branch of a U.S. financial institution must withhold in accordance with this section and §1.1472-1(b) in addition to meeting its obligations under either §1.1471-4(b) and its FFI agreement or §1.1471-5(f).*

*Similarly, a foreign branch of a U.S. financial institution that is also a reporting Model 1 FFI is both a withholding agent and a registered deemed-compliant FFI. Accordingly, a foreign branch of a U.S. financial institution that is a reporting Model 1 FFI must withhold in accordance with this section and §1.1472-1(b). A foreign branch of a U.S. financial institution that is not a QI is not permitted to make an election to be withheld upon.*

(2)(vi) Payments of gross proceeds [§1.1471-2(a)(2)(vi)]  
 [Reserved]

1-2(a)(3) *Coordination of withholding under sections 1471(a) and (b) [§1.1471-2(a)(3)]*  
 The following entities are deemed to satisfy their withholding obligations under section 1471(a) and this section: participating FFIs that comply with the withholding requirements of §1.1471-4(b); exempt beneficial owners; section 501(c) entities described in §1.1471-5(e)(5)(v); and nonprofit organizations described in §1.1471-5(e)(5)(vi). See §1.1471-5(f) for when a deemed-compliant FFI is deemed to satisfy its withholding obligations under section 1471(a) and this section.

1-2(a)(4) *Payments for which no withholding is required [§1.1471-2(a)(4)]*  
 A withholding agent that has determined, in accordance with the documentation requirements and other rules provided in §1.1471-3, that the payee of a withholdable payment is a foreign entity must determine whether the payment is exempt from withholding. Paragraphs (a)(4)(i) through (viii) of this section describe the circumstances in which a withholdable payment is not subject to withholding under section 1471(a) and this section.

(4)(i) Exception to withholding if the withholding agent lacks control, custody, or knowledge [§1.1471-2(a)(4)(i)]

(i)(A) In general [§1.1471-2(a)(4)(i)(A)]  
 A withholding agent that is not related to the payee or beneficial owner has an obligation to withhold under chapter 4 only to the extent that, at any time between the date that the obligation to withhold would arise (but for the provisions of this paragraph (a)(4)(i)) and the due date for filing the return on Form 1042 (including extensions) for the year in which the payment occurs, it has control over or custody of money or property owned by the payee or beneficial owner from which to withhold an amount and has knowledge of the facts that give rise to the payment. The exemption from the obligation to withhold under this paragraph (a)(4)(i) does not apply, however, to payments with respect to stock or other securities or if the lack of control or custody of money or property from which to withhold is part of a pre-arranged plan known to the withholding agent to avoid withholding under section 1471 or 1472. A withholding agent does not lack control over money or property for purposes of this paragraph (a)(4)(i) if the withholding agent directs another party to make the payment. Thus, for example, a principal does not cease to have control over a payment when it contracts with a paying agent to make the payments to its account holders in lieu of paying the account holders directly. Further, a withholding agent does not lack knowledge of the facts that give rise to a payment merely because the withholding agent does not know the character or source of the payment for U.S. tax purposes. See paragraph (a)(5) of this section for rules addressing a withholding agent's obligations when the withholding agent has knowledge of the facts that give rise to the payment, but the character or source of the payment is not known. For purposes of this paragraph (a)(4)(i), a withholding agent is related to the payee or beneficial owner if it is related within the meaning of section 482. Any exemption from withholding pursuant to this paragraph (a)(4)(i) applies without a requirement that documentation be furnished to the withholding agent. The special rules set forth in §1.1441-2(d)(2) through (4), regarding the obligation of a withholding agent with respect to cancellation of debt, the satisfaction of a tax liability following underwithholding by a withholding agent, and amounts described in §1.860G-3(b)(1) (regarding certain partnership allocations of REMIC net income with respect to a REMIC residual interest) also apply for purposes of chapter 4.

(i)(B) Example [§1.1471-2(a)(4)(i)(B)]  
 A, an individual, owns stock in DC, a domestic corporation, through a custodian, Bank 1, that is a participating FFI. A also has a money market account at Bank 2, which is also a participating FFI. DC pays a dividend of \$1,000 that is deposited in A's custodial account at Bank 1. A then directs Bank 1 to transfer \$1,000 to A's money market account at Bank 2. With respect to the payment of the dividend into A's custodial account with Bank 1, both DC and Bank 1 are withholding agents making a withholdable payment for which they have custody, control, and knowledge. See §1.1473-1(a)(2)(vii)(B) and (d). Therefore, both DC and Bank 1 have an obligation to withhold on the payment unless they can reliably associate the payment with documentation sufficient to treat the respective payees as not subject to withholding under chapter 4. With respect to the wire transfer of \$1,000 from A's account at Bank 1 to A's account at Bank 2, neither Bank 1 nor Bank 2 is required to withhold with respect to the transfer because neither bank has knowledge of the facts that gave rise to the payment. Even though Bank 1 is a custodian with respect to A's interest in DC and has knowledge regarding the \$1,000 dividend paid to A, once Bank 1 credits the \$1,000 dividend to A's account, the \$1,000 becomes A's property. When A transfers the \$1,000 to its account at Bank 2, this constitutes a separate payment about which Bank 1 has no knowledge regarding the type of payment made. Further, Bank 2 only has knowledge that it receives \$1,000 to be credited to A's account but has no knowledge regarding the type of payment made. Accordingly, Bank 1 and Bank 2 have no withholding obligation with respect to the transfer from A's custodial account at Bank 1 to A's money market account at Bank 2.

(ii)(A) In general [§1.1471-2(a)(4)(ii)(A)]  
 [Reserved]. For further guidance, see §1.1471-2T(a)(4)(ii)(A).

*For any withholdable payment made prior to July 1, 2016, with respect to a preexisting obligation for which a withholding agent does not have documentation indicating the payee's status as a nonparticipating FFI, the withholding agent is not required to withhold under this section and section 1471(a) unless the payee is a **prima facie FFI**.*

(ii)(B) Prima facie FFIs [§1.1471-2(a)(4)(ii)(B)]  
 [Reserved]. For further guidance, see §1.1471-2T(a)(4)(ii)(B).

*If the payee is a **prima facie FFI**, the withholding agent must treat the payee as a nonparticipating FFI beginning on January 1, 2015, until the date the withholding agent obtains documentation sufficient to establish a different chapter 4 status of the payee. A **prima facie FFI** means any payee if-*

- (1) The withholding agent has available as part of its electronically searchable information a designation for the payee as a QI or NQI; or [§1.1471-2(a)(4)(ii)(B)(1)]
- (2) For an account maintained in the United States, the payee is presumed to be a foreign entity under §1.1471-3(f) or is documented as a foreign entity for purposes of chapter 3 or 61, and the withholding agent has recorded as part of its electronically searchable information one of the following North American Industry Classification System or Standard Industrial Classification codes indicating that the payee is a financial institution: [§1.1471-2(a)(4)(ii)(B)(2)]

(4)(iii) Payments to a participating FFI [§1.1471-2(a)(4)(iii)]  
 Except to the extent provided in paragraph (a)(2)(i) of this section, a withholding agent is not required to withhold under section 1471(a) and this section on a withholdable payment made to a payee that the withholding agent can treat as a participating FFI in accordance with §1.1471-3(d)(3). For this purpose, a limited branch of a participating FFI is treated as a nonparticipating FFI.

- (4)(iv) Payments to a deemed-compliant FFI [§1.1471-2(a)(4)(iv)]  
Except to the extent provided in paragraph (a)(2)(i) or (iii) of this section, a withholding agent is not required to withhold under section 1471(a) and this section on a withholdable payment made to a payee that the withholding agent can treat as a deemed-compliant FFI in accordance with §1.1471-3(d)(4) through (7). For this purpose, a limited branch of a deemed-compliant FFI is treated as a nonparticipating FFI.
- (4)(v) Payments to an exempt beneficial owner [§1.1471-2(a)(4)(v)]  
A withholding agent is not required to withhold under section 1471(a) and this section on a withholdable payment to the extent that the withholding agent can reliably associate the payment with documentation to determine the portion of the payment that is allocable to an exempt beneficial owner in accordance with §1.1471-3(d)(8). For example, a withholding agent is not required to withhold under this section on a withholdable payment made to a payee that is an exempt beneficial owner with respect to the payment, to a nonparticipating FFI to the extent that the nonparticipating FFI receives the payment as an intermediary on behalf of one or more of its account holders that are exempt beneficial owners, or to a flow-through entity to the extent that the flow-through entity receives the payment with respect to one or more of its partners, beneficiaries, or owners (as applicable) that are exempt beneficial owners. See §1.1471-3(d)(8)(ii) for special rules for a withholding agent to determine the portion of a withholdable payment that is beneficially owned by an exempt beneficial owner in the case of a payment made to a nonparticipating FFI.
- (4)(vi) Payments to a territory financial institution [§1.1471-2(a)(4)(vi)]  
A withholding agent is not required to withhold under section 1471(a) and this section on a withholdable payment made to a payee that the withholding agent can treat as a territory financial institution that beneficially owns the payment in accordance with §1.1471-3(d)(10)(i). A withholding agent also is not required to withhold under this section on a withholdable payment that the withholding agent can treat, in accordance with §1.1471-3(d)(10)(ii), as made to a territory financial institution that is a flow-through entity or that acts as an intermediary with respect to the payment and that has agreed to be treated as a U.S. person for purposes of chapters 3 and 4 with respect to the payment. A territory financial institution's agreement to be treated as a U.S. person for purposes of this section must be evidenced by a withholding certificate described in §1.1471-3(c)(3)(iii)(F) furnished by the territory financial institution to the withholding agent.
- (4)(vii) Payments to an account held with a clearing organization with FATCA-compliant membership [§1.1471-2(a)(4)(vii)]  
[Reserved]
- (4)(viii) Payments to certain excepted accounts [§1.1471-2(a)(4)(viii)]  
A withholding agent is not required to withhold under chapter 4 on a withholdable payment made to an account described in §1.1471-5(b)(2).

1-2(a)(5) *Withholding requirements if source or character of payment is unknown [§1.1471-2(a)(5)]*

- (5)(i) General rule [§1.1471-2(a)(5)(i)]  
If a withholding agent has knowledge of the facts that give rise to a payment but is unable to determine at the time of payment the character of the payment sufficiently to determine whether it is a withholdable payment, such payment must be treated as a withholdable payment. If a withholding agent has knowledge of the facts that give rise to a payment but is unable to determine at the time of payment the source of the payment, such payment must be treated as U.S. source income. For example, if a withholding agent does not know at the time of payment the amount of the payment that is a withholdable payment, because that calculation depends on facts that are not known at the time of payment (for example, because the withholding agent does not know whether services were

performed in the United States or whether the payment constitutes income to the recipient) the withholding agent must withhold an amount necessary to ensure that the amount withheld is not less than 30 percent of the amount that could be a withholdable payment, subject to the limitation that the withheld amount must not exceed 30 percent of the amount paid. Notwithstanding this paragraph (a)(5), a withholding agent may presume a payment to be effectively connected with the conduct of a trade or business in the United States, and thus, not a withholdable payment, if it can do so under §1.1471-3(f)(6) (regarding payments to certain U.S. branches).

(5)(ii) Optional escrow procedure [§1.1471-2(a)(5)(ii)]  
 With respect to a payment described in paragraph (a)(5) of this section, the withholding agent may elect to retain 30 percent of the payment to hold in escrow until the earlier of the date that the amount of the withholdable payment can be determined or one year from the date the amount is placed in escrow, at which time either the withholding becomes due under this section or, to the extent that it is determined that the payment is of a type for which no withholding is required, the escrowed amount must be paid to the payee.

**1-2(b) Grandfathered obligations [§1.1471-2(b)]**

1-2(b)(1) *Grandfathered treatment of outstanding obligations [§1.1471-2(b)(1)]*  
 Notwithstanding §1.1473-1(a), a withholdable payment does not include any payment made under a grandfathered obligation described in paragraph (b)(2)(i)(A) of this section, or any gross proceeds from the disposition of such an obligation. Notwithstanding §1.1471-5(h), a foreign passthru payment does not include any payment made under a grandfathered obligation described in paragraph (b)(2)(i)(A) or (B) of this section, or any gross proceeds from the disposition of such an obligation. A premium paid with regard to an insurance contract or annuity contract that is a grandfathered obligation is treated as a payment made under a grandfathered obligation.

1-2(b)(2) *Definitions [§1.1471-2(b)(2)]*

The following definitions apply solely for purposes of this paragraph (b).

(2)(i) **Grandfathered obligation [§1.1471-2(b)(2)(i)]**

(i)(A) The term grandfathered obligation means- [§1.1471-2(b)(2)(i)(A)]

*Any obligation outstanding on July 1, 2014;*

(2) Any obligation that gives rise to a withholdable payment solely because the obligation is treated as giving rise to a dividend equivalent pursuant to section 871(m) and the regulations thereunder, provided that the obligation is executed on or before the date that is six months after the date on which obligations of its type are first treated as giving rise to dividend equivalents; and [§1.1471-2(b)(2)(i)(A)(2)]

(3) Any agreement requiring a secured party to make a payment with respect to, or to repay, collateral posted to secure a grandfathered obligation. If collateral (or a pool of collateral) secures both grandfathered obligations and obligations that are not grandfathered, the collateral posted to secure the grandfathered obligations must be determined by allocating (pro rata by value) the collateral (or each item comprising the pool of collateral) to all outstanding obligations secured by the collateral (or pool of collateral). [§1.1471-2(b)(2)(i)(A)(3)]

(i)(B) Solely for purposes of a foreign passthru payment, the term grandfathered obligation also includes any obligation that is executed on or before the date that is six months after the date on which final regulations defining the term foreign passthru payment are filed with the Federal Register. [§1.1471-2(b)(2)(i)(B)]

(2)(ii) Obligation [§1.1471-2(b)(2)(ii)]

(ii)(A) Except as otherwise provided in paragraph (b)(2)(ii)(B) of this section, the term obligation means any legally binding agreement or instrument. An obligation for purposes of this paragraph (b)(2)(i) includes, for example- [§1.1471-2(b)(2)(ii)(A)]

- (1) A debt instrument (for example, a bond, guaranteed investment certificate, or term deposit); [§1.1471-2(b)(2)(ii)(A)(1)]
- (2) An agreement to extend credit for a fixed term (for example, a line of credit or a revolving credit facility), provided that the agreement as of its issue date fixes the material terms (including a stated maturity date) under which the credit will be provided; [§1.1471-2(b)(2)(ii)(A)(2)]
- (3) A derivatives transaction entered into between counterparties under an ISDA Master Agreement that is evidenced by a confirmation; [§1.1471-2(b)(2)(ii)(A)(3)]
- (4) [Reserved]. For further guidance, see §1.1471-2T(b)(2)(ii)(A)(4). [§1.1471-2(b)(2)(ii)(A)(4)]

*A life insurance contract under which the entire contract value is payable no later than upon the death of the individual(s) insured under the contract but, in the case of a life insurance contract that contains a provision that permits the substitution of a new individual as the insured under the contract, only until a substitution occurs; and*

- (5) An immediate annuity contract payable for a period certain or for the life of the annuitant. [§1.1471-2(b)(2)(ii)(A)(5)]

(ii)(B) An obligation for purposes of this paragraph (b)(2)(ii) does not include any legal agreement or instrument that- [§1.1471-2(b)(2)(ii)(B)]

- (1) Is treated as equity for U.S. tax purposes; [§1.1471-2(b)(2)(ii)(B)(1)]
- (2) [Reserved]. For further guidance, see §1.1471-2T(b)(2)(ii)(B)(2). [§1.1471-2(b)(2)(ii)(B)(2)]

*Lacks a stated expiration or term (for example, a savings deposit or demand deposit, a deferred annuity contract, or an annuity contract that permits a substitution of a new individual as the annuitant under the contract);*

- (3) Is a brokerage agreement, custodial agreement, investment linked insurance contract, investment linked annuity contract, or similar agreement to hold financial assets for the account of others and to make and receive payments of income and other amounts with respect to such assets; or [§1.1471-2(b)(2)(ii)(B)(3)]
- (4) Is a master agreement that merely sets forth standard terms and conditions that are intended to apply to a series of transactions between parties but that does not set forth all of the specific terms

necessary to conclude a particular transaction. [§1.1471-2(b)(2)(ii)(B)(4)]

(2)(iii) Date outstanding [§1.1471-2(b)(2)(iii)]  
 Except as provided in the following sentence, an obligation that constitutes indebtedness for U.S. tax purposes is outstanding on the date provided in paragraph (b)(2)(i) if it has an issue date before such date. In all other cases, including an agreement described in paragraph (b)(2)(ii)(A)(2) of this section, an obligation is outstanding on the date provided in paragraph (b)(2)(i) if a legally binding agreement establishing the obligation was executed between the parties to the agreement before such date. Any material modification of an outstanding obligation will result in the obligation being treated as newly issued or executed as of the effective date of such modification.

(2)(iv) Material modification [§1.1471-2(b)(2)(iv)]  
 [Reserved]. For further guidance, see §1.1471-2T(b)(2)(iv).

*In the case of an obligation that constitutes indebtedness for U.S. tax purposes, a material modification is any significant modification of the debt instrument as defined in §1.1001-3(e). For life insurance contracts, a material modification includes any substitution of the insured under the contract. In all other cases, whether a modification of an obligation is material is determined based on the facts and circumstances.*

1-2(b)(3) Application to flow-through entities [§1.1471-2(b)(3)]

(3)(i) Partnerships [§1.1471-2(b)(3)(i)]  
 A payment made under a grandfathered obligation includes a payment made to a partnership with respect to such obligation and a payment made with respect to a partnership's disposition of such obligation. A payment made under a grandfathered obligation also includes the income from such obligation that is includable in the gross income of a partner with respect to a capital or profits interest in the partnership and the gross proceeds allocated to a partner from the disposition of such obligation as determined under §1.1473-1(a)(5)(vii).

(3)(ii) Simple trusts [§1.1471-2(b)(3)(ii)]  
 A payment made under a grandfathered obligation includes a payment made to a simple trust with respect to such obligation, including a payment made with respect to a simple trust's disposition of such obligation. A payment made under a grandfathered obligation also includes income from such obligation that is includable in the income of a beneficiary and further includes a beneficiary's share of the gross proceeds from a disposition of such obligation as determined under §1.1473-1(a)(5)(vii).

(3)(iii) Grantor trusts [§1.1471-2(b)(3)(iii)]  
 A payment made under a grandfathered obligation includes a payment made to a grantor trust with respect to such obligation, including a payment made with respect to the trust's disposition of such obligation. A payment made under a grandfathered obligation also includes income from such obligation that is includable in the gross income of a person that is treated as an owner of the trust and the gross proceeds from the disposition of such obligation to the extent such owner is treated as owning the portion of the trust that consists of the obligation.

1-2(b)(4) Determination by withholding agent of grandfathered treatment [§1.1471-2(b)(4)]

(4)(i) In general [§1.1471-2(b)(4)(i)]  
 A withholding agent other than the issuer of the obligation (or agent of the issuer) may, absent actual knowledge, rely on a written statement by the issuer of the obligation to determine if such obligation meets the requirements for grandfathered treatment provided under this paragraph (b).

(4)(ii) Determination of material modification [§1.1471-2(b)(4)(ii)]  
[Reserved]. For further guidance, see §1.1471-2T(b)(4)(ii).

*For purposes of paragraph (b)(2)(iv) of this section (defining material modification), a withholding agent, other than the issuer of the obligation (or an agent of the issuer), is required to treat a modification of the obligation as material only if the withholding agent has actual knowledge thereof, such as in the event the withholding agent receives a disclosure indicating that there has been or will be a material modification to such obligation. The issuer of the obligation (or an agent of the issuer) that is a withholding agent is required to treat a modification of the obligation as material if the withholding agent knows or has reason to know that a material modification has occurred with respect to the obligation.*

(4)(iii) Record retention [§1.1471-2(b)(4)(iii)]  
A withholding agent that relies on a document provided by the issuer of an obligation as described in paragraph (b)(4)(i) or (ii) of this section must retain such document in its records for the applicable period of limitations on assessment and collection with respect to amounts paid under the obligation or from disposition of the obligation.

1-2(c) *Effective/applicability date [§1.1471-2(c)]*

This section generally applies on January 28, 2013. For other dates of applicability, see §§1.1471-2(a)(1); 1.1471-2(a)(2)(i), (ii), (iii)(A); 1.1471-2(a)(4)(ii).

1-3 §1.1471-3 Identification of payee [§1.1471-3]1-3(a) *Payee defined [§1.1471-3(a)]*

1-3(a)(1) *In general [§1.1471-3(a)(1)]*  
 Except as otherwise provided in this paragraph (a), for purposes of chapter 4 a payee is the person to whom a payment is made, regardless of whether such person is the beneficial owner of the amount.

1-3(a)(2) *Payee with respect to a financial account [§1.1471-3(a)(2)]*  
 For purposes of payments made to a financial account and except as otherwise provided in paragraph (a)(3) of this section, the payee is the holder of the financial account.

1-3(a)(3) *Exceptions [§1.1471-3(a)(3)]*

(3)(i) Certain foreign agents or intermediaries [§1.1471-3(a)(3)(i)]

(i)(A) Except as otherwise provided in paragraphs (a)(3)(iv) and (vi) of this section (applicable to territory financial institutions and certain U.S. branches), a foreign person that is acting as an agent or intermediary with respect to a payment in accordance with paragraph (b)(1) of this section is not the payee if such foreign person is- [§1.1471-3(a)(3)(i)(A)]

(1) An NFFE, unless the NFFE is a QI that has assumed primary withholding responsibility; or [§1.1471-3(a)(3)(i)(A)(1)]

(2) In the case of a payment of U.S. source FDAP income, a participating FFI, deemed-compliant FFI, or restricted distributor, unless the participating FFI, deemed-compliant FFI, or restricted distributor is a QI that has assumed primary withholding responsibility. [§1.1471-3(a)(3)(i)(A)(2)]

(i)(B) In the case of an agent or intermediary described in paragraph (a)(3)(i)(A) of this section, the payee is the person or persons for whom the agent or intermediary collects the payment. Thus, for example, the payee of a payment of U.S. source FDAP income that the withholding agent can reliably associate with a withholding certificate from a QI that does not assume primary withholding responsibility with respect to the payment under chapter 3, or a payment to a participating FFI that is an NQI, is the person or persons for whom the QI or NQI acts. [§1.1471-3(a)(3)(i)(B)]

(3)(ii) Foreign flow-through entity [§1.1471-3(a)(3)(ii)]

(ii)(A) A foreign entity that is a flow-through entity is a payee with respect to a payment only if the flow-through entity is- [§1.1471-3(a)(3)(ii)(A)]

(1) An FFI that is not a participating FFI or deemed-compliant FFI, or restricted distributor receiving a payment of U.S. source FDAP income; [§1.1471-3(a)(3)(ii)(A)(1)]

(2) An excepted NFFE that is not acting as an agent or intermediary with respect to the payment; [§1.1471-3(a)(3)(ii)(A)(2)]

(3) A WP or WT that is not acting as an agent or intermediary with respect to the payment; or [§1.1471-3(a)(3)(ii)(A)(3)]

(4) Receiving income that is (or is deemed to be) effectively connected with the conduct of a trade or business in the United States, or receiving a payment of gross proceeds from the sale of property that

can produce income that is effectively connected with the conduct of a trade or business in the United States and that is excluded from the definition of a withholdable payment under §1.1473-1(a)(4). [§1.1471-3(a)(3)(ii)(A)(4)]

- (ii)(B) A withholding agent that makes a withholdable payment to a flow-through entity that is not described in paragraphs (a)(3)(ii)(A)(1) through (3) of this section will be required to treat the partner, beneficiary, or owner (as applicable) as the payee (looking through partners, beneficiaries, and owners that are themselves flow-through entities that are not described in paragraphs (a)(3)(ii)(A)(1) through (3)). [§1.1471-3(a)(3)(ii)(B)]
- (3)(iii) U.S. intermediary or agent of a foreign person [§1.1471-3(a)(3)(iii)] [Reserved]. For further guidance, see §1.1471-3T(a)(3)(iii).
 

*A withholding agent that makes a withholdable payment to a U.S. person and has actual knowledge that the person receiving the payment is acting as an intermediary or agent of a foreign person with respect to the payment must treat such foreign person, and not the intermediary or agent, as the payee of such payment. Notwithstanding the previous sentence, a withholding agent that makes a withholdable payment to a U.S. financial institution or a U.S. insurance broker (to the extent such withholdable payment is a payment of premiums) that is acting as an intermediary or agent with respect to the payment on behalf of one or more foreign persons may treat the U.S. financial institution or U.S. insurance broker as the payee if the withholding agent does not have reason to know that the U.S. financial institution or U.S. insurance broker will not comply with its obligations to withhold under sections 1471 and 1472.*
- (3)(iv) Territory financial institution [§1.1471-3(a)(3)(iv)]  
 A withholding agent that makes a withholdable payment to a territory financial institution that is a flow-through entity or is acting as an intermediary or agent with respect to the payment may treat the territory financial institution as the payee only if the territory financial institution has agreed (as evidenced by a withholding certificate described in paragraphs (c)(3)(iii)(A) and (F) of this section) to be treated as a U.S. person with respect to the payment for purposes of both chapters 3 and 4. In all other cases, the withholding agent must treat as the payee the partner, beneficiary, or owner (as applicable) of the territory financial institution that is a flow-through entity (looking through partners, beneficiaries, and owners that are themselves flow-through entities that are not described in paragraphs (a)(3)(ii)(A)(1) through (3)) or the person on whose behalf the territory financial institution is acting.
- (3)(v) Disregarded entity or branch [§1.1471-3(a)(3)(v)]  
 [Reserved]. For further guidance, see §1.1471-3T(a)(3)(v).
 

*Except as otherwise provided in paragraph (a)(3)(v) through (vii) of this section, a withholding agent that makes a withholdable payment to an entity that is disregarded for U.S. federal tax purposes under §301.7701-2(c)(2)(i) as an entity separate from its single owner must treat the single owner as the payee. The rules under §1.1471-3(d)(4) and (e)(3) apply to determine the circumstances under which a withholding agent may treat a payment made to a disregarded entity owned by an FFI as made to a payee that is a participating FFI or registered deemed-compliant FFI, and not as a payment made to a payee that is a nonparticipating FFI.*

*A withholding agent that makes a payment to a limited branch (including an entity disregarded as a separate entity from its owner if such owner is an FFI and the disregarded entity is unable to comply with the terms of an FFI*

*agreement with respect to accounts that it maintains) will be required to treat the payment as being made to a nonparticipating FFI.*

(3)(vi) U.S. branch of certain foreign banks or foreign insurance companies [§1.1471-3(a)(3)(vi)]  
 [Reserved]. For further guidance, see §1.1471-3T(a)(3)(vi).

*A withholdable payment to a U.S. branch of either a participating FFI or registered deemed-compliant FFI is a payment to a U.S. person if the U.S. branch is treated as a U.S. person for purposes of §1.1441-1(b)(2)(iv). In such case the U.S. branch is treated as the payee. A U.S. branch, however, that is treated as a U.S. person under §1.1441-1(b)(2)(iv) is not treated as a U.S. person for purposes of the withholding certificate it may provide to a withholding agent for purposes of chapter 4.*

*Accordingly, a U.S. branch of either a participating FFI or registered deemed-compliant FFI that is treated as a U.S. person must furnish a withholding certificate on a Form W-8 to certify its chapter 4 status (and not a Form W-9, "Request for Taxpayer Identification Number and Certification"). See also paragraph (f)(6) of this section for the rules under which a withholding agent can presume a payment constitutes income that is effectively connected with a U.S. trade or business.*

*A U.S. branch of either a participating FFI or registered deemed-compliant FFI that is treated as a U.S. person for purposes of chapter 3 may not make an election to be withheld upon, as described in section 1471(b)(3) and §1.1471-2(a)(2)(iii), for purposes of chapter 4.*

*See §1.1471-4(c)(2)(v) for the rule requiring a U.S. branch that has elected to be treated as a U.S. person to apply the due diligence rules applicable to a U.S. withholding agent in lieu of those otherwise applicable to a participating FFI. See also §1.1474-1(i)(1) and (2) for the requirement of a U.S. branch to report information regarding certain U.S. owners of owner documented FFIs and passive NFFEs. See §1.1471-4(d) for rules for when a U.S. branch of a participating FFI is required to report as a U.S. person.*

(3)(vii) Foreign branch of a U.S. person [§1.1471-3(a)(3)(vii)]  
 A payment to a foreign branch of a U.S. person is generally a payment to a U.S. payee. However, a payment to a foreign branch of a U.S. financial institution will be treated as a payment to an FFI if the foreign branch is a QI that is acting as an intermediary with respect to the payment. Therefore, a foreign branch that is a QI will provide the withholding agent with an intermediary withholding certificate and the withholding agent will report the payment as having been made to the foreign branch on a Form 1042-S.

**1-3(b) Determination of payee's status [§1.1471-3(b)]**

Except as otherwise provided in this section, a withholding agent must base its determination of the chapter 4 status of a payee on documentation that the withholding agent can reliably associate with such payment. If a withholding agent makes a payment to a person that is not the payee, the withholding agent will be required to determine the chapter 4 status of each intermediary or flow-through entity in the payment chain until the withholding agent is able to identify the payee. Paragraph (c) of this section provides rules for when a withholding agent can reliably associate a payment with appropriate documentation.

Paragraph (d) of this section provides documentation requirements applicable to each class of payees, including exceptions for payments made with respect to offshore obligations or preexisting obligations. Paragraph (e) provides standards for determining when a withholding agent will be considered to have reason to know that a claim of exemption from withholding is unreliable or incorrect. Paragraph (f) of this section provides presumptions that apply for purposes of determining a payee's chapter 4 status in the absence of documentation or if the documentation provided is unreliable or incorrect.

**1-3(b)(1)** *Determining whether a payment is received by an intermediary [§1.1471-3(b)(1)]*  
 A withholding agent must treat the person who receives a payment as an intermediary if it can reliably associate the payment with a valid intermediary withholding certificate on which the person who receives the payment claims to be a QI or NQI. A U.S. person's foreign branch that is acting in its capacity as a QI is treated as a foreign intermediary. A withholding agent that makes a payment with respect to an offshore obligation must also treat the person who receives the payment as an intermediary if the person has provided written notification, whether or not such notification is signed, that it accepts the payment on behalf of another person or persons. A withholding agent may rely on the type of certificate furnished as determinative of whether the person who receives the payment is an intermediary, unless the withholding agent knows or has reason to know that the certificate is incorrect.

For example, a withholding agent that receives a beneficial owner withholding certificate from an FFI may treat the FFI as the beneficial owner unless it has information in its records that would indicate otherwise or the certificate contains information that is not consistent with beneficial owner status (for example, sub-account numbers that do not correspond to accounts maintained by the withholding agent for such person or names of one or more persons other than the person submitting the withholding certificate). If the FFI receives a payment in part as a beneficial owner and in part as an intermediary, the withholding agent may request that the FFI furnish two certificates, that is, a beneficial owner certificate for the amounts it receives as a beneficial owner, and an intermediary withholding certificate for the amounts it receives as an intermediary.

A withholding agent that cannot reliably associate a payment with documentation sufficient to treat the person who receives the payment as an intermediary or as other than an intermediary pursuant to this paragraph (b)(1) must follow the presumption rules set forth in paragraph (f)(5) of this section to determine whether it must treat the person who receives the payment as an intermediary. A determination that a payment is made to an intermediary under this paragraph (b)(1) is not a determination that the payment can be reliably associated with documentation. See paragraph (c)(2) of this section for rules on reliably associating a payment with documentation if such payment is made through an intermediary.

**1-3(b)(2)** *Determination of entity type [§1.1471-3(b)(2)]*  
 A person's entity classification for purposes of chapter 4 is the person's entity classification for U.S. federal income tax purposes. Thus, for example, an entity that is disregarded as a legal entity in its country of organization or an arrangement that does not have a legal personality and is not a juridical person in the country in which it was organized will be treated as an entity for purposes of chapter 4 if it is an entity for U.S. federal income tax purposes. A withholding agent may rely upon a person's entity classification contained in a valid Form W-8 or W-9 if the withholding agent has no reason to know that the entity classification is incorrect.

A withholding agent that makes a payment with respect to an offshore obligation may also rely upon a written notification provided by the person who receives the payment, regardless of whether such notification is signed, that indicates the person's entity classification (other than as a QI, WP, or WT) unless the withholding agent knows or has reason to know that the entity classification indicated by the person who receives the payment is incorrect. A withholding agent may not rely on a person's claim of classification other than as a corporation if the person's name indicates that the person is a *per se* corporation described in §301.7701-2(b)(8) of this chapter unless the certificate or written statement contains a statement that the person is a grandfathered *per se* corporation described in §301.7701-2(b)(8) and that its grandfathered status has not been terminated.

**1-3(b)(3)** *Determination of whether the payment is made to a QI, WP, or WT [§1.1471-3(b)(3)]*  
 [Reserved]. For further guidance, see §1.1471-3T(b)(3).

*A withholding agent may treat the person who receives a payment as a QI, WP, or WT if the withholding agent can reliably associate the payment with a valid Form W-8IMY, as*

*described in paragraph (c)(3)(iii) of this section, that indicates that the person who receives the payment is a QI, WP, or WT, provides the person's QI-EIN, WP-EIN, or WT-EIN, and the person's GIN, if applicable.*

**1-3(b)(4)** *Determination of whether the payee is receiving effectively connected income [§1.1471-3(b)(4)]*  
 A withholding agent may treat a payment as being made to a payee that is receiving income that is effectively connected with a trade or business in the United States, or gross proceeds from the sale of property that can produce income that is effectively connected with the conduct of a trade or business in the United States, if it can reliably associate the payment with a valid Form W-8ECI described in paragraph (c)(3)(v) of this section or if it can do so under the presumption rule in paragraph (f)(6) of this section.

**1-3(c)** *Rules for reliably associating a payment with a withholding certificate or other appropriate documentation [§1.1471-3(c)]*

**1-3(c)(1)** *In general [§1.1471-3(c)(1)]*  
 A withholding agent can reliably associate a withholdable payment with valid documentation if, prior to the payment, it has obtained (either directly or through an agent) valid documentation appropriate to the payee's chapter 4 status as described in paragraph (d) of this section, it can reliably determine how much of the payment relates to the valid documentation, and it does not know or have reason to know that any of the information, certifications, or statements in, or associated with, the documentation are unreliable or incorrect. Thus, a withholding agent cannot reliably associate a withholdable payment with valid documentation provided by a payee to the extent such documentation appears unreliable or incorrect with respect to the claims made, or to the extent that information required to allocate all or a portion of the payment to each payee is unreliable or incorrect.

A withholding agent may rely on information and certifications contained in withholding certificates or other documentation without having to inquire into the truthfulness of the information or certifications, unless it knows or has reason to know that the information or certifications are untrue. A withholding agent may rely upon the same documentation for purposes of both chapters 3 and 4 provided the documentation is sufficient to meet the requirements of each chapter. Alternatively, a withholding agent may elect to rely upon the presumption rules of paragraph (f) of this section in lieu of obtaining documentation from the payee.

**1-3(c)(2)** *Reliably associating a payment with documentation if a payment is made through an intermediary or flow-through entity that is not the payee [§1.1471-3(c)(2)]*

**(2)(i)** *In general [§1.1471-3(c)(2)(i)]*  
 A withholding agent that makes a payment to a foreign intermediary or foreign flow-through entity that is not the payee under paragraph (a) of this section can reliably associate the payment with valid documentation if, in addition to the documentation described in paragraph (d) of this section that is relevant to each payee, the withholding agent also has obtained a valid Form W-8IMY, described in paragraph (c)(3)(iii) of this section, from the intermediary or flow-through entity (and, with respect to a payment made through a chain of intermediaries or flow-through entities, has received a valid Form W-8IMY from each intermediary or flow-through entity in that chain).

An intermediary or flow-through entity that is a participating FFI or registered deemed-compliant FFI receiving a payment of U.S. source FDAP income may, in lieu of providing the withholding agent with documentation for each payee, provide pooled allocation information to the extent and in the manner permitted by paragraph (c)(3)(iii)(B)(2) of this section. With respect to the documentation provided for the owners of a foreign flow-through entity, the foreign flow-through entity is permitted to provide the documentary evidence described in paragraph (d) of this section applicable to each payee in lieu of a withholding certificate, regardless of whether the payment is made with respect to an offshore obligation.

(2)(ii) Exception to entity account documentation rules for an offshore account of an intermediary or flow-through entity [§1.1471-3(c)(2)(ii)]  
 In the case of an offshore account held by an intermediary or flow-through entity not receiving a payment of U.S. source FDAP income, an FFI may, in lieu of obtaining a withholding certificate, reliably associate such account with valid documentation if the FFI has obtained a written statement certifying as to the account holder's chapter 4 status and stating that the account holder is a flow-through entity or is acting as an intermediary with respect to the payment. In such case, the intermediary or flow-through entity will also be required to provide the withholding statement that generally accompanies the Form W-8IMY, designating the payees and the appropriate amount that should be allocated to each payee, and valid documentation for each payee. If no such withholding statement or underlying documentation is provided, the payment will be treated as made to a nonparticipating FFI.

*1-3(c)(3) Requirements for validity of certificates [§1.1471-3(c)(3)]*

(3)(i) Form W-9 [§1.1471-3(c)(3)(i)]  
 A valid Form W-9, or a substitute form, must meet the requirements prescribed in §31.3406(h)-3 of this chapter, including the requirement that the form contain the payee's name and TIN, and be signed and dated under penalties of perjury by the payee or a person authorized to sign for the payee pursuant to sections 6061 through 6063 and the regulations thereunder. A foreign person, including a U.S. branch of a foreign person that is treated as a U.S. person under §1.1441-1(b)(2)(iv), or a foreign branch of a U.S. financial institution that is a QI, may not provide a Form W-9.

(3)(ii) Beneficial owner withholding certificate (Form W-8BEN) [§1.1471-3(c)(3)(ii)]  
 A beneficial owner withholding certificate includes a Form W-8BEN (or a substitute form) and such other form as the IRS may prescribe. A beneficial owner withholding certificate is valid only if its validity period has not expired, it is signed under penalties of perjury by a person with authority to sign for the person whose name is on the form, and it contains-

(ii)(A) The person's name, permanent residence address, and TIN (if required); [§1.1471-3(c)(3)(ii)(A)]

(ii)(B) A certification that the person is not a U.S. citizen (if the person is an individual) or a certification of the country under the laws of which the person is created, incorporated, or governed (for a person other than an individual); [§1.1471-3(c)(3)(ii)(B)]

(ii)(C) [Reserved]. For further guidance, see §1.1471-3T(c)(3)(ii)(C). [§1.1471-3(c)(3)(ii)(C)]

*The person's entity classification for U.S. tax purposes;*

(ii)(D) [Reserved]. For further guidance, see §1.1471-3T(c)(3)(ii)(D). [§1.1471-3(c)(3)(ii)(D)]

*The person's chapter 4 status; and*

(ii)(E) Such other information required under paragraph (d) of this section applicable to the chapter 4 status selected or otherwise required by the regulations under section 1471 or 1472, or by the form or its accompanying instructions in addition to, or in lieu of, the information described in this paragraph (c)(3)(ii). [§1.1471-3(c)(3)(ii)(E)]

(3)(iii) Withholding certificate of an intermediary, flow-through entity, or U.S. branch (Form W-8IMY) [§1.1471-3(c)(3)(iii)]

 [Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(A).

*A withholding certificate of an intermediary, flow-through entity, or U.S. branch of such entity (whether or not such branch is treated as a U.S. person) is valid for purposes of chapter 4 only if it is furnished on a Form W-8IMY, an acceptable substitute form, or such other form as the IRS may prescribe, it is signed under penalties of perjury by a person with authority to sign for the person named on the form, its validity period has not expired, and it contains the following information, statements, and certifications-*

- (1) The name and permanent residence address of the person. [§1.1471-3(c)(3)(iii)(A)(1)]

*A GIIN, in the case of a participating FFI or a registered deemed-compliant FFI (including a U.S. branch of such an entity, whether or not such branch is treated as a U.S. person, and a QI, WP, or WT that is a participating FFI or registered deemed-compliant FFI), and an EIN in the case of a QI, WP, or WT. Additionally, if a branch (other than a U.S. branch) of a participating FFI or registered deemed-compliant FFI outside of its country of residence acts as an intermediary, the GIIN of such branch must be provided on the withholding certificate. In the case of a U.S. branch, the GIIN provided must be the GIIN assigned to the participating FFI or registered deemed-compliant FFI.*

- (6) In the case of an intermediary certificate, a certification that, with respect to accounts listed on the withholding statement, the intermediary is not acting for its own account. [§1.1471-3(c)(3)(iii)(A)(6)]
- (7) With respect to a withholding certificate of a QI, a certification that it is acting as a QI with respect to the accounts listed on the withholding statement. [§1.1471-3(c)(3)(iii)(A)(7)]
- (8) In the case of a participating FFI or registered deemed-compliant FFI (including a U.S. branch of either such entities that is not treated as a U.S. person) that is an NQI, NWP, NWT, or a QI that makes an election to be withheld upon, an FFI withholding statement that meets the requirements of paragraphs (c)(3)(iii)(B)(1) and (2) of this section. [§1.1471-3(c)(3)(iii)(A)(8)]
- (9) In the case of a territory financial institution that does not agree to be treated as a U.S. person or a U.S. branch that is not a U.S. branch of a participating FFI, registered deemed-compliant FFI, or nonparticipating FFI, a chapter 4 withholding statement that meets

the requirements of paragraphs (c)(3)(iii)(B)(1) and (3) of this section. [§1.1471-3(c)(3)(iii)(A)(9)]

- (10) In the case of an NFFE or certified deemed-compliant FFI that is an NQI, NWP, or NWT and is not the payee, a chapter 4 withholding statement that meets the requirements of paragraphs (c)(3)(iii)(B)(1) and (3) of this section. [§1.1471-3(c)(3)(iii)(A)(10)]
- (11) In the case of a nonparticipating FFI receiving a payment on behalf of one or more exempt beneficial owners, an exempt beneficial owner withholding statement that meets the requirements of paragraphs (c)(3)(iii)(B)(1) and (4) of this section. [§1.1471-3(c)(3)(iii)(A)(11)]
- (12) Any other information, certifications, or statements as may be required by the form or its accompanying instructions in addition to, or in lieu of, the information and certifications described in this paragraph. [§1.1471-3(c)(3)(iii)(A)(12)]

- (iii)(B) Withholding statement [§1.1471-3(c)(3)(iii)(B)]

- (1) In general [§1.1471-3(c)(3)(iii)(B)(1)]  
[Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(B)(1).

*A withholding statement forms an integral part of the withholding certificate and the penalties of perjury statement provided on the withholding certificate applies to the withholding statement as well. The withholding statement may be provided in any manner, and in any form, to which the person submitting the form and the withholding agent mutually agree, including electronically.*

*A withholding statement may be provided electronically only if it meets the requirements of §1.1441-1(e)(3)(iv)(B). The withholding statement must be updated as often as necessary for the withholding agent to meet its reporting and withholding obligations under chapter 4. A withholding agent will be liable for tax, interest, and penalties under §1.1474-1(a) to the extent it does not follow the presumption rules of paragraph (f) of this section for any payment, or portion thereof, for which a withholding statement is required and the withholding agent does not have a valid withholding statement prior to making a payment.*

*A withholding agent that is making a payment for which a withholding statement is also required for purposes of chapter 3 may only rely upon the withholding statement if, in addition to providing the information required by paragraph (c)(3)(iii)(B) of this section, the withholding statement also includes all of the information required for purposes of chapter 3 and specifies the chapter 4 status of each payee or pool of payees identified on the withholding statement for purposes of chapter 3.*

- (2) Special requirements for an FFI withholding statement [§1.1471-3(c)(3)(iii)(B)(2)]

- (i) [Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(B)(2)(i). [§1.1471-3(c)(3)(iii)(B)(2)(i)]

*An FFI withholding statement may include either payee-specific information or pooled information that indicates the portion of the payment allocable to a chapter 4 withholding rate pool of U.S. payees, each class of recalcitrant account*

*holders identified in §1.1471-4(d)(6), or a class of nonparticipating FFIs. If payee-specific information is provided for purposes of chapter 4 it must indicate both the portion of the payment allocated to each payee and each payee's chapter 4 status.*

*A participating FFI that applies the escrow procedures described in §1.1471-4(b)(6) for dormant accounts must also indicate the portion of the payment allocated to a chapter 4 withholding rate pool of recalcitrant account holders that hold dormant accounts for which the participating FFI (and not the withholding agent) will withhold in escrow. The withholding statement provided by a participating FFI that applies the election to backup withhold under §1.1471-4(b)(3)(iii) must also indicate the portion of the reportable payment that is a withholdable payment allocated to each recalcitrant account holders subject to backup withholding under section 3406. See section 3406 for when backup withholding is required, including the exception to backup withholding under §31.3406(g)-1(e).*

*Regardless of whether the FFI withholding statement provides information on a pooled or payee-specific basis, a withholding statement provided by an FFI other than an FFI acting as a WP, WT, or QI with respect to the account must also identify each intermediary or flow-through entity that receives the payment and such entity's chapter 4 status and GIIN, when applicable. An FFI withholding statement must also include any other information that the withholding agent or payor reasonably requests in order to fulfill its obligations under chapter 4, and chapters 3 and 61, if applicable.*

- (ii) [Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(B)(2)(ii). [§1.1471-3(c)(3)(iii)(B)(2)(ii)]

*An FFI withholding statement provided by a reporting Model 2 FFI or a reporting Model 1 FFI may indicate, with respect to a withholdable payment, that the payment is allocable to a chapter 4 withholding rate pool of U.S. payees, which is comprised of account holders that are not subject to withholding under chapters 3 or 4 or to backup withholding under section 3406 (for example, presumed U.S. nonexempt recipients) and that are, with respect to a reporting Model 2 FFI, the holders of non-consenting U.S. accounts as described in an applicable IGA when the FFI reports the accounts in one of the pools described in § 1.1471-4(d)(6) for the year in which the payment is made; or with respect to a reporting Model 1 FFI, the holders of accounts that have U.S. indicia for which appropriate documentation sufficient to treat the accounts as held by other than specified U.S. persons has not been provided pursuant to an applicable Model 1 IGA and the reporting Model 1 FFI reports the accounts as U.S. reportable accounts pursuant to the applicable Model 1 IGA for the year in which the payment is made.*

- (iii) [Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(B)(2)(iii). [§1.1471-3(c)(3)(iii)(B)(2)(iii)]

*An FFI withholding statement provided by a participating FFI or registered deemed-compliant FFI that is a non-U.S.*

*payor (a payor other than a U.S. payor as defined in § 1.6049–5(c)(5)) may indicate, with respect to a withholdable payment, that the payment is allocable to a chapter 4 withholding rate pool of U.S. payees (in addition to the U.S. payees described in paragraph (c)(3)(iii)(B)(2)(ii) of this section), which is comprised of account holders that are not subject to withholding under chapters 3 or 4 or to backup withholding under section 3406 and that are,*

- with respect to a participating FFI (including a reporting Model 2 FFI), account holders that hold U.S. accounts (as defined in § 1.1471–1(b)(134) and an applicable Model 2 IGA) that the FFI reports as U.S. accounts pursuant to § 1.1471–4(d)(3) or (5) for the year in which the payment is made;*
- with respect to a registered deemed-compliant FFI (other than a reporting Model 1 FFI), account holders of U.S. accounts that the FFI reports pursuant to the conditions of its applicable deemed-compliant status under § 1.1471–5(f)(1) for the year in which the payment is made; or*
- with respect to a reporting Model 1 FFI, account holders of U.S. accounts that the reporting Model 1 FFI reports as reportable U.S. accounts pursuant to an applicable Model 1 IGA, and which includes the U.S. TINs of such account holders, for the year in which the payment is made.*

(3) Special requirements for a chapter 4 withholding statement [§1.1471-3(c)(3)(iii)(B)(3)] [Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(B)(3).

*A chapter 4 withholding statement must contain the name, address, TIN (if any), entity type, and chapter 4 status of each payee, the amount allocated to each payee, a valid withholding certificate or other appropriate documentation sufficient to establish the chapter 4 status of each payee, and each intermediary or flowthrough entity that receives the payment on behalf of the payee, in accordance with paragraph (d) of this section, and any other information the withholding agent reasonably requests in order to fulfill its obligations under chapter 4.*

*Notwithstanding the prior sentence, a chapter 4 withholding statement is permitted to provide pooled allocation information with respect to payees that are treated as nonparticipating FFIs. Additionally, if the payment is a reportable amount under chapters 3 or 61, see the provisions of those chapters for any additional information that may be required (including pooled information under the alternative procedures described in § 1.1441–1(e)(3)(iv)(D), if applicable).*

(4) Special requirements for an exempt beneficial owner withholding statement. [§1.1471-3(c)(3)(iii)(B)(4)] [Reserved]. For further guidance, see §1.1471-3T(c)(3)(iii)(B)(4).

*An exempt beneficial owner withholding statement must include the name, address, TIN (if any), entity type, and chapter 4 status of each exempt beneficial owner on behalf of which the nonparticipating FFI is receiving the payment, the amount of the*

*payment allocable to each exempt beneficial owner, a valid withholding certificate or other documentation sufficient to establish the chapter 4 status of each exempt beneficial owner in accordance with paragraph (d) of this section, and any other information the withholding agent reasonably requests in order to fulfill its obligations under chapter 4.*

*The withholding statement must allocate the remainder of the payment that is not allocated to an exempt beneficial owner to the nonparticipating FFI receiving the payment. With respect to the amount of the payment allocable to each exempt beneficial owner and subject to withholding under chapter 3, see § 1.1441-1(e)(3)(iv).*

- (iii)(C) Failure to provide allocation information [§1.1471-3(c)(3)(iii)(C)]  
A withholding certificate that fails to provide allocation information or any of the required documentation for one or more of the payees will not be treated as invalid with respect to the persons for whom valid documentation and allocation information is properly provided. The portion of the payment that is not reliably associated with underlying documentation or that is not properly allocated will be treated in accordance with the presumption rules set forth in paragraph (f) of this section.  
  
For example, assume a withholding certificate that is provided by a participating FFI that is an NQI includes an FFI withholding statement that indicates that 50 percent of the payment is allocable to payees that are exempt for purposes of chapter 4 but does not allocate the remaining 50 percent of the payment for purposes of chapter 4. In such case, the withholding agent may treat 50 percent of the payment as exempt from chapter 4 and the remaining 50 percent that was not allocated will be treated, under the presumption rules set forth in paragraph (f) of this section, as made to a pool of payees that are nonparticipating FFIs.
- (iii)(D) Special rules applicable to a withholding certificate of a QI that assumes primary withholding responsibility under chapter 3 [§1.1471-3(c)(3)(iii)(D)]  
A QI that assumes primary withholding responsibility under chapter 3 for a payment may not make an election to be withheld upon, as described in §1.1471-2(a)(2)(iii), with respect to that payment. Thus, if a QI assumes primary withholding responsibility under chapter 3 with respect to a payment of U.S. source FDAP income, in addition to the other requirements described in paragraph (c)(3)(iii)(A) of this section, a withholding agent can reliably associate the payment with a valid withholding certificate only when the QI has also indicated on the intermediary withholding certificate that it will assume primary withholding responsibility for that payment for purposes of chapter 4.
- (iii)(E) Special rules applicable to a withholding certificate of a QI that does not assume primary withholding responsibility under chapter 3 [§1.1471-3(c)(3)(iii)(E)]  
A QI that does not assume primary withholding responsibility under chapter 3 with respect to a payment of U.S. source FDAP income will be required to make the election to be withheld upon with respect to that payment. Thus, if a QI does not assume primary withholding responsibility under chapter 3, a withholding agent can reliably associate a payment of U.S. source FDAP income with a valid withholding certificate only when, in addition to the other information required by paragraph (c)(3)(iii)(A) of this section, the withholding certificate indicates that the QI does not assume primary withholding responsibility for that payment for purposes of chapter 4.

- (iii)(F) Special rules applicable to a withholding certificate of a territory financial institution that agrees to be treated as a U.S. person [§1.1471-3(c)(3)(iii)(F)]  
A withholding agent may reliably associate a payment with an intermediary withholding certificate or flow-through withholding certificate of a territory financial institution that agrees to be treated as a U.S. person if, in addition to the other information required by paragraph (c)(3)(iii)(A) of this section, the certificate contains an EIN of the territory financial institution and a certification that the territory financial institution agrees to be treated as a U.S. person and accepts primary withholding responsibility with respect to the payment for purposes of both chapters 3 and 4.
- (iii)(G) Special rules applicable to a withholding certificate of a territory financial institution that does not agree to be treated as a U.S. person [§1.1471-3(c)(3)(iii)(G)]  
A withholding agent may reliably associate a payment with an intermediary withholding certificate or a flow-through withholding certificate of a territory financial institution that does not agree to be treated as a U.S. person if, in addition to the information required by paragraph (c)(3)(iii)(A) of this section, the certificate indicates that the institution has not agreed to be treated as a U.S. person for purposes of chapter 4 and the institution provides a withholding statement described in paragraphs (c)(3)(iii)(B)(1) and (3) of this section.
- (iii)(H) Special rules applicable to a withholding certificate of a U.S. branch treated as a U.S. person [§1.1471-3(c)(3)(iii)(H)]  
A withholding agent may reliably associate a payment with a withholding certificate of a U.S. branch that is treated as a U.S. person for purposes of §1.1441-1(b)(2)(iv) if, in addition to the other information required by paragraph (c)(2)(iii)(A) of this section; the certificate contains the EIN of the U.S. branch; the GIIN of the U.S. branch; and a certification that the U.S. branch is described in paragraph §1.1441-1(b)(2)(iv) and, accordingly, is required to accept primary withholding responsibility with respect to the payment for purposes of both chapters 3 and 4.
- (3)(iv) Certificate for exempt status (Form W-8EXP) [§1.1471-3(c)(3)(iv)]  
A Form W-8EXP is valid only if it contains the name, address, and chapter 4 status of the payee, the relevant certifications or documentation, and any other requirements indicated in the instructions to the form, and is signed under penalties of perjury by a person with authority to sign for the payee.
- (3)(v) Certificate for effectively connected income (Form W-8ECI) [§1.1471-3(c)(3)(v)]  
A Form W-8ECI is valid only if, in addition to meeting the requirements in the instructions to the form, it contains the name, address, and TIN of the payee (other than a GIIN), represents that the amounts for which the certificate is furnished are effectively connected with the conduct of a trade or business in the United States and are includable in the payee's gross income for the taxable year (or are gross proceeds from the sale of property that can produce income that is effectively connected with the conduct of a trade or business in the United States), and is signed under penalties of perjury by a person with authority to sign for the payee.

1-3(c)(4) *Requirements for written statements [§1.1471-3(c)(4)]*  
A written statement is a statement by the payee, or other person receiving the payment, that provides the person's chapter 4 status and any other information reasonably requested by the withholding agent to fulfill its obligations under chapter 4 with respect to the payment, such as whether the person is receiving the payment as a beneficial owner, intermediary, or flow-through entity.

A written statement is valid only if it is provided by a person with respect to an offshore obligation, contains the name of the person, the person's address, the certifications relevant to the person's chapter 4 status (as contained on a withholding certificate), any additional information required with respect to the chapter 4 status claimed as provided under paragraph (d) of this section (for example, a GIIN), and a signed and dated certification that the information provided on the form is accurate and will be updated by the individual within 30 days of a change in circumstances that causes the form to become incorrect. A written statement may be submitted in any form that is acceptable to the withholding agent, including a statement made as part of the account opening documentation. A written statement may be used in lieu of a withholding certificate only to the extent provided under §1.1471-3(d), as applicable to the chapter 4 status claimed.

## 1-3(c)(5)

*Requirements for documentary evidence [§1.1471-3(c)(5)]*

Documentary evidence with respect to a payee is only reliable if it contains sufficient information to support the payee's claim of chapter 4 status.

- (5)(i) Foreign status [§1.1471-3(c)(5)(i)]
  - (i)(A) Certificate of residence [§1.1471-3(c)(5)(i)(A)]
    - A certificate of residence issued by an appropriate tax official of the country in which the payee claims to be a resident that indicates that the payee has filed its most recent income tax return as a resident of that country;
  - (i)(B) Individual government identification [§1.1471-3(c)(5)(i)(B)]
    - With respect to an individual, any valid identification issued by an authorized government body (for example, a government or agency thereof, or a municipality), that is typically used for identification purposes;
  - (i)(C) QI documentation [§1.1471-3(c)(5)(i)(C)]
    - With respect to an account maintained in a jurisdiction with anti-money laundering rules that have been approved by the IRS in connection with a QI agreement (as referenced in §1.1441-1(e)(5)(iii)), any of the documents other than a Form W-8 or W-9 referenced in the jurisdiction's attachment to the QI agreement for identifying individuals or entities;
  - (i)(D) Entity government documentation [§1.1471-3(c)(5)(i)(D)]
    - With respect to an entity, any official documentation issued by an authorized government body (for example, a government or agency thereof, or a municipality); and
  - (i)(E) Third-party credit report [§1.1471-3(c)(5)(i)(E)]
    - For a payment made with respect to an offshore obligation to an individual, a third-party credit report that is obtained pursuant to the conditions described in §1.1471-4(c)(4)(ii).
- (5)(ii) Chapter 4 status [§1.1471-3(c)(5)(ii)]
  - Acceptable documentary evidence supporting an entity's claim of chapter 4 status includes

- (ii)(A) General documentary evidence [§1.1471-3(c)(5)(ii)(A)]  
With respect to an entity other than a participating FFI or registered deemed-compliant FFI, any organizational document (such as articles of incorporation or a trust agreement), financial statement, third-party credit report, letter from a government agency, or statement from a government website, agency, or registrar (such as an SEC report) to the extent permitted in paragraphs (d) and (e) of this section;
- (ii)(B) Preexisting account documentary evidence [§1.1471-3(c)(5)(ii)(B)]  
[Reserved]. For further guidance, see §1.1471-3T(c)(5)(ii)(B).

*With respect to a preexisting obligation of an entity, any classification in the withholding agent's records with respect to the payee that was determined based on documentation supplied by the payee (or other person receiving the payment) or a standardized industry coding system and that was recorded by the withholding agent consistent with its normal business practices for AML or another regulatory purpose (other than for tax purposes), to the extent permitted by paragraph (d) of this section and provided there is no U.S. indicia associated with the payee for which appropriate curing documentation has not been obtained as set forth in paragraph (e) of this section; and*

- (ii)(C) Payee-specific documentary evidence [§1.1471-3(c)(5)(ii)(C)]  
A letter from an auditor or attorney with a location in the United States that is not related to the withholding agent or payee and is subject to the authority of a regulatory body that governs the auditor's or attorney's review of the chapter 4 status of the payee, any bankruptcy filing, corporate resolution, copy of a stock market index or other document to the extent permitted in the specific payee documentation requirements in paragraph (d) and (e) of this section.

**1-3(c)(6)** *Applicable rules for withholding certificates, written statements, and documentary evidence [§1.1471-3(c)(6)]*

The provisions in this paragraph (c)(6) describe standards generally applicable to withholding certificates on Forms W-8 (or substitute forms), written statements, and documentary evidence furnished to establish the payee's chapter 4 status. These provisions do not apply to Forms W-9 (or their substitutes). For corresponding provisions regarding the Form W-9 (or a substitute Form W-9), see section 3406 and the regulations thereunder.

- (6)(i) Who may sign the withholding certificate or written statement [§1.1471-3(c)(6)(i)]  
A withholding certificate (including an acceptable substitute) or written statement may be signed by any person authorized to sign a declaration under penalties of perjury on behalf of the person whose name is on the certificate or written statement, as provided in sections 6061 through 6063 and the regulations thereunder. A person authorized to sign a withholding certificate or written statement includes an officer or director of a corporation, a partner of a partnership, a trustee of a trust, an executor of an estate, any foreign equivalent of the former titles, and any other person that has been provided written authorization by the individual or entity named on the certificate or written statement to sign documentation on such person's behalf.
- (6)(ii) Period of validity [§1.1471-3(c)(6)(ii)]

- (ii)(A) General rule [§1.1471-3(c)(6)(ii)(A)]  
Except as provided otherwise in paragraphs (c)(6)(ii)(B) and (C), a withholding certificate or written statement will remain valid until the last day of the third calendar year following the year in which the withholding certificate or written statement is signed. Documentary evidence is generally valid until the last day of the third calendar year following the year in which the documentary evidence is provided to the withholding agent. Nevertheless, documentary evidence that contains an

expiration date may be treated as valid until that expiration date if doing so would provide a longer period of validity than the three-year period. Notwithstanding the validity periods permitted by paragraphs (c)(6)(ii)(A) through (D) of this section, a withholding certificate, written statement, and documentary evidence will cease to be valid if the withholding agent has knowledge of a change in circumstances that makes the information on the documentation incorrect. Therefore, a withholding agent is required to institute procedures to ensure that any change to the customer master files that constitutes a change in circumstances described in paragraph (c)(6)(ii)(E) of this section is identified by the withholding agent. In addition, a withholding agent is required to notify any person providing documentation of the person's obligation to notify the withholding agent of a change in circumstances.

(ii)(B) Indefinite validity [§1.1471-3(c)(6)(ii)(B)]  
 Notwithstanding paragraph (c)(6)(ii)(A) of this section, the following certificates (or parts of certificates), written statements, or documentary evidence shall remain valid until the withholding agent has knowledge of a change in circumstances that makes the information on the documentation incorrect

- (1) A withholding certificate or written statement provided by a participating FFI or registered deemed-compliant FFI that has furnished a valid GIIN that has been verified by the withholding agent in the manner set forth in paragraph (e)(3) of this section; [§1.1471-3(c)(6)(ii)(B)(1)]
- (2) A beneficial owner withholding certificate and documentary evidence supporting the individual's claim of foreign status when both are provided together by an individual claiming foreign status, if the withholding agent does not have a current U.S. residence or U.S. mailing address for the payee and does not have one or more current U.S. telephone numbers that are the only telephone numbers the withholding agent has for the payee; [§1.1471-3(c)(6)(ii)(B)(2)]
- (3) [Reserved]. For further guidance, see §1.1471-3T(c)(6)(ii)(B)(3). [§1.1471-3(c)(6)(ii)(B)(3)]

*A beneficial owner withholding certificate that is provided by an entity described in paragraph (c)(6)(ii)(C)(2) of this section (other than an entity described in paragraph (c)(6)(ii)(C)(2)(iii) of this section) and documentary evidence establishing the entity's foreign status when both are provided together;*

- (4) A withholding certificate of an intermediary, flow-through entity, or U.S. branch (not including the withholding certificates, written statements, or documentary evidence of the payees, or withholding statements associated with the withholding certificate); [§1.1471-3(c)(6)(ii)(B)(4)]
- (5) [Reserved]. For further guidance, see §1.1471-3T(c)(6)(ii)(B)(5). [§1.1471-3(c)(6)(ii)(B)(5)]

*A withholding certificate, written statement, or documentary evidence furnished by a foreign government, government of a U.S. territory, foreign central bank (including the Bank for International Settlements), international organization, or entity that is wholly owned by any such entities; and*

*Documentary evidence that is not generally renewed or amended (such as a certificate of incorporation).*

(7) [Reserved]. For further guidance, see §1.1471-3T(c)(6)(ii)(B)(7).  
[§1.1471-3(c)(6)(ii)(B)(7)]

*For the validity period of a beneficial owner withholding certificate provided by an entity described in paragraph (c)(6)(ii)(C)(2)(iii) of this section, see §1.1441-1(e)(4)(ii)*

(ii)(C) Indefinite validity in the case of certain offshore obligations [§1.1471-3(c)(6)(ii)(C)]  
Notwithstanding paragraph (c)(6)(ii)(A) of this section, the following certificates, written statements, and documentary evidence that are provided with respect to offshore obligations shall remain valid until a change in circumstances occurs that makes the information on the documentation incorrect

(1) A withholding certificate or documentary evidence provided by an individual claiming foreign status if the withholding agent does not have a current U.S. residence or U.S. mailing address for the payee, does not have one or more current U.S. telephone numbers that are the only telephone numbers the withholding agent has for the payee, and has not been provided standing instructions to make a payment in the United States for the obligation; [§1.1471-3(c)(6)(ii)(C)(1)]

(vi) A territory financial institution; [§1.1471-3(c)(6)(ii)(C)(2)(vi)]

(vii) An NFFE whose stock is regularly traded as described in §1.1472-1(c)(1)(i); [§1.1471-3(c)(6)(ii)(C)(2)(vii)]

(viii) An NFFE affiliate described in §1.1472-1(c)(1)(ii); [§1.1471-3(c)(6)(ii)(C)(2)(viii)]

(ix) An active NFFE that the withholding agent has determined, through its AML due diligence, is engaged in a business other than that of a financial institution, and ongoing monitoring of the account for purposes of AML due diligence does not

indicate that the determination is incorrect; and [§1.1471-3(c)(6)(ii)(C)(2)(ix)]

*A withholding certificate or written statement of an owner-documented FFI, but not including the withholding statements, documentary evidence, and withholding certificates of its owners (unless such documentation is permitted indefinite validity under another provision);*

- (ii)(D) Exception for certificate for effectively connected income [§1.1471-3(c)(6)(ii)(D)]  
Notwithstanding paragraphs (c)(6)(ii)(B) to (C) of this section, the period of validity of a withholding certificate furnished to a withholding agent to claim a reduced rate of withholding for income that is effectively connected with the conduct of a trade or business within the United States shall be limited to the three-year period described in paragraph (c)(6)(ii)(A) of this section.

- (ii)(E) Change in circumstances [§1.1471-3(c)(6)(ii)(E)]

- (1) Defined [§1.1471-3(c)(6)(ii)(E)(1)]

For purposes of this chapter, a person is considered to have a change in circumstances only if such change would affect the chapter 4 status of the person. A change in circumstances includes any change that results in the addition of information described in paragraph (e)(4) relevant to a person's claim of foreign status (that is, U.S. indicia that is not otherwise cured by documentation on file and that

is relevant to the chapter 4 status claimed) or otherwise conflicts with such person's claim of chapter 4 status.

Unless stated otherwise, a change of address or telephone number is a change in circumstances for purposes of this paragraph (c)(6)(ii)(E) only if it changes to an address or telephone number in the United States. A change in circumstances affecting the withholding information provided to the withholding agent, including allocation information or withholding pools contained in a withholding statement or owner reporting statement, will terminate the validity of the withholding certificate with respect to the information that is no longer reliable, until the information is updated.

(2) Obligation to notify withholding agent of a change in circumstances [§1.1471-3(c)(6)(ii)(E)(2)]

If a change in circumstances makes any information on a certificate or other documentation incorrect, then the person whose name is on the certificate or other documentation must inform the withholding agent within 30 days of the change and furnish a new certificate, a new written statement, or new documentary evidence.

If an intermediary or a flow-through entity becomes aware that a certificate or other appropriate documentation it has furnished to the person from whom it collects a payment is no longer valid because of a change in the circumstances of the person who issued the certificate or furnished the other appropriate documentation, then the intermediary or flow-through entity must notify the person from whom it collects the payment of the change in circumstances within 30 days of the date that it knows or has reason to know of the change in circumstances. It must also obtain a new withholding certificate or new appropriate documentation to replace the existing certificate or documentation the validity of which has expired due to the change in circumstances.

(3) Withholding agent's obligation with respect to a change in circumstances [§1.1471-3(c)(6)(ii)(E)(3)]

[Reserved]. For further guidance, see §1.1471-3T(c)(6)(ii)(E)(3).

*A certificate or other documentation becomes invalid on the date that the withholding agent holding the certificate or documentation knows or has reason to know that circumstances affecting the correctness of the certificate or documentation have changed. However, a withholding agent may choose to treat a person as having the same chapter 4 status that it had prior to the change in circumstances until the earlier of 90 days from the date that the certificate or documentation became invalid due to the change in circumstances or the date that a new certificate or new documentation is obtained.*

*See, however, §1.1441-1(e)(4)(ii)(D) for requirements, including the requirement to withhold under chapters 3 or 61, applicable when a change in circumstances occurs for purposes of chapter 3 and the related grace period allowed under §1.1441-1(b)(3)(iv). A withholding agent may rely on a certificate without having to inquire into possible changes of circumstances that may affect the validity of the statement, unless it knows or has reason to know that circumstances have changed. A withholding agent may require a new certificate or additional documentation at any time prior to a payment, regardless of whether the withholding agent*

*knows or has reason to know that any information stated on the certificate or documentation has changed.*

(6)(iii) Record Retention [§1.1471-3(c)(6)(iii)]

(iii)(A) In general [§1.1471-3(c)(6)(iii)(A)]

A withholding agent must retain each withholding certificate, written statement, or copy of documentary evidence for as long as it may be relevant to the determination of the withholding agent's tax liability under section 1474(a) and §1.1474-1. A withholding agent may retain an original, certified copy, or photocopy (including a microfiche, electronic scan, or similar means of electronic storage) of the withholding certificate, written statement, or documentary evidence. With respect to documentary evidence, the withholding agent must also note in its records the date on which the document was received and reviewed. Any documentation that is stored electronically must be made available in hard copy form to the IRS upon request during an examination.

(iii)(B) Exception for documentary evidence received with respect to offshore obligations [§1.1471-3(c)(6)(iii)(B)]

A withholding agent that is making a payment with respect to an offshore obligation and is not required to retain copies of documentation reviewed pursuant to its AML due diligence, may, in lieu of retaining the documents as set forth in paragraph (c)(6)(iii)(A), retain a notation of the type of documentation reviewed, the date the documentation was reviewed, the document's identification number (if any) (for example, a passport number), and whether such documentation contained any U.S. indicia. The previous sentence applies with respect to an offshore obligation that is also a preexisting obligation, except, in such case, the requirement to record whether the documentation contained U.S. indicia does not apply. See also §1.1471-4(c)(2)(iv) for the record retention requirements of a participating FFI.

(6)(iv) Electronic transmission of withholding certificate, written statement, and documentary evidence [§1.1471-3(c)(6)(iv)]  
[Reserved]. For further guidance, see §1.1471-3T(c)(6)(iv).

*A withholding agent may accept a withholding certificate (including an acceptable substitute form), a written statement, or other such form as the IRS may prescribe, electronically in accordance with the requirements set forth in §1.1441-1(e)(4)(iv)(B).*

(6)(v) Acceptable substitute withholding certificate [§1.1471-3(c)(6)(v)]

(v)(A) In general [§1.1471-3(c)(6)(v)(A)]

[Reserved]. For further guidance, see §1.1471-3T(c)(6)(v)(A).

*A withholding agent may substitute its own form for an official Form W-8 (or such other official form as the IRS may prescribe). A substitute form will be acceptable if it contains provisions that are substantially similar to those of the official form, it contains the same certifications relevant to the transactions as are contained on the official form and these certifications are clearly set forth, and the substitute form includes a signature-under-penalties-of-perjury statement identical to the one on the official form. The substitute form is acceptable even if it does not contain all of the provisions contained on the official form, so long as it contains those provisions that are relevant to the transaction for which it is furnished. A withholding agent may choose to provide a substitute form that does not include all of the chapter 4 statuses provided on the official version but the substitute form must include*

*any chapter 4 status for which withholding may apply, such as the categories for a nonparticipating FFI or passive NFFE.*

*A withholding agent that uses a substitute form must furnish instructions relevant to the substitute form only to the extent and in the manner specified in the instructions to the official form. A withholding agent may use a substitute form that is written in a language other than English and may accept a form that is filled out in a language other than English, but the withholding agent must make available an English translation of the form and its contents to the IRS upon request. A withholding agent may refuse to accept a certificate (including the official Form W-8) from a person if the certificate provided is not an acceptable substitute form provided by the withholding agent, but only if the withholding agent furnishes the person with an acceptable substitute form within five business days of receipt of an unacceptable form from the person. In that case, the substitute form is acceptable only if it contains a notice that the withholding agent has refused to accept the form submitted by the person and that the person must submit the acceptable form provided by the withholding agent in order for the person to be treated as having furnished the required withholding certificate.*

(v)(B) Non-IRS form for individuals [§1.1471-3(c)(6)(v)(B)]  
[Reserved]. For further guidance, see §1.1471-3T(c)(6)(v)(B).

*A withholding agent may also substitute its own form for an official Form W-8BEN (for individuals), regardless of whether the substitute form is titled a Form W-8. However, in addition to the name and address of the individual that is the payee or beneficial owner, the substitute form must provide all countries in which the individual is resident for tax purposes, country of birth, a tax identification number (if any) for each country of residence, the individual's date of birth, and must contain a signed and dated certification made under penalties of perjury that the information provided on the form is accurate and will be updated by the individual within 30 days of a change in circumstances that causes the form to become incorrect.*

*Notwithstanding the previous sentence, the signed certification provided on a form need not be signed under penalties of perjury if the form is accompanied by documentary evidence that supports the individual's claim of foreign status. Such documentary evidence may be the same documentary evidence that is used to support foreign status in the case of a payee whose account has U.S. indicia as described in paragraph (e) of this section or §1.1471-4(c)(4)(i)(A). The form may also request other information required for purposes of tax or AML due diligence in the United States or in other countries.*

(6)(vi) Electronic confirmation of TIN on withholding certificate [§1.1471-3(c)(6)(vi)]  
The Commissioner may prescribe procedures in a revenue procedure or other appropriate guidance to require a withholding agent to confirm electronically with the IRS information concerning any TIN stated on a withholding certificate.

(6)(vii) Reliance on a prior version of a withholding certificate [§1.1471-3(c)(6)(vii)]  
Upon the issuance by the IRS of an updated version of a withholding certificate, a withholding agent may continue to accept the prior version of the withholding certificate for six months after the revision date shown on the updated withholding certificate, unless the IRS has issued guidance that indicates otherwise, and may continue to rely upon a previously signed prior version of the withholding certificate until its period of validity expires.

## 1-3(c)(7)

*Curing documentation errors [§1.1471-3(c)(7)]*

The provisions in this paragraph (c)(7) describe standards generally applicable to withholding certificates (Forms W-8 or substitute forms), written statements, and documentary evidence furnished to establish the payee's chapter 4 status. These provisions do not apply to Forms W-9 (or their substitutes). For corresponding provisions regarding the Form W-9 (or a substitute Form W-9), see section 3406 and the regulations thereunder.

## (7)(i)

*Curing inconsequential errors on a withholding certificate [§1.1471-3(c)(7)(i)]*  
 A withholding agent may treat a withholding certificate as valid, notwithstanding that the withholding certificate contains an inconsequential error, if the withholding agent has sufficient documentation on file to supplement the information missing from the withholding certificate due to the error. In such case, the documentation relied upon to cure the inconsequential error must be conclusive.

For example, a withholding certificate in which the individual submitting the form abbreviated the country of residence may be treated as valid, notwithstanding the abbreviation, if the withholding agent has government issued identification for the person from a country that reasonably matches the abbreviation. On the other hand, an abbreviation for the country of residence that does not reasonably match the country of residence shown on the person's passport is not an inconsequential error. A failure to select an entity type on a withholding certificate is not an inconsequential error, even if the withholding agent has an organization document for the entity that provides sufficient information to determine the person's entity type, if the person was eligible to make an election under §301.7701-3(c)(1)(i) of this chapter (that is, a check-the-box election). A failure to check a box to make a required certification on the withholding certificate or to provide a country of residence or a country under which treaty benefits are sought is not an inconsequential error. In addition, information on a withholding certificate that contradicts other information contained on the withholding certificate or in the customer master file is not an inconsequential error.

## (7)(ii)

*Documentation received after the time of payment [§1.1471-3(c)(7)(ii)]*

Proof that withholding was not required under the provisions of chapter 4 and the regulations thereunder also may be established after the date of payment by the withholding agent on the basis of a valid withholding certificate and/or other appropriate documentation that was furnished after the date of payment but that was effective as of the date of payment.

A withholding certificate furnished after the date of payment will be considered effective as of the date of the payment if the certificate contains a signed affidavit (either at the bottom of the form or on an attached page) that states that the information and representations contained on the certificate were accurate as of the time of the payment. A certificate obtained within 30 days after the date of the payment will not be considered to be unreliable solely because it does not contain an affidavit.

However, in the case of a withholding certificate of an individual received more than a year after the date of payment, the withholding agent will be required to obtain, in addition to the withholding certificate and affidavit, documentary evidence described in paragraph (c)(5)(i) of this section that supports the individual's claim of foreign status. In the case of a withholding certificate of an entity received more than a year after the date of payment, the withholding agent will be required to obtain, in addition to the withholding certificate and affidavit, documentary evidence specified in paragraph (c)(5)(ii) of this section that supports the chapter 4 status claimed. If documentation other than a withholding certificate is submitted from a payee more than a year after the date of payment, the withholding agent will be required to also obtain from the payee a withholding certificate and affidavit supporting the chapter 4 status claimed as of the date of the payment.

1-3(c)(8)	<p><i>Documentation furnished on account-by-account basis unless exception provided for sharing documentation within expanded affiliated group [§1.1471-3(c)(8)]</i></p> <p>Except as otherwise provided in this paragraph (c)(8), a withholding agent that is a financial institution with which a customer may open an account must obtain withholding certificates, written statements, Forms W-9, or documentary evidence on an account-by-account basis. Notwithstanding the previous sentence, a withholding agent may rely upon the withholding certificate, written statement, or documentary evidence furnished by a customer under any one or more of the circumstances described in this paragraph (c)(8).</p>
(8)(i)	<p><b>Single branch systems [§1.1471-3(c)(8)(i)]</b></p> <p>A withholding agent may rely on documentation furnished by a customer for another account if both accounts are held at the same branch location and both accounts are treated as consolidated obligations.</p>
(8)(ii)	<p><b>Universal account systems [§1.1471-3(c)(8)(ii)]</b></p> <p>A withholding agent may rely on documentation furnished by a customer for an account held at another branch location of the same withholding agent or at a branch location of a member of the expanded affiliated group of the withholding agent if the withholding agent treats all accounts that share documentation as consolidated obligations and the withholding agent and the other branch location or expanded affiliated group member are part of a universal account system that uses a customer identifier that can be used to retrieve systematically all other accounts of the customer.</p> <p>A withholding agent that opts to rely upon the chapter 4 status designated for the payee in the universal account system without obtaining and reviewing copies of the documentation supporting the status must be able to produce all documentation (or a notation of the documentary evidence reviewed if the withholding agent is not required to retain copies of the documentary evidence) relevant to the chapter 4 status claimed upon request by the IRS and will be liable for any underwithholding that results from any failure to assign the correct status based upon the available information.</p>
(8)(iii)	<p><b>Shared account systems [§1.1471-3(c)(8)(iii)]</b></p> <p>A withholding agent may rely on documentation furnished by a customer for an account held at another branch location of the same withholding agent or at a branch location of a member of the expanded affiliated group of the withholding agent if the withholding agent treats all accounts that share documentation as consolidated accounts and the withholding agent and the other branch location or expanded affiliated group member share an information system, electronic or otherwise, that is described in this paragraph (c)(8)(iii). The system must allow the withholding agent to easily access data regarding the nature of the documentation, the information contained in the documentation (including a copy of the documentation itself), and the validity status of the documentation. The information system must also allow the withholding agent to easily transmit data into the system regarding any facts of which it becomes aware that may affect the reliability of the documentation. The withholding agent must be able to establish, to the extent applicable, how and when it has transmitted data regarding any facts of which it became aware that may affect the reliability of the documentation and must be able to establish that any data it has transmitted to the information system has been processed and appropriate due diligence has been exercised regarding the validity of the documentation.</p> <p>A withholding agent that opts to rely upon the chapter 4 status designated for the payee in the shared account system without obtaining and reviewing copies of the documentation supporting the status must be able to produce all documentation (or a notation of the documentary evidence reviewed if the withholding agent is not required to retain copies of the documentary evidence) relevant to the chapter 4 status claimed upon request by the IRS and will be liable for any underwithholding that results from any failure to assign the correct status based upon the available information.</p>

- (8)(iv) Document sharing for gross proceeds [§1.1471-3(c)(8)(iv)]  
[Reserved].
- (8)(v) Preexisting account [§1.1471-3T(c)(8)(v)].  
[Reserved]. For further guidance, see §1.1471-3T(c)(8)(v).

*A withholding agent may rely on documentation furnished by a payee for a preexisting account held at another branch location of the same withholding agent or at a branch location of a member of the expanded affiliated group of the withholding agent if the withholding agent obtains and reviews copies of such documentation supporting the chapter 4 status designated for the payee and the withholding agent has no reason to know that, at the time the documentation is obtained by the withholding agent, the documentation is unreliable or incorrect.*

*For example, the withholding agent may not rely on documentation furnished by a payee for a preexisting account held at another branch location of the same withholding agent or at a branch location of a member of the expanded affiliated group of the withholding agent if, based on information in the withholding agent's account records, the withholding agent has reason to know that such documentation is unreliable or incorrect.*

**1-3(c)(9) Reliance on documentation collected by or certifications provided by other persons [§1.1471-3(c)(9)]**

- (9)(i) Shared documentation system maintained by an agent [§1.1471-3(c)(9)(i)]  
A withholding agent may rely on documentation collected by an agent (including a fund advisor for mutual funds, hedge funds, or a private equity group) of the withholding agent. The agent may retain the documentation as part of an information system maintained for a single withholding agent or multiple withholding agents provided that under the system, any withholding agent on behalf of which the agent retains documentation may easily access data regarding the nature of the documentation, the information contained in the documentation (including a copy of the documentation itself) and its validity, and must allow such withholding agent to easily transmit data, either directly into an electronic system or by providing such information to the agent, regarding any facts of which it becomes aware that may affect the reliability of the documentation. The withholding agent must be able to establish, to the extent applicable, how and when it has transmitted data regarding any facts of which it became aware that may affect the reliability of the documentation and must be able to establish that any data it has transmitted has been processed and appropriate due diligence has been exercised regarding the validity of the documentation. The agent must have a system in effect to ensure that any information it receives regarding facts that affect the reliability of the documentation or the chapter 4 status assigned to the customer are provided to all withholding agents for which the agent retains the documentation and any chapter 4 status assigned by the agent is amended to incorporate such information.

A withholding agent that opts to rely upon the chapter 4 status assigned by the agent without obtaining and reviewing copies of the documentation supporting the status must be able to produce all documentation relevant to the chapter 4 status claimed upon request by the IRS and will be liable for any underwithholding that results from a failure of the agent to assign the correct status based upon the available information. See §1.1474-1(a) for a withholding agent's liability when it relies upon an agent for chapter 4 purposes. This paragraph (c)(9)(i) does not apply to a withholding certificate provided by a QI, a withholding certificate provided by a territory financial institution that elects to be treated as a U.S. person, or any withholding statement, unless the person submitting the form specifically identifies the withholding agents for which the certificates and/or statements are provided.

(9)(ii) Third-party data providers [§1.1471-3(c)(9)(ii)]  
 A withholding agent may rely upon documentation collected by a third-party data provider with respect to an entity, subject to the conditions described in this paragraph (c)(9)(ii).

(ii)(A) The third-party data provider must have collected documentation that is sufficient to determine the chapter 4 status of the entity under paragraph (d) of this section. [§1.1471-3(c)(9)(ii)(A)]

(ii)(B) [Reserved]. For further guidance, see §1.1471-3T(c)(9)(ii)(B). [§1.1471-3(c)(9)(ii)(B)]

*The third-party data provider must be in the business of providing credit reports or business reports to customers unrelated to it and must have reviewed all information it has for the entity and verified that such additional information does not conflict with the chapter 4 status claimed by the entity. For purposes of this paragraph (c)(9)(ii)(B), a customer is related to a third-party data provider if they have a relationship with each other that is described in section 267(b)*

(ii)(C) The third-party data provider must notify the entity submitting the documentation that such entity must notify the third-party data provider in the event of a change in circumstances within 30 days of the change in circumstances, and the third-party data provider must be obligated under its contract with the withholding agent to notify the withholding agent if a change in circumstances occurs. [§1.1471-3(c)(9)(ii)(C)]

(ii)(D) The withholding agent may not rely upon a chapter 4 status provided by a third-party data provider if the withholding agent knows or has reason to know that the chapter 4 status is unreliable or incorrect based on information in the withholding agent's account records, or if the documentation or information provided by the third-party data provider does not support the chapter 4 status claimed. [§1.1471-3(c)(9)(ii)(D)]

(ii)(E) The withholding agent must be able to submit copies of the documentation received from the third-party data provider upon request to the IRS and will remain liable for any underwithholding that occurs as a result of its reliance on information provided by the third-party data provider if the documentation is invalid or unreliable. [§1.1471-3(c)(9)(ii)(E)]

(ii)(F) This paragraph (c)(9)(ii) does not apply to a withholding statement or a withholding certificate that contains an election to accept withholding or reporting responsibility (such as one made by a QI, territory financial institution, or U.S. branch) provided by a third-party data provider. [§1.1471-3(c)(9)(ii)(F)]

(9)(iii) Reliance on certification provided by introducing brokers [§1.1471-3(c)(9)(iii)]

(iii)(A) A withholding agent may rely on a certification of a broker indicating the broker's determination of a payee's chapter 4 status and indicating that the broker holds valid documentation sufficient to determine the payee's chapter 4 status under paragraph (d) of this section with respect to any readily tradable instrument as defined in §31.3406(h)-1(d) of this chapter if the conditions in paragraph (c)(9)(iii)(B) of this section are satisfied and the broker is either- [§1.1471-3(c)(9)(iii)(A)]

(1) A U.S. person (including a U.S. branch that is treated as a U.S. person) that is acting as the agent of the payee; or [§1.1471-3(c)(9)(iii)(A)(1)]

- (2) A participating FFI or a reporting Model 1 FFI that is acting as the agent of the payee with respect to an obligation and receiving all payments from the withholding agent with respect to such obligation as an intermediary on behalf of the payee. [§1.1471-3(c)(9)(iii)(A)(2)]
- (iii)(B) The certification from the broker must be in writing or in electronic form and contain all of the information required of a chapter 4 withholding statement described in paragraph (c)(3)(iii)(B)(3). Notwithstanding this paragraph (c)(9)(iii), a withholding agent may not rely upon a certification provided by a broker if it knows or has reason to know that the broker has not obtained valid documentation as represented or the information contained in the certification is otherwise inaccurate.
 

A broker that chooses to provide a certification under this paragraph (c)(9)(iii) will be responsible for applying the rules set forth in the regulations under section 1471 and 1472 to the withholding certificates, written statements, or documentary evidence obtained from the payee and shall be liable for any underwithholding that occurs as a result of the broker's failure to reasonably apply such rules. [§1.1471-3(c)(9)(iii)(B)]
- (9)(iv) Reliance on documentation and certifications provided between principals and agents [§1.1471-3(c)(9)(iv)]
  - (iv)(A) In general [§1.1471-3(c)(9)(iv)(A)]  
 Subject to the conditions under §1.1474-1(a)(3), a withholding agent is permitted to use an agent to fulfill its chapter 4 obligations and such agent's actions are imputed to the principal. However, an agent that makes a payment pursuant to an agency arrangement (paying agent) is also a withholding agent with respect to the payment unless an exception under §1.1473-1(d) applies. Therefore, the paying agent will have its own obligation to determine the chapter 4 status of the payee and withhold upon the payment if required. Although a paying agent is generally a withholding agent for purposes of chapter 4, the financial accounts to which it makes payments are not necessarily financial accounts of the paying agent. See the rules under §1.1471-5(b)(5) to determine when a financial institution maintains a financial account.
 

In addition, the status of a payment as made with respect to an offshore obligation or as a preexisting obligation will be determined based on such obligation's status in relation to the principal. Further, the due diligence required with respect to the payment will be determined by the status of the principal and not the paying agent. Consequently, a payment that is made, for example, by a paying agent that is a foreign entity on behalf of a principal that is a U.S. withholding agent will be subject to the due diligence applicable to the principal. See §1.1474-1(a)(3) for rules regarding the reporting obligations of a principal and agent in the case of a payment made by an agent on behalf of a principal.
  - (iv)(B) Reliance upon certification of the principal [§1.1471-3(c)(9)(iv)(B)]  
 An agent that makes a payment on behalf of a principal that it may treat, pursuant to paragraph (d) of this section, as a U.S. withholding agent, participating FFI, or reporting Model 1 FFI may rely upon a certification provided by the principal indicating that the principal has obtained valid documentation sufficient to determine the chapter 4 status of the payee and may rely upon the principal's determination as to the payee's chapter 4 status. In such a case, the agent will be permitted to rely upon the certification provided by the principal when determining whether it is required to withhold on the payment and will not be liable for any underwithholding that occurs as a result of the principal's failure to properly determine the chapter 4 status of the payee unless the agent

knows or has reason to know the certification provided by the principal is inaccurate.

(iv)(C) Document sharing [§1.1471-3(c)(9)(iv)(C)]  
 In lieu of obtaining a certification from the principal as described in paragraph (c)(9)(iv)(B) of this section, or when reliance upon such certification is not permitted, an agent that makes a payment on behalf of a principal may rely upon copies of documentation provided to the principal with respect to the payment. However, in such case, both the principal and the agent are obligated to determine the chapter 4 status of the payee based upon the documentation and ensure that adequate withholding occurs with respect to the payment. While a principal is imputed the knowledge of the agent with respect to the payment, the agent is not imputed the knowledge of the principal.

(iv)(D) Examples [§1.1471-3(c)(9)(iv)(D)]

- (1) Example 1 Paying agent that does not collect documentation [§1.1471-3(c)(9)(iv)(D)(1)]  
 A fund, P, that is a participating FFI contracts with a U.S. person, A, to make payments to its account holders with respect to their equity interests in P. P contracts with another agent, B, to obtain documentation sufficient to determine the chapter 4 status of such account holders. Based on the documentation it collects, B determines that none of P's account holders are subject to withholding. P provides a certification to A indicating that it has obtained documentation sufficient to determine the chapter 4 status of P's account holders and that each payee is not subject to withholding under chapter 4. As the actions of B, as P's agent, are attributed to P, P may provide a certification to A indicating that it has determined the chapter 4 status of its payees, even if it is B, and not P, who made the determinations. However, P will be liable for any underwithholding that results from a failure by B to reasonably apply the rules under chapter 4. A is permitted to rely upon the certification provided by P and, accordingly, is not required to withhold on the payments made to P's account holders and would not be liable for any underwithholding that results if the determinations made by B are incorrect unless A had reason to know that chapter 4 status claimed was inaccurate.
- (2) Example 2 Paying agent that collects documentation [§1.1471-3(c)(9)(iv)(D)(2)]  
 A fund, P, that is a participating FFI contracts with a U.S. person, A, to make a payment to its account holders on its behalf. P also contracts with A to obtain documentation sufficient to determine the chapter 4 status of P's account holders. Based on the documentation it collects, A determines that none of P's account holders are subject to withholding. As the actions of A, as P's agent, are imputed to P, P will be liable for any underwithholding that results from a failure by A to reasonably apply the rules under chapter 4. P is also required to retain the documentation upon which A relied in determining the chapter 4 status of its account holders. Because A performed the due diligence on behalf of P, A will have reason to know if any of the chapter 4 determinations made based on the documentation received were made incorrectly, and, as a withholding agent with respect to the payment, is liable, in addition to P, for any underwithholding that results from an incorrect determination that withholding was not required. This result applies regardless of whether A retains copies of the documentation obtained with respect to P's account holders or receives a certification from P indicating that P has obtained documentation sufficient to determine the

chapter 4 status of its account holders and that each payee is not subject to withholding under chapter 4.

(9)(v) Reliance upon documentation for accounts acquired in merger or bulk acquisition for value [§1.1471-3(c)(9)(v)]  
 [Reserved]. For further guidance, see §1.1471-3T(c)(9)(v).

*A withholding agent that acquires an account from a predecessor or transferor in a merger or bulk acquisition of accounts for value is permitted to rely upon valid documentation (or copies of valid documentation) collected by the predecessor or transferor. In addition, a withholding agent that acquires an account in a merger or bulk acquisition of accounts for value, other than a related party transaction, from a U.S. withholding agent, a participating FFI that has completed all due diligence required under its agreement with respect to the accounts transferred, or a reporting Model 1 FFI that has completed all due diligence required pursuant to the applicable Model 1 IGA, may also rely upon the predecessor's or transferor's determination of the chapter 4 status of an account holder for a transition period of the lesser of six months from the date of the merger or until the acquirer knows that the claim of status is inaccurate or a change in circumstances occurs. At the end of the transition period, the acquirer will be permitted to rely upon the predecessor's determination as to the chapter 4 status of the account holder only if the documentation that the acquirer has for the account holder, including documentation obtained from the predecessor or transferor, supports the chapter 4 status claimed.*

*An acquirer that discovers at the end of the transition period that the chapter 4 status assigned by the predecessor or transferor to the account holder was incorrect and, as a result, has not withheld as it would have been required to but for its reliance upon the predecessor's determination, will be required to withhold on payments made after the transition period, if any, to the account holder equal to the amount of tax that should have been withheld during the transition period but for the erroneous classification as to the account holder's status.*

*For purposes of this paragraph (c)(9)(v), a related party transaction is a merger or sale of accounts in which either the acquirer is in the same expanded affiliated group as the predecessor or transferor prior to or after the merger or acquisition or the predecessor or transferor (or shareholders of the predecessor or transferor) obtains a controlling interest in the acquirer or in a newly formed entity created for purposes of the merger or acquisition. See §1.1471-4(c)(2)(ii)(B) for an additional allowance for a participating FFI to rely upon the determination made by another participating FFI as to the chapter 4 status of an account obtained as part of a merger or bulk acquisition for value.*

1-3(d) *Documentation requirements to establish payee's chapter 4 status [§1.1471-3(d)]*  
 Unless the withholding agent knows or has reason to know otherwise, a withholding agent may rely on the provisions of this paragraph (d) to determine the chapter 4 status of a payee (or other person that receives a payment). Except as otherwise provided in this paragraph (d), a withholding agent is required to obtain a valid withholding certificate or a Form W-9 from a payee in order to treat the payee as having a particular chapter 4 status. Paragraphs (d)(1) through (12) of this section indicate when it is appropriate for a withholding agent to rely upon a written statement, documentary evidence, or other information in lieu of a Form W-8 or W-9. Paragraphs (d)(1) through (12) of this section also prescribe additional documentation requirements that must be met in certain cases in order to treat a payee as having a specific chapter 4 status and specific standards of knowledge that apply to a particular payee, in addition to the general standards of knowledge set forth in paragraph (e) of this section. This paragraph (d) also provides the circumstances in which special documentation rules are permitted with respect to preexisting obligations.

A withholding agent may not rely on documentation described in this paragraph (d) if the documentation is not valid or cannot reliably be associated with the payment pursuant to the requirements of paragraph (c) of this section, or the withholding agent knows or has reason to know that such documentation is incorrect or unreliable as described in paragraphs (d) and (e) of this section. If the chapter 4 status of a payee cannot

be determined under this paragraph (d) based on documentation received, a withholding agent must apply the presumption rules in paragraph (f) to determine the chapter 4 status of the payee.

1-3(d)(1) *Reliance on pre-FATCA Form W-8 [§1.1471-3(d)(1)]*  
 [Reserved]. For further guidance, see §1.1471-3T(d)(1).

*To establish a payee's status as a foreign individual, foreign government, government of a U.S. territory, or international organization, a withholding agent may rely upon a pre-FATCA Form W-8 in lieu of obtaining an updated version of the withholding certificate. This reliance is only available in the case of a payee that is an international organization if such payee is described under section 7701(a)(18).*

*To establish the chapter 4 status of a payee that is not a foreign individual, a foreign government, or an international organization, a withholding agent may, for payments made prior to January 1, 2017, rely upon a pre-FATCA Form W-8 in lieu of obtaining an updated version of the withholding certificate if the withholding agent has one or more forms of documentary evidence described in paragraphs (c)(5)(ii), as necessary, to establish the chapter 4 status of the payee and the withholding agent has obtained any additional documentation or information required for the particular chapter 4 status (such as withholding statements, certifications as to owners, or required documentation for underlying owners), as set forth under the specific payee rules in paragraphs (d)(2) through (12) of this section. See paragraph (d)(4)(ii) and (iv) of this section for specific requirements applicable when relying upon a pre-FATCA Form W-8 for a participating FFI or registered deemed compliant FFI.*

*This paragraph (d)(1) does not apply to nonregistering local banks, FFIs with only low-value accounts, sponsored FFIs, owner-documented FFIs, territory financial institutions that are not the beneficial owners of the payment, foreign central banks (other than a foreign central bank specifically identified as an exempt beneficial owner under a Model 1 IGA or Model 2 IGA), or international organizations not described under section 7701(a)(18).*

1-3(d)(2) *Identification of U.S. persons [§1.1471-3(d)(2)]*

(2)(i) *In general [§1.1471-3(d)(2)(i)]*  
 [Reserved]. For further guidance, see §1.1471-3T(d)(2)(i).

*A withholding agent must treat a payee as a U.S. person, including a payee that is a foreign branch of a U.S. person (other than a branch that is treated as a QI) or is an FFI that has elected to be treated as a U.S. person for tax purposes under section 953(d), if it has a valid Form W-9 associated with the payee or if it must presume the payee is a U.S. person under the presumption rules set forth in paragraph (f) of this section. Consistent with the presumption rules in paragraph (f)(3) of this section, a withholding agent must treat a payee that has provided a valid Form W-9 as a specified U.S. person unless the Form W-9 contains a certification that the payee is other than a specified U.S. person.*

*Notwithstanding the foregoing, a withholding agent receiving a Form W-9 indicating that the payee is other than a specified U.S. person must treat the payee as a specified U.S. person if the withholding agent knows or has reason to know that the payee's claim that it is other than a specified U.S. person is incorrect. For example, a withholding agent that receives a Form W-9 from a payee that is an individual would be required to treat the payee as a specified U.S. person regardless of whether the Form W-9 indicates that the payee is not a specified U.S. person, because an individual that is a U.S. person is not excepted from the definition of a specified U.S. person.*

(2)(ii) *Reliance on documentary evidence [§1.1471-3(d)(2)(ii)]*  
 A withholding agent may also treat the payee as a U.S. person that is other than a specified U.S. person if the withholding agent has documentary evidence

described in paragraphs (c)(5)(i)(C) and (D) of this section or general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) that both establishes that the payee is a U.S. person and establishes (either through the documentation or the application of the rules in §1.6049-4(c)(1)(ii) or paragraph (f)(3) of this section) that the payee is an exempt recipient. For purposes of the previous sentence, an exempt recipient means with respect to a withholding agent other than a participating FFI or registered deemed-compliant FFI, an exempt recipient under §1.6049-4(c)(1)(ii) or, with respect to a withholding agent that is a participating FFI or registered deemed-compliant FFI, a U.S. person other than a specified U.S. person as described under §1.1473-1(c).

(2)(iii) Preexisting obligations [§1.1471-3(d)(2)(iii)]  
[Reserved]. For further guidance, see §1.1471-3T(d)(2)(iii).

*As an alternative to applying the rules in paragraphs (d)(2)(i) and (ii) of this section, a withholding agent that makes a payment with respect to a preexisting obligation may treat a payee as a U.S. person if it has a notation in its files that it has previously reviewed a Form W-9 that established that the payee is a U.S. person and has retained the payee's TIN. A withholding agent, other than a participating FFI or registered deemed-compliant FFI, may also treat a payee of a payment with respect to a preexisting obligation as a U.S. person if it has previously classified the payee as a U.S. person for purposes of chapters 3 or 61 and established (through the documentation or the application of the rules in §1.6049-4(c)(1)(ii)) that the payee is an exempt recipient for purposes of chapter 61.*

1-3(d)(3) *Identification of individuals that are foreign persons [§1.1471-3(d)(3)]*

(3)(i) In general [§1.1471-3(d)(3)(i)]  
A withholding agent may treat a payee as an individual that is a foreign person if the withholding agent has a withholding certificate identifying the payee as such a person.

(3)(ii) Exception for offshore obligations [§1.1471-3(d)(3)(ii)]  
A withholding agent that makes a payment with respect to an offshore obligation may treat the payee as an individual that is a foreign person if it obtains documentary evidence supporting the payee's claim of status as a foreign individual (as described in paragraph (c)(5)(i)) or if the payee is presumed to be an individual that is a foreign person under the presumption rules set forth in paragraph (f) of this section.

1-3(d)(4) *Identification of participating FFIs and registered deemed-compliant FFIs [§1.1471-3(d)(4)]*

(4)(i) In general [§1.1471-3(d)(4)(i)]  
[Reserved]. For further guidance, see §1.1471-3T(d)(4)(i).

*Except as otherwise provided in paragraphs (d)(4)(ii) through (iv) or paragraphs (e)(3)(i) and (ii) of this section, a withholding agent may treat a payee as a participating FFI or registered deemed-compliant FFI only if the withholding agent has a withholding certificate identifying the payee as a participating FFI, registered deemed-compliant FFI, or branch thereof (including an entity that is disregarded as an entity separate from the FFI), and the withholding certificate contains a GIIN for the payee that is verified against the published IRS FFI list in the manner described in paragraph (e)(3) of this section (indicating when a withholding agent may rely upon a GIIN).*

*For payments made prior to January 1, 2016, a registered deemed-compliant FFI that is a sponsored FFI must provide the GIIN of its sponsoring entity on the withholding certificate if the sponsored FFI has not obtained a GIIN. See*

*paragraph (c)(3)(iii) of this section for additional requirements that apply to a valid withholding certificate provided by a participating FFI or registered deemed-compliant FFI that is a flow-through entity or is acting as an intermediary with respect to the payment, or by a U.S. branch of a participating FFI or registered deemed-compliant FFI (including a U.S. entity that is disregarded as an entity separate from the FFI).*

(4)(ii) Exception for payments made prior to January 1, 2017, with respect to preexisting obligations (transitional) [§1.1471-3(d)(4)(ii)]  
 [Reserved]. For further guidance, see §1.1471-3T(d)(4)(ii).

*For payments made prior to January 1, 2017, with respect to a preexisting obligation, a withholding agent may treat a payee as a participating FFI or registered deemed-compliant FFI, or branch thereof (including an entity that is disregarded as an entity separate from the FFI), if the payee has provided the withholding agent with a pre-FATCA Form W-8 and (either orally or in writing) its GIIN and has indicated whether it is a participating FFI or a registered deemed-compliant FFI (or whether such branch or disregarded entity is treated as a participating FFI or a registered deemed-compliant FFI), and the withholding agent has verified the GIIN of the FFI, branch, or disregarded entity, as the context requires, in the manner described in paragraph (e)(3) of this section.*

(4)(iii) Exception for offshore obligations [§1.1471-3(d)(4)(iii)]  
 [Reserved]. For further guidance, see §1.1471-3T(d)(4)(iii).

*A withholding agent that makes a payment, other than a payment of U.S. source FDAP income, with respect to an offshore obligation may treat a payee as a participating FFI or registered deemed-compliant FFI, or branch thereof (including an entity that is disregarded as an entity separate from the FFI), if the payee provides the withholding agent with its GIIN and states whether the payee is a participating FFI or a registered deemed-compliant FFI, and the withholding agent verifies the GIIN in the manner described in paragraph (e)(3) of this section.*

*A withholding agent that makes a payment of U.S. source FDAP income with respect to an offshore obligation may treat the payee as a participating FFI or registered deemed-compliant FFI, or branch thereof (including an entity that is disregarded as an entity separate from the FFI) if-*

(4)(iv) Exceptions for payments to reporting Model 1 FFIs [§1.1471-3(d)(4)(iv)]

(iv)(A) [Reserved]. For further guidance, see §1.1471-3T(d)(4)(iv)(A). [§1.1471-3(d)(4)(iv)(A)]

*For payments made prior to January 1, 2015, a withholding agent may treat a payee that is an FFI or branch of an FFI (including an entity that is disregarded as an entity separate from the FFI) as a reporting Model 1 FFI if it receives a withholding certificate from the payee indicating that the payee is a reporting Model 1 FFI and the country in which the payee is a reporting Model 1 FFI, regardless of whether the certificate contains a GIIN for the payee.*

(iv)(B) For payments made prior to January 1, 2015, with respect to a preexisting obligation, a withholding agent may treat a payee as a reporting Model 1 FFI if it obtains a pre-FATCA Form W-8 from the payee, and the payee indicates (either orally or in writing) that it is a reporting Model 1 FFI and the country in which it is a reporting Model 1 FFI, regardless of whether the certificate contains a GIIN for the payee. (iv)(C) [Reserved]. For further guidance, see §1.1471-3T(d)(4)(iv)(C). [§1.1471-3(d)(4)(iv)(C)]

*For payments made prior to January 1, 2015, with respect to an offshore obligation, a withholding agent may treat a payee as a reporting Model 1 FFI if the payee informs the withholding agent that the payee is a reporting Model 1 FFI and provides the country in which the payee is a reporting Model 1 FFI. In the case of a payment of U.S. source FDAP income, such payee must also provide a written statement that it is the beneficial owner and documentary evidence supporting the payee's claim of foreign status (as described in paragraph (c)(5)(i) of this section).*

(iv)(D) [Reserved]. For further guidance, see §1.1471-3T(d)(4)(iv)(D). [§1.1471-3(d)(4)(iv)(D)]

*For payments made on or after January 1, 2015, that do not constitute U.S. source FDAP income, the withholding agent may continue to treat a payee as a reporting Model 1 FFI if the payee provides the withholding agent with its GIIN, either orally or in writing, and the withholding agent verifies the GIIN in the manner described in paragraph (e)(3) of this section.*

(4)(v) Reason to know [§1.1471-3(d)(4)(v)]

[Reserved]. For further guidance, see §1.1471-3T(d)(4)(v).

*Except as otherwise provided in this paragraph (d)(4), a withholding certificate or written statement pursuant to which the payee claims a status as a participating FFI or registered deemed-compliant FFI but does not provide the payee's GIIN or provides a GIIN that does not appear on the current published IRS FFI list will be invalid for purposes of chapter 4 beginning on the date that is 90 days after the date that the claim is made by the payee. The payee will be treated as an undocumented payee beginning on the date that the form is invalid, and will be subject to withholding on payments made on or after that date until valid documentation (which includes a confirmed GIIN under paragraph (e)(3)(i) of this section) is provided.*

*A withholding agent that has withheld as required in the previous sentence may apply reimbursement or set-off procedures, as described in §1.1474-2(a), if it is later determined that the payee appeared on the IRS FFI list as a participating FFI or registered deemed-compliant FFI at the time of payment.*

1-3(d)(5) *Identification of certified deemed-compliant FFIs [§1.1471-3(d)(5)]*

(5)(i) In general [§1.1471-3(d)(5)(i)]  
 [Reserved]. For further guidance, see §1.1471-3T(d)(5)(i).

*Except as otherwise provided in this paragraph (d)(5), a withholding agent may treat a payee as a certified deemed-compliant FFI, other than a sponsored, closely held investment vehicle, if the withholding agent has a withholding certificate that identifies the payee as a certified deemed-compliant FFI, and the withholding certificate contains a certification by the payee that it meets the requirements to qualify as the type of certified deemed-compliant FFI identified on the withholding certificate.*

*See paragraph (c)(3)(iii) of this section for additional requirements that apply to a valid withholding certificate provided by a certified deemed-compliant FFI that is a flow-through entity or is acting as an intermediary with respect to the payment, or by a U.S. branch of a certified deemed-compliant FFI.*

(5)(ii) Sponsored, closely held investment vehicles [§1.1471-3(d)(5)(ii)]

(ii)(A) In general [§1.1471-3(d)(5)(ii)(A)]  
 [Reserved]. For further guidance, see §1.1471-3T(d)(5)(ii)(A).

*A withholding agent may treat a payee as a sponsored, closely held investment vehicle described in §1.1471-5(f)(2)(iii) if the withholding agent can reliably associate the payment with a withholding certificate that identifies the payee as a sponsored, closely held investment vehicle and includes the sponsoring entity's GIIN, which the withholding agent has verified against the published IRS FFI list in the manner described in paragraph (e)(3) of this section.*

*In addition to the standards of knowledge rules indicated in paragraph (e) of this section, a withholding agent will have reason to know that the payee is not a sponsored, closely held investment vehicle described in §1.1471-5(f)(2)(iii) if its AML due diligence indicates that the payee has in excess of 20 individual investors that own direct and/or indirect interests in the payee. See paragraph (c)(3)(iii) of this section for additional requirements that apply to a valid withholding certificate provided by a sponsored, closely held investment vehicle that is a flow-through entity or is acting as an intermediary with respect to the payment, or by a U.S. branch of such vehicle.*

(ii)(B) Offshore obligations [§1.1471-3(d)(5)(ii)(B)]  
 [Reserved]. For further guidance, see §1.1471-3T(d)(5)(ii)(B).

*A withholding agent that makes a payment with respect to an offshore obligation may treat a payee as a sponsored, closely held investment vehicle if it obtains a written statement that indicates that the payee is a sponsored, closely held investment vehicle, and provides the sponsoring entity's GIIN, which the withholding agent has verified in the manner described in paragraph (e)(3) of this section. In the case of a payment of U.S. source FDAP income, the written statement must also indicate that the payee is the beneficial owner and must be supplemented with documentary evidence supporting the payee's claim of foreign status (as described in paragraph (c)(5)(i) of this section).*

 [Reserved]. For further guidance, see §1.1471-3T(d)(5)(iii)(A).

*A withholding agent may treat a payee as an investment advisor and investment manager described in §1.1471-5(f)(2)(v) if the withholding agent can reliably associate the payment with a withholding certificate that identifies the payee as an investment advisor and investment manager. In addition to the standards of knowledge rules indicated in paragraph (e) of this section, a withholding agent will have reason to know that the payee is not an investment advisor and investment manager described in §1.1471-5(f)(2)(v) if its AML due diligence documentation indicates that the payee has financial accounts.*

(iii)(B) Offshore obligations [§1.1471-3(d)(5)(iii)(B)]  
 [Reserved]. For further guidance, see §1.1471-3T(d)(5)(iii)(B).

*A withholding agent that makes a payment with respect to an offshore obligation may treat a payee as an investment advisor and investment manager described in § 1.1471-5(f)(2)(v) if it obtains a written statement that indicates that the payee is an investment advisor and investment manager. In the case of a payment of U.S. source FDAP income, the written statement must also indicate that the payee is the beneficial owner and must be supplemented with documentary evidence supporting the payee's claim of foreign status (as described in paragraph (c)(5)(i) of this section).*

**1-3(d)(6) Identification of owner-documented FFIs [§1.1471-3(d)(6)]**

(6)(i) In general [§1.1471-3(d)(6)(i)]

A withholding agent may treat a payee as an owner-documented FFI if all the following requirements of paragraphs (d)(6)(i)(A) through (F) of this section are met. A withholding agent may not rely upon a withholding certificate to treat a payee as an owner-documented FFI, either in whole or in part, if the withholding certificate does not contain all of the information and associated documentation required by paragraphs (d)(6)(i)(A), (C), and (D) of this section.

(i)(A) The withholding agent has a withholding certificate that identifies the payee as an owner-documented FFI that is not acting as an intermediary; [§1.1471-3(d)(6)(i)(A)]

(i)(B) The withholding agent is a U.S. financial institution, participating FFI, or reporting Model 1 FFI that agrees pursuant to §1.1471-5(f)(3) to act as a designated withholding agent with respect to the payee; [§1.1471-3(d)(6)(i)(B)]

(i)(C) The payee submits to the withholding agent an FFI owner reporting statement that meets the requirements of paragraph (d)(6)(iv) of this section; [§1.1471-3(d)(6)(i)(C)]

(i)(D) The payee submits to the withholding agent valid documentation meeting the requirements of paragraph (d)(6)(iii) of this section with respect to each person identified on the FFI owner reporting statement; [§1.1471-3(d)(6)(i)(D)]

(i)(E) The withholding agent does not know or have reason to know that the payee (or any other FFI that is an owner of the payee and that the designated withholding agent is treating as an owner-documented FFI)

maintains any financial account for a nonparticipating FFI; and  
[§1.1471-3(d)(6)(i)(E)]

(i)(F) The withholding agent does not know or have reason to know that the payee is a member of an expanded affiliated group with any other FFI other than an FFI that is also treated as an owner-documented FFI by the withholding agent or that the FFI has any specified U.S. persons that own an equity interest in the FFI or a debt interest (other than a debt interest that is not a financial account or that has a balance or value not exceeding \$50,000) in the FFI other than those identified on the FFI owner reporting statement described in paragraph (d)(6)(iv) of this section. [§1.1471-3(d)(6)(i)(F)]

(6)(ii) Auditor's letter substitute [§1.1471-3(d)(6)(ii)]  
A payee may, in lieu of providing an FFI owner reporting statement and documentation for each owner of the FFI as described in paragraphs (d)(6)(i)(C) and (D) of this section, provide a letter from an auditor or an attorney that is licensed in the United States or whose firm has a location in the United States, signed no more than four years prior to the date of the payment, that certifies that the firm or representative has reviewed the payee's documentation with respect to all of its owners and debt holders described in paragraph (d)(6)(iv) of this section in accordance with §1.1471-4(c) and that the payee meets the requirements of §1.1471-5(f)(3). The payee must also provide an FFI owner reporting statement and a Form W-9, with any applicable waiver, for each specified U.S. person that owns a direct or indirect interest in the payee or that holds debt interests described in paragraph (d)(6)(iv) of this section. A withholding agent may rely upon the letter described in this paragraph (d)(6)(ii) if it does not know or have reason to know that any of the information contained in the letter is unreliable or incorrect.

(6)(iii) Documentation for owners and debt holders of payee [§1.1471-3(d)(6)(iii)]  
Acceptable documentation for an individual owning an equity interest in the payee or a debt holder described in paragraph (d)(6)(iv) of this section means a valid withholding certificate, valid Form W-9 (including any necessary waiver), or documentary evidence establishing the foreign status of the individual as set forth in paragraph (d)(3)(ii) of this section (regardless of whether the payment is made with respect to an offshore obligation). Acceptable documentation for a specified U.S. person means a valid Form W-9 (including any necessary waiver). Acceptable documentation for all other persons owning an equity or debt interest in the payee means documentation described in this paragraph (d), applicable to the chapter 4 status claimed by the person. The rules for reliably associating a payment with a withholding certificate or documentary evidence set forth in paragraph (c) of this section, the rules for payee documentation provided in this paragraph (d), and the standards of knowledge set forth in paragraph (e) of this section will apply to documentation submitted by the owners and debt holders by substituting the phrase "owner of the payee" or "debt holder" for "payee."

(6)(iv) Content of FFI owner reporting statement [§1.1471-3(d)(6)(iv)]  
The FFI owner reporting statement provided by an owner-documented FFI must contain the information required by this paragraph (d)(6)(iv) and is subject to the general rules applicable to all withholding statements described in paragraph (c)(3)(iii)(B)(1) of this section. An FFI that is a partnership, simple trust, or grantor trust may substitute an NWP withholding statement described in §1.1441-5(c)(3)(iv) or a foreign simple trust or foreign grantor trust withholding statement described in §1.1441-5(e)(5)(iv) for the FFI owner reporting statement, provided that the NWP withholding certificate or foreign simple trust or foreign grantor trust withholding certificate contains all of the information required in this paragraph (d)(6)(iv). The owner reporting statement will expire on the last day of the third calendar year following the year in which the statement was provided to the withholding agent unless an exception in paragraph (c)(6)(ii) of this section (for example, accounts with a balance or value of \$1,000,000 or less) or this

paragraph (d)(6) applies. The owner-documented FFI will also be required to provide the withholding agent with an updated owner reporting statement if there is a change in circumstances as required under paragraph (c)(6)(ii)(E) of this section.

(iv)(A) The FFI owner reporting statement must provide the following information: [§1.1471-3(d)(6)(iv)(A)]

- (1) The name, address, TIN (if any), and chapter 4 status of every individual and specified U.S. person that owns a direct or indirect equity interest in the payee (looking through all entities other than specified U.S. persons). [§1.1471-3(d)(6)(iv)(A)(1)]
- (2) The name, address, TIN (if any), and chapter 4 status of every individual and specified U.S. person that owns a debt interest in the payee (including any indirect debt interest, which includes debt interests in any entity that directly or indirectly owns the payee or any direct or indirect equity interest in a debt holder of the payee), in either such case if the debt interest constitutes a financial account in excess of \$50,000 (disregarding all such debt interests owned by participating FFIs, registered deemed-compliant FFIs, certified deemed-compliant FFIs, excepted NFFEs, exempt beneficial owners, or U.S. persons other than specified U.S. persons). [§1.1471-3(d)(6)(iv)(A)(2)]
- (3) Any other information the withholding agent reasonably requests in order to fulfill its obligations under chapter 4. [§1.1471-3(d)(6)(iv)(A)(3)]

(iv)(B) The information on the FFI owner reporting statement may contain names of equity and debt holders that are prepopulated by the withholding agent based on prior information provided to the withholding agent by the payee if the prepopulated form instructs the payee to amend the statement if the contents are inaccurate, incomplete, or have changed, and the payee confirms in writing that the FFI owner reporting statement submitted to the withholding agent is accurate and complete. [§1.1471-3(d)(6)(iv)(B)]

(iv)(C) The FFI owner reporting statement may be submitted in any form that meets the requirements of this paragraph, including a form used for purposes of AML due diligence. [§1.1471-3(d)(6)(iv)(C)]

(6)(v) Exception for preexisting obligations (transitional) [§1.1471-3(d)(6)(v)]  
 A withholding agent may treat a payment made prior to January 1, 2017, with respect to a preexisting obligation as made to an owner-documented FFI if the withholding agent has collected, for purposes of satisfying its AML due diligence, documentation with respect to each individual and specified U.S. person that owns a direct or indirect interest in the payee, other than an interest as a creditor, within four years of the date of payment, that documentation is sufficient to satisfy the AML due diligence requirements of the jurisdiction in which the withholding agent maintains the account, the withholding agent has sufficient information to report all specified U.S. persons that own an interest in the payee, and the withholding agent does not know, or have reason to know, that any nonparticipating FFI owns an equity interest in the FFI or that any nonparticipating FFI or specified U.S. person owns a debt interest in the FFI constituting a financial account in excess of \$50,000.

(6)(vi) Exception for offshore obligations [§1.1471-3(d)(6)(vi)]  
 A withholding agent that is making a payment, other than a payment of U.S. source FDAP income, with respect to an offshore obligation may, in lieu of obtaining a withholding certificate as otherwise required under paragraph

(d)(6)(i)(A) of this section, rely upon a written statement that indicates the payee meets the requirements to qualify as an owner-documented FFI under §1.1471-5(f)(3) and is not acting as an intermediary, if the withholding agent provides a written notice to the payee indicating that the payee is required to update the written statement and all associated documentation (such as the FFI owner reporting statement and underlying documentation) within 30 days of a change in circumstances.

(6)(vii) Exception for certain offshore obligations of \$1,000,000 or less [§1.1471-3(d)(6)(vii)]

(vii)(A) A withholding agent may treat the payment as being made to an owner-documented FFI if - [§1.1471-3(d)(6)(vii)(A)]

(1) [Reserved]. For further guidance, see §1.1471-3T(d)(6)(vii)(A)(1). [§1.1471-3(d)(6)(vii)(A)(1)]

*The payment is made with respect to an offshore obligation that has a balance or value not exceeding \$1,000,000 on the later of June 30, 2014, or the last day of the calendar year in which the account was opened, and the last day of each subsequent year preceding the payment, applying the aggregation principles of §1.1471-5(b)(4);*

(2) The withholding agent has collected documentation or a certification as to the payee's owners (either for purposes of complying with its AML due diligence or for purposes of satisfying the requirements of this paragraph (d)(6)(vii)) sufficient to identify every individual and specified U.S. person that owns any direct or indirect interest in the payee (other than an interest as a creditor) and determine the chapter 4 status of such person; [§1.1471-3(d)(6)(vii)(A)(2)]

(3) The documentation described in paragraph (d)(6)(vii)(A)(2) of this section is sufficient to satisfy the AML due diligence requirements of the jurisdiction in which the withholding agent maintains the account (and such jurisdiction is a FATF-compliant jurisdiction); [§1.1471-3(d)(6)(vii)(A)(3)]

(4) The withholding agent has sufficient information to report all specified U.S. persons that own an interest in the payee in accordance with §1.1474-1(d); and [§1.1471-3(d)(6)(vii)(A)(4)]

(5) The withholding agent does not know, or have reason to know, that the payee has any contingent beneficiaries or designated classes with unidentified beneficiaries or owners, that any nonparticipating FFI owns a direct or indirect equity interest in the payee, or that any specified U.S. persons or nonparticipating FFIs own a debt interest constituting a financial account in excess of \$50,000 in the payee (other than specified U.S. persons that the withholding agent has sufficient information to report). [§1.1471-3(d)(6)(vii)(A)(5)]

(vii)(B) For example, a withholding agent that is required to obtain a certification from the payee identifying all persons owning an interest in the payee as part of its AML due diligence will not be required to obtain an FFI owner reporting statement, provided the other conditions of this paragraph (d)(6)(vii) are met. On the other hand, a withholding agent that has only obtained documentation for persons owning a certain threshold percentage of the payee will be required to obtain additional documentation to satisfy the requirements of this paragraph (d)(6)(vii). A withholding agent that treats a payee as an owner-documented FFI pursuant to this paragraph (d)(6)(vii) will not be required to obtain new

documentation, including the FFI owner reporting statement, until there is a change in circumstances or until the account balance or value exceeds \$1,000,000 on the last day of the calendar year. [§1.1471-3(d)(6)(vii)(B)]

**1-3(d)(7) Nonreporting IGA FFIs [§1.1471-3(d)(7)]**

- (7)(i) **In general [§1.1471-3(d)(7)(i)]**  
A withholding agent may treat a payee as a nonreporting IGA FFI if it has a withholding certificate identifying the payee, or the relevant branch of the payee, as a nonreporting IGA FFI.
- (7)(ii) **Exception for offshore obligations [§1.1471-3(d)(7)(ii)]**  
A withholding agent that makes a payment with respect to an offshore obligation may treat a payee as a nonreporting IGA FFI if it can reliably associate the payment with a written statement identifying the payee (or the relevant branch of the payee) as a nonreporting IGA FFI and, with respect to a payment of U.S. source FDAP income, the written statement indicates that the payee is the beneficial owner of the income and is accompanied by documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section).

A withholding agent that makes a payment with respect to an offshore obligation may also treat a payee as a nonreporting IGA FFI if the withholding agent has a permanent residence address for the payee, or an address of the relevant branch of the payee, and has obtained a notification, either orally or in writing, indicating that the payee is not acting as an intermediary and general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) that provides the withholding agent with sufficient information to reasonably determine that the payee is an entity listed as a nonreporting IGA FFI pursuant to a Model 1 or Model 2 IGA.

**1-3(d)(8) Identification of nonparticipating FFIs [§1.1471-3(d)(8)]**

- (8)(i) **In general [§1.1471-3(d)(8)(i)]**  
A withholding agent is required to treat a payee as a nonparticipating FFI if the withholding agent can reliably associate the payment with a withholding certificate identifying the payee as a nonparticipating FFI, the withholding agent knows or has reason to know that the payee is a nonparticipating FFI, or the withholding agent is required to treat the payee as a nonparticipating FFI under the presumption rules described in paragraph (f) of this section.
- (8)(ii) **Special documentation rules for payments made to an exempt beneficial owner through a nonparticipating FFI [§1.1471-3(d)(8)(ii)]**  
A withholding agent may treat a payment made to a nonparticipating FFI as beneficially owned by an exempt beneficial owner if the withholding agent can reliably associate the payment with-
  - (ii)(A) A withholding certificate that identifies the payee as a nonparticipating FFI that is either acting as an intermediary or is a flow-through entity; and [§1.1471-3(d)(8)(ii)(A)]
  - (ii)(B) An exempt beneficial owner withholding statement that meets the requirements of paragraphs (c)(3)(iii)(B)(1) and (4) of this section and contains the associated documentation necessary to establish the chapter 4 status of the exempt beneficial owner in accordance with paragraph (d)(9) of this section as if the exempt beneficial owner were the payee. [§1.1471-3(d)(8)(ii)(B)]

1-3(d)(9) *Identification of exempt beneficial owners [§1.1471-3(d)(9)]*

(9)(i) Identification of foreign governments, governments of U.S. territories, international organizations, and foreign central banks of issue [§1.1471-3(d)(9)(i)]

## (i)(A) In general [§1.1471-3(d)(9)(i)(A)]

A withholding agent may treat a payee as a foreign government, government of a U.S. territory, international organization, or foreign central bank of issue if it has a withholding certificate that identifies the payee as such an entity, indicates that the payee is the beneficial owner of the payment, and indicates that the payee is not engaged in commercial financial activities with respect to the payments or accounts identified on the form.

A withholding agent may treat a payee as an international organization without requiring a withholding certificate if the name of the payee is one that is designated as an international organization by executive order (pursuant to 22 U.S.C. 288 through 288f) and other facts surrounding the transaction reasonably indicate that the international organization is not receiving the payment as an intermediary on behalf of another person. A withholding agent may treat a payee as an exempt beneficial owner pursuant to a Model 1 IGA or Model 2 IGA if it has a withholding certificate that identifies the payee as such an entity and indicates that the payee is the beneficial owner of the payment.

## (i)(B) Exception for offshore obligations [§1.1471-3(d)(9)(i)(B)]

A withholding agent that makes a payment, other than a payment of U.S. source FDAP income, with respect to an offshore obligation may treat a payee as a foreign government, government of a U.S. territory, international organization, or foreign central bank of issue if the payee provides a written statement that it is such an entity and the written statement indicates that the payee receives the payment as a beneficial owner (within the meaning provided in §1.1471-6). A written statement provided by a foreign central bank of issue must also state that the foreign central bank of issue does not receive the payment in connection with a commercial activity as provided in §1.1471-6(h).

(i)(C) Exception for preexisting offshore obligations [§1.1471-3(d)(9)(i)(C)]  
A withholding agent that makes a payment, other than a payment of U.S. source FDAP income, with respect to an offshore obligation that is also a preexisting obligation may treat the payee as a foreign government, government of a U.S. territory, international organization, or foreign central bank of issue if-

- (1) The payee is generally known to the withholding agent to be, the payee's name and the facts surrounding the payment reasonably indicate, or the withholding agent has preexisting account documentary evidence (as described in paragraph (c)(5)(ii)(B) of this section) that reasonably indicates that the payee is a foreign government or government of a U.S. territory, a political subdivision of a foreign government or government of a U.S. territory, any wholly owned agency or instrumentality of any one or more of the foregoing, an international organization, a foreign central bank of issue, or the Bank for International Settlements; and [§1.1471-3(d)(9)(i)(C)(1)]
- (2) The withholding agent does not know that the payee is not the beneficial owner, within the meaning of §1.1471-6(b) through (e) (disregarding any presumption that a financial institution is assumed to be an intermediary absent documentation indicating

otherwise) or a foreign central bank of issue receiving the payment in connection with a commercial activity. [§1.1471-3(d)(9)(i)(C)(2)]

- (9)(ii) Identification of retirement funds [§1.1471-3(d)(9)(ii)]
  - (ii)(A) In general [§1.1471-3(d)(9)(ii)(A)]  
A withholding agent may treat a payee as a retirement fund described in §1.1471-6(f) if it has a withholding certificate in which the payee certifies that it is a retirement fund meeting the requirements of §1.1471-6(f).
  - (ii)(B) Exception for offshore obligations [§1.1471-3(d)(9)(ii)(B)]  
A withholding agent that makes a payment with respect to an offshore obligation may treat the payment as being made to a retirement fund described in §1.1471-6(f) if it obtains a written statement in which the payee certifies that it is a retirement fund under the laws of its local jurisdiction meeting the requirements of §1.1471-6(f) and, with respect to a payment of U.S. source FDAP income, documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section).  
  
A withholding agent that makes a payment with respect to an offshore obligation may also treat the payment as made to a retirement fund if it obtains general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) that provides the withholding agent with sufficient information to establish that the payee is a retirement fund meeting the requirements of §1.1471-6(f).
  - (ii)(C) Exception for preexisting offshore obligations [§1.1471-3(d)(9)(ii)(C)]  
A withholding agent that makes a payment with respect to an offshore obligation that is also a preexisting obligation, may treat the payee as a retirement fund described in §1.1471-6(f) if the withholding agent has general documentary evidence or preexisting account documentary evidence (as described in paragraphs (c)(5)(ii)(A) or (B)) that establishes that the payee is a foreign entity that qualifies as a retirement fund in the country in which the payee is organized.
- (9)(iii) Identification of entities wholly owned by exempt beneficial owners [§1.1471-3(d)(9)(iii)]  
A withholding agent may treat a payee as an entity described in §1.1471-6(g) (referring to certain entities wholly owned by exempt beneficial owners) if the withholding agent has-
  - (iii)(A) A withholding certificate or, for a payment made with respect to an offshore obligation, a written statement that identifies the payee as an investment entity that is the beneficial owner of the payment; [§1.1471-3(d)(9)(iii)(A)]
  - (iii)(B) An owner reporting statement that contains the name, address, TIN (if any), chapter 4 status (identifying the type of exempt beneficial owner), and a description of the type of documentation (Form W-8 or other documentary evidence) provided to the withholding agent for every person that owns a direct equity interest, or a debt interest constituting a financial account, in the payee, and that is subject to the general rules applicable to all withholding statements described in paragraph (c)(3)(iii)(B)(1) of this section; and [§1.1471-3(d)(9)(iii)(B)]
  - (iii)(C) Documentation for every person identified on the owner reporting statement establishing, pursuant to the documentation requirements described in this paragraph (d)(9), that such person is an exempt beneficial owner (without regard to whether the person is a beneficial owner of the payment). [§1.1471-3(d)(9)(iii)(C)]

1-3(d)(10) *Identification of territory financial institutions [§1.1471-3(d)(10)]*

(10)(i) Identification of territory financial institutions that are beneficial owners [§1.1471-3(d)(10)(i)]

## (i)(A) In general [§1.1471-3(d)(10)(i)(A)]

A withholding agent may treat a payee as a territory financial institution if the withholding agent has a withholding certificate identifying the payee as a territory financial institution that beneficially owns the payment. See paragraph (d)(11)(viii) of this section for rules for documenting territory NFFEs.

## (i)(B) Exception for preexisting offshore obligations [§1.1471-3(d)(10)(i)(B)]

A withholding agent that makes a payment with respect to an offshore obligation that is also a preexisting obligation may treat the payee as a territory financial institution if the withholding agent receives written notification, whether signed or not, that the payee is the beneficial owner of the payment and the withholding agent has general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) or preexisting account documentary evidence (as described in paragraph (c)(5)(ii)(B) of this section) establishing that the payee was organized or incorporated under the laws of any U.S. territory and is a depository institution, custodial institution, or specified insurance company.

(10)(ii) Identification of territory financial institutions acting as intermediaries or that are flow-through entities [§1.1471-3(d)(10)(ii)]

A withholding agent may treat a payment as being made to a territory financial institution that is acting as an intermediary or that is a flow-through entity if the withholding agent has an intermediary withholding certificate or flow-through withholding certificate as described in paragraph (c)(3)(iii) of this section that identifies the person who receives the payment as a territory financial institution.

A withholding agent that obtains the documentation described in the preceding sentence may treat the territory financial institution as the payee if the withholding certificate contains a certification that the territory financial institution agrees to be treated as a U.S. person with respect to the payment. If the withholding certificate does not contain such a certification, then the withholding agent must treat the person on whose behalf the territory financial institution receives the payment as the payee. See paragraph (c)(3)(iii) of this section for additional documentation that must accompany the withholding certificate of the territory financial institution in this case.

(10)(iii) Reason to know [§1.1471-3(d)(10)(iii)]

In addition to the general standards of knowledge described in paragraph (e) of this section, a withholding agent will have reason to know that an entity is not a territory financial institution if the withholding agent has: a current residence or mailing address, either in the entity's account files or on documentation provided by the payee, for the entity that is outside the U.S. territory in which the entity claims to be organized; a current telephone number for the payee that has a country code other than the country code for the U.S. territory or has an area code other than the area code(s) of the applicable U.S. territory and no telephone number for the payee in the applicable U.S. territory; or standing instructions for the withholding agent to pay amounts from its account to an address or account outside the applicable U.S. territory. A withholding agent that has knowledge of a current address, current telephone number, or standing payment instructions for the entity outside of the applicable U.S. territory, may nevertheless treat the entity as a territory financial institution if it obtains documentary evidence that establishes that the entity was organized in the applicable U.S. territory.

1-3(d)(11) *Identification of excepted NFFEs [§1.1471-3(d)(11)]*(11)(i) *Identification of excepted nonfinancial group entities [§1.1471-3(d)(11)(i)]*

(i)(A) *In general [§1.1471-3(d)(11)(i)(A)]*  
 A withholding agent may treat a payee as an excepted nonfinancial group entity described in §1.1471-5(e)(5)(i) if the withholding agent has a withholding certificate identifying the payee as such an entity.

(i)(B) *Exception for offshore obligations [§1.1471-3(d)(11)(i)(B)]*  
 A withholding agent that makes a payment with respect to an offshore obligation may treat a payee as an excepted nonfinancial group entity described in §1.1471-5(e)(5)(i) if the withholding agent obtains:

- (1) A written statement in which the payee certifies that it is a foreign entity operating primarily as an excepted nonfinancial group entity for a group that primarily engages in a business other than a financial business described in §1.1471-5(e)(4) and, with respect to a payment of U.S. source FDAP income, documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section); or [§1.1471-3(d)(11)(i)(B)(1)]
- (2) General documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) that provides the withholding agent with sufficient information to establish that the payee is an excepted nonfinancial group entity described in §1.1471-5(e)(5)(i). [§1.1471-3(d)(11)(i)(B)(2)]

(11)(ii) *Identification of excepted nonfinancial start-up companies [§1.1471-3(d)(11)(ii)]*

(ii)(A) *In general [§1.1471-3(d)(11)(ii)(A)]*  
 A withholding agent may treat a payee as an excepted nonfinancial start-up company described in §1.1471-5(e)(5)(ii) if the withholding agent has a withholding certificate that identifies the payee as a start-up company that intends to operate as other than a financial institution and the withholding certificate provides a formation date for the payee that is less than 24 months prior to the date of the payment.

(ii)(B) *Exception for offshore obligations [§1.1471-3(d)(11)(ii)(B)]*  
 A withholding agent that makes a payment with respect to an offshore obligation may treat a payee as an excepted nonfinancial start-up company described in §1.1471-5(e)(5)(ii) if it obtains-

- (1) A written statement from the payee in which the payee certifies that it is a foreign entity formed for the purpose of operating a business other than that of a financial institution and provides the entity's formation date which was less than 24 months prior to the date of the payment and, with respect to a payment of U.S. source FDAP income, documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section); or [§1.1471-3(d)(11)(ii)(B)(1)]
- (2) General documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) that provides the withholding agent with sufficient information to establish that the payee is a foreign entity other than a financial institution and has a formation date which is less than 24 months prior to the date of the payment. [§1.1471-3(d)(11)(ii)(B)(2)]

- (ii)(C) Exception for preexisting offshore obligations [§1.1471-3(d)(11)(ii)(C)]  
A withholding agent may treat a payment made with respect to an offshore obligation that is also a preexisting obligation as made to a start-up company described in §1.1471-5(e)(5)(ii) if the withholding agent has general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) or preexisting account documentary evidence (as described in paragraph (c)(5)(ii)(B) of this section) that provides the withholding agent sufficient information to establish that the payee is, or intends to be, engaged in a business other than as a financial institution and establishes that the payee is a foreign entity that was organized less than 24 months prior to the date of the payment.
- (11)(iii) Identification of excepted nonfinancial entities in liquidation or bankruptcy [§1.1471-3(d)(11)(iii)]
  - (iii)(A) In general [§1.1471-3(d)(11)(iii)(A)]  
A withholding agent may treat a payee as an excepted nonfinancial entity in liquidation or bankruptcy, as described in §1.1471-5(e)(5)(iii), if the withholding agent has a withholding certificate that identifies the payee as such an entity and the withholding agent has no knowledge that the payee has claimed to be such an entity for more than three years. A withholding agent may continue to treat a payee as an entity described in this paragraph for longer than three years if it obtains, in addition to a withholding certificate, documentary evidence such as a bankruptcy filing or other public document that supports the payee's claim that it remains in liquidation or bankruptcy.
  - (iii)(B) Exception for offshore obligations [§1.1471-3(d)(11)(iii)(B)]  
A withholding agent that makes a payment with respect to an offshore obligation may treat the payee as an excepted nonfinancial entity in liquidation or bankruptcy, as described in §1.1471-5(e)(5)(iii) if the withholding agent has general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) or a copy of a bankruptcy filing, or similar documentation, establishing that the payee is a foreign entity in liquidation or bankruptcy and establishing that prior to the liquidation or bankruptcy filing, the payee was engaged in a business other than that of a financial institution.  
  
A withholding agent may also treat the payee with respect to an offshore obligation as an excepted nonfinancial entity in liquidation or bankruptcy, as described in §1.1471-5(e)(5)(iii), if the withholding agent obtains a written statement stating that the payee is a foreign entity in the process of liquidating or reorganizing with the intent to continue or recommence its former business as a nonfinancial institution, the withholding agent has no knowledge that the payee has claimed to be such an entity for more than three years (unless the withholding agent has obtained additional documentary evidence to support the claim that the entity remains in bankruptcy or liquidation), and, with respect to a payment of U.S. source FDAP income, documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section).
  - (iii)(C) Exception for preexisting offshore obligations [§1.1471-3(d)(11)(iii)(C)]  
A withholding agent that makes a payment with respect to an offshore obligation that is also a preexisting obligation may treat a payee as an excepted nonfinancial entity in liquidation or bankruptcy, as described in §1.1471-5(e)(5)(iii), if the withholding agent has preexisting account documentary evidence (as described in paragraph (c)(5)(ii)(B) of this section) that unambiguously indicates that the payee is not a financial institution and is a foreign entity that entered liquidation or bankruptcy within the three years preceding the date of the payment.

## (11)(iv) Identification of section 501(c) organizations [§1.1471-3(d)(11)(iv)]

## (iv)(A) In general [§1.1471-3(d)(11)(iv)(A)]

A withholding agent may treat a payee as a 501(c) organization described in §1.1471-5(e)(5)(v) if the withholding agent can reliably associate the payment with a withholding certificate that identifies the payee as a section 501(c) organization and the payee provides either a certification that the payee has been issued a determination letter by the IRS that is currently in effect concluding that the payee is a section 501(c) organization and providing the date of the letter, or a copy of an opinion from U.S. counsel certifying that the payee is a section 501(c) organization (without regard to whether the payee is a foreign private foundation).

## (iv)(B) Reason to know [§1.1471-3(d)(11)(iv)(B)]

A withholding agent must cease to treat a foreign organization's claim that it is a section 501(c) organization as valid beginning on the earlier of the date on which such agent knows that the IRS has given notice to such foreign organization that it is not a section 501(c) organization or 90 days after the date on which the IRS gives notice to the public that such foreign organization is not a section 501(c) organization. Further, a withholding agent will have reason to know that a payee is not a section 501(c) organization if it has determined, pursuant to its AML due diligence, that the payee has beneficial owners (as defined for purposes of the AML due diligence).

## (11)(v) Identification of non-profit organizations [§1.1471-3(d)(11)(v)]

## (v)(A) In general [§1.1471-3(d)(11)(v)(A)]

A withholding agent may treat a payee as a non-profit organization described in §1.1471-5(e)(5)(vi) if the withholding agent has a withholding certificate that identifies the payee as a non-profit organization.

## (v)(B) Exception for offshore obligations [§1.1471-3(d)(11)(v)(B)]

A withholding agent may treat a payment with respect to an offshore obligation as made to a nonprofit organization without obtaining a withholding certificate for the payee if the payee

(1) Has provided a written statement indicating that the payee is a non-profit organization described in §1.1471-5(e)(5)(vi) and, with respect to a payment of U.S. source FDAP income, has provided documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section); or [§1.1471-3(d)(11)(v)(B)(1)]

(2) Is required to be reported by the withholding agent as a tax-exempt charitable organization under the information reporting laws of the country in which the account is maintained or is permitted an exemption from withholding due to its status as a tax exempt charitable organization under the laws of the country in which the account is maintained, and the withholding agent obtains general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) establishing that the payee was organized for charitable purposes in the same country in which the account is maintained by the withholding agent for the purposes described in §1.1471-5(e)(5)(vi) and that the payee has no beneficial owners (as that term is used for purposes of that country's AML due diligence). [§1.1471-3(d)(11)(v)(B)(2)]

(v)(C) Exception for preexisting offshore obligations [§1.1471-3(d)(11)(v)(C)]  
 A withholding agent that makes a payment with respect to an offshore obligation that is also a preexisting obligation may treat the payee as a nonprofit organization described in §1.1471-5(e)(5)(vi) if the payee-

- (1) Provides a letter of local counsel that certifies that the payee qualifies as a tax-exempt entity in its local jurisdiction; or [§1.1471-3(d)(11)(v)(C)(1)]
- (2) Provides a letter issued by the tax authority of the country in which the payee is organized or a statement provided on the website of such tax authority indicating that the payee is a tax-exempt entity or charitable organization in the payee's country of organization.  
 [§1.1471-3(d)(11)(v)(C)(2)]

(v)(D) Reason to know [§1.1471-3(d)(11)(v)(D)]  
 A withholding agent will have reason to know that a payee is not a nonprofit organization if it has determined, pursuant to its AML due diligence, that the payee has beneficial owners (as defined for purposes of the AML due diligence).

(11)(vi) Identification of NFFEs that are publicly traded corporations [§1.1471-3(d)(11)(vi)]

- (2) Any documentation establishing that the payee is listed on a public securities exchange or on a stock market index and general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section) establishing that the payee is a foreign corporation other than a financial institution.  A withholding agent may treat a payee as an NFFE described in §1.1472-1(c)(1)(ii) (applying to an affiliate of an entity the stock of which is regularly traded on an established exchange) if it has a beneficial owner withholding certificate that

identifies the payee as a foreign corporation that is an affiliate of an entity, described §1.1472-1(c)(1)(i), whose stock is regularly traded on an established exchange and provides the name of the entity that is regularly traded and one of the exchanges upon which the entity's stock is listed.

(vii)(A) Exception for offshore obligations [§1.1471-3(d)(11)(vii)(A)]  
 A withholding agent that makes a payment with respect to an offshore obligation may treat a payment as being made to an NFFE described in §1.1472-1(c)(1)(ii) if the withholding agent obtains

- (2) A written statement that the payee is a foreign corporation that is not a financial institution, that the payee is an affiliate of another nonfinancial entity whose stock is regularly traded on an established securities exchange, providing the name of the payee's affiliate and one of the exchanges upon which the affiliate's stock is traded and, in the case of a payment of U.S. source FDAP income, documentary evidence supporting the payee's claim of foreign status (as described in paragraph (c)(5)(i) of this section). [§1.1471-3(d)(11)(vii)(A)(2)]

(vii)(B) Exception for preexisting offshore obligations [§1.1471-3(d)(11)(vii)(B)]

 A withholding agent may treat a payee as an excepted territory NFFE described in §1.1472-1(c)(1)(iii) if it has a withholding certificate that identifies the payee as an NFFE that was organized in a U.S. territory and includes a certification for chapter 4 purposes that all of its owners are bona fide residents of that U.S. territory.

(viii)(A) Exception for payments made prior to January 1, 2017, with respect to preexisting obligations of \$1,000,000 or less (transitional) [§1.1471-3(d)(11)(viii)(A)]

- (1) Has a pre-FATCA Form W-8 identifying the payee as a foreign entity with a permanent residence address in a U.S. territory; and [§1.1471-3(d)(11)(viii)(A)(1)]
- (2) Has general documentary evidence (as described in paragraph (c)(5)(ii)(A) of this section), preexisting account documentary evidence (as described in paragraph (c)(5)(ii)(B) of this section), or a prospectus establishing that the payee is an entity other than a depository institution, custodial institution, or specified insurance company; and [§1.1471-3(d)(11)(viii)(A)(2)]
- (3) Is subject, with respect to such obligation, to the laws of a FATF-compliant jurisdiction and as part of its AML due diligence has not identified any owners of the payee that are not bona fide residents of the U.S. territory in which the payee is organized. [§1.1471-3(d)(11)(viii)(A)(3)]

(viii)(B) Exception for offshore obligations [§1.1471-3(d)(11)(viii)(B)]  
 A withholding agent that makes a payment with respect to an offshore obligation may treat a payment as being made to an excepted territory NFFE described in §1.1472-1(c)(1)(iii) if it has-

- (1) A written statement providing that the payee is an entity other than a depository institution, custodial institution, or specified insurance company, was organized in a U.S. territory, and is wholly owned by one or more bona fide residents of that U.S. territory, and, with respect to a payment of U.S. source FDAP income, the written statement must indicate that the payee is the beneficial owner of the income and be accompanied by documentary evidence supporting a claim of foreign status (as described in paragraph (c)(5)(i) of this section); or [§1.1471-3(d)(11)(viii)(B)(1)]

*A withholding agent that makes a payment with respect to an offshore obligation that is also a preexisting obligation with a balance or value not exceeding \$1,000,000 on June 30, 2014 (or the effective date of the FFI agreement for a withholding agent that is a participating FFI) and the last day of each subsequent calendar year preceding the payment, applying the aggregation principles of §1.1471-5(b)(4)(iii), may rely upon its review conducted for AML due diligence purposes to determine whether the owners of the payee are bona fide residents of the U.S. territory in which the payee is organized, in lieu of obtaining a written statement or documentary evidence described in paragraph (d)(11)(viii)(B) of this section.*

*The preceding sentence applies only if the withholding agent is subject, with respect to such account, to the laws of a FATF-compliant jurisdiction and has identified the residence of the owners. The withholding agent relying upon this paragraph (d)(11)(viii)(C) must still obtain a written statement, documentary evidence (as provided in*

*paragraph (d)(11)(viii)(B) of this section, or preexisting account documentary evidence (as described in paragraph (c)(5)(ii)(B) of this section) establishing that the payee is an entity other than a depository institution, custodial institution, or specified insurance company organized in a U.S. territory.*

- (ix)(C) Limit on reason to know [§1.1471-3(d)(11)(ix)(C)]

**1-3(e) Standards of knowledge [§1.1471-3(e)]**

**1-3(e)(1) In general [§1.1471-3(e)(1)]**

The standards of knowledge discussed in this section apply for purposes of determining the chapter 4 status of payees, beneficial owners, intermediaries, flow-through entities, and persons that own an interest in an owner-documented FFI. A withholding agent shall be liable for tax, interest, and penalties to the extent provided under section 1474 and the regulations under that section if it fails to withhold the correct amount despite knowing or having reason to know the amount required to be withheld. A withholding agent that cannot reliably associate the payment with documentation and fails to act in accordance with the presumption rules set forth in paragraph (f) of this section may also be liable for tax, interest, and penalties. See paragraph (e)(4) in this section for the specific standards of knowledge applicable to a person's specific claims of chapter 4 status.

**1-3(e)(2) Notification by the IRS [§1.1471-3(e)(2)]**

[Reserved]. For further guidance, see §1.1471-3T(e)(2).

*A withholding agent that has received notification by the IRS that a claim of status as a U.S. person, a participating FFI, a deemed-compliant FFI, or other entity entitled to a reduced rate of withholding under section 1471 or 1472 is incorrect knows that such a claim is incorrect beginning on the date that is 30 days after the date the notice is received.*

**1-3(e)(3) Participating FFIs and registered deemed-compliant FFIs [§1.1471-3(e)(3)]**

[Reserved]. For further guidance, see §1.1471-3T(e)(3).

**GIIN Verification [§1.1471-3(e)(3)]**

**(3)(i) In general [§1.1471-3(e)(3)(i)]**

[Reserved]. For further guidance, see §1.1471-3T(e)(3)(i).

*A withholding agent that has received a payee's claim of status as a participating FFI or registered deemed-compliant FFI, and that is required under paragraph (d)(4) of this section to confirm that the FFI or branch thereof (including an entity that is disregarded as an entity separate from the FFI) claiming status as a participating FFI or registered deemed-compliant FFI has a GIIN that appears on the published IRS FFI list, has reason to know that such payee is not such a financial institution if the payee's name (including a name reasonably similar to the name the withholding agent has on file for the payee) and GIIN do not appear on the most recently published IRS FFI list within 90 days of the date that the claim is made.*

*For purposes of this paragraph (e)(3)(i), the GIIN that the withholding agent must confirm is, with respect to a payee that is a participating FFI or registered deemed-compliant FFI, the GIIN assigned to the FFI identifying its country of residence for tax purposes (or place of organization if the FFI has no country of residence) or, with respect to a payment that is made to a branch of, or an entity that is disregarded as an entity separate from, a participating FFI or registered deemed-compliant FFI located outside of the FFI's country of residence or organization, the GIIN assigned to the FFI identifying the country in which the branch or disregarded entity receiving the payment is located. The withholding agent will have reason to know that a withholdable payment is made to a limited branch (including a disregarded entity) of a participating or registered deemed-compliant FFI when it is directed to make the payment to an address in a jurisdiction other than that of the participating FFI or registered deemed-compliant FFI (or branch of, or disregarded entity wholly owned by, such FFI)*

*that is identified as the FFI (or branch of, or disregarded entity wholly owned by, such FFI) that is supposed to receive the payment and for which the FFI's GIIN is not confirmed as described in the preceding sentence.*

*For example, if a participating FFI has identified Branch A, located in Jurisdiction A, as its branch to receive withholdable payments on a withholding certificate described in §1.1471-3(e)(3)(ii), but subsequently directs the withholding agent to make the payment to an address of the FFI in Jurisdiction B, then the withholding agent will have reason to know that the payment is made to a limited branch, unless the withholding agent obtains documentation to treat the payment to the address in Jurisdiction B as made to a payee that is a participating FFI or deemed-compliant FFI.*

*An FFI whose registration with the IRS as a participating FFI or a registered deemed-compliant FFI is in process but has not yet received a GIIN may provide a withholding agent with a Form W-8 claiming the chapter 4 status it applied for and writing "applied for" in the box for the GIIN. In such case, the withholding agent will have 90 days from the date it receives the Form W-8 to obtain a GIIN and to verify the accuracy of the GIIN against the published IRS FFI list before it has reason to know that the payee is not a participating FFI or registered deemed-compliant FFI.*

*If an FFI is removed from the published IRS FFI list, the withholding agent knows that such FFI is not a participating FFI or registered deemed-compliant FFI on the earlier of the date that the withholding agent discovers that the FFI has been removed from the list or the date that is one year from the date the FFI's GIIN was actually removed from the list.*

(3)(ii) Special rules for reporting Model 1 FFIs [§1.1471-3(e)(3)(ii)] [Reserved]. For further guidance, see §1.1471-3T(e)(3)(ii).

*Prior to January 1, 2015, a withholding agent that receives an FFI's claim of status as a reporting Model 1 FFI will not be required to confirm that the FFI has a GIIN that appears on the published IRS FFI list. A withholding agent has reason to know that the FFI is not a reporting Model 1 FFI if the withholding agent does not have a permanent residence address for the FFI, or an address of the relevant branch of the FFI, located in the country in which the FFI claims to be a reporting Model 1 FFI, or the withholding agent is making a payment to a branch of the FFI at an address in a country that does not have in effect a Model 1 IGA.*

(3)(iii) Special rules for direct reporting NFFEs [§1.1471-3(e)(3)(iii)] [Reserved]. For further guidance, see §1.1471-3T(e)(3)(iii).

*A withholding agent that has received a payee's claim of status as a direct reporting NFFE and that is required under paragraph (d)(11)(x) of this section to confirm that the entity claiming status as a direct reporting NFFE has a GIIN that appears on the published IRS FFI list, has reason to know that such payee is not such a NFFE if the payee's name (including a name reasonably similar to the name the withholding agent has on file for the payee) and GIIN do not appear on the most recently published IRS FFI list within 90 days of the date that the claim is made.*

*A payee whose registration with the IRS as a direct reporting NFFE is in process but has not yet received a GIIN may provide a withholding agent with a Form W-8 claiming the chapter 4 status it applied for and writing "applied for" in the box for the GIIN. In such case, the withholding agent will have 90 days from the date it receives the Form W-8 to verify the accuracy of the GIIN against the published IRS FFI list before it has reason to know that the payee is not a direct reporting NFFE. If a direct reporting NFFE is removed from the published IRS*

*FFI list, the withholding agent knows that such NFFE is not a direct reporting NFFE on the earlier of the date that the withholding agent discovers that the NFFE has been removed from the list or the date that is one year from the date the NFFE's GIIN was actually removed from the list.*

(3)(iv) Special rules for sponsored direct reporting NFFEs and sponsoring entities [§1.1471-3(e)(3)(iv)]

(iv)(A) Sponsored direct reporting NFFEs [§1.1471-3(e)(3)(iv)(A)] [Reserved]. For further guidance, see §1.1471-3T(e)(3)(iv)(A).

*A withholding agent that has received a payee's claim of status as a sponsored direct reporting NFFE and that is required under paragraph (d)(11)(xi) of this section to confirm that the entity claiming status as a sponsored direct reporting NFFE has a GIIN that appears on the published IRS FFI list, has reason to know that such payee is not such a NFFE if its name (including a name reasonably similar to the name the withholding agent has on file for the payee) and GIIN do not appear on the most recently published IRS FFI list within 90 days of the date that the claim is made.*

*A sponsored direct reporting NFFE whose registration with the IRS as a sponsored direct reporting NFFE is in process but has not yet received a GIIN may provide a withholding agent with a Form W-8 claiming the chapter 4 status it applied for and writing "applied for" in the box for the GIIN. In such case, the withholding agent will have 90 days from the date it receives the Form W-8 to verify the accuracy of the GIIN against the published IRS FFI list before it has reason to know that the payee is not a sponsored direct reporting NFFE.*

*If a sponsored direct reporting NFFE is removed from the published IRS FFI list, the withholding agent knows that such NFFE is not a sponsored direct reporting NFFE on the earlier of the date that the withholding agent discovers that the sponsored entity has been removed from the list or the date that is one year from the date the sponsored entity's GIIN was actually removed from the list.*

(iv)(B) Sponsoring entities (transitional rule) [§1.1471-3T(e)(3)(iv)(B)] [Reserved]. For further guidance, see §1.1471-3T(e)(3)(iv)(b).

*For payments made prior to January 1, 2016, a withholding agent that has received a payee's claim of status as a sponsored direct reporting NFFE has reason to know that such payee is not such a NFFE if the name of its sponsoring entity (including a name reasonably similar to the name the withholding agent has on file for the sponsoring entity) and the GIIN of its sponsoring entity do not appear on the most recently published IRS FFI list within 90 days of the date that the claim is made.*

*A sponsoring entity whose registration with the IRS is in process but has not yet received a GIIN may provide a withholding agent with a Form W-8 claiming the chapter 4 status it applied for and writing "applied for" in the box for the GIIN. In such case, the withholding agent will have 90 days from the date it receives the Form W-8 to verify the accuracy of the GIIN against the published IRS FFI list before it has reason to know that the payee is not a sponsored direct reporting NFFE.*

*If the sponsoring entity of the NFFE is removed from the published IRS FFI list, the withholding agent knows that such NFFE is not a*

*sponsored direct reporting NFFE on the earlier of the date that the withholding agent discovers that the sponsoring entity has been removed from the list or the date that is one year from the date the sponsoring entity's GIIN was actually removed from the list.*

1-3(e)(4) *Reason to know [§1.1471-3(e)(4)]*  
 [Reserved]. For further guidance, see §1.1471-3T(e)(4).

*A withholding agent has reason to know that a claim of chapter 4 status is unreliable or incorrect if its knowledge of relevant facts or statements contained in the withholding certificate or other documentation is such that a reasonably prudent person in the position of the withholding agent would question the claim being made. For an obligation other than a preexisting obligation, a withholding agent has reason to know that a person's claim of chapter 4 status is unreliable or incorrect if any information contained in its account opening files or other customer account files, including documentation collected for AML due diligence purposes, conflicts with the chapter 4 status being claimed.*

*A withholding agent will not, however, have reason to know that a person's claim of chapter 4 status is unreliable or incorrect based on documentation collected for AML due diligence purposes until the date that is 30 days after the obligation is created. In addition to the specific standards of knowledge set forth in this paragraph (e) regarding a person's claim of chapter 4 status, a withholding agent is also required to apply any specific standards of knowledge applicable to the chapter 4 status claimed as set forth in paragraph (d) of this section.*

*A withholding agent that has obtained documentation to reliably associate a payment to a foreign person under paragraph (c) of this section has reason to know that the person's claim of foreign status is unreliable or incorrect only to the extent provided in this paragraph (e)(4). See also §1.1441-1(e)(4)(ii)(D) for requirements that apply when a change in circumstances occurs for purposes of chapter 3 and the related grace period allowed under §1.1441-1(b)(3)(iv).*

*The limits on reason to know for multiple obligations held by the same person set forth in §1.1441-7(b)(11) shall apply by substituting the term chapter 4 status for the term foreign status. See §1.1471-3(e)(4)(vii) for the limits on reason to know with respect to a preexisting obligation.*

(4)(i) *Information conflicting with person's claim of chapter 4 status [§1.1471-3(e)(4)(i)]*  
 [Reserved]. For further guidance, see §1.1471-3T(e)(4)(i).

*Reason to know regarding an entity's chapter 4 status [§1.1471-3T(e)(4)(i)]*

*A withholding agent has reason to know that a withholding certificate, written statement, or documentary evidence provided by or on behalf of an entity is unreliable or incorrect if there is information on the face of the documentation or in the withholding agent's account files that conflicts with the entity's claim regarding its chapter 4 status. For example, a withholding agent has reason to know that an entity's claim that it is an excepted NFFE is unreliable or incorrect if the withholding agent has obtained a financial statement or credit report for AML purposes that indicates that the entity is engaged in business as a financial institution.*

*See also paragraph (e)(4) of this section for the 30-day period before a withholding agent has reason to know a claim is unreliable or incorrect based on AML information. Further, a withholding agent that has classified an entity as engaged in a particular type of business based on its records, such as through the use of a standardized industry coding system, has reason to know that the chapter 4 status claimed by the entity is unreliable or incorrect if the entity's*

*claim conflicts with the withholding agent's classification of the entity's business type.*

(4)(ii) ~~Specific standards of knowledge applicable to withholding certificates [§1.1471-3(e)(4)(ii)][Reserved]. For further guidance, see §1.1471-3T(e)(4)(ii) through (E)(4)(ii).~~

*Reason to know applicable to withholding certificates [§1.1471-3T(e)(4)(ii)]*

(ii)(A) ~~In general [§1.1471-3(e)(4)(ii)(A)][Reserved]. For further guidance, see §1.1471-3T(e)(4)(ii)(A).~~

*A withholding agent has reason to know that a withholding certificate provided by a person is unreliable or incorrect if the withholding certificate is incomplete with respect to any item on the certificate that is relevant to the claims made by the person, the withholding certificate contains any information that is inconsistent with the person's claim, the withholding agent has other account information that is inconsistent with the person's claim, or the withholding certificate lacks information necessary to establish entitlement to an exemption from withholding for chapter 4 purposes.*

*Except as otherwise provided in this paragraph (e)(4)(ii)(A), a withholding agent that has obtained a withholding certificate to reliably associate a payment to a foreign person under paragraph (c) of this section has reason to know that the person's claim of foreign status is unreliable or incorrect only if there are U.S. indicia, as described in §1.1441-7(b)(5), associated with the person and for which appropriate documentation sufficient to cure the U.S. indicia has not been obtained in accordance with §1.1441-7(b) within 90 days of when the U.S. indicia was first identified by the withholding agent.*

*See also §1.1441-1(e)(4)(ii)(D) for requirements that apply when a change in circumstances occurs for purposes of chapter 3 and the related grace period allowed under §1.1441-1(b)(3)(iv). A withholding agent that relies on an agent to review and maintain a withholding certificate is considered to know or have reason to know the facts within the knowledge of the agent.*

(ii)(B) ~~Withholding certificate provided by an FFI [§1.1471-3(e)(4)(ii)(B)][Reserved]. For further guidance, see §1.1471-3T(e)(4)(ii)(B).~~

*A withholding agent that obtains a withholding certificate to reliably associate a payment to a participating FFI, a registered deemed-compliant FFI, a sponsoring entity, or a sponsored FFI does not need to apply the standards of knowledge described in §1.1441-7(b)(5) if it has confirmed the FFI's GIIN on the current published IRS FFI list, in the manner described under paragraph (e)(3) of this section, within 90 days of receipt of the withholding certificate.*

(4)(iii) ~~Reason to know applicable to written statements [§1.1471-3(e)(4)(iii)][Reserved]. For further guidance, see §1.1471-3T(e)(4)(iii).~~

*A withholding agent must apply the standards of knowledge applicable to withholding certificates, as set forth in paragraph (e)(4)(ii) of this section, to determine whether it has reason to know that a written statement is unreliable or incorrect in terms of establishing a person's claim of foreign status. The rules under paragraph (e)(4)(ii) shall be applied by substituting the term written statement for withholding certificate.*

(4)(iv) Reason to know applicable to documentary evidence [§1.1471-3(e)(4)(iv)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(iv).

(iv)(A) In general [§1.1471-3(e)(4)(iv)(A)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(iv)(A).

*A withholding agent may not treat documentary evidence provided by a person as valid if the documentary evidence does not reasonably establish the identity of the person presenting the documentary evidence. For example, documentary evidence is not valid if it is provided in person by an individual and the photograph or signature on the documentary evidence does not match the appearance or signature of the person presenting the document. A withholding agent may not treat documentary evidence as valid if the documentary evidence contains information that is inconsistent with the person's claim as to its chapter 4 status, the withholding agent has other account information that is inconsistent with the person's chapter 4 status, or the documentary evidence lacks information necessary to establish the person's chapter 4 status. Additionally, a withholding agent that has obtained documentary evidence to reliably associate a payment to a foreign person under paragraph (c) of this section has reason to know that the person's claim of foreign status is unreliable or incorrect only if there are U.S. indicia, as described in §1.1441-7(b)(8), associated with the person and appropriate documentation sufficient to cure the U.S. indicia has not been obtained in accordance with §1.1441-7(b) within 90 days of when the U.S. indicia was first identified by the withholding agent. See also §1.1441-1(e)(4)(ii)(D) for requirements when a change in circumstances occurs for purposes of chapter 3 and the related grace period allowed under §1.1441-1(b)(3)(iv).*

(iv)(B) Classification of U.S. status, U.S. address, or U.S. telephone number [§1.1471-3(e)(4)(iv)(B)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(iv)(B).

*Standards of knowledge applicable to certain types of documentary evidence*

(1) Presumption of individual's foreign status [§1.1471-3(e)(4)(iv)(B)(1)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(iv)(B)(1).

*A withholding agent that obtains a financial statement for purposes of establishing that a foreign payee meets a certain asset threshold has reason to know that the chapter 4 status claimed is unreliable or incorrect only if the total assets shown on the financial statement for the payee, and if relevant the payee's expanded affiliated group, are not within the permissible thresholds, or the footnotes to the financial statement indicate that the payee is not a foreign entity or is not a type of FFI eligible for the chapter 4 status claimed. A withholding agent that obtains a financial statement for purposes of establishing that the payee is an active NFFE will be required to review the balance sheet and income statement to determine whether the payee meets the income and asset thresholds set forth in §1.1472-1(c)(1)(iv) and the footnotes of the financial statement for an indication that the payee is not a foreign entity or is a financial institution.*

*A withholding agent that obtains a financial statement for purposes of establishing a chapter 4 status for a payee that does not require the payee to meet an asset or income threshold will be required to review only the footnotes to the financial statement to determine whether the financial statement supports the claim of*

*chapter 4 status. A withholding agent that is not relying upon a financial statement to establish the chapter 4 status of the payee (for example because it has other documentation that establishes the payee's chapter 4 status) is not required to independently evaluate the financial statement solely because the withholding agent also has collected the financial statement in the course of its account opening or other procedures.*

(2) **Presumption of entity's foreign status** [§1.1471-3(e)(4)(iv)(B)(2)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(iv)(B)(2).

*Organizational documents*

*A withholding agent that obtains organizational documents for a payee solely for the purpose of supporting the chapter 4 status claimed by the entity will only be required to review the document sufficiently to establish that the entity is a foreign person and that the purposes for which the entity was formed and its basic activities appear to be of a type consistent with the chapter 4 status claimed, unless otherwise specified in paragraph (d) of this section.*

*A withholding agent that obtains organizational documents for the purpose of establishing that an entity has a particular chapter 4 status will only be required to review the document to the extent needed to establish that the entity is a foreign person, that the requirements applicable to the particular chapter 4 status are met, and that the document was executed, but will not be required to review the remainder of the document.*

(4)(v) Specific standards of knowledge applicable when only documentary evidence is a code or classification described in paragraph (c)(5)(ii)(B) of this section [§1.1471-3(e)(4)(v)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(v).

*A withholding agent may not rely upon a classification described in paragraph (c)(5)(ii)(B) of this section or a standardized industry coding system to treat an entity as having a foreign status if there are U.S. indicia described in paragraph (e)(4)(v)(A) of this section associated with the entity, unless such U.S. indicia are cured in the manner set forth in paragraph (e)(4)(v)(B) of this section.*

(v)(A) U.S. indicia for entities [§1.1471-3(e)(4)(v)(A)]  
The term U.S. indicia when used with respect to an entity includes, for purposes of this paragraph (e)(4)(v) any of the following-

- (1) Classification of an account holder as a U.S. resident in the withholding agent's customer files; [§1.1471-3(e)(4)(v)(A)(1)]
- (2) A current U.S. residence address or U.S. mailing address; [§1.1471-3(e)(4)(v)(A)(2)]
- (3) With respect to an offshore obligation, standing instructions to pay amounts to a U.S. address or an account maintained in the United States; [§1.1471-3(e)(4)(v)(A)(3)]
- (4) A current telephone number for the entity in the United States but no telephone number for the entity outside of the United States; [§1.1471-3(e)(4)(v)(A)(4)]

- (5) A current telephone number for the entity in the United States in addition to a telephone number for the entity outside of the United States; [§1.1471-3(e)(4)(v)(A)(5)]
- (6) A power of attorney or signatory authority granted to a person with a U.S. address; and [§1.1471-3(e)(4)(v)(A)(6)]
- (7) An “in-care-of” address or “hold mail” address that is the sole address provided for the entity. [§1.1471-3(e)(4)(v)(A)(7)]

(v)(B) Documentation required to cure U.S. indicia [§1.1471-3(e)(4)(v)(B)] A withholding agent may rely upon a code or classification described in paragraph (c)(5)(ii)(B) of this section to treat an entity as having a foreign chapter 4 status if there are U.S. indicia associated with the entity and the withholding agent obtains the relevant documentation described in this paragraph (e)(4)(v)(B).

- (1) [Reserved]. For further guidance, see §1.1471-3T(e)(4)(v)(B)(1). [§1.1471-3(e)(4)(v)(B)(1)]  
*If there are U.S. indicia described in paragraphs (e)(4)(v)(A)(1) through (4) of this section associated with the entity, the withholding agent may treat the entity as a foreign person only if the withholding agent obtains a withholding certificate for the entity and one form of documentary evidence, described in paragraph (c)(5) of this section, that establishes the entity's status as a foreign person (such as a certificate of incorporation).*
- (2) [Reserved]. For further guidance, see §1.1471-3T(e)(4)(v)(B)(2). [§1.1471-3(e)(4)(v)(B)(2)]  
*If there are U.S. indicia described in paragraphs (e)(4)(v)(A)(1) through (4) of this section associated with the entity and the withholding agent is making a payment with respect to an offshore obligation, the withholding agent may also treat the entity as a foreign person if the withholding agent obtains a withholding certificate for the entity and the withholding agent treats the entity as foreign for purposes of foreign tax reporting.*
- (3) If there are indicia described in paragraphs (e)(4)(v)(A)(5) through (7) of this section associated with the entity, the withholding agent may treat the entity as a foreign person if the withholding agent obtains a withholding certificate or one form of documentary evidence, described in paragraph (c)(5) of this section, that establishes the entity's status as a foreign person (such as a certificate of incorporation). [§1.1471-3(e)(4)(v)(B)(3)]

(4)(vi) Specific standards of knowledge applicable to documentation received from intermediaries and flow-through entities [§1.1471-3(e)(4)(vi)]

(vi)(A) In general [§1.1471-3(e)(4)(vi)(A)]  
 A withholding agent that receives documentation from a payee through an intermediary or flow-through entity is required to review all documentation obtained with respect to the payee and all intermediaries and/or flow-through entities in the chain of payment, applying the standards of knowledge set forth in paragraph (e) of this section. This standard requires, but is not limited to, a withholding agent's compliance with the rules of paragraphs (e)(4)(vi)(A)(1) and (2) of this section.

(1) The withholding agent is required to review the withholding statement or owner reporting statement provided and may not rely on information in the statement to the extent the information does not support the claims made regarding the chapter 4 status of the person. For this purpose, a withholding agent may not treat a person as a foreign person if an address in the United States is provided for such person unless the withholding statement is accompanied by a valid withholding certificate and documentary evidence establishing foreign status (as described in paragraph (c)(5)(i) of this section). [§1.1471-3(e)(4)(vi)(A)(1)]

(2) The withholding agent must review each withholding certificate and written statement in accordance with paragraph (e)(4)(i) through (iii) of this section and all documentary evidence in accordance with paragraph (e)(4)(i) and (iv) of this section, and must verify that the information contained on the withholding certificate, written statement, and documentary evidence is consistent with the information on the withholding statement or owner reporting statement.

If there is a discrepancy between the withholding certificate, written statement, or documentary evidence and the withholding statement or owner reporting statement, the withholding agent may choose to rely on the withholding certificate, written statement, or documentary evidence provided such documentation is valid and the intermediary or flow-through entity does not indicate that the documentation is unreliable or inaccurate, or may apply the presumption rules set forth in paragraph (f) of this section. If the withholding agent chooses to rely upon the withholding certificate, written statement, or documentary evidence, the withholding agent is required to instruct the intermediary or flow-through entity to correct the withholding statement and confirm that the intermediary or flow-through entity does not know or have reason to know that the documentation is unreliable or inaccurate. [§1.1471-3(e)(4)(vi)(A)(2)]

(vi)(B) Limits on reason to know with respect to documentation received from participating FFIs and registered deemed-compliant FFIs that are intermediaries or flow-through entities [§1.1471-3(e)(4)(vi)(B)] [Reserved]. For further guidance, see §1.1471-3T(e)(4)(vi)(B).

*A withholding agent that receives documentation from a participating FFI or registered deemed-compliant FFI that is not the payee must apply the requirements of paragraph (e)(4)(vi)(A) of this section, except that the withholding agent may rely upon the chapter 4 status provided by the participating FFI or registered deemed-compliant FFI in the withholding statement unless the withholding agent has information that conflicts with the chapter 4 status provided. If underlying*

*documentation is provided for the payee and information in the documentation or in the withholding agent's records conflicts with the chapter 4 status claimed, the withholding agent has reason to know that the chapter 4 status claimed is unreliable or incorrect.*

*A withholding agent is not, however, required to verify information contained in documentation provided by an intermediary or flow-through entity that is a participating FFI or registered deemed-compliant FFI that is not facially incorrect and is not required to obtain supporting documentation for the payee in addition to a withholding certificate unless the withholding agent obtains such documentation for purposes of chapters 3 or 61 or unless the withholding agent knows that the review conducted by the participating FFI or registered deemed-compliant FFI for purposes of chapter 4 was not adequate.*

*For example, a withholding agent that receives a withholding statement from a participating FFI that is an intermediary stating that the payee is a registered deemed-compliant FFI is only required to determine that any withholding certificate provided for the payee contains a GIIN and that the GIIN does not appear to be facially invalid (for example, because it does not contain the correct amount of digits), but is not subject to the requirements set forth in paragraph (e)(3) of this section.*

*Similarly, a withholding agent that receives from a participating FFI that is a partnership a withholding statement claiming that the payee is an active NFFE has reason to know that the claim is unreliable or incorrect if it receives a withholding statement that contains a U.S. address for the payee unless the partnership also provides a copy of documentation sufficient to cure the U.S. indicia in the manner set forth in paragraph (e) of this section or the withholding statement indicates that appropriate documentation sufficient to cure the U.S. indicia in the manner set forth in paragraph (e) of this section has been obtained and provides details of such documentation, such as the type of documentation and an identification number of the person contained in the document.*

(4)(vii) Limits on reason to know [§1.1471-3(e)(4)(vii)]

(vii)(A) Scope of review for preexisting obligations of entities [§1.1471-3(e)(4)(vii)(A)]

For purposes of determining whether a withholding agent that makes a payment with respect to a preexisting obligation to an entity has reason to know that the chapter 4 status applied to the entity is unreliable or incorrect, the withholding agent is only required to review information contradicting the chapter 4 status claimed if such information is contained in the current customer master file, the most recent withholding certificate, written statement, and documentary evidence for the person, the most recent account opening contract, the most recent documentation obtained by the withholding agent for purposes of AML due diligence or for other regulatory purposes, any power of attorney or signature authority forms currently in effect, and any standing instructions to pay amounts that is currently in effect.

(vii)(B) Reason to know there is a U.S. telephone number associated with a preexisting obligation [§1.1471-3(e)(4)(vii)(B)]  
[Reserved]. For further guidance, see §1.1471-3T(e)(4)(vii)(B).

*With respect to a preexisting obligation, a withholding agent may apply the limits on reason to know described in §1.1441-7(b)(3)(ii) for a person that the withholding agent has previously documented for*

*purposes of chapters 3 or 61 (applied without regard to the fact that section 1441 generally applies to reportable amounts under chapter 3 and without regard to whether the person was so documented before July 1, 2014).*

*A withholding agent that applies the limits on reason to know described in §1.1441-7(b)(3)(ii) must, however, review for U.S. indicia any additional documentation upon which the withholding agent is relying to determine the chapter 4 status of the person, if any.*

(4)(viii) Reasonable explanation supporting claim of foreign status [§1.1471-3(e)(4)(viii)]

(viii)(A) A reasonable explanation supporting a claim of foreign status for an individual means a written statement prepared by the individual (or the individual's completion of a checklist provided by the withholding agent), stating that the individual meets one of the requirements of paragraphs (e)(4)(viii)(A) through (D). The individual certifies that he or she [§1.1471-3(e)(4)(viii)(A)]

- (1) Is a student at a U.S. educational institution and holds the appropriate visa; [§1.1471-3(e)(4)(viii)(A)(1)]
- (2) Is a teacher, trainee, or intern at a U.S. educational institution or a participant in an educational or cultural exchange visitor program, and holds the appropriate visa; [§1.1471-3(e)(4)(viii)(A)(2)]
- (3) Is a foreign individual assigned to a diplomatic post or a position in a consulate, embassy, or international organization in the United States; or [§1.1471-3(e)(4)(viii)(A)(3)]
- (4) [Reserved]. For further guidance, see §1.1471-3T(e)(4)(viii)(A)(4). [§1.1471-3(e)(4)(viii)(A)(4)]

*Is a spouse or unmarried child under the age of 21 years of an individual described in one of the paragraphs (e)(4)(viii)(A)(1) through (3) of this section;*

(viii)(B) The individual provides information demonstrating that he or she has not met the substantial presence test set forth in §301.7701(b)-1(c) of this chapter (for example, a written statement indicating the number of days present in the United States during the three-year period that includes the current year); [§1.1471-3(e)(4)(viii)(B)]

(viii)(C) The individual certifies that he or she meets the closer connection exception described in §301.7701(b)-2, states the country to which the individual has a closer connection, and demonstrates how that closer connection has been established; or [§1.1471-3(e)(4)(viii)(C)]

(viii)(D) With respect a payment entitled to a reduced rate of tax under a U.S. income tax treaty, the individual certifies that he or she is treated as a resident of a country other than the United States and is not treated as a U.S. resident or U.S. citizen for purposes of that income tax treaty. [§1.1471-3(e)(4)(viii)(D)]

1-3(e)(5)

*Conduit financing arrangements [§1.1471-3(e)(5)]*

The rules set forth in §1.1441-7(f), regarding a withholding agent's liability for failing to withhold in the case in which the financing arrangement is a conduit financing arrangement, apply for purposes determining a withholding agent's liability for any withholding required under chapter 4.

1-3(e)(6) *Additional guidance [§1.1471-3(e)(6)]*

The IRS may prescribe other circumstances for which a withholding certificate or documentary evidence to establish a payee's chapter 4 status is unreliable or incorrect in addition to the circumstances described in this paragraph (e).

1-3(f) *Presumptions regarding chapter 4 status of the person receiving the payment in the absence of documentation [§1.1471-3(f)]*1-3(f)(1) *In general [§1.1471-3(f)(1)]*

[Reserved]. For further guidance, see §1.1471-3T(f)(1).

*A withholding agent that cannot, prior to the payment, reliably associate (within the meaning of paragraph (c) of this section) the payment with valid documentation may rely on the presumptions of this paragraph (f) to determine the status of the payee (or other person receiving the payment) as a U.S. or foreign person and such person's other relevant characteristics (for example, as a nonparticipating FFI).*

- *Paragraph (f)(2) of this section provides the presumption rules with respect to classification as an individual or entity.*
- *Paragraph (f)(3) of this section provides the presumption rules to determine a payee's U.S. or foreign status.*
- *Paragraph (f)(4) of this section provides the presumption rules with respect to an entity's chapter 4 status.*
- *Paragraph (f)(5) of this section provides the presumption rules with respect to an intermediary or flow-through entity. Paragraph (f)(6) of this section provides the presumption rules with respect to effectively connected income paid to a U.S. branch of a payee.*
- *Paragraph (f)(7) of this section provides the presumption rules that apply to a payment made to joint payees.*
- *Paragraph (f)(8) of this section provides rules for how a payee may rebut the presumptions described in this paragraph (f).*
- *Paragraph (f)(9) of this section provides the consequences to a withholding agent that fails to withhold in accordance with the presumptions set forth in this paragraph (f) or that has actual knowledge or reason to know facts that are contrary to the presumptions set forth in this paragraph (f).*

1-3(f)(2) *Presumptions of classification as an individual or entity [§1.1471-3(f)(2)]*

[Reserved]. For further guidance, see §1.1471-3T(f)(2).

*A withholding agent that cannot reliably associate a payment with a valid withholding certificate, or that has received valid documentary evidence (as described in paragraph (c)(5) of this section), but cannot determine a payee's status as an individual or an entity from the documentary evidence, must apply the presumption rules of §1.1441-1(b)(3)(ii) to determine the payee's classification as an individual, trust, partnership, corporation, intermediary, or flow-through entity. Additionally, a withholding agent that receives valid documentary evidence with respect to an entity must apply the rules under §1.1441-1(b)(3)(ii) to determine when it may treat such entity as a beneficial owner.*

1-3(f)(3)	<p><i>Presumptions of U.S. or foreign status [§1.1471-3(f)(3)]</i>  [Reserved]. 1-3(f)(4)	<p><i>Presumption of chapter 4 status for a foreign entity [§1.1471-3(f)(4)]</i>  [Reserved]. 1-3(f)(5)	<p><i>Presumption of status as an intermediary [§1.1471-3(f)(5)]</i>  [Reserved]. 1-3(f)(6)	<p><i>Presumption of effectively connected income for payments to certain U.S. branches [§1.1471-3(f)(6)]</i>  [Reserved]. For further guidance, see §1.1471-3T(f)(6).</p> <p><i>A withholding agent that makes a payment to a U.S. branch described in this paragraph (f)(6) may presume, in the absence of documentation indicating otherwise, that the U.S. branch is the payee of a payment that is effectively connected with the conduct of a trade or business in the United States if the withholding agent has obtained an EIN from the U.S. branch (either orally or in writing). A U.S. branch is described in this paragraph (f)(6) if it is a U.S. branch of a foreign bank subject to regulatory supervision by the Federal Reserve Board or a U.S. branch of a foreign insurance company required to file an annual statement on a form approved by the National Association of Insurance Commissioners with the Insurance Department of a State, a Territory, or the District of Columbia.</i></p> <p><i>A payment is treated as made to a U.S. branch of a foreign bank or foreign insurance company if the payment is credited to an account maintained in the United States in the name of a U.S. branch of the foreign person, or the payment is made to an address in the United States where the U.S. branch is located and the name of the U.S. branch appears on documents (in written or electronic form) associated with the payment (for example, the check mailed or letter addressed to the branch).</i></p>

1-3(f)(7) *Joint payees [§1.1471-3(f)(7)]*

(7)(i) In general [§1.1471-3(f)(7)(i)]  
 [Reserved]. For further guidance, see §1.1471-3T(f)(7)(i).

*If a withholding agent makes a payment to joint payees and cannot reliably associate the payment with valid documentation from each payee but all of the joint payees appear to be individuals, then the payment is presumed made to an unidentified U.S. person. If any joint payee does not appear, by its name and other information contained in the account file, to be an individual, then the entire payment will be treated as made to a nonparticipating FFI. However, if one of the joint payees provides a Form W-9 in accordance with the procedures described in §§31.3406(d)-1 through 31.3406(d)-5, the payment shall be treated as made to that payee.*

(7)(ii) Exception for offshore obligations [§1.1471-3(f)(7)(ii)]  
 [Reserved]. For further guidance, see §1.1471-3T(f)(7)(ii).

*If a withholding agent makes a payment outside the United States with respect to an offshore obligation held by joint payees and cannot reliably associate a payment with valid documentation from each payee but all of the joint payees appear to be individuals, then the payment is presumed made to an unknown foreign individual if the payment with respect to the offshore obligation is made outside the United States (as described in §1.6049-5(e)).*

1-3(f)(8) *Rebuttal of presumptions [§1.1471-3(f)(8)]*  
 [Reserved]. For further guidance, see §1.1471-3T(f)(8).

*A payee may rebut the presumptions described in paragraphs (f)(2) through (7) of this section by providing reliable documentation to the withholding agent or, if applicable, to the IRS.*

1-3(f)(9) *Effect of reliance on presumptions and of actual knowledge or reason to know otherwise [§1.1471-3(f)(9)]*

(9)(i) In general [§1.1471-3(f)(9)(i)]  
 [Reserved]. For further guidance, see §1.1471-3T(f)(9)(i).

*Except as otherwise provided in this paragraph (f)(9), a withholding agent that withholds on a payment under section 1471 or 1472 in accordance with the presumptions set forth in this paragraph (f) shall not be liable for withholding under this section even if it is later established that the payee has a chapter 4 status other than the status presumed.*

*A withholding agent that fails to report and withhold in accordance with the presumptions described in paragraphs (f)(2) through (7) of this section with respect to a payment that it cannot reliably associate with valid documentation shall be liable for tax, interest, and penalties. See §1.1474-1(a) for the extent of a withholding agent's liability for failing to withhold in accordance with the presumptions described in this paragraph (f).*

(9)(ii) Actual knowledge or reason to know that amount of withholding is greater than is required under the presumptions or that reporting of the payment is required [§1.1471-3(f)(9)(ii)]  
 [Reserved]. For further guidance, see §1.1471-3T(f)(9)(ii).

*Notwithstanding the provisions of paragraph (f)(9)(i) of this section, a withholding agent that knows or has reason to know that the status or characteristics of the person are other than what is presumed under this*

*paragraph (f) may not rely on the presumptions described in this paragraph (f) to the extent that, if it determined the status of the person based on such knowledge or reason to know, it would be required to withhold (under this section or another withholding provision of the Code) an amount greater than would be the case if it relied on the presumptions described in this paragraph (f). In such a case, the withholding agent must rely on its knowledge or reason to know rather than on the presumptions set forth in this paragraph (f). Failure to do so shall result in liability for tax, interest, and penalties to the extent described in §1.1474-1(a).*

**1-3(g) Effective/applicability date [§1.1471-3(g)]**

This section generally applies on January 28, 2013. For other dates of applicability, see §§1.1471-3(d)(1); 1.1471-3(d)(4)(i), (ii), and (iv); 1.1471-3(d)(6)(v); 1.1471-3(d)(11)(viii)(A); 1.1471-3(d)(12)(iii)(B); 1.1471-3(e)(3)(ii); and 1.1471-3(e)(4)(vii)(B).

**1-3(h) Expiration date [§1.1471-3(h)]**

[Reserved]. For further guidance, see §1.1471-3T(h).

*The applicability of this section expires on February 28, 2017.*

1-4 §1.1471-4 FFI agreement [§1.1471-4]1-4(a) *In general [§1.1471-4(a)]*

An FFI agreement will be in effect in accordance with section 1471(b) if an FFI registers with the IRS pursuant to procedures prescribed by the IRS and agrees to comply with the terms of an FFI agreement. The FFI agreement will incorporate the requirements set forth in this section, any modifications set forth in an applicable Model 2 IGA, and any provisions applicable to a reporting Model 1 FFI.

1-4(a)(1) *Withholding [§1.1471-4(a)(1)]*

A participating FFI is required to deduct and withhold tax with respect to payments made to recalcitrant account holders and nonparticipating FFIs to the extent required under paragraph (b) of this section. A participating FFI that is prohibited by foreign law from withholding as required under paragraph (b) of this section with respect to an account must close such account within a reasonable period of time or must otherwise block or transfer such account as described in paragraph (i) of this section.

1-4(a)(2) *Identification and documentation of account holders [§1.1471-4(a)(2)]*

A participating FFI is required to obtain such information regarding each holder of each account maintained by the participating FFI to determine whether each account is a U.S. account or an account held by a recalcitrant account holder or nonparticipating FFI in accordance with the due diligence procedures for identifying and documenting account holders described in paragraph (c) of this section.

1-4(a)(3) *Reporting [§1.1471-4(a)(3)]*

[Reserved]. For further guidance, see §1.1471-4T(a)(3).

*A participating FFI is required to report the information described in paragraph (d) of this section annually with respect to U.S. accounts under section 1471(c) and accounts held by recalcitrant account holders. A participating FFI must also comply with the filing requirements described in §1.1474-1(c) and (d) to report payments that are chapter 4 reportable amounts paid to recalcitrant account holders and nonparticipating FFIs (including the transitional reporting of foreign reportable amounts paid to nonparticipating FFIs for calendar years 2015 and 2016 described in §1.1471-4(d)(2)(ii)(F)).*

*A participating FFI that is unable to obtain a waiver, if required by foreign law, to report an account as required under paragraph (d) of this section must close or transfer such account within a reasonable period of time as described in paragraph (i) of this section.*

1-4(a)(4) *Expanded affiliated group [§1.1471-4(a)(4)]*

Except as otherwise provided in Model 1 IGA or Model 2 IGA, in order for any FFI that is a member of an expanded affiliated group to be a participating FFI, each FFI that is a member of the expanded affiliated group must be a participating FFI or registered deemed-compliant FFI as described in paragraph (e) of this section. For a limited period described in paragraph (e)(2) or (e)(3) of this section, however, a branch of an FFI or an FFI that is a member of an expanded affiliated group and is unable under foreign law to satisfy the requirements of this section may instead obtain status as a limited branch of a participating FFI or limited FFI if the branch or FFI meets the requirements set forth in paragraph (e)(2) or (e)(3) of this section (as applicable).

1-4(a)(5) *Verification [§1.1471-4(a)(5)]*

A participating FFI is required to adopt a compliance program as described in paragraph (f) of this section under the authority of the responsible officer, who will be required to certify periodically to the IRS on behalf of the FFI regarding the participating FFI's compliance with the requirements of the FFI agreement. If the IRS identifies concerns about the participating FFI's compliance, the IRS may request additional information to verify compliance with the requirements of the FFI agreement as described in paragraph (f)(4) of this section.

1-4(a)(6)	<i>Event of default [§1.1471-4(a)(6)]</i> A participating FFI is required to cure an event of default with respect to the FFI agreement as defined in paragraph (g) of this section. Upon the occurrence of an event of default, the IRS will deliver to a participating FFI a notice of default and will allow the FFI an opportunity to cure the event of default as described in paragraph (g) of this section.
1-4(a)(7)	<i>Refunds [§1.1471-4(a)(7)]</i> A participating FFI may file a collective refund on behalf of certain account holders and payees for amounts withheld by the participating FFI or its withholding agent under chapter 4 in excess of the account holder or payee's U.S. tax liability to the extent permitted in paragraph (h) of this section. A participating FFI may also make an adjustment for overwithholding using either the reimbursement procedure described in <u>§1.1474-2(a)(3)</u> or the set-off procedure described in <u>§1.1474-2(a)(4)</u> .
<b>1-4(b) Withholding requirements [§1.1471-4(b)]</b>	
1-4(b)(1)	<i>In general [§1.1471-4(b)(1)]</i> [Reserved]. For further guidance, see §1.1471-4T(b)(1).
<i>Except as otherwise provided in a Model 2 IGA, a participating FFI is required to deduct and withhold a tax equal to 30 percent of any withholdable payment made by such participating FFI to an account held by a recalcitrant account holder or to a nonparticipating FFI after June 30, 2014, to the extent required under paragraph (b)(3) of this section.</i>

1-4(b)(2)	<i>Withholding determination [§1.1471-4(b)(2)]</i> [Reserved]. For further guidance, see §1.1471-4T(b)(2).
<i>Except as otherwise provided under §1.1471-2 and, with respect to certain preexisting accounts, under paragraph (c) of this section, a participating FFI is required to determine whether withholding applies at the time a payment is made by reliably associating the</i>	

*payment with valid documentation described in paragraph (c) of this section for the payee of the payment. For a payment made to an account, if the account is held by one or more individuals, the payee is each individual account holder. For a payment made to an account held by an entity, except as otherwise provided in §1.1471-3(a)(3), the payee is the account holder. If the participating FFI makes a withholdable payment to a payee that is an entity and the payment is made with respect to an obligation that is not an account, except as otherwise provided in §1.1471-3(a)(3), the payee is the person to whom the payment is made.*

*See §1.1473-1(a) to determine when a payment is made in the case of a withholdable payment. If a participating FFI cannot reliably associate a payment (or any portion of a payment) with valid documentation, the rules described in paragraph (c) of this section shall apply to determine the chapter 4 status of the account holder (and payee if other than the account holder). Notwithstanding the foregoing, a participating FFI may establish after the date of payment that withholding was not required to the extent permitted under §1.1471-3(c)(7) or may apply the procedures provided in §1.1474-2 when overwithholding occurs.*

1-4(b)(3) *Satisfaction of withholding requirements [§1.1471-4(b)(3)]*

(3)(i) In general. [§1.1471-4(b)(3)(i)]  
 [Reserved]. For further guidance, see §1.1471-4T(b)(3)(i).

*A participating FFI that complies with the withholding obligations of this paragraph (b) with respect to accounts held by recalcitrant account holders and payees that are nonparticipating FFIs shall be deemed to satisfy its withholding obligations under sections 1471(a) and 1472 with respect to such account holders and payees.*

(3)(ii) Withholding not required. [§1.1471-4(b)(3)(ii)]  
 [Reserved]. For further guidance, see §1.1471-4T(b)(3)(ii).

*A participating FFI that is an NQI, NWP, NWT, or that is a QI that elects under section 1471(b)(3) not to assume withholding responsibility for a payment and that provides its withholding agent with the information necessary to allocate all or a portion of the payment to each payee as part of a withholding certificate described in §1.1471-3(c)(3)(iii) will generally not be required to withhold under paragraph (b)(1) of this section.*

- *See §1.1471-2(a)(2)(ii), however, for the circumstances under which a participating FFI that is an NQI, NWP, or NWT has a residual withholding responsibility.*
- *See also §1.1471-3(c)(9)(iii)(B) for the circumstances under which a participating FFI that is a broker has a residual withholding responsibility as an intermediary of the payment and may also be liable for any underwithholding that occurs.*
- *See §§1.1471-2(a) and 1.1472-1(a)(2)(i) and the QI, WP, or WT agreement for the withholding requirements of a participating FFI that is a QI, WP, or WT for purposes of chapter 4.*

(3)(iii) Election to withhold under section 3406. [§1.1471-4(b)(3)(iii)]  
 [Reserved]. For further guidance, see §1.1471-4T(b)(3)(iii).

*A participating FFI may elect to satisfy its withholding obligation under paragraph (b)(1) of this section with respect to recalcitrant account holders that are also U.S. non-exempt recipients subject to backup withholding under section 3406 receiving withholdable payments, to the extent that the payments also*

*constitute reportable payments, by applying withholding under section 3406 at the backup withholding rate to such withholdable payments. A participating FFI may make the election described in this paragraph only if it complies with the information reporting rules under chapter 61 and section 3406.*

*Nothing in this paragraph relieves a participating FFI of its requirement to backup withhold under section 3406 with respect to reportable payments that are not also withholdable payments. See §1.1474-6(f) for the general rule that satisfying withholding requirements under chapter 4 will satisfy backup withholding requirements under section 3406 for a payment that is both a withholdable payment and a reportable payment.*

**1-4(b)(4) Foreign passthru payments [§1.1471-4(b)(4)]**  
 A participating FFI is not required to deduct and withhold tax on a foreign passthru payment made by such participating FFI to an account held by a recalcitrant account holder or to a nonparticipating FFI before the later of January 1, 2017, or the date of publication in the Federal Register of final regulations defining the term foreign passthru payment.

**1-4(b)(5) Withholding on limited FFIs and limited branches [§1.1471-4(b)(5)]**

(5)(i) **Limited FFIs [§1.1471-4(b)(5)(i)]**  
 A participating FFI is required to withhold on a withholdable payment made to a limited FFI identifying itself as a nonparticipating FFI. A participating FFI that is a member of an expanded affiliated group that includes one or more limited FFIs will also be required to treat any such limited FFI as a nonparticipating FFI with respect to withholdable payments made to such limited FFI. A participating FFI will be considered to have made a withholdable payment to a limited FFI if such participating FFI receives a withholdable payment with respect to a security or instrument held on behalf of a limited FFI (or an account maintained by the limited FFI).  
 A participating FFI will also be considered to have made a withholdable payment to a limited FFI when the limited FFI receives a payment with respect to a transaction between the limited FFI and such participating FFI that is in the same expanded affiliated group and such transaction hedges or otherwise provides total return exposure to another transaction between such participating FFI and a third party that gives rise to a withholdable payment.

(5)(ii) **Limited branches [§1.1471-4(b)(5)(ii)]**  
 A participating FFI is required to withhold on a withholdable payment made to a limited branch identifying itself as a nonparticipating FFI. A branch of the participating FFI other than the limited branch is also required to withhold on a withholdable payment when it receives the payment on behalf of a limited branch of the participating FFI.  
 A branch of the participating FFI other than a limited branch will be considered to have received a withholdable payment on behalf of a limited branch when such other branch receives a withholdable payment with respect to a security or instrument it holds on behalf of a limited branch (or an account maintained by the limited branch).  
 A branch of a participating FFI other than a limited branch will be considered to hold a security or instrument on behalf of a limited branch when it executes a transaction with a limited branch that hedges or otherwise provides total return exposure to another transaction between such other branch and a third party that gives rise to a withholdable payment.

1-4(b)(6) *Special rule for dormant accounts [§1.1471-4(b)(6)]*  
 [Reserved]. For further guidance, see §1.1471-4T(b)(6).

*A participating FFI that makes a withholdable payment not otherwise subject to withholding under chapter 3 or backup withholding under section 3406 to a recalcitrant account holder of a dormant account that it maintains must withhold on the account for purposes of chapter 4. However, the participating FFI may, in lieu of depositing the tax withheld, set aside the amount withheld in escrow until the date that the account ceases to be a dormant account. In such case, the tax withheld becomes due 90 days following the date that the account ceases to be a dormant account if the account holder does not provide the documentation required under paragraph (c) of this section or becomes refundable to the account holder if the account holder provides the documentation required under paragraph (c) of this section establishing that withholding does not apply.*

*A participating FFI that maintains a dormant account of a recalcitrant account holder and that elects to escrow withheld tax pursuant to this paragraph (b)(6) may not delegate the responsibility to escrow withheld tax to the withholding agent from which it is receiving payment. Once a dormant account escheats irrevocably to a foreign government under the relevant laws in the jurisdiction in which the participating FFI (or branch thereof) operates, the participating FFI is no longer required to deposit with the IRS the amount held in escrow with respect to the account. See paragraph (d)(6)(ii) of this section for the definition of dormant account.*

1-4(b)(7) *Withholding requirements for U.S. branches of participating FFIs (and reporting Model 1 FFIs) that are treated as U.S. persons [§1.1471-4(b)(7)]*  
 A U.S. branch of a participating FFI (and reporting Model 1 FFI) that is treated as a U.S. person and that satisfies its backup withholding obligations under section 3406(a) with respect to accounts held at the U.S. branch by account holders that are payees treated as other than exempt recipients under chapter 61 will be treated as satisfying its withholding obligation with respect to such accounts under section 1471(b)(1) and this paragraph (b). See paragraph (d)(2)(iii)(B) of this section for the special reporting requirements applicable to U.S. branches of participating FFIs (and reporting Model 1 FFIs) that are treated as U.S. persons. See paragraphs (c)(2) and (d)(4) of this section for the reporting requirements of U.S. branches of participating FFIs (and reporting model 1 FFIs) with respect to payments that are chapter 4 reportable amounts.

**1-4(c) Due diligence for the identification and documentation of account holders and payees [§1.1471-4(c)]**

1-4(c)(1) *Scope of paragraph [§1.1471-4(c)(1)]*  
 Except to the extent that a participating FFI relies on the due diligence procedures set forth in an applicable Model 2 IGA, a participating FFI must follow this paragraph (c) to identify and document the chapter 4 status of each holder of an account maintained by the participating FFI to determine if the account is a U.S. account, non-U.S. account, or an account held by a recalcitrant account holder or nonparticipating FFI. Paragraph (c)(2) of this section provides the general rules for identification and documentation of account holders and payees, and paragraph (c)(2)(v) provides special documentation requirements for certain U.S. branches of participating FFIs.

Paragraph (c)(3) of this section provides the rules for documenting entity accounts and payees. Paragraph (c)(4) of this section provides the general rules for documenting individual accounts other than preexisting accounts. Paragraph (c)(5) of this section provides the identification and documentation procedure for preexisting individual accounts. Paragraph (c)(6) of this section provides examples illustrating the application of the documentation exceptions for entity accounts and individual accounts. Paragraph (c)(7) of this section outlines the certification requirement relating to the due diligence procedures of this paragraph (c) with respect to preexisting accounts within the specified periods of time.

**1-4(c)(2) General rules for the identification and documentation of account holders and payees [§1.1471-4(c)(2)]**

(2)(i) **Overview [§1.1471-4(c)(2)(i)]**  
 Except as otherwise provided in paragraphs (c)(3)(iii) and (c)(5)(iii) of this section (documentation exceptions for certain preexisting accounts), a participating FFI is required to identify among accounts maintained by the participating FFI each account that is a U.S. account or an account held by a recalcitrant account holder or nonparticipating FFI, and to report information about such accounts in the manner provided in paragraph (d) of this section and §1.1474-1(d)(4)(iii). See §1.1471-5(a)(3) for rules to determine the holder of an account.

The participating FFI is also required to retain a record of the documentation collected or otherwise maintained that meets the requirements described in this paragraph (c) when making certain payments to an account holder or payee (if other than an account holder) to determine whether withholding applies under paragraph (b) of this section or whether reporting applies under §1.1474-1(d)(4)(iii)(C) and any payee for which it provides the certification described in §1.1471-3(c)(9)(iii)(A) to another withholding agent.

(2)(ii) **Standards of knowledge [§1.1471-4(c)(2)(ii)]**

(ii)(A) **In general [§1.1471-4(c)(2)(ii)(A)]**  
 A participating FFI may rely on valid documentation that is collected pursuant to the due diligence procedures set forth in this paragraph (c) or that is otherwise maintained in the participating FFI's files, unless the participating FFI knows or has reason to know that such documentation is unreliable or incorrect. For purposes of a participating FFI documenting an account holder under this paragraph (c), the requirements for the validity of withholding certificates, written statements, and documentary evidence provided in §1.1471-3(c) shall apply regardless of whether the participating FFI makes a payment to the account.

Except as otherwise provided paragraph (c)(2)(ii)(B) of this section (certain mergers or bulk acquisitions) and in paragraph (c)(5)(iv) of this section (preexisting individual accounts), to determine whether a participating FFI knows or has reason to know that the documentation collected or otherwise maintained with respect to the account holder is unreliable or incorrect, the standards of knowledge provided in §1.1471-3(e) shall apply regardless of whether the participating FFI makes a payment to the account. See §1.1471-3(c)(8) and (9) for the requirement to obtain documentation on an account-by-account basis and the exceptions to this requirement.

(ii)(B) **Limits on reason to know with respect to certain accounts acquired in merger or bulk acquisition [§1.1471-4(c)(2)(ii)(B)]**  
 A participating FFI that acquires accounts of another financial institution either in a merger or bulk acquisition of accounts for value (other than a related party transaction described in §1.1471-3(c)(9)(v)) may apply the limitations on reason to know provided in paragraphs (c)(2)(ii)(B)(1) or (2) of this section (as applicable and subject to the conditions therein), or the rules of §1.1471-3(c)(9)(v) to rely upon documentation collected by another financial institution for an account acquired either in a merger or bulk acquisition of accounts for value.

(1) **In general [§1.1471-4(c)(2)(ii)(B)(1)]**  
 The participating FFI may treat accounts acquired in a transaction described in this paragraph (c)(2)(ii)(B) as preexisting accounts for purposes of applying the identification and documentation procedures of this paragraph (c) by substituting the date of

acquisition of such accounts for the effective date of the FFI agreement.

(2) Participating FFIs and certain deemed-compliant FFIs that apply the due diligence rules, and U.S. financial institutions [§1.1471-4(c)(2)(ii)(B)(2)]

If a participating FFI (transferee FFI) acquires accounts of another participating FFI or deemed-compliant FFI (including a U.S. branch of either such FFI) that applies the due diligence requirements of this paragraph (c) as a condition of its status (as described in §1.1471-5(f)), or of a U.S. financial institution (transferor FI), the transferee FFI may rely on the chapter 4 status determination made by the transferor FI for an account holder and will not be subject to the standards of knowledge set forth in paragraph (c)(2)(ii)(A) of this section until there is a change in circumstances with respect to the account if the following conditions are met-

- (i) The transferee FFI does not have actual knowledge that the chapter 4 status determination provided by the transferor FI is unreliable or incorrect; [§1.1471-4(c)(2)(ii)(B)(2)(i)]
- (ii) For the certification period following the acquisition of such accounts (described in paragraph (f)(3)(i) of this section), the transferee FFI acquiring the accounts tests a sample of the acquired accounts to determine if the chapter 4 status determinations made by the transferor FI are reliable; [§1.1471-4(c)(2)(ii)(B)(2)(ii)]
- (iii) In the case of a transferor FI that is a branch of a participating FFI or of a registered deemed-compliant FFI (other than a U.S. branch that is treated as a U.S. person) or that is a deemed-compliant FFI that applies the requisite due diligence rules of this paragraph (c) as a condition of its status, the transferor FI provides a written representation to the transferee FFI acquiring the accounts that the transferor FI has applied the due diligence procedures of this paragraph (c) with respect to the transferred accounts and, in the case of a transferor FI that is a participating FFI, has complied with the requirements of paragraph (f)(2) of this section; and [§1.1471-4(c)(2)(ii)(B)(2)(iii)]
- (iv) In the case of a transferor FI that is a U.S. financial institution or that is a U.S. branch of a participating FFI or of a registered deemed-compliant FFI that is treated as a U.S. person, the transferee FFI may rely on the chapter 4 status determinations for a payee that is an entity only if prior to the date of transfer the U.S. financial institution or U.S. branch made a withholdable payment to the payee or, for a payee that is an individual, only if the U.S. financial institution or U.S. branch made a reportable payment (as defined under section 3406(b)) to the payee. [§1.1471-4(c)(2)(ii)(B)(2)(iv)]

(2)(iii) Change in circumstances [§1.1471-4(c)(2)(iii)]

(iii)(A) Obligation to identify a change in circumstances [§1.1471-4(c)(2)(iii)(A)]

A participating FFI is required to institute procedures to ensure that any change in circumstances, as described in paragraph (c)(2)(iii)(B) of this section, is identified by the participating FFI, including procedures to ensure that a relationship manager identifies any change in circumstances with respect to an account. For example, if a relationship manager is notified that the account holder has a mailing address in the

United States when there was no U.S. address previously associated with the account, the participating FFI will be required to treat the new address as a change in circumstances and will be required to retain a record of the appropriate documentation from the account holder as described in paragraph (c)(5)(iv)(B)(2)(iii) of this section.

(iii)(B) **Definition of change in circumstances [§1.1471-4(c)(2)(iii)(B)]**  
 For purposes of this section, a change in circumstances (as defined in §1.1471-3(c)(6)(ii)(E)) includes any change or addition of information to the account holder's account (including the addition, substitution, or other change of an account holder) or any change or addition of information to any account associated with such account (applying the account aggregation rules described in §1.1471-5(b)(4)(iii) or by treating the accounts as consolidated obligations) if such change or addition of information affects the chapter 4 status of the account holder. For example, if a holder of an account (including a preexisting account) opens another account that is linked to such account in the participating FFI's computerized system as described under §1.1471-5(b)(4)(iii) and as part of the participating FFI's account opening procedures the account holder provides a U.S. telephone number for such other account, this is a change in circumstances with respect to the first mentioned account. With respect to a preexisting account that meets a documentation exception described in paragraphs (c)(3)(iii) and (c)(5)(iii) of this section, a change in circumstances also includes a change in account balance or value as of the end of the first subsequent year that causes the account no longer to meet the documentation exception.

(iii)(C) **Requirements following a change in circumstances [§1.1471-4(c)(2)(iii)(C)]**  
 With respect to an individual account or an account held by a passive NFFE for which there is a change in circumstances with respect to the information regarding its owners, following a change in circumstances the participating FFI must retain a record of the appropriate documentation described in paragraph (c)(3) or (c)(5)(iv)(B)(2) of this section within the time period provided by §1.1471-5(g)(3)(iii) or, if unable to do so, must treat such account as held by a recalcitrant account holder. With respect to an account held by an entity other than a passive NFFE described in the preceding sentence, following a change in circumstances, the participating FFI must retain a record of the appropriate documentation described in paragraph (c)(3) of this section by the date that is 90 days after the change in circumstances or, if unable to do so, must treat such account as held by a nonparticipating FFI.

(2)(iv) **Record retention [§1.1471-4(c)(2)(iv)]**  
 A participating FFI must retain a record of the documentation collected (or otherwise maintained) to establish the chapter 4 status of an account holder or payee pursuant to the requirements of this paragraph (c)(2)(iv). A participating FFI will be treated as having retained a record of a withholding certificate, written statement, or documentary evidence if the participating FFI retains either an original, certified copy, or photocopy (including a microfiche, scan, or similar means of record retention) of the withholding certificate, written statement, or documentary evidence collected to determine the chapter 4 status of the account holder for six calendar years following the year in which the due diligence procedures of this paragraph (c) were performed for the account. With respect to documentary evidence for an offshore obligation, however, a participating FFI that is not required to retain copies of documentation reviewed pursuant to its AML due diligence will be treated as having retained a record of such documentation if the participating FFI retains a record in its files noting the date the documentation was reviewed, each type of document, the document's identification number (if any) (for example, passport number), and whether any U.S. indicia were identified. The previous sentence applies with respect to an offshore obligation that is also a preexisting obligation, except, in such case, the

requirement to record whether the documentation contained U.S. indicia does not apply. A participating FFI must also retain a record of any searches, including search results provided by third-party credit agencies as described in paragraph (c)(4)(ii) of this section, results from electronic searches, and requests made and responses to relationship manager inquiries for six calendar years following the year in which the due diligence procedures of this paragraph (c) were performed for the account. A participating FFI may be required to extend the six year retention period if the IRS requests such extension prior to the end of the six year retention period. Notwithstanding the preceding sentences, a participating FFI must retain a record of the chapter 4 status of an account holder or payee for as long as the FFI maintains the account or obligation. See §1.1471-3(c)(6)(iii)(A) for the record retention period applicable to a participating FFI that is a withholding agent with respect to documentation collected (or otherwise maintained) for a payee.

(2)(v) Special rule for U.S. branches of participating FFIs (and reporting Model 1 FFIs) that are treated as U.S. persons [§1.1471-4(c)(2)(v)]  
 A U.S. branch of a participating FFI (and reporting Model 1 FFI) that is treated as a U.S. person shall apply, in lieu of the due diligence requirements of this paragraph (c), the due diligence requirements of §1.1471-3 to determine the chapter 4 status of account holders and payees that are entities and shall apply the documentation requirements of chapter 3 or 61 (as applicable) with respect to individual account holders. See paragraph (b)(6) of this section for special withholding rules and paragraph (d)(2)(iii)(B) of this section for special reporting rules applicable to such U.S. branches.

*1-4(c)(3) Identification and documentation procedure for entity accounts and payees [§1.1471-4(c)(3)]*

(3)(i) In general [§1.1471-4(c)(3)(i)]  
 With respect to accounts held by entities, unless the documentation exception described in paragraph (c)(3)(iii) of this section applies, a participating FFI must determine if the account is a U.S. account or an account held by a recalcitrant account holder or nonparticipating FFI by applying the principles of §1.1471-3(b), (c), and (d) to establish the chapter 4 status of each account holder and each payee regardless of whether the participating FFI makes a payment to the account. If an account holder receiving a payment is not the payee of the payment under §§1.1471-3(a) and 1.1472-1(d)(3), the participating FFI is also required to establish the chapter 4 status of the payee or payees in order to determine whether withholding applies under paragraph (b) of this section.

(3)(ii) Timeframe for applying identification and documentation procedure for entity accounts and payees [§1.1471-4(c)(3)(ii)]  
 For preexisting entity accounts, a participating FFI must perform the requisite identification and documentation procedures within six months of the effective date of the FFI agreement for any account holder that is a *prima facie* FFI, as defined in §1.1471-2(a)(4)(ii)(B), and within two years of the effective date of the FFI agreement for all other entity accounts, except as otherwise provided in paragraph (c)(3)(iii) of this section. For accounts that are not preexisting accounts, the participating FFI must perform the requisite identification and documentation procedures by the earlier of the date a withholdable payment or a foreign passthru payment is made with respect to the account or within 90 days of the date the participating FFI opens the account. Notwithstanding the foregoing sentences of this paragraph (c)(3)(ii), with respect to a preexisting obligation issued in nonregistered (bearer) form by an investment entity, the investment entity is required to perform the requisite identification and documentation procedures at the time a payment is collected by the beneficial owner of the payment (including a beneficial owner that collects the payment through an intermediary or agent). If the participating FFI cannot obtain all the documentation described in §1.1471-3(d) or if the participating FFI knows or has reason to know that the documentation provided for an entity account is

unreliable or incorrect (by applying the standards of knowledge applicable to entities in §1.1471-3(e) as modified by paragraph (c)(2)(ii)), the participating FFI shall apply the presumption rules of §1.1471-3(f) (as applicable to entities) to determine the chapter 4 status of the account holder. In the case of an account held by a passive NFFE that provides the documentation described in §1.1471-3(d)(12) to establish its status as a passive NFFE but fails to provide the information regarding its owners, see §1.1471-5(g)(2)(iv) for the requirement to treat the account as held by a recalcitrant account holder.

- (3)(iii) Documentation exception for certain preexisting entity accounts [§1.1471-4(c)(3)(iii)]
  - (iii)(A) Accounts to which this exception applies [§1.1471-4(c)(3)(iii)(A)]  
Unless the participating FFI elects otherwise pursuant to paragraph (c)(3)(iii)(C) of this section, a participating FFI is not required to perform the identification and documentation procedure contained in this paragraph (c)(3) with respect to a preexisting entity account the aggregate balance or value of which is \$250,000 or less if no holder of such account that has previously been documented by the FFI as a U.S. person for purposes of chapter 3 or 61 is a specified U.S. person. For purposes of applying this exception, the account balance must be determined as of the effective date of the FFI agreement and the aggregation rules of paragraph (c)(3)(iii)(B) of this section shall apply. An account that meets this exception will cease to meet this exception as of the end of any subsequent calendar year in which the account balance or value exceeds \$1,000,000, applying the aggregation rules of paragraph (c)(3)(iii)(B) of this section, or as of the date on which there is another change in circumstances with respect to the account or any account aggregated with the account.
  - (iii)(B) Aggregation of entity accounts [§1.1471-4(c)(3)(iii)(B)]  
For purposes of determining the aggregate balance or value of accounts held by an entity in applying the exception in this paragraph (c)(3)(iii), an FFI is required to aggregate the balance or value of all accounts held (in whole or in part) by the same account holder to the extent required under §1.1471-5(b)(4)(iii)(A) and (B).
  - (iii)(C) Election to forgo exception [§1.1471-4(c)(3)(iii)(C)]  
A participating FFI may elect to forgo the exception described in this paragraph (c)(3)(iii) by applying the identification and documentation procedures provided in this paragraph (c)(3) within the time period provided by paragraph (c)(3)(ii) of this section or otherwise applying the presumption rules of §1.1471-3(f) to determine the chapter 4 status of the account holder.

1-4(c)(4) *Identification and documentation procedure for individual accounts other than preexisting accounts [§1.1471-4(c)(4)]*

- (4)(i) In general [§1.1471-4(c)(4)(i)]  
With respect to an individual account that is not a preexisting account or an account described under paragraph (c)(4)(iii)(B) of this section or §1.1471-5(a)(4)(i) (providing an exception to U.S. account status for certain depository accounts with an aggregate balance or value of \$50,000 or less), a participating FFI must determine if the account is a U.S. account or non-U.S. account by retaining a record of certain documentation to establish the chapter 4 status of each account holder. Specifically, a participating FFI must retain a record of documentary evidence that meets the requirements of §1.1471-3(c)(5) (as applicable to individuals), the information described in paragraph (c)(4)(ii) or (c)(4)(iii)(A) of this section, or a withholding certificate to establish an account holder's status as a foreign person. Except as otherwise provided in paragraph (c)(4)(iii)(A) of this section, the participating FFI must also review all information

collected in connection with the opening or maintenance of each account, including documentation collected as part of the participating FFI's account opening procedures and documentation collected for other regulatory purposes, and apply the standards of knowledge in paragraph (c)(2)(ii) of this section to determine if an account holder's claim of foreign status is unreliable or incorrect. If the participating FFI is not able to establish an account holder's status as a foreign person, the participating FFI must retain a record of either a Form W-9 or U.S. TIN (in any manner) and a valid and effective waiver described in section 1471(b)(1)(F)(i), if necessary, to establish an account holder's status as a U.S. person and to confirm that the account is a U.S. account. A participating FFI must complete the requisite identification and documentation procedures with respect to each account within the time period provided by §1.1471-5(g)(3)(ii), or, if unable to do so, it must treat such account as held by a recalcitrant account holder. The presumption rules of §1.1471-3(f) do not apply to individual account holders of a participating FFI.

- (4)(ii) Reliance on third party for identification of individual accounts other than preexisting accounts [§1.1471-4(c)(4)(ii)]  
A participating FFI may establish an account holder's status as a foreign person based on information provided by a third-party credit agency only if the following conditions are met-
  - (ii)(A) As part of the participating FFI's account opening procedures, the account holder provides a residence address outside the United States and attests in writing that the account holder is not a U.S. citizen or resident; [§1.1471-4(c)(4)(ii)(A)]
  - (ii)(B) The third-party credit agency verifies the account holder's claimed residence with at least one government data source from the jurisdiction in which the participating FFI (or branch thereof) operates or the account holder claims residence; and [§1.1471-4(c)(4)(ii)(B)]
  - (ii)(C) The participating FFI (or branch thereof) relies on the information provided by the third-party credit agency for purposes of satisfying AML due diligence with respect to the account in a FATF-compliant jurisdiction. [§1.1471-4(c)(4)(ii)(C)]
- (4)(iii) Alternative identification and documentation procedure for certain cash value insurance or annuity contracts [§1.1471-4(c)(4)(iii)]
  - (iii)(A) Group cash value insurance contracts or group annuity contracts [§1.1471-4(c)(4)(iii)(A)]  
A participating FFI may treat an account that is a group cash value insurance contract or group annuity contract and that meets the requirements of this paragraph (c)(4)(iii)(A) as a non-U.S. account until the date on which an amount is payable to an employee/certificate holder or beneficiary, if the participating FFI obtains a certification from an employer that no employee/certificate holder (account holder) is a U.S. person. A participating FFI is also not required to review all the account information collected by the FFI to determine if an account holder's claim of foreign status is unreliable or incorrect. An account that is a group cash value insurance contract or group annuity contract meets the requirements of this paragraph (c)(4)(iii)(A) if-
    - (1) The group life insurance contract or a group annuity contract issued to an employer and covers twenty-five or more employee/certificate holders; [§1.1471-4(c)(4)(iii)(A)(1)]
    - (2) The employee/certificate holders are entitled to receive any contract value and to name beneficiaries for the benefit payable upon the employee's death; and [§1.1471-4(c)(4)(iii)(A)(2)]

(3) The aggregate amount payable to any employee/certificate holder or beneficiary does not exceed \$1,000,000. [§1.1471-4(c)(4)(iii)(A)(3)]

(iii)(B) Accounts held by beneficiaries of a cash value insurance contract that is a life insurance contract [§1.1471-4(c)(4)(iii)(B)]  
 A participating FFI may presume that an individual beneficiary (other than the owner) of a cash value insurance contract that is a life insurance contract (account holder) receiving a death benefit is a foreign person and treat such account as a non-U.S. account unless the participating FFI has actual knowledge or reason to know that the beneficiary is a U.S. person. A participating FFI has reason to know that a beneficiary of a cash value insurance contract is a U.S. person if the information collected by the participating FFI and associated with the beneficiary contains U.S. indicia as described paragraph (c)(5)(iv)(B)(1) of this section. If a participating FFI has actual knowledge or reason to know that the beneficiary is a U.S. person, the participating FFI must retain a record of the appropriate documentation described in paragraph (c)(5)(iv)(B)(2) of this section.

1-4(c)(5) *Identification and documentation procedure for preexisting individual accounts [§1.1471-4(c)(5)]*

(5)(i) In general [§1.1471-4(c)(5)(i)]  
 With respect to a preexisting individual account, unless the account is an account described in §1.1471-5(a)(4)(i) (providing exception to U.S. account status for certain depository accounts with an aggregate balance or value of \$50,000 or less), a participating FFI may follow the identification and documentation procedures described below in paragraph (c)(5)(ii) through (iv) of this section (as applicable), in lieu of the identification and documentation procedures described in paragraph (c)(4) of this section, to determine if an account that is a preexisting account is a U.S. account, non-U.S. account, or account held by a recalcitrant account holder. A participating FFI must first determine whether there are any U.S. indicia associated with the account (as defined in paragraph (c)(5)(iv)(B)(1) of this section), and second, if there are U.S. indicia associated with the account, retain a record of the documentation described in paragraph (c)(5)(iv)(B)(2) of this section to establish the account holder's chapter 4 status. For this purpose, the presumption rules of §1.1471-3(f) do not apply. A participating FFI must complete the requisite identification and documentation procedures with respect to each account within the time period provided by §1.1471-5(g)(3)(i) or (ii) (as applicable) or, if unable to do so, must treat such account as held by a recalcitrant account holder. A participating FFI may continue to treat an account with no U.S. indicia or an account that meets a documentation exception described in paragraph (c)(5)(iii) of this section or §1.1471-5(a)(4)(i) (providing exception to U.S. account status for certain depository accounts with an aggregate balance or value of \$50,000 or less) as a non-U.S. account, until there is a change in circumstances with respect to the account as described in paragraph (c)(2)(iii) of this section.

(5)(ii) Special rule for preexisting individual accounts previously documented as U.S. accounts for purposes of chapter 3 or 61 [§1.1471-4(c)(5)(ii)]  
 If a participating FFI has documented an individual account holder as a U.S. person for purposes of chapter 3 or 61 and such account holder is a specified U.S. person, the account holder's account will be treated as a U.S. account for chapter 4 purposes and the identification and documentation procedures in paragraph (c)(5)(i) and (iv) of this section will not apply.

- (5)(iii) Exceptions for certain low value preexisting individual accounts [§1.1471-4(c)(5)(iii)]
  - (iii)(A) Accounts to which an exception applies [§1.1471-4(c)(5)(iii)(A)]  
Unless the participating FFI elects otherwise pursuant to paragraph (c)(5)(iii)(C) of this section, a participating FFI is not required to perform requisite identification and documentation procedures described in paragraph (c)(5)(i) and (iv) of this section with respect to either a preexisting individual account, other than a cash value insurance or annuity contract, the aggregate balance or value of which is \$50,000 or less, or a preexisting individual account that is a cash value insurance or annuity contract described in §1.1471-5(b)(1)(iv) the aggregate balance or value of which is \$250,000 or less. For purposes of applying these exceptions, the account balance must be determined as of the effective date of the FFI agreement and the aggregation rules of paragraph (c)(5)(iii)(B) of this section shall apply. An account that meets either of these exceptions will cease to meet these exceptions as of the end of any subsequent calendar year in which the account balance or value exceeds \$1,000,000, applying the aggregation rules of paragraph (c)(3)(iii)(B) of this section, or until there is another change in circumstances with respect to the account or any account aggregated with the account.
  - (iii)(B) Aggregation of accounts [§1.1471-4(c)(5)(iii)(B)]  
For purposes of determining the aggregate balance or value of a preexisting individual account, other than an account that is cash value insurance or annuity contract, an FFI is required to aggregate the balance or value of all accounts that are not cash value insurance or annuity contracts to the extent required under §1.1471-5(b)(4)(iii)(A) or (B). For purposes of determining the aggregate balance or value of preexisting individual account that is a cash value insurance or annuity contract, an FFI will be required to aggregate the balance or value of all accounts that are cash value insurance or annuity contracts to the extent required under §1.1471-5(b)(4)(iii)(A) or (B).
  - (iii)(C) Election to forgo exception [§1.1471-4(c)(5)(iii)(C)]  
A participating FFI may elect to forgo the exceptions described in paragraph (c)(5)(iii) of this section by applying the identification and documentation procedures provided in this paragraph (c) within the time provided by paragraph (c)(5)(i) of this section or otherwise treating the account as held by a recalcitrant account holder pursuant to §1.1471-5(g).
- (5)(iv) Specific identification and documentation procedures for preexisting individual accounts [§1.1471-4(c)(5)(iv)]
  - (iv)(A) In general [§1.1471-4(c)(5)(iv)(A)]  
A participating FFI applying the identification and documentation procedures of this paragraph (c)(5)(iv) must review its preexisting individual accounts (applying the electronic search described in paragraph (c)(5)(iv)(C) of this section and, if appropriate, the enhanced review for high-value accounts described in paragraph (c)(5)(iv)(D) of this section) to determine if there are any U.S. indicia (as described in paragraph (c)(5)(iv)(B)(1) of this section) associated with the account. If no U.S. indicia are identified with respect to an account, the participating FFI may treat the account as a non-U.S. account. If U.S. indicia are identified with respect to an account, the participating FFI must retain a record of the appropriate documentation described in paragraph (c)(5)(iv)(B)(2) of this section to establish the account holder's status as a foreign person. A participating FFI that follows the procedures described in this paragraph (c)(5)(iv) (as applicable) with respect to its preexisting individual accounts will not be treated as having reason to know that the determination made with respect to the

account was unreliable or incorrect because of information contained in any account files that the participating FFI did not review and was not required to review under the applicable identification procedure. Thus, for example, if a participating FFI was only required to perform an electronic search with respect to a preexisting individual account and no U.S. indicia were identified in the results of the electronic search, the participating FFI would not have reason to know that the individual account holder was a U.S. person, even if the participating FFI had on file (but was not required to and did not review) a copy of the individual's passport that indicates that the individual was born in the United States.

- (iv)(B) U.S. indicia and relevant documentation rules [§1.1471-4(c)(5)(iv)(B)]
  - (1) U.S. indicia [§1.1471-4(c)(5)(iv)(B)(1)]
 

A participating FFI must review an account holder's account information to the extent required under paragraphs (c)(5)(iv)(C) and (D) of this section for any of the following U.S. indicia:

    - (i) Designation of the account holder as a U.S. citizen or resident; [§1.1471-4(c)(5)(iv)(B)(1)(i)]
    - (ii) A U.S. place of birth; [§1.1471-4(c)(5)(iv)(B)(1)(ii)]
    - (iii) A current U.S. residence address or U.S. mailing address (including a U.S. post office box); [§1.1471-4(c)(5)(iv)(B)(1)(iii)]
    - (iv) A current U.S. telephone number (regardless of whether such number is the only telephone number associated with the account holder); [§1.1471-4(c)(5)(iv)(B)(1)(iv)]
    - (v) Standing instructions to pay amounts from the account to an account maintained in the United States; [§1.1471-4(c)(5)(iv)(B)(1)(v)]
    - (vi) A current power of attorney or signatory authority granted to a person with a U.S. address; or [§1.1471-4(c)(5)(iv)(B)(1)(vi)]
    - (vii) An "in-care-of" address or a "hold mail" address that is the sole address the FFI has identified for the account holder. [§1.1471-4(c)(5)(iv)(B)(1)(vii)]
  - (2) Documentation to be retained upon identifying U.S. indicia [§1.1471-4(c)(5)(iv)(B)(2)]
 

If U.S. indicia are identified with respect to an account holder's account information, a participating FFI must retain a record of the documentation described in paragraphs (c)(5)(iv)(B)(2)(i) through (vii) of this section, applicable to the U.S. indicia identified, to establish the account holder's status as a foreign person. If the participating FFI cannot establish an account holder's status as a foreign person based on such documentation, the participating FFI must retain a record of a Form W-9 and a valid and effective waiver as described in section 1471(b)(1)(F)(ii), if necessary, to confirm that the account is a U.S. account or, if unable to do so, must treat the account as held by a recalcitrant account holder.

    - (i) Designation of account holder as a U.S. citizen or resident [§1.1471-4(c)(5)(iv)(B)(2)(i)]

If the information required to be reviewed with respect to the account contains a designation of an account holder as a U.S.

citizen or resident, the participating FFI must retain a record of a withholding certificate and documentary evidence described in §1.1471-3(c)(5)(i)(B) evidencing citizenship in a country other than the United States in order to establish the account holder's status as a foreign person.

- (ii) Unambiguous indication of a U.S. place of birth [§1.1471-4(c)(5)(iv)(B)(2)(ii)]  
If information required to be reviewed with respect to the account unambiguously indicates a U.S. place of birth for an account holder, the participating FFI must retain a record of a form of documentary evidence described in §1.1471-3(c)(5)(i)(B) evidencing citizenship in a country other than the United States and a copy of the individual's Certificate of Loss of Nationality of the United States, or, alternatively, a withholding certificate, a form of documentary evidence described in §1.1471-3(c)(5)(i)(B) evidencing citizenship in a country other than the United States, and a reasonable written explanation of the account holder's renunciation of U.S. citizenship or the reason the account holder did not obtain U.S. citizenship at birth in order to establish the account holder's status as a foreign person.
- (iii) U.S. address or U.S. mailing address [§1.1471-4(c)(5)(iv)(B)(2)(iii)]  
If information required to be reviewed with respect to the account contains a U.S. address or a U.S. mailing address for an account holder, the participating FFI must retain a record of a withholding certificate and a form of documentary evidence described in §1.1471-3(c)(5)(i)(A) through (C) in order to establish the account holder's status as a foreign person.
- (iv) Only U.S. telephone numbers [§1.1471-4(c)(5)(iv)(B)(2)(iv)]  
If information required to be reviewed with respect to the account contains one or more telephone numbers in the United States and no other telephone numbers for an account holder, the participating FFI must retain a record of a withholding certificate and a form of documentary evidence described in §1.1471-3(c)(5)(i)(A) through (C) in order to establish the account holder's status as a foreign person.
- (v) U.S. telephone numbers and non-U.S. telephone numbers [§1.1471-4(c)(5)(iv)(B)(2)(v)]  
If information required to be reviewed with respect to the account contains one or more telephone numbers in the United States and at least one telephone number outside the United States for an account holder, the participating FFI must retain a record of a withholding certificate or a form of documentary evidence described in §1.1471-3(c)(5)(i)(A) through (C) in order to establish the account holder's status as a foreign person.
- (vi) Standing instructions to pay amounts [§1.1471-4(c)(5)(iv)(B)(2)(vi)]

*If information required to be reviewed with respect to the account contains standing instructions to pay amounts from the account to an account maintained in the United States for an account holder, the participating FFI must retain a record of a withholding certificate and either a form of*

*documentary evidence described in § 1.1471-3(c)(5)(i)(A) through (C) or a written reasonable explanation (as defined in § 1.1441-7(b)(12)) establishing the account holder's status as a foreign person.*

(vii) Power of attorney or signatory authority granted to a person with a U.S. address or "in-care-of" address or "hold mail" address [§1.1471-4(c)(5)(iv)(B)(2)(vii)]  
 If information required to be reviewed with respect to the account includes a power of attorney or signatory authority granted to a person with a U.S. address or contains an "in-care-of" address or "hold mail" address that is the sole address identified for the account holder, the participating FFI must retain a record of either a withholding certificate or a form of documentary evidence described in §1.1471-3(c)(5)(i)(A) through (C) in order to establish the account holder's status as a foreign person.

(iv)(C) Electronic search for identifying U.S. indicia [§1.1471-4(c)(5)(iv)(C)]  
 Except as provided in paragraph (c)(5)(iv)(D) of this section relating to the enhanced review for high-value accounts, a participating FFI may rely solely on a review of the electronically searchable information associated with an account and maintained by the participating FFI to determine if there are any of the U.S. indicia described in paragraph (c)(5)(iv)(B)(1) of this section associated with the account. For purposes of this paragraph (c)(5)(iv)(C), however, an FFI will not be required to treat as U.S. indicia an in-care-of address or a hold mail address that is the sole address identified for the account holder.

(iv)(D) Enhanced review for identifying U.S. indicia in the case of certain high-value accounts [§1.1471-4(c)(5)(iv)(D)]

(1) In general [§1.1471-4(c)(5)(iv)(D)(1)]

With respect to preexisting individual accounts that have a balance or value that exceeds \$1,000,000 as of the effective date of the FFI agreement, or at the end of any subsequent calendar year ("high-value accounts"), a participating FFI must apply the enhanced review described in this paragraph (c)(5)(iv)(D) in addition to the electronic search described in paragraph (c)(5)(iv)(C) of this section to identify any U.S. indicia described in paragraph (c)(5)(iv)(B)(1) of this section associated with the account. For purposes of determining the balance or value of an account, a participating FFI must apply the aggregation rules §1.1471-5(b)(4)(iii)(A) and (B). If a participating FFI applied the enhanced review described in this paragraph (c)(5)(iv)(D) to an account in a previous year, the participating FFI will not be required to reapply such procedures to such account in a subsequent year.

(2) Relationship manager inquiry [§1.1471-4(c)(5)(iv)(D)(2)]

With respect to all high-value accounts, a participating FFI must identify accounts to which a relationship manager is assigned (including any accounts aggregated with such account) and for which the relationship manager has actual knowledge that the account holder is a U.S. citizen or resident.

(3) Additional review of non-electronic records [§1.1471-4(c)(5)(iv)(D)(3)]

Except as provided in paragraph (c)(5)(iv)(E) of this section, and except with respect to any account for which the participating FFI has retained a record of a withholding certificate and documentary evidence described in §1.1471-3(c)(5) establishing the account

holder's foreign status, a participating FFI must review to identify any U.S. indicia the current customer master file of a high-value account and, if not contained in the current customer master file, the following documents described in paragraphs (c)(5)(iv)(D)(3)(i) through (v) of this section that are associated with such an account and were obtained by the participating FFI within the five calendar years preceding the later of the effective date of the FFI agreement, or the end of the calendar year in which the account exceeded the \$1,000,000 threshold described in paragraph (c)(5)(iv)(D)(1) of this section. The documents to be reviewed by the participating FFI if not contained in the current customer master file are-

- (i) The most recent withholding certificate, written statement, and documentary evidence; [§1.1471-4(c)(5)(iv)(D)(3)(i)]
- (ii) The most recent account opening contract or documentation; [§1.1471-4(c)(5)(iv)(D)(3)(ii)]
- (iii) The most recent documentation obtained by the participating FFI for purposes of AML due diligence or for other regulatory purposes; [§1.1471-4(c)(5)(iv)(D)(3)(iii)]
- (iv) Any power of attorney or signature authority forms currently in effect; and [§1.1471-4(c)(5)(iv)(D)(3)(iv)]
- (v) Any standing instructions to pay amounts to another account. [§1.1471-4(c)(5)(iv)(D)(3)(v)]

(4) Limitations on the enhanced review in the case of comprehensive electronically searchable information [§1.1471-4(c)(5)(iv)(D)(4)]  
 A participating FFI is not required to apply the enhanced review of this paragraph paragraph(c)(5)(iv)(D)(3) of this section and may instead rely on the electronic search described in paragraph (c)(5)(iv)(C) of this section to identify U.S. indicia to the extent the following information is available in the FFI's electronically searchable information-

- (i) The account holder's nationality and/or residence status; [§1.1471-4(c)(5)(iv)(D)(4)(i)]
- (ii) The account holder's current residence address and mailing address; [§1.1471-4(c)(5)(iv)(D)(4)(ii)]
- (iii) The account holder's current telephone number(s); [§1.1471-4(c)(5)(iv)(D)(4)(iii)]
- (iv) Whether there are standing instructions to pay amounts to another account; [§1.1471-4(c)(5)(iv)(D)(4)(iv)]
- (v) Whether there is a current "in-care-of" address or "hold mail" address for the account holder if no other residence or mailing address is found for the account; and [§1.1471-4(c)(5)(iv)(D)(4)(v)]
- (vi) Whether there is any power of attorney or signatory authority for the account. [§1.1471-4(c)(5)(iv)(D)(4)(vi)]

(iv)(E) Exception for preexisting individual accounts that a participating FFI has documented as held by foreign individuals for purposes of meeting its obligations under chapter 61 or its QI, WP, or WT agreement  
 [§1.1471-4(c)(5)(iv)(E)]  
 [Reserved]. For further guidance, see §1.1471-4T(c)(5)(iv)(E).

*A participating FFI that has previously obtained documentation from an account holder to establish the account holder's status as a foreign individual in order to meet its obligations under its QI, WP, or WT agreement with the IRS, or to fulfill its reporting obligations as a U.S. payor under chapter 61, is not required to perform the electronic search described in paragraph (c)(5)(iv)(C) of this section or the enhanced review described in paragraph (c)(5)(iv)(D)(3) of this section for such account. Additionally, a participating FFI with a U.S. payor as its paying agent is not required to perform the electronic search described in paragraph (c)(5)(iv)(C) of this section or the enhanced review described in paragraph (c)(5)(iv)(D)(3) of this section for an account for which its paying agent that is a U.S. payor has previously obtained documentation to establish the account holder's status as a foreign individual under chapter 61. The participating FFI is required, however, to perform the relationship manager inquiry described in paragraph (c)(5)(iv)(D)(2) of this section if the account is a high-value account described in paragraph (c)(5)(iv)(D)(1) of this section.*

*For purposes of this paragraph (c)(5)(iv)(E), a participating FFI has documented an account holder's foreign status under chapter 61 if the participating FFI (or its paying agent that is a U.S. payor) has retained a record of the documentation required under chapter 61 to establish the foreign status of an individual and the account received a reportable payment as defined under section 3406(b) in any prior year that was properly reported in that year.*

*In the case of a participating FFI that is a QI, WP, or WT, the participating FFI has documented an account holder's foreign status under its QI, WP, or WT agreement (as applicable) if the participating FFI has met the relevant documentation and reporting requirements of its agreement with respect to an account holder that received a reportable amount in any year in which its agreement was in effect.*

1-4(c)(6) *Examples [§1.1471-4(c)(6)]*

Ex. 1 Aggregation rules applicable to preexisting individual accounts [§1.1471-4(c)(6)  
 Example 1.]

U, a U.S. resident individual, holds 100 shares of common stock of FFI1, an investment entity. On the effective date of FFI1's FFI agreement, the common stock held by U is worth \$45,000. U also holds shares of preferred stock of FFI1. On the effective date of FFI1's FFI agreement, U's preferred stock in FFI1 is worth \$35,000. Neither FFI1's common stock nor FFI1's preferred stock is regularly traded on an established securities market. U also holds debt instruments issued by FFI1 that are not regularly traded on an established securities market. On the effective date of FFI1's FFI agreement, U's FFI1 debt instruments are worth \$15,000. U's common and preferred equity interests are associated with U and with one another by reference to U's foreign tax identification number in FFI1's computerized information management system. However, U's debt instruments are not associated with U's equity interests in FFI1's computerized information management system. None of these accounts are managed by a relationship manager. Previously, FFI1 was not required to and did not obtain a Form W-9 from U for purposes of chapter 3 or 61. U's FFI1 debt interests are eligible for the paragraph (c)(5)(iii)(A) documentation exception because that account does not exceed the \$50,000 threshold described in paragraph (c)(5)(iii)(A)(1) of this section, taking into account the aggregation rule described in paragraph

(c)(5)(iii)(A)(2) of this section. However, U's common and preferred equity interests are not eligible for the paragraph (c)(5)(iii)(A) documentation exception because the accounts exceed the \$50,000 threshold described in paragraph (c)(5)(iii)(A)(1) of this section, taking into account the aggregation rules described in §1.1471-5(b)(4)(iii) pursuant to the requirements of paragraph (c)(5)(iii)(A)(2) of this section.

**Ex. 2** Aggregation rules for owners of entity accounts [§1.1471-4(c)(6) Example 2.] In Year 1, U, a U.S. resident individual, maintains a depository account that is a preexisting account in CB, a commercial bank. The balance in U's depository account on the effective date of CB's FFI agreement is \$20,000. U also owns 100% of Entity X, which maintains a depository account that is a preexisting account in CB, and 50% of Entity Y, which maintains a depository account that is a preexisting account in CB. The balance in Entity X's account on the effective date of CB's FFI agreement is \$130,000 and the balance in Entity Y's account on the effective date of CB's FFI agreement is \$110,000. All three accounts are associated with one another in CB's computerized information management system by reference to U's foreign tax identification number. None of the accounts are managed by a relationship manager. Previously, CB was not required to and did not obtain a Form W-9 from U for purposes of chapter 3 or 61. U's depository account qualifies for the §1.1471-5(a)(4)(i) exception to U.S. account status because it does not exceed the \$50,000 threshold, taking into account the aggregation rule described in §1.1471-5(a)(4)(iii)(A). Entity X's account and Entity Y's account both qualify for the paragraph (c)(3)(iii) documentation exception because the accounts do not exceed the \$250,000 threshold described in paragraph (c)(3)(iii)(B)(1) of this section taking into account the aggregation rules described in §1.1471-5(b)(4)(iii) pursuant to the requirements of paragraph (c)(3)(iii)(B)(2) of this section.

## 1-4(c)(7)

*Certifications of responsible officer [§1.1471-4(c)(7)]*

In order for a participating FFI to comply with the requirements of an FFI agreement with respect to its identification procedures for preexisting accounts, a responsible officer of the participating FFI must certify to the IRS regarding the participating FFIs compliance with the diligence requirements of this paragraph (c). Such certification must be made no later than 60 days following the date that is two years after the effective date of the FFI agreement. The responsible officer must certify that the participating FFI has completed the review of all high-value accounts as required under paragraphs (c)(5)(iv)(D) and (E) of this section and treats any account holder of an account for which the participating FFI has not retained a record of any required documentation as a recalcitrant account holder as required under this section and §1.1471-5(g). The responsible officer must also certify that the participating FFI has completed the account identification procedures and documentation requirements of this paragraph (c) for all other preexisting accounts or, if it has not retained a record of the documentation required under this paragraph (c) with respect to an account, treats such account in accordance with the requirements of this section and §1.1471-5(g) or § 1.1471-3(f) (as applicable). The responsible officer must also certify to the best of the responsible officer's knowledge after conducting a reasonable inquiry, that the participating FFI did not have any formal or informal practices or procedures in place from August 6, 2011, through the date of such certification to assist account holders in the avoidance of chapter 4. A reasonable inquiry for purposes of this paragraph (c)(7) is a review of the participating FFI's procedures and a written inquiry, such as e-mail requests to relevant lines of business, that requires responses from relevant customer on-boarding and management personnel as to whether they engaged in any such practices during that period. Practices or procedures that assist account holders in the avoidance of chapter 4 include, for example, suggesting that account holders split up accounts to avoid classification as a high-value account; suggesting that account holders of U.S. accounts close, transfer, or withdraw from their account to avoid reporting; intentional failures to disclose a known U.S. account; suggesting that an account holder remove U.S. indicia from its account information; or facilitating the manipulation of account balances or values to avoid thresholds. If the responsible officer is unable to make any of the certifications described in this paragraph (c)(7), the responsible officer must make a qualified certification to the IRS stating that such

certification cannot be made and that corrective actions will be taken by the responsible officer.

In the case of an account held by a territory financial institution acting as an intermediary with respect to a withholdable payment-

- (1) If the territory financial institution agrees to be treated as a U.S. person with respect to the payment under §1.1471-3(c)(3)(iii)(F), a participating FFI is not required to report under paragraph (d)(2)(i) of this section with respect to the account holders of the territory financial institution; or [§1.1471-4(d)(2)(ii)(B)(1)]

(ii)(C) Special reporting of account holders of a sponsored FFI [§1.1471-4(d)(2)(ii)(C)]  
 A sponsoring entity that has agreed to fulfill the reporting responsibilities of this paragraph (d) on behalf of a sponsored FFI shall report in accordance with the requirements of paragraph (d)(2)(iii), (3), or (5) of this section (as applicable) with respect to each U.S. account and paragraph (d)(6) of this section with respect to each account held by a recalcitrant account holder of the sponsored FFI to the extent and in the manner required if such sponsored FFI were a participating FFI. *If, however, the participating FFI is prohibited under domestic law from reporting on a specific payee basis without consent from the nonparticipating FFI account holder and the participating FFI has not been able to obtain such consent, the participating FFI may instead report the aggregate number of accounts held by such non-consenting nonparticipating FFIs and the aggregate amount of foreign reportable amounts paid with respect to such accounts, as described in paragraph (d)(4)(iv) of this section, during the calendar year. A participating FFI may, in lieu of reporting only foreign reportable amounts, report all income, gross proceeds, and redemptions (irrespective of the source) paid to the nonparticipating FFI's account by the participating FFI during the calendar year.*

*In addition, the participating FFI must retain the account statements related to such nonparticipating FFI accounts. (4)(i) Address [§1.1471-4(d)(4)(i)]  
 The address to be reported with respect to an account held by a specified U.S. person is the residence address recorded by the participating FFI for the account holder or, if no residence address is associated with the account holder, the address for the account used for mailing or for other purposes by the participating FFI. In the case of an account held by a U.S. owned foreign entity, the address to be reported is the address of each substantial U.S. owner of such entity. In the case of an account held by an owner-documented FFI, the address to be reported is the address of each specified U.S. person identified in §1.1471-3(d)(6)(iv)(A)(1) and (2).

(4)(ii) Account number [§1.1471-4(d)(4)(ii)]  
 The account number to be reported with respect to an account is the identifying number assigned by the participating FFI for purposes other than to satisfy the reporting requirements of this paragraph (d), or, if no such number is assigned to the account, a unique serial number or other number such participating FFI assigns to the financial account for purposes of reporting under paragraph (d)(3) of this section that distinguishes the account from other accounts maintained by such institution.

(iii)(A) In general [§1.1471-4(d)(4)(iii)(A)]  
 The participating FFI shall report the average balance or value of the account if the FFI reports average balance or value to the account holder for a calendar year. If the participating FFI does not report the average balance or value of the account to the account holder, the participating FFI shall report the balance or value of the account as of the end of the calendar year as determined in accordance with §1.1471-5(b)(4). In the case of an account that is a cash value insurance or annuity contract, a participating FFI shall report the balance or value of the account as determined in accordance with §1.1471-5(b)(4).

(iii)(B) Currency translation of account balance or value [§1.1471-4(d)(4)(iii)(B)]  
 The account balance or value of an account may be reported in U.S. dollars or in the currency in which the account is denominated. In the case of an account denominated in one or more foreign currencies, the participating FFI may elect to report the account balance or value in a currency in which the account is denominated and is required to identify the currency in which the account is reported. If the participating FFI elects to report such an account in U.S. dollars, the participating FFI must calculate the account balance or value of the account in the manner described in §1.1471-5(b)(4).

(4)(iv) Payments made with respect to an account [§1.1471-4(d)(4)(iv)]

(iv)(A) Depository accounts [§1.1471-4(d)(4)(iv)(A)]  
The payments made during a calendar year with respect to a depository account consist of the aggregate gross amount of interest paid or credited to the account during the year.

(iv)(B) Custodial accounts [§1.1471-4(d)(4)(iv)(B)]  
The payments made during a calendar year with respect to a custodial account consist of-

- (1) The aggregate gross amount of dividends paid or credited to the account during the calendar year; [§1.1471-4(d)(4)(iv)(B)(1)]
- (2) The aggregate gross amount of interest paid or credited to the account during the calendar year; [§1.1471-4(d)(4)(iv)(B)(2)]
- (3) The gross proceeds from the sale or redemption of property paid or credited to the account during the calendar year with respect to which the FFI acted as a custodian, broker, nominee, or otherwise as an agent for the account holder; and [§1.1471-4(d)(4)(iv)(B)(3)]
- (4) The aggregate gross amount of all other income paid or credited to the account during the calendar year. [§1.1471-4(d)(4)(iv)(B)(4)]

(iv)(C) Other accounts [§1.1471-4(d)(4)(iv)(C)]  
In the case of an account described in §1.1471-5(b)(1)(iii) (relating to debt or equity interests) or (iv) (relating to cash value insurance contracts and annuity contracts), the payments made during the calendar year with respect to such account are the gross amounts paid or credited to the account holder during the calendar year including payments in redemption (in whole or part) of the account.

- (2) The amount or value withdrawn or transferred from the account in connection with the closure or transfer of the account. [§1.1471-4(d)(4)(iv)(D)(2)]

(iv)(E) Amount and character of payments subject to reporting [§1.1471-4(d)(4)(iv)(E)]  
For purposes of reporting under paragraph (d)(3) of this section, the amount and character of payments made with respect to an account may be determined under the same principles that the participating FFI uses to report information on its resident account holders to the tax administration of the jurisdiction in which the FFI (or branch thereof) is located. Thus, the amount and character of items of income described in paragraphs (d)(4)(iv)(A), (B), and (C) need not be determined in accordance with U.S. federal income tax principles. If any of the types of payments described in paragraph (d)(4)(iv) of this section are not reported to the tax administration of the jurisdiction in which the

participating FFI (or branch thereof) is located, such amounts may be determined in the same manner as is used by the participating FFI for purposes of reporting to the account holder. If any of the types of payments described in this paragraph (d)(4)(iv) is neither reported to the tax administration of the jurisdiction in which the FFI (or branch thereof) is located nor reported to the account holder for the year for which reporting is required under paragraph (d) of this section, such item must be determined and reported either in accordance with U.S. federal tax principles or in accordance with any reasonable method of reporting that is consistent with the accounting principles generally applied by the participating FFI. Once a participating FFI (or branch thereof) has applied a method to determine such amounts, it must apply such method consistently for all account holders and for all subsequent years unless the Commissioner consents to a change in such method. Consent will be automatically granted for a change to rely on U.S. federal income tax principles to determine such amounts.

(iv)(F) **Currency translation [§1.1471-4(d)(4)(iv)(F)]**  
 A payment described in this paragraph (d)(4)(iv) may be reported in the currency in which the payment is denominated or in U.S. dollars. In the case of payments denominated in one or more foreign currencies, a participating FFI may elect to report the payments in a currency in which payments are denominated and is required to identify the currency in which the account is reported. If such a payment is reported in U.S. dollars, the participating FFI must calculate the amount in the manner described in §1.1471-5(b)(4).

(4)(v) **Record retention requirements [§1.1471-4(d)(4)(v)]**  
 A participating FFI that produces, in the ordinary course of its business, account statements that summarize the activity (including withdrawals, transfers, and closures) of an account for any calendar year in which the account was required to be reported under paragraph (d)(3) of this section must retain a record of such account statements. The record must be retained for the longer of six years or the retention period under the FFI's normal business procedures. A participating FFI may be required to extend the six year retention period if the IRS requests such an extension prior to the expiration of the six year period.

**1-4(d)(5) *Election to perform chapter 61 reporting [§1.1471-4(d)(5)]***

(5)(i) **In general [§1.1471-4(d)(5)(i)]**

(i)(A) **Election under section 1471(c)(2) [§1.1471-4(d)(5)(i)(A)]**  
 Except as otherwise provided in this paragraph (d)(5), a participating FFI may elect under section 1471(c)(2) and this paragraph (d)(5) to report under sections 6041, 6042, 6045, and 6049, as appropriate, with respect to any account required to be reported under this paragraph (d). Such reporting must be done as if such participating FFI were a U.S. payor and each holder of an account that is a specified U.S. person, U.S. owned foreign entity, or owner-documented FFI were a payee who is an individual and citizen of the United States. If a participating FFI makes such an election, the FFI is required to report the information required under this paragraph (d)(5) with respect to each such U.S. account or account held by an owner-documented FFI, regardless of whether the account holder of such account qualifies as a recipient exempt from reporting by a payor or middleman under sections 6041, 6042, 6045, or 6049, including the reporting of payments made to such account of amounts that are subject to reporting under any of these sections. A participating FFI that elects to report an account under the election described in this paragraph (d)(5) is required to report the information described in paragraph (d)(5)(ii) or (iii) of this section for a calendar year regardless of whether a reportable payment was made to the U.S.

account during the calendar year. A participating FFI that reports an account under the election described in this paragraph (d)(5) is not required to report the information described in paragraph (d)(3) of this section with respect to the account. The election under section 1471(c)(2) described in this paragraph (d)(5)(i)(A) does not apply to cash value insurance contracts or annuity contracts that are financial accounts described in §1.1471-5(b)(1)(iv). See paragraph (d)(5)(i)(B) of this section for an election to report cash value insurance contracts or annuity contracts that are U.S. accounts held by specified U.S. persons in a manner similar to section 6047(d).

- (i)(B) Election to report in a manner similar to section 6047(d) [§1.1471-4(d)(5)(i)(B)]  
Except as otherwise provided in this paragraph (d)(5), a participating FFI may elect to report with respect to any of its cash value insurance contracts or annuity contracts that are U.S. accounts held by specified U.S. persons under section 6047(d), modified as follows. The amount to be reported is the sum of the account balance or value (as of the calendar year end or the most recent contract anniversary date) and any amount paid under the contract during such reporting period as if such participating FFI were a U.S. payor. Each holder of a U.S. account that is a specified U.S. person is treated for purposes of reporting under this paragraph (d)(5)(i)(B) as a contract holder or payee who is an individual and citizen of the United States.
- (5)(ii) Additional information to be reported [§1.1471-4(d)(5)(ii)]  
In addition to the information otherwise required to be reported under sections 6041, 6042, 6045, 6047(d) (in the manner described in paragraph (d)(5)(i)(B) of this section with respect to U.S. accounts held by specified U.S. persons), and 6049, including the reporting of payments made to such accounts subject to reporting under the applicable section, a participating FFI that elects to report under this paragraph (d)(5)(ii) must report with respect to each account that it is required to treat as a U.S. account-
  - (ii)(A) In the case of an account holder that is a specified U.S. person [§1.1471-4(d)(5)(ii)(A)]
    - (1) The name, address, and TIN of the account holder; and [§1.1471-4(d)(5)(ii)(A)(1)]
    - (2) The account number; and [§1.1471-4(d)(5)(ii)(A)(2)]
  - (ii)(B) In the case of an account holder that is a U.S. owned foreign entity that is an NFFE [§1.1471-4(d)(5)(ii)(B)]
    - (1) The name of such entity; [§1.1471-4(d)(5)(ii)(B)(1)]
    - (2) The name, address, and TIN of each substantial U.S. owner of such entity; and [§1.1471-4(d)(5)(ii)(B)(2)]
    - (3) The account number. [§1.1471-4(d)(5)(ii)(B)(3)]
- (5)(iii) Special reporting of accounts held by owner-documented FFIs [§1.1471-4(d)(5)(iii)]  
With respect to each account held by an owner-documented FFI, a participating FFI that elects to report under this paragraph (d)(5) must report payments made to the owner-documented FFI under the requirements of sections 6041, 6042, 6045, 6047(d), and 6049, the other information required under each applicable section, and the following information-

- (iii) (A) The name of such FFI; [§1.1471-4(d)(5)(iii)(A)]
- (iii) (B) The name, address, and TIN of each specified U.S. person identified in §1.1471-3(d)(6)(iv)(A)(1) and (2); and [§1.1471-4(d)(5)(iii)(B)]
- (iii) (C) The account number for the account held by the owner-documented FFI. [§1.1471-4(d)(5)(iii)(C)]
- (5) (iv) Branch reporting [§1.1471-4(d)(5)(iv)]  
A participating FFI that reports the information described in paragraphs (d)(5)(ii) and (iii) of this section shall also report the jurisdiction of the branch that maintains the account being reported.
- (5) (v) Time and manner of making the election [§1.1471-4(d)(5)(v)]  
[Reserved]. For further guidance, see §1.1471-4T(d)(5)(v).  
  
*A participating FFI (or one or more branches of the participating FFI) may make the election described in this paragraph (d)(5) by reporting the information described in this paragraph (d)(5) on the form described in paragraph (d)(5)(vii) of this section on the next reporting date following the end of the calendar year for which the election is made.*  
  
*A participating FFI may make an election under this paragraph (d)(5) either with respect to all of its U.S. accounts and recalcitrant accounts or, separately, with respect to any clearly identified group of accounts (such as by line of business or the location where the account is maintained).*
- (5) (vi) Revocation of election [§1.1471-4(d)(5)(vi)]  
[Reserved]. For further guidance, see §1.1471-4T(d)(5)(vi).  
  
*A participating FFI may revoke the election described in paragraph (d)(5)(i) of this section (as a whole or with regard to any clearly identified group of accounts) by reporting the information described in paragraph (d)(3) of this section beginning on the first reporting date with respect to the calendar year that follows the calendar year for which it last reports an account under this paragraph (d)(5).*
- (5) (vii) [Reserved]. For further guidance, see §1.1471-4T(d)(5)(vi). Filing of information under election [§1.1471-4(d)(5)(vii)]  
In the case of an account holder that is a specified U.S. person, the information required to be reported under the election described in this paragraph (d)(5) shall be filed with the IRS and issued to the account holder in the time and manner prescribed in sections 6041, 6042, 6045, 6047(d), and 6049 and in accordance with the forms referenced therein and their accompanying instructions provided by the IRS for reporting under each of these sections.  
  
If the account holder is an NFFE that is a U.S. owned foreign entity or owner-documented FFI, however, the information required to be reported under the election described in this paragraph (d)(5) shall be filed on Form 8966 in accordance with its requirements and its accompanying instructions.

1-4(d)(9) *Examples [§1.1471-4(d)(9)]*

Ex. 1 Financial institution required to report U.S. account [§1.1471-4(d)(9) Example 1] PFFI1, a participating FFI, issues shares of stock that are financial accounts under §1.1471-5(b). Such shares are held in custody by PFFI2, another participating FFI, on behalf of U, a specified U.S. person that holds an account with PFFI2. The shares of PFFI1 held by PFFI2 will not be subject to reporting by PFFI1 if PFFI1 may treat PFFI2 as a participating FFI under §1.1471-3(d)(3). See paragraph (d)(2)(ii)(A) of this section.

Ex. 2 Financial institution required to report U.S. account [§1.1471-4(d)(9) Example 2] U, a specified U.S. person, holds shares in PFFI1, a participating FFI that invests in other financial institutions (a fund of funds).  Same facts as in Example 3, except that PFFI1 has made the election in accordance with paragraph (d)(5) of this section. PFFI1 must complete and file the forms described in paragraph (d)(5)(vii) for FC, treating FC as if it were an individual and citizen of the United States and must identify Q as a substantial U.S. owner of

FC on such form. See paragraph (d)(5)(ii) of this section. PFFI1 shall not complete the forms described in paragraph (d)(5)(vii) with regard to U.

Q, another specified U.S. person, owns 12% of the only class of stock of DC. Both U and Q are persons identified in §1.1471-3(d)(6)(iv)(A)(1) and DC identifies U and Q to PFFI1 and otherwise provides to PFFI1 all of the information required to be reported with respect to DC. PFFI1 must complete and file a form described in paragraph (d)(3)(v) of this section with regard to U and Q. See paragraph (d)(3)(iii) of this section.*

Ex. 6 Election to perform Form 1099 reporting with regard to an owner-documented FFI [§1.1471-4(d)(9) Example 6.]

1-4(e) [Reserved]. For further guidance, see §1.1471-4T(d)(9) Example 7. Expanded affiliated group requirements [§1.1471-4(e)]

1-4(e)(1) In general [§1.1471-4(e)(1)]  
[Reserved]. For further guidance, see §1.1471-4T(e)(1).

*Except as otherwise provided in this paragraph (e)(1) or paragraphs (e)(2) and (e)(3) of this section, each FFI that is a member of an expanded affiliated group must have the chapter 4 status of a participating FFI, deemed-compliant FFI, or exempt beneficial owner as a condition for any member of such group to obtain the status of a participating FFI or registered deemed-compliant FFI. Accordingly, except as otherwise provided in published guidance, each FFI other than a certified deemed-compliant FFI or exempt beneficial owner in an expanded affiliated group must submit a registration form to the IRS in such manner as the IRS may prescribe requesting an FFI agreement, registered deemed-compliant status, or limited FFI status as a condition for any member to become a participating FFI or registered deemed-compliant FFI.*

*Except as provided in paragraph (e)(2) of this section, each FFI other than a certified deemed-compliant FFI or exempt beneficial owner that is a member of such group must also agree to all of the requirements for the status for which it applies with respect to all accounts maintained at all of its branches, offices, and divisions. For the withholding requirements of a participating FFI with respect to its limited branches and its affiliates that are limited FFIs, see paragraph (b)(5) of this section.*

*Notwithstanding the foregoing, an FFI (or branch thereof) that is treated as a participating FFI or a deemed-compliant FFI pursuant to a Model 1 IGA or Model 2 IGA will maintain such status provided that it meets the terms for such status pursuant to such agreement.*

1-4(e)(2) *Limited branches [§1.1471-4(e)(2)]*

(2)(i) In general [§1.1471-4(e)(2)(i)]  
 An FFI that otherwise satisfies the requirements for participating FFI status as described in this section will be allowed to become a participating FFI notwithstanding that one or more of its branches cannot satisfy all of the requirements of a participating FFI as described in this section if-

- (i)(A) All branches (as defined in paragraph (e)(2)(ii) of this section) that cannot satisfy all of the requirements of a participating FFI as described in this section are limited branches as described in paragraph (e)(2)(iii) of this section; [§1.1471-4(e)(2)(i)(A)]
- (i)(B) The FFI maintains at least one branch that complies with all of the requirements of a participating FFI, even if the only branch that can comply is a U.S. branch; and [§1.1471-4(e)(2)(i)(B)]
- (i)(C) The FFI agrees to and complies with the conditions in paragraph (e)(2)(iv) of this section. [§1.1471-4(e)(2)(i)(C)]

(2)(ii) Branch defined [§1.1471-4(e)(2)(ii)]  
 [Reserved]. For further guidance, see §1.1471-4T(e)(2)(ii).

*For purposes of this section, a branch is a unit, business, or office of an FFI that is treated as a branch under the regulatory regime of a country or that is otherwise regulated under the laws of a country as separate from other offices, units, or branches of the FFI and also includes an entity that is disregarded as an entity separate from an FFI (including branches maintained by such disregarded entity). For purposes of this section, a branch includes a unit, business, or office of an FFI located in a country in which it is resident, and a unit, business, or office of an FFI located in the country in which the FFI is created or organized.*

*All units, businesses, and offices of a participating FFI located in a single country, and all entities disregarded as entities separate from a participating FFI and located in a single country, shall be treated as a single branch and may use the same GIIN. An account will be treated as maintained by a branch or disregarded entity if the rights and obligations of the account holder and the participating FFI with regard to such account (including any assets held in the account) are governed by the laws of the country of the branch or disregarded entity.*

(2)(iii) Limited branch defined [§1.1471-4(e)(2)(iii)]  
 A limited branch is a branch of an FFI that, under the laws of the jurisdiction that apply with respect to the accounts maintained by the branch, cannot satisfy the conditions of both paragraphs (e)(2)(iii)(A) and (B) of this section, but with respect to which the FFI will agree to the conditions of paragraph (e)(2)(iv) of this section.

- (iii)(A) With respect to accounts that pursuant to this section the participating FFI is required to treat as U.S. accounts, either report such accounts to the IRS as described in paragraph (d) of this section, close such accounts within a reasonable period of time, or transfer such accounts to a U.S. financial institution, a branch of the FFI that will so report, a participating FFI, or a reporting Model 1 FFI. [§1.1471-4(e)(2)(iii)(A)]
- (iii)(B) With respect to recalcitrant account holders and accounts held by nonparticipating FFIs, withhold with respect to each such account as required under paragraph (b) of this section, block each such account (as defined in this paragraph), close each such account within a reasonable period of time, or transfer each such account to a U.S. financial

institution, a branch of the FFI that will so report, a participating FFI, or a reporting Model 1 FFI. For purposes of this paragraph (e)(2)(iii)(B), an account is a blocked account if the FFI prohibits the account holder from effecting any transactions with respect to an account until such time as the account is closed, transferred, or the account holder provides the documentation described in paragraph (c) of this section for the FFI to determine the U.S. or non-U.S. status of the account and report the account if required under paragraph (d) of this section. [§1.1471-4(e)(2)(iii)(B)]

(2)(iv) Conditions for limited branch status [§1.1471-4(e)(2)(iv)]  
An FFI with one or more limited branches must satisfy the following requirements when applying for participating FFI status with the IRS-

- (iv)(A) Identify the relevant jurisdiction of each branch for which it seeks limited branch status; [§1.1471-4(e)(2)(iv)(A)]
- (iv)(B) Agree that each such branch will identify its account holders under the due diligence requirements applicable to participating FFIs under paragraph (c) of this section, retain a record of account holder and payee documentation pertaining to those identification requirements for the longer of six years from the effective date of the FFI agreement or for as long as the branch maintains the account or obligation, and report to the IRS with respect to accounts that it is required to treat as U.S. accounts to the extent permitted under the relevant laws pertaining to the branch; [§1.1471-4(e)(2)(iv)(B)]
- (iv)(C) Agree to treat each such branch as an entity separate from its other branches for purposes of the withholding requirements described in paragraph (b)(5) of this section; [§1.1471-4(e)(2)(iv)(C)]
- (iv)(D) Agree that each such branch will not open accounts that it is required to treat as U.S. accounts or accounts held by nonparticipating FFIs, including accounts transferred from any branch of the FFI or from any member of its expanded affiliated group; and [§1.1471-4(e)(2)(iv)(D)]
- (iv)(E) Agree that each limited branch will identify itself to withholding agents as a nonparticipating FFI (including to affiliates of the FFI in the same expanded affiliated group that are withholding agents). [§1.1471-4(e)(2)(iv)(E)]

(2)(v) Term of limited branch status (transitional) [§1.1471-4(e)(2)(v)]  
An FFI that becomes a participating FFI with one or more limited branches will cease to be a participating FFI after December 31, 2015, unless otherwise provided pursuant to Model 1 IGA or Model 2 IGA. A branch will cease to be a limited branch as of the beginning of the third calendar quarter following the date on which the branch is no longer prohibited from complying with the requirements of a participating FFI as described in this section. In such case, a participating FFI will retain its status as a participating FFI if it notifies the IRS by the date such branch ceases to be a limited branch that it will comply with the requirements of an FFI agreement with respect to such branch, or if otherwise provided pursuant to a Model 1 IGA or Model 2 IGA.

1-4(e)(3) *Limited FFI [§1.1471-4(e)(3)]*

(3)(i) In general [§1.1471-4(e)(3)(i)]  
An FFI will be allowed to become either a participating FFI or a registered deemed-compliant FFI notwithstanding that one or more of the FFIs in the expanded affiliated group of which the FFI is a member cannot comply with all of the requirements of a participating FFI as described in this section if each such FFI is a limited FFI under paragraph (e)(3)(ii) of this section.

- (3)(ii) Limited FFI defined [§1.1471-4(e)(3)(ii)]  
A limited FFI is a member of an expanded affiliated group that includes one or more participating FFIs that agrees to the conditions described in paragraph (e)(3)(iii) of this section to become a limited FFI and if under the laws of each jurisdiction that apply with respect to the accounts maintained by the affiliate, the affiliate cannot satisfy the conditions of both paragraphs (e)(3)(ii)(A) and (B) of this section.
  - (ii)(A) With respect to accounts that are U.S. accounts, report such accounts to the IRS as described in paragraph (d) of this section, close such accounts within a reasonable period of time, or transfer such accounts to a U.S. financial institution, a participating FFI, or a reporting Model 1 FFI. [§1.1471-4(e)(3)(ii)(A)]
  - (ii)(B) With respect to recalcitrant account holders and accounts held by nonparticipating FFIs, withhold with respect to each such account as required under paragraph (b) of this section, block each such account, close each such account within a reasonable period of time, or transfer each such account to a U.S. financial institution, a participating FFI, or a reporting Model 1 FFI. See paragraph (e)(2)(iii)(B) of this section for when an account is considered blocked. [§1.1471-4(e)(3)(ii)(B)]
- (3)(iii) Conditions for limited FFI status [§1.1471-4(e)(3)(iii)]  
An FFI that seeks to become a limited FFI must-
  - (iii)(A) Register as part of its expanded affiliated group's FFI agreement process for limited FFI status; [§1.1471-4(e)(3)(iii)(A)]
  - (iii)(B) Agree as part of such registration to identify its account holders under the due diligence requirements applicable to participating FFIs under paragraph (c) of this section, retain a record of account holder and payee documentation pertaining to those identification requirements for the longer of six years from the effective date of its registration as a limited FFI or for as long as the FFI maintains the account or obligation, and report with respect to accounts that it is required to treat as U.S. accounts to the extent permitted under the relevant laws pertaining to the FFI; [§1.1471-4(e)(3)(iii)(B)]
  - (iii)(C) Agree as part of such registration that it will not open accounts that it is required to treat as U.S. accounts or accounts held by nonparticipating FFIs, including accounts transferred from any member of its expanded affiliated group; and [§1.1471-4(e)(3)(iii)(C)]
  - (iii)(D) Agree as part of such registration that it will identify itself to withholding agents as a nonparticipating FFI. [§1.1471-4(e)(3)(iii)(D)]
- (3)(iv) Period for limited FFI status (transitional) [§1.1471-4(e)(3)(iv)]  
A limited FFI will cease to be a limited FFI after December 31, 2015. An FFI will also cease to be a limited FFI when it becomes a participating FFI or deemed-compliant FFI, or as of the beginning of the third calendar quarter following the date on which the FFI is no longer prohibited from complying with the requirements of a participating FFI as described in this section. In such case, participating FFIs and deemed-compliant FFIs that are members of the same expanded affiliated group will retain their status if, by the date that an FFI ceases to be a limited FFI, such FFI enters into an FFI agreement or becomes a registered deemed-compliant FFI, unless otherwise provided pursuant to an applicable Model 1 IGA or Model 2 IGA.

**1-4(e)(4) *Special rule for QIs [§1.1471-4(e)(4)]***  
 An FFI that has in effect a QI agreement with the IRS will be allowed to become a limited FFI notwithstanding that none of the FFIs in the expanded affiliated group of which the FFI is a member can comply with the requirements of a participating FFI as described in this section if the FFI that is a QI meets the conditions of a limited FFI under paragraph (e)(3)(ii) of this section.

**1-4(f) *Verification [§1.1471-4(f)]***

**1-4(f)(1) *In general [§1.1471-4(f)(1)]***  
 This paragraph (f) describes the requirement for a participating FFI to establish and implement a compliance program for satisfying its requirements under this section. Paragraph (f)(2) of this section provides the requirement for a participating FFI to establish a compliance program and the option for a group of FFIs to adopt a consolidated compliance program. Paragraph (f)(3) describes the periodic certification that the participating FFI must make to the IRS regarding the participating FFI's compliance with the requirements of an FFI agreement. Paragraph (f)(4) describes IRS information requests related to compliance with an FFI agreement.

**1-4(f)(2) *Compliance program [§1.1471-4(f)(2)]***

**(2)(i) *In general [§1.1471-4(f)(2)(i)]***  
 The participating FFI must appoint a responsible officer to oversee the participating FFI's compliance with the requirements of the FFI agreement. The responsible officer must (either personally or through designated persons) establish a compliance program that includes policies, procedures, and processes sufficient for the participating FFI to satisfy the requirements of the FFI agreement. The responsible officer (or designee) must periodically review the sufficiency of the FFI's compliance program and the FFI's compliance with the requirements of an FFI agreement during the certification period described in paragraph (f)(3) of this section. The results of the periodic review must be considered by the responsible officer in making the periodic certifications required under paragraph (f)(3) of this section.

**(2)(ii) *Consolidated compliance program [§1.1471-4(f)(2)(ii)]***

**(ii)(A) *In general [§1.1471-4(f)(2)(ii)(A)]***  
 A participating FFI that is a member of an expanded affiliated group that includes one or more FFIs may elect to be part of a consolidated compliance program (and perform a consolidated periodic review) under the authority of a participating FFI, reporting Model 1 FFI, or U.S. financial institution (compliance FI) that is a member of the electing FFI's expanded affiliated group, regardless of whether all such members so elect. A sponsoring entity is required to act as the compliance FI for the sponsored FFI group. In addition, when an FFI elects to be part of a consolidated compliance program, each branch that it maintains (including a limited branch or a branch described in §1.1471-5(f)(1)) must be subject to periodic review as part of such program.

**(ii)(B) *Requirements of compliance FI [§1.1471-4(f)(2)(ii)(B)]***  
 A participating FFI, reporting Model 1 FFI, or U.S. financial institution that agrees to establish and maintain a consolidated compliance program and perform a consolidated periodic review on behalf of one or more FFIs (the compliance group), must agree to identify itself as the compliance FI and identify each FFI for which it acts (an electing FFI) to the extent required by the IRS as part of the FFI registration process or certification procedures. The agreement between the compliance FI and each electing FFI must permit either the compliance FI or the electing FFI to terminate the agreement upon a finding by the IRS or by either party that the other party to the agreement is not fulfilling its obligations under the agreement or is no longer able to fulfill such obligations.

1-4(f)(3) *Certification of compliance [§1.1471-4(f)(3)]*

(3)(i) In general [§1.1471-4(f)(3)(i)]  
 In addition to the certifications required under paragraph (c)(7) of this section, six months following the end of each certification period, the responsible officer must make the certification described in either paragraph (f)(3)(ii) or (iii) of this section. The first certification period begins on the effective date of the FFI agreement and ends at the close of the third full calendar year following the effective date of the FFI agreement. Each subsequent certification period is the three calendar year period following the previous certification period, unless the FFI agreement provides for a different period. The responsible officer must either certify that the participating FFI maintains effective internal controls or, if the participating FFI has failed to remediate any material failures (defined in paragraph (f)(3)(iv) of this section) as of the date of the certification, must make the qualified certification described in paragraph (f)(3)(iii) of this section.

(3)(ii) Certification of effective internal controls [§1.1471-4(f)(3)(ii)]  
 The responsible officer must certify to the following statements-

- (ii)(A) The responsible officer (or designee) has established a compliance program that is in effect as of the date of the certification and that has been subjected to the review as described in paragraph (f)(2)(i) of this section; [§1.1471-4(f)(3)(ii)(A)]
- (ii)(B) With respect to material failures- [§1.1471-4(f)(3)(ii)(B)]
  - (1) There are no material failures for the certification period; or [§1.1471-4(f)(3)(ii)(B)(1)]
  - (2) If there are any material failures, appropriate actions were taken to remediate such failures and to prevent such failures from reoccurring; and [§1.1471-4(f)(3)(ii)(B)(2)]
- (ii)(C) With respect to any failure to withhold, deposit, or report to the extent required under the FFI agreement, the FFI has corrected such failure by paying any taxes due (including interest and penalties) and filing the appropriate return (or amended return). [§1.1471-4(f)(3)(ii)(C)]

(3)(iii) Qualified certification [§1.1471-4(f)(3)(iii)]  
 If the responsible officer has identified an event of default or a material failure that the participating FFI has not corrected as of the date of the certification, the responsible officer must certify to the following statements-

- (iii)(A) With respect to the event of default or material failure- [§1.1471-4(f)(3)(iii)(A)]
  - (1) The responsible officer (or designee) has identified an event of default as defined in paragraph (g)(1) of this section; or [§1.1471-4(f)(3)(iii)(A)(1)]
  - (2) The responsible officer has determined that as of the date of the certification, there are one or more material failures with respect to the participating FFI's compliance with the FFI agreement and that appropriate actions will be taken to prevent such failures from reoccurring; [§1.1471-4(f)(3)(iii)(A)(2)]
- (iii)(B) With respect to any failure to withhold, deposit, or report to the extent required under the FFI agreement, the FFI will correct such failure by paying any taxes due (including interest and penalties) and filing the appropriate return (or amended return); and [§1.1471-4(f)(3)(iii)(B)]

(iii)(C) The responsible officer (or designee) will respond to any notice of default (if applicable) or will provide to the IRS, to the extent requested, a description of each material failure and a written plan to correct each such failure. [§1.1471-4(f)(3)(iii)(C)]

(3)(iv) Material failures defined [§1.1471-4(f)(3)(iv)]  
 A material failure is a failure of the participating FFI to fulfill the requirements of the FFI agreement if the failure was the result of a deliberate action on the part of one or more employees of the participating FFI (its agent, sponsor, or compliance FI) to avoid the requirements of the FFI agreement or was an error attributable to a failure of the participating FFI to implement internal controls sufficient for the participating FFI to meet the requirements of this section. A material failure will not constitute an event of default unless such material failure occurs in more than limited circumstances when a participating FFI has not substantially complied with the requirements of an FFI agreement. Material failures include the following-

- (iv)(A) The deliberate or systemic failure of the participating FFI to report accounts that it was required to treat as U.S. accounts, withhold on passthru payments to the extent required, deposit taxes withheld, or accurately report recalcitrant account holders or payees that are nonparticipating FFIs as required; [§1.1471-4(f)(3)(iv)(A)]
- (iv)(B) A criminal or civil penalty or sanction imposed on the participating FFI (or any branch or office thereof) by a regulator or other governmental authority or agency with oversight over the participating FFI's compliance with the AML due diligence procedures to which it (or any branch or office thereof) is subject and that is imposed based on a failure to properly identify account holders under the requirements of those procedures; and [§1.1471-4(f)(3)(iv)(B)]
- (iv)(C) A potential future tax liability related to the participating FFI's compliance (or lack thereof) with the FFI agreement for which the FFI establishes, for financial statement purposes, a tax reserve or provision. [§1.1471-4(f)(3)(iv)(C)]

1-4(f)(4) IRS review of compliance [§1.1471-4(f)(4)]

(4)(i) General inquiries [§1.1471-4(f)(4)(i)]  
 [Reserved]. For further guidance, see §1.1471-4T(f)(4)(i).

*The IRS, based upon the information reporting forms described in paragraphs (d)(3)(v), (d)(5)(vii), or (d)(6)(iv) of this section filed with the IRS for each calendar year, may request additional information with respect to the information reported on the forms or may request the account statements described in paragraph (d)(4)(v) of this section. The IRS may request additional information to determine an FFI's compliance with its FFI agreement and to assist the IRS with its review of account holder compliance with tax reporting requirements.*

(4)(ii) Inquiries regarding substantial non-compliance [§1.1471-4(f)(4)(ii)]  
 [Reserved]. For further guidance, see §1.1471-4T(f)(4)(ii).

*If, based on the information reporting forms described in paragraphs (d)(3)(v), (d)(5)(vii), or (d)(6)(iv) of this section filed with the IRS for each calendar year, the certifications made by the responsible officer described in paragraph (f)(3) of this section, or any other information related to the participating FFI's compliance with its FFI agreement, the IRS determines in its discretion that the participating FFI may not have substantially complied with the requirements of its FFI agreement, the IRS may request from the responsible officer (or designee)*

*information necessary to verify the participating FFI's compliance with the FFI agreement.*

*The IRS may request, for example, a description or copy of the participating FFI's policies and procedures for fulfilling the requirements of the FFI agreement, a description of the participating FFI's procedures for conducting its periodic review, or a copy of any written reports documenting the findings of such review in order to evaluate the sufficiency of the participating FFI's compliance program and review of such program. The IRS may also request the performance of specified review procedures by a person (including an external auditor or third-party consultant) that the IRS identifies as competent to perform such procedures given the facts and circumstances surrounding the FFI's potential failure to comply with the FFI agreement. The IRS may make these requests to a sponsoring entity with respect to any sponsored FFI.*

**1-4(g) Event of default [§1.1471-4(g)]**

**1-4(g)(1)** *Defined [§1.1471-4(g)(1)]*  
 [Reserved]. For further guidance, see §1.1471-4T(g)(1).

*An event of default occurs if a participating FFI fails to perform material obligations required with respect to the due diligence, verification, withholding, or reporting requirements of the FFI agreement or if the IRS determines that the participating FFI has failed to substantially comply with the requirements of the FFI agreement. An event of default also includes the occurrence of the following-*

- (1)(i) Failure to obtain, in any case in which foreign law would (but for a waiver) prevent the reporting of U.S. accounts required under paragraph (d) of this section, valid and effective waivers from holders of U.S. accounts or failure to otherwise close or transfer such U.S. accounts as required under paragraph (i) of this section; [§1.1471-4(g)(1)(i)]
- (1)(ii) [Reserved]. For further guidance, see §1.1471-4T(g)(1)(ii).[§1.1471-4(g)(1)(ii)]  
*Failure to significantly reduce, over a period of time, the number of account holders or payees that the participating FFI is required to treat as recalcitrant account holders or nonparticipating FFIs, as a result of the participating FFI failing to comply with the due diligence procedures for the identification and documentation of account holders and payees, as set forth in paragraph (c) of this section;*
- (1)(iii) Failure, in any case in which foreign law prevents or otherwise limits withholding to the extent required under paragraph (b) of this section, to fulfill the requirements of paragraph (i) of this section; [§1.1471-4(g)(1)(iii)]
- (1)(iv) Failure to establish or maintain a compliance program for fulfilling the requirements of the FFI agreement or to perform a periodic review of the participating FFI's compliance; [§1.1471-4(g)(1)(iv)]
- (1)(v) Failure to take timely corrective actions to remedy a material failure described in paragraph (f)(3)(iv) of this section after making the qualified certification described in paragraph (f)(3)(iii) of this section; [§1.1471-4(g)(1)(v)]
- (1)(vi) Failure to make the initial certification required under paragraph (c)(7) of this section or to make the periodic certification required under paragraph (f)(3) of this section within the specified time period; [§1.1471-4(g)(1)(vi)]
- (1)(vii) Making incorrect claims for refund under the collective refund procedures described in paragraph (h) of this section; [§1.1471-4(g)(1)(vii)]

- (1)(viii) Failure to cooperate with an IRS request for additional information or making any fraudulent statement or misrepresentation of material fact to the IRS; or [§1.1471-4(g)(1)(viii)]
- (1)(ix) Any transaction relating to sponsorship, promotion, or noncustodial distribution for or on behalf of any Local FFI, as described in §1.1471-5(f)(1)(i)(A), that is an investment entity. [§1.1471-4(g)(1)(ix)]

1-4(g)(2) *Notice of event of default [§1.1471-4(g)(2)]*  
 [Reserved]. For further guidance, see §1.1471-4T(g)(2).

*Notice of event of default. Following an event of default known by or disclosed to the IRS, the IRS will deliver to the participating FFI a notice of default specifying the event of default. The IRS will request that the participating FFI remediate the event of default within a specified time period. The participating FFI must respond to the notice of default and provide information responsive to an IRS request for information or state the reasons why the participating FFI does not agree that an event of default has occurred.*

*Taking into account the terms of any applicable Model 2 IGA, if the participating FFI does not provide a response within the specified time period, the IRS may, at its sole discretion, deliver a notice of termination that terminates the FFI's participating FFI status. A participating FFI may request, within a reasonable period of time, reconsideration of a notice of default or notice of termination by written request to the Deputy Commissioner (International), LB&I.*

1-4(g)(3) *Remediation of event of default [§1.1471-4(g)(3)]*  
 A participating FFI will be permitted to remediate an event of default to the extent that it agrees with the IRS on a remediation plan. Such a plan may, for example, allow a participating FFI to remediate an event of default described in paragraph (g)(1)(iii) of this section by providing specific information regarding its U.S. accounts when the FFI has been unable to report all of the information with respect to such accounts as required under paragraph (d) of this section and has been unable to close or transfer such accounts. The IRS may, as part of a remediation plan, require additional information from the FFI or the performance of the specified review procedures described in paragraph (f)(4)(ii) of this section.

1-4(h) *Collective credit or refund procedures for overpayments [§1.1471-4(h)]*

1-4(h)(1) *In general [§1.1471-4(h)(1)]*  
 Except as otherwise provided in the FFI agreement, if there has been an overpayment of tax with respect to an account holder or payee of a participating FFI or reporting Model 1 FFI resulting from tax withheld under chapter 4 by either the participating FFI or reporting Model 1 FFI or by its withholding agent during a calendar year and the amount withheld has not been recovered under the reimbursement or set-off procedures described in §1.1474-2(a) (applied by either the withholding agent or the participating FFI or reporting Model 1 FFI), the participating FFI or reporting Model 1 FFI may request a credit or refund from the IRS of the overpayment to the extent permitted under this paragraph (h) on behalf of such account holder or payee. For purposes of this paragraph (h), an overpayment means an amount withheld in excess of the account holder or payee's U.S. tax liability with respect to the payment (including overwithholding as defined §1.1474-2(a)(2)). If a participating FFI or reporting Model 1 FFI does not elect the procedure provided in this paragraph (h) to request a credit or refund, the participating FFI or reporting Model 1 FFI is required to (or must request that its withholding agent) file and furnish within a reasonable period a Form 1042-S (or such other form as the IRS may prescribe) and Form 1042 (or amended forms) to report to any account holder or payee that has requested such form with regard to the tax withheld by the participating FFI or reporting Model 1 FFI or its withholding agent.

1-4(h)(2) *Persons for which a collective refund is not permitted [§1.1471-4(h)(2)]*  
 A participating FFI or reporting Model 1 FFI cannot include in its collective refund claim any payments made to an account holder or payee that is a nonparticipating FFI, a participating

FFI or reporting Model 1 FFI that is a flow-through entity (including a WP or WT) or that is acting as an intermediary (including a QI), a U.S. person, or a passive NFFE that is a flow-through entity with respect to taxes allocated to its substantial U.S. owners. A participating FFI or reporting Model 1 FFI must follow the procedures set forth under sections 6402 and 6414 and the regulations thereunder, as modified by this paragraph (h), to claim the credit or refund. No credit or refund will be allowed after the expiration of the statutory period of limitation for refunds under section 6511.

1-4(h)(3) *Payments for which a collective refund is permitted [§1.1471-4(h)(3)]*  
 A collective refund is permitted only for payments withheld upon under chapter 4.

1-4(h)(4) *Procedural and other requirements for collective refund [§1.1471-4(h)(4)]*  
 A participating FFI or reporting Model 1 FFI may use the collective refund procedures of this paragraph (h) under the following conditions-

- (4)(i) All account holders and payees for which the participating FFI or reporting Model 1 FFI seeks a refund must have been included on a Form 1042-S in a reporting pool of nonparticipating FFIs or recalcitrant account holders described in §1.1474-1(d)(4)(iii) with respect to the payments for which refund is sought and the participating FFI or reporting Model 1 FFI (or the withholding agent) has not filed or furnished a Form 1042-S to any such account holder or payee with respect to which the refund is sought; [§1.1471-4(h)(4)(i)]
- (4)(ii) If a refund is sought on the grounds that the account holder or payee of a payment that is U.S. source FDAP income subject to withholding under chapter 3 is entitled to a reduced rate of tax by reason of any treaty obligation of the United States, the participating FFI or reporting Model 1 FFI has also obtained valid documentation that meets the requirements of chapter 3 for a reduced rate of tax and such documentation is available to the IRS upon request with respect to each such account holder or payee; and [§1.1471-4(h)(4)(ii)]
- (4)(iii) In filing a claim for refund with the IRS under this paragraph (h), the participating FFI or reporting Model 1 FFI submits the following, together with its Form 1042 (or amended Form 1042) on which it provides a reconciliation of amounts withheld and claims a credit or refund, a schedule identifying the taxes withheld with respect to each account holder or payee to which the claim relates, and, if applicable, a copy of the Form 1042-S (or such other form as the IRS may prescribe) furnished to the participating FFI or reporting Model 1 FFI by its withholding agent reporting the taxes withheld to which the claim relates, and a statement that includes the following representations and explanation- [§1.1471-4(h)(4)(iii)]
  - (iii)(A) The reason(s) for the overpayment; [§1.1471-4(h)(4)(iii)(A)]
  - (iii)(B) A representation that the participating FFI or reporting Model 1 FFI or its withholding agent deposited the tax for which a refund is being sought under section 6302 and has not applied the reimbursement or set-off procedure of §1.1474-2 to adjust the tax withheld to which the claim relates; [§1.1471-4(h)(4)(iii)(B)]
  - (iii)(C) A representation that the participating FFI or reporting Model 1 FFI has repaid or will repay the amount for which refund is sought to the appropriate account holders or payees; [§1.1471-4(h)(4)(iii)(C)]
  - (iii)(D) A representation that the participating FFI or reporting Model 1 FFI retains a record showing the total amount of tax withheld, credits from other withholding agents, tax assumed by the participating FFI or reporting Model 1 FFI, adjustments for underwithholding, and reimbursements for overwithholding as it relates to each account holder

and payee and also showing the repayment to such account holders or payees for the amount of tax for which a refund is being sought; [§1.1471-4(h)(4)(iii)(D)]

- (iii)(E) A representation that the participating FFI or reporting Model 1 FFI retains valid documentation that meets the requirements of chapters 3 (if applicable) and 4 to substantiate the amount of overwithholding with respect to each account holder and payee for which a refund is being sought and that such documentation is available to the IRS upon request; and [§1.1471-4(h)(4)(iii)(E)]
- (iii)(F) A representation that the participating FFI or reporting Model 1 FFI will not issue a Form 1042-S (or such other form as the IRS may prescribe) to any account holder or payee for which a refund is being sought. [§1.1471-4(h)(4)(iii)(F)]

**1-4(i) Legal prohibitions on reporting U.S. accounts and withholding [§1.1471-4(i)]**

**1-4(i)(1)**

*In general [§1.1471-4(i)(1)]*

Except to the extent otherwise provided in a Model 2 IGA, a participating FFI (or branch thereof) that is prohibited by foreign law from reporting the information required under paragraph (d) of this section with respect to a U.S. account must follow the procedures of paragraph (i)(2) of this section to obtain a valid and effective waiver of such law and, if such waiver is not obtained within a reasonable period of time, to close or transfer such account. A participating FFI (or branch thereof) that is prohibited by law from withholding with respect to a recalcitrant account holder or nonparticipating FFI as required under paragraph (b) of this section is required to perform the procedures of paragraph (i)(3) of this section to obtain an authorization to withhold on payments made to the account holder or payee to the extent required under paragraph (b) of this section, close the account or terminate the obligation (as applicable), or to sell the assets in the account that produce (or could produce) withholdable payments and, if such authorization is not obtained within a reasonable period of time, to transfer or block such account or obligation. An FFI that cannot comply with any of the requirements of this paragraph (i) is not eligible to enter into an FFI agreement with the IRS, but may obtain status as a limited FFI if the FFI meets the requirements and agrees to the conditions of paragraph (e)(3) of this section. If a branch of an FFI cannot comply with the requirements of this paragraph (i), then the FFI must agree to the conditions of a limited branch as described in paragraph (e)(2) of this section to obtain status as a participating FFI.

**1-4(i)(2)**

*Requesting waiver or closure of a U.S. account [§1.1471-4(i)(2)]*

**(2)(i)**

*In general [§1.1471-4(i)(2)(i)]*

If a participating FFI (or branch thereof) is prohibited by law from reporting the information required under paragraph (d) of this section with respect to a U.S. account that it maintains unless a valid and effective waiver of such law is obtained, the participating FFI must request a valid and effective waiver (including by obtaining waivers from all relevant account holders if necessary). For accounts other than preexisting accounts, the participating FFI must obtain a valid and effective waiver upon opening the account or, if prohibitions on disclosure cannot by law be waived, the participating FFI must refrain from opening accounts that are U.S. accounts or must transfer such accounts as described in paragraph (i)(2)(iii) of this section. Beginning on the date provided in §1.1471-5(g)(3) and until such time as the holder of a U.S. account either consents to disclosure or closure of the account or until the account is transferred, the participating FFI is required to treat the account as held by a recalcitrant account holder.

**(2)(ii)**

*Valid and effective waiver for a U.S. account [§1.1471-4(i)(2)(ii)]*

For purposes of this paragraph (i)(2), a valid and effective waiver is a waiver that, under the applicable law governing the participating FFI's agreement with the account holder, permits the participating FFI (or branch thereof) to report to the

IRS all of the information specified in paragraph (d) of this section with respect to the U.S. account and permits the FFI to provide the IRS with additional information concerning such account as specified in paragraph (f) or (g) of this section.

(2)(iii) Closure or transfer of U.S. account [§1.1471-4(i)(2)(iii)]  
 If the participating FFI (or branch thereof) is prohibited by law from reporting a U.S. account to the IRS under paragraph (d) of this section and the participating FFI either does not obtain a valid and effective waiver (and Form W-9) or prohibitions on disclosure cannot by law be waived, the participating FFI (or branch thereof) must close or transfer the account within a reasonable time. If the participating FFI cannot close or transfer the account absent the account holder consenting to closure, the participating FFI must request such a consent from such account holder and, if obtained, close or transfer the account within a reasonable period of time.

*1-4(i)(3) Legal prohibitions preventing withholding [§1.1471-4(i)(3)]*

(3)(i) In general [§1.1471-4(i)(3)(i)]  
 If the participating FFI (or branch thereof) is prohibited by law from withholding with respect to payments subject to withholding under paragraph (b) of this section, the participating FFI (or a branch thereof) must obtain the authorization described in this paragraph (i)(3)(i) from each account holder or payee receiving such payments to either withhold, close the account or terminate the obligation, or sell all of the assets in the account that produce (or could produce) withholdable payments. If the participating FFI does not receive such authorization from the account holder or payee within a reasonable period of time, the participating FFI must block or transfer such accounts or obligations as described in paragraph (i)(3)(ii) of this section.

(3)(ii) Block or transfer accounts or obligations [§1.1471-4(i)(3)(ii)]  
 If the participating FFI does not receive the authorization described in paragraph (i)(3)(i) of this section from the account holder or payee within a reasonable period of time and is prohibited by law from closing accounts or terminating obligations with account holders or payees as described in paragraph (i)(3)(i) of this section, the participating FFI must either block or transfer such accounts or obligations prior to the date on which the participating FFI would otherwise be required to withhold under paragraph (b) of this section. See paragraph (e)(2)(iii)(B) of this section for when an account is considered blocked. A transfer of an account or obligation must be made to a branch of the FFI that may so withhold or to a participating FFI or reporting Model 1 FFI.

*1-4(j) Effective/applicability date [§1.1471-4(j)]*

This section generally applies on January 28, 2013. For other dates of applicability, see §§1.1471-4(b)(1), (4); 1.1471-4(d)(7); 1.1471-4(e)(2)(v); 1.1471-4(e)(3)(iv).

1-5 §1.1471-5 Definitions applicable to section 1471 [§1.1471-5]1-5(a) U.S. accounts [§1.1471-5(a)]1-5(a)(1) In general [§1.1471-5(a)(1)]

This paragraph (a) defines the term U.S. account and describes when a person is treated as the holder of a financial account (account holder). This paragraph also provides rules for determining when an exception to U.S. account status applies for certain depository accounts, including account aggregation requirements relevant to applying the exception.

1-5(a)(2) Definition of U.S. account [§1.1471-5(a)(2)]

Subject to the exception described in paragraph (a)(4)(i) of this section, a U.S. account is any financial account maintained by an FFI that is held by one or more specified U.S. persons or U.S. owned foreign entities. For the definition of the term financial account, see paragraph (b) of this section. For the definition of the term specified U.S. person, see §1.1473-1(c). For the definition of the term U.S. owned foreign entity, see paragraph (c) of this section. For reporting requirements of participating FFIs with respect to U.S. accounts, see §1.1471-4(d).

1-5(a)(3) Account holder [§1.1471-5(a)(3)](3)(i) In general [§1.1471-5(a)(3)(i)]

[Reserved]. For further guidance, see §1.1471-5T(a)(3)(i).

*Except as otherwise provided in this paragraph (a)(3), the account holder is the person listed or identified as the holder or owner of the account with the FFI that maintains the account, regardless of whether such person is a flow-through entity. Thus, for example, except as otherwise provided in paragraph (a)(3)(ii) of this section, if a trust (including a simple or grantor trust) or an estate is listed as the holder or owner of a financial account, the trust or estate is the account holder, rather than its owners or beneficiaries.*

*Similarly, except as otherwise provided in this paragraph (a)(3), if a partnership is listed as the holder or owner of a financial account, the partnership is the account holder, rather than the partners in the partnership. In the case of an account held by an entity that is disregarded for U.S. federal tax purposes under S301.7701-2(c)(2)(i), the account shall be treated as held by the person owning such entity.*

*With respect to an account held by an exempt beneficial owner, such account is treated as held by an exempt beneficial owner only when all payments made to such account would be treated as made to an exempt beneficial owner. See §1.1471-6(h) for when a payment derived from certain commercial activities is not treated as made to an exempt beneficial owner.*

(3)(ii) Financial accounts held by agents that are not financial institutions [§1.1471-5(a)(3)(ii)]

A person, other than a financial institution, that holds a financial account for the benefit or account of another person as an agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as an account holder with respect to such account for purposes of this section. Instead, such other person is treated as the account holder.

(3)(iii) Jointly held accounts [§1.1471-5(a)(3)(iii)]

With respect to a jointly held account, each joint holder is treated as an account holder for purposes of determining whether the account is a U.S. account. Thus, an account is a U.S. account if any of the account holders is a specified U.S. person or a U.S. owned foreign entity and the account is not otherwise excepted from U.S. account status under paragraph (a)(4) of this section. When more than one U.S. person is a joint holder, each U.S. person will be treated as an account holder and will be attributed the entire balance of the jointly held account, including for

purposes of applying the aggregation rules set forth in paragraph (b)(4)(iii) of this section.

(3)(iv) Account holder for insurance and annuity contracts [§1.1471-5(a)(3)(iv)]  
 An insurance or annuity contract is held by each person that is entitled to access the contract's value (for example, through a loan, withdrawal, surrender, or otherwise) or change a beneficiary under the contract. If no person can access the contract's value or change a beneficiary, the account holders are any person named in the contract as an owner and any person who is entitled to receive a future payment under the terms of the contract. When an obligation to pay an amount under the contract becomes fixed, each person entitled to receive a payment is an account holder.

(3)(v) Examples [§1.1471-5(a)(3)(v)]

Ex. 1 Account held by agent [§1.1471-5(a)(3)(v) Example 1.]  
 F, a nonresident alien, holds a power of attorney from U, a specified U.S. person, that authorizes F to open, hold, and make deposits and withdrawals with respect to a depository account on behalf of U. The balance of the account for the calendar year is \$100,000. F is listed as the holder of the depository account at a participating FFI, but because F holds the account as an agent for the benefit of U, F is not ultimately entitled to the funds in the account. Because the depository account is treated as held by U, a specified U.S. person, the account is a U.S. account.

Ex. 2 Jointly held accounts [§1.1471-5(a)(3)(v) Example 2.]  
 U, a specified U.S. person, holds a depository account in a participating FFI. The balance of the account for the calendar year is \$100,000. The account is jointly held with A, an individual who is a nonresident alien. Because one of the joint holders is a specified U.S. person, the account is a U.S. account.

Ex. 3 Jointly held accounts [§1.1471-5(a)(3)(v) Example 3.]  
 U and Q, both specified U.S. persons, hold a depository account in a participating FFI. The balance of the account for the calendar year is \$100,000. The account is a U.S. account and both U and Q are treated as holders of the account.

1-5(a)(4) *Exceptions to U.S. account status [§1.1471-5(a)(4)]*

(4)(i) Exception for certain individual accounts of participating FFIs [§1.1471-5(a)(4)(i)] [Reserved]. For further guidance, see §1.1471-5T(a)(4)(i)

*Unless a participating FFI elects under paragraph (a)(4)(ii) of this section not to apply this paragraph (a)(4)(i), the term U.S. account shall not include any depository account maintained by such financial institution during a calendar year if the account is held solely by one or more individuals and, with respect to each holder of such account, the aggregate balance or value of all depository accounts held by each such individual does not exceed \$50,000 as of the end of the calendar year or on the date the account is closed. For rules for determining the account balance or value, see paragraphs (a)(3)(iii) and (b)(4) of this section.*

(4)(ii) Election to forgo exception [§1.1471-5(a)(4)(ii)]  
 A participating FFI may elect to disregard the exception described in paragraph (a)(4)(i) of this section by reporting all U.S. accounts, including those accounts that would otherwise meet the conditions of the exception.

(4)(iii) Example Aggregation rules for exception to U.S. account status for certain depository accounts [§1.1471-5(a)(4)(iii)]  
 In Year 1, a U.S. resident individual, U, holds a depository account with CB, a commercial bank that is a participating FFI. The balance in U's CB account at the end of Year 1 is \$35,000. In Year 1, U also holds a custodial account with CB's brokerage business. The custodial account has a \$45,000 balance as of the end of Year 1. CB's retail banking and brokerage businesses share computerized information management systems that associate U's depository account and U's custodial account with U and with one another within the meaning of paragraph (b)(4)(iii)(A) of this section. For purposes of applying the \$50,000 threshold described in paragraph (a)(4)(i) of this section, however, a depository account is aggregated only with other depository accounts. Therefore, U's depository account is eligible for the paragraph (a)(4)(i) exception to U.S. account status because the balance of the depository account does not exceed \$50,000.

**1-5(b) Financial accounts [§1.1471-5(b)]**

1-5(b)(1) *In general [§1.1471-5(b)(1)]*  
 Except as otherwise provided in this paragraph (b), the term financial account means-

(1)(i) Depository account [§1.1471-5(b)(1)(i)]  
 Any depository account (as defined in paragraph (b)(3)(i) of this section) maintained by a financial institution;

(1)(ii) Custodial account [§1.1471-5(b)(1)(ii)]  
 Any custodial account (as defined in paragraph (b)(3)(ii) of this section) maintained by a financial institution;

(1)(iii) Equity or debt interest [§1.1471-5(b)(1)(iii)]

(iii)(A) Equity or debt interests in an investment entity [§1.1471-5(b)(1)(iii)(A)]  
 Any equity or debt interest (other than interests regularly traded on an established securities market under paragraph (b)(3)(iv) of this section) in an investment entity described in paragraph (e)(4)(i)(B) or (C) of this section (including an entity that is also a depository institution, custodial institution, insurance company, or investment entity described in paragraph (e)(4)(i)(A) of this section);

(iii)(B) Certain equity or debt interests in a holding company or treasury center [§1.1471-5(b)(1)(iii)(B)]  
 Any equity or debt interest (other than interests regularly traded on an established securities market under paragraph (b)(3)(iv) of this section) in a holding company or treasury center described in paragraph (e)(1)(v) of this section if-

(1) The expanded affiliated group of which the entity is a member includes one or more investment entities described in paragraph (e)(4)(i)(B) or (C) of this section or passive NFFEs and the income derived by such investment entities or passive NFFEs is 50 percent or more of the aggregate income earned by the expanded affiliated group; [§1.1471-5(b)(1)(iii)(B)(1)]

(3)(vii) Cash value insurance contract [§1.1471-5(b)(3)(vii)]

(vii)(A) In general [§1.1471-5(b)(3)(vii)(A)]

The term cash value insurance contract means an insurance contract (other than an indemnity reinsurance contract between two insurance companies and a term life insurance contract described in paragraph (b)(2)(ii) of this section) that has an aggregate cash value greater than \$50,000 at any time during the calendar year, applying the rules set forth in paragraph (b)(4)(iii) of this section. A participating FFI may elect to disregard the \$50,000 threshold in the preceding sentence by reporting all contracts with a cash value greater than zero.

(vii)(B) Cash value [§1.1471-5(b)(3)(vii)(B)]  
 Except as otherwise provided in paragraph (b)(3)(vii)(C) of this section, the term cash value means any amount (determined without reduction for any charge or policy loan) that-

- (1) Is payable under the contract to any person upon surrender, termination, cancellation, or withdrawal; or [§1.1471-5(b)(3)(vii)(B)(1)]
- (2) Any person can borrow under or with regard to (for example, by pledging as collateral) the contract. [§1.1471-5(b)(3)(vii)(B)(2)]

(vii)(C) Amounts excluded from cash value [§1.1471-5(b)(3)(vii)(C)]  
 Cash value does not include an amount payable-

- (1) Solely by reason of the death of an individual insured under a life insurance contract; [§1.1471-5(b)(3)(vii)(C)(1)]
- (2) As a personal injury or sickness benefit or a benefit providing indemnification of an economic loss incurred upon the occurrence of the event insured against; [§1.1471-5(b)(3)(vii)(C)(2)]
- (3) As a refund of a previously paid premium (less cost of insurance charges whether or not actually imposed) under an insurance contract (other than a life insurance or annuity contract) due to cancellation or termination of the contract, decrease in risk exposure during the effective period of the contract, or arising from the correction of a posting or similar error with regard to the premium for the contract; or [§1.1471-5(b)(3)(vii)(C)(3)]
- (4) As a policyholder dividend (other than a termination dividend) provided that the dividend relates to an insurance contract under which the only benefits payable are described in paragraph (b)(3)(vii)(C)(2) of this section. [§1.1471-5(b)(3)(vii)(C)(4)]
- (5) As a return of an advance premium or premium deposit for an insurance contract for which the premium is payable at least annually if the amount of the advance premium or premium deposit does not exceed the next annual premium that will be payable under the contract. [§1.1471-5(b)(3)(vii)(C)(5)]

(vii)(D) Policyholder dividend [§1.1471-5(b)(3)(vii)(D)]

- (1) For purposes of paragraph (b)(3)(vii)(C)(4) of this section and except as otherwise provided in this paragraph, a policyholder dividend means any dividend or similar distribution to policyholders in their capacity as such, including- [§1.1471-5(b)(3)(vii)(D)(1)]
  - (i) An amount paid or credited (including as an increase in benefits) if the amount is not fixed in the contract but rather depends on the experience of the insurance company or the discretion of management; [§1.1471-5(b)(3)(vii)(D)(1)(i)]
  - (ii) A reduction in the premium that, but for the reduction, would have been required to be paid; and [§1.1471-5(b)(3)(vii)(D)(1)(ii)]
  - (iii) An experience rated refund or credit based solely upon the claims experience of the contract or group involved. [§1.1471-5(b)(3)(vii)(D)(1)(iii)]

- (2) A policyholder dividend cannot exceed the premiums previously paid for the contract, less the sum of the cost of insurance and expense charges (whether or not actually imposed) during the contract's existence and the aggregate amount of any prior dividends paid or credited with regard to the contract. [§1.1471-5(b)(3)(vii)(D)(2)]
- (3) A policyholder dividend does not include any amount that is in the nature of interest that is paid or credited to a contract holder to the extent that such amount exceeds the minimum rate of interest required to be credited with respect to contract values under local law. [§1.1471-5(b)(3)(vii)(D)(3)]

1-5(b)(4)

*Account balance or value [§1.1471-5(b)(4)]*

This paragraph (b)(4) provides rules for determining the balance or value of a financial account for purposes of chapter 4. For example, the rules of this paragraph apply for purposes of determining whether an FFI meets the requirements of paragraph (f)(2)(i), (f)(2)(ii) or (f)(3) of this section to certify to a deemed-compliant FFI status. The rules of this paragraph also apply to a participating FFI's due diligence and reporting obligations to the extent required under §1.1471-4(c) or (d) and to a U.S. withholding agent's due diligence obligations to the extent required under §1.1471-3.

(4)(i)

*In general [§1.1471-5(b)(4)(i)]*

Except as otherwise provided in paragraph (b)(4)(ii) of this section with respect to immediate annuities, the balance or value of a financial account is the balance or value calculated by the financial institution for purposes of reporting to the account holder. In the case of an account described in paragraph (b)(1)(iii) of this section, the balance or value of an equity interest is the value calculated by the financial institution for the purpose that requires the most frequent determination of value, and the balance or value of a debt interest is its principal amount. Except as provided in paragraph (b)(3)(vii) of this section, the balance or value of an insurance or annuity contract is the balance or value as of either the calendar year end or the most recent contract anniversary date. The balance or value of the account is not to be reduced by any liabilities or obligations incurred by an account holder with respect to the account or any of the assets held in the account and is not to be reduced by any fees, penalties, or other charges for which the account holder may be liable upon terminating, transferring, surrendering, liquidating, or withdrawing cash from the account. Each holder of a jointly held account is attributed the entire balance or value of the joint account. See §1.1473-1(b)(3) for rules regarding the valuation of trust interests that also apply under this paragraph (b)(4)(i) to determine the value of trust interests that are financial accounts.

(4)(ii)

*Special rule for immediate annuity [§1.1471-5(b)(4)(ii)]*

(ii)(A) *Immediate annuities without minimum benefit guarantees [§1.1471-5(b)(4)(ii)(A)]*

If the value of an immediate annuity contract with no minimum benefit guarantee is not reported to the account holder, the account balance or value of the contract is the sum of the net present values on the valuation date of the amounts reasonably expected to be payable in future periods under the contract.

(ii)(B) *Immediate annuities with a minimum benefit guarantee [§1.1471-5(b)(4)(ii)(B)]*

The account balance or value of an annuity contract with a minimum guarantee is the sum of the net present values on the valuation date of-

(1) The non-guaranteed amounts reasonably expected to be payable in future periods; and [§1.1471-5(b)(4)(ii)(B)(1)]

(2) The guaranteed amounts payable in future periods. [§1.1471-5(b)(4)(ii)(B)(2)]

(ii)(C) Net present value of amounts payable in future periods. [§1.1471-5(b)(4)(ii)(C)]

The net present value of an amount payable in a future period shall be determined using-

(1) A reasonable actuarial valuation method, and [§1.1471-5(b)(4)(ii)(C)(1)]

(2) The mortality tables and interest rate(s) - [§1.1471-5(b)(4)(ii)(C)(2)]

(i) Prescribed pursuant to section 7520 and the regulations thereunder; or [§1.1471-5(b)(4)(ii)(C)(2)(i)]

(ii) Used by the issuer of the contract to determine the amounts payable under the contract. [§1.1471-5(b)(4)(ii)(C)(2)(ii)]

(4)(iii) Account aggregation requirements [§1.1471-5(b)(4)(iii)]

(iii)(A) In general [§1.1471-5(b)(4)(iii)(A)]

To the extent a financial institution is required under chapter 4 to determine the aggregate balance or value of an account, the financial institution is required to aggregate the account balance or value of all accounts that are held (in whole or in part) by the same person and that are maintained by the financial institution or members of its expanded affiliated group, but only to the extent that the financial institution's computerized systems link the accounts by reference to a data element, such as client number, EIN, or foreign tax identifying number, and allow the account balances of such accounts to be aggregated. Notwithstanding the rules set forth in this paragraph (b)(4)(iii), a financial institution is required to aggregate the balance or value of accounts that it treats as consolidated obligations.

(iii)(B) Aggregation rule for relationship managers [§1.1471-5(b)(4)(iii)(B)]

To the extent a financial institution is required under chapter 4 to apply the aggregation rules of this paragraph (b)(4)(iii), the financial institution also is required to aggregate all accounts that a relationship manager knows are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, as well as all accounts that the relationship manager has associated with one another through a relationship code, customer identification number, TIN, or similar indicator, or that the relationship manager would typically associate with each other under the procedures of the financial institution (or the department, division, or unit with which the relationship manager is associated).

(iii)(C) Examples [§1.1471-5(b)(4)(iii)(C)]

(1) Example 1 FFI not required to aggregate accounts for U.S. account exception [§1.1471-5(b)(4)(iii)(C) Example 1.]

A U.S. resident individual, U, holds a depository account with Branch 1 of CB, a commercial bank that is a participating FFI. The balance in U's Branch 1 account at the end of Year 1 is \$35,000. U also holds a depository account with Branch 2 of CB, with a \$45,000 balance at the end of Year 1. CB's retail banking businesses share computerized information management systems across its branches, but U's accounts are not associated with one another in the shared computerized information system. In addition, CB has not assigned a relationship manager to U or U's accounts. Because the accounts

are not associated in CB's system or by a relationship manager, CB is not required to aggregate the accounts under paragraph (b)(4)(iii) and both accounts are eligible for the exception to U.S. account status described in paragraph (a)(4)(i) of this section as neither account exceeds the \$50,000 threshold.

- (2) Example 2 FFI required to aggregate accounts for U.S. account exception [§1.1471-5(b)(4)(iii)(C) Example 2.]  
Same facts as Example 1, except that both of U's depository accounts are associated with U and with one another by reference to CB's internal identification number. The system shows the account balances for both accounts, and such balances may be electronically aggregated, though the system does not show a combined balance for the accounts. In determining whether such accounts meet the exception to U.S. account status described in paragraph (a)(4)(i) of this section for certain depository accounts with an aggregate balance or value of \$50,000 or less, CB is required to aggregate the account balances of all depository accounts under the rules of paragraph (b)(4)(iii) of this section. Under those rules, U is treated as holding depository accounts with CB with an aggregate balance of \$80,000. Accordingly, neither account is eligible for the exception to U.S. account status, because the accounts, when aggregated, exceed the \$50,000 threshold.
- (3) Example 3 Aggregation rules for joint accounts maintained by a participating FFI [§1.1471-5(b)(4)(iii)(C) Example 3.]  
In Year 1, a U.S. resident individual, U, holds a custodial account that is a preexisting account at custodial institution CI, a participating FFI. The balance in U's CI custodial account at the end of Year 1 is \$35,000. U also holds a joint custodial account that is a preexisting account with her sister, A, a nonresident alien for U.S. federal income tax purposes, with another custodial institution, CI2. The balance in the joint account at the end of Year 1 is also \$35,000. CI and CI2 are part of the same expanded affiliated group and share computerized information management systems. Both U's custodial account at CI and U and A's custodial account at CI2 are associated with U and with one another by reference to CI's internal identification number and the system allows the balances to be aggregated. In determining whether such accounts meet the documentation exception described in §1.1471-4(c)(4)(iv) for certain preexisting individual accounts with an aggregate balance or value of \$50,000 or less, CI is required to aggregate the account balances of accounts held in whole or in part by the same account holder under the rules of paragraph (b)(4)(iii) of this section. Under those rules, U is treated as having financial accounts with CI and CI2, each with an aggregate balance of \$70,000. Accordingly, neither account is eligible for the documentation exception.
- (4) Example 4 Aggregation for applying indefinite validity periods [§1.1471-5(b)(4)(iii)(C) Example 4.]  
In Year 1, an owner-documented FFI, O, holds an offshore account with Branch 1 of CB, a commercial bank that is a U.S. withholding agent. The balance in O's CB account at the end of Year 1 is \$600,000. In Year 1, O also holds an account in the United States with Branch 2 of CB. The Branch 2 account has a \$450,000 balance at the end of Year 1. CB's banking businesses share computerized information management systems across its branches. O's accounts are associated with one another in the shared computerized information system and the system allows the balances to be aggregated. In determining whether CB is permitted to apply an indefinite validity period for the documentation submitted for O's account at Branch 1 pursuant to §1.1471-3(c)(6)(ii)(C)(4) (permitting

indefinite validity for a withholding statement of an owner-documented FFI if the balance or value of all accounts held by the owner-documented FFI does not exceed \$1,000,000), CB is required to aggregate the account balance of O's accounts at Branch 1 and Branch 2 to the extent required under the rules of paragraph (b)(4)(iii) of this section. Accordingly, O is treated as holding financial accounts with CB with an aggregate balance of \$1,050,000 and the documentation submitted for O's account at Branch 1 is not eligible for the indefinite validity period described under §1.1471-3(c)(6)(ii)(C)(4).

(4)(iv) *Currency translation of balance or value [§1.1471-5(b)(4)(iv)]*  
 If the balance or value of a financial account, other obligation, or the aggregate amount payable under a group life or group annuity contract described in §1.1471-4(c)(4) is denominated in a currency other than U.S. dollars, a withholding agent must calculate the balance or value by applying a spot rate determined under §1.988-1(d) to translate such balance or value into the U.S. dollar equivalent. For the purpose of a participating or registered deemed-compliant FFI reporting an account under §1.1471-4(d), the spot rate must be determined as of the last day of the calendar year (or, in the case of an insurance contract or annuity contract, the most recent contract anniversary date, when applicable) for which the account is being reported or, if the account was closed during such calendar year, the date the account was closed. In the case of an FFI determining whether an account meets (or continues to meet) a preexisting account documentation exception described in §1.1471-4(c)(3)(iii) or (c)(5)(iii), or whether the account is an account described in paragraph (a)(4)(i) of this section, the spot rate must be determined on the date for which the FFI is determining the threshold amount as prescribed in those provisions.

1-5(b)(5) *Account maintained by financial institution [§1.1471-5(b)(5)]*  
 A custodial account is maintained by the financial institution that holds custody over the assets in the account (including a financial institution that holds assets in street name for an account holder in such institution). A depository account is maintained by the financial institution that is obligated to make payments with respect to the account (excluding an agent of a financial institution regardless of whether such agent is a financial institution under paragraph (e)(1) of this section). Any equity or debt interest in a financial institution that constitutes a financial account under paragraph (b)(1)(iii) of this section is maintained by such financial institution. A cash value insurance contract or an annuity contract described in paragraph (b)(1)(iv) of this section is maintained by the financial institution that is obligated to make payments with respect to the contract.

1-5(d) *Definition of FFI [§1.1471-5(d)]*  
 The term FFI means, with respect to any entity that is not resident in a country that has in effect a Model 1 IGA or Model 2 IGA, any financial institution (as defined in paragraph (e) of this section) that is a foreign entity. [§1.1471-5(e)(1)(v)(B)]

1-5(e)(2) *Banking or similar business [§1.1471-5(e)(2)]*

- (2)(i) In general [§1.1471-5(e)(2)(i)]  
 Except as otherwise provided in paragraph (e)(2)(ii) of this section, an entity is considered to be engaged in a banking or similar business if, in the ordinary course of its business with customers, the entity accepts deposits or other similar investments of funds and regularly engages in one or more of the following activities-

Entities engaged in a banking or similar business include, but are not limited to, entities that would qualify as banks under section 585(a)(2) (including banks as defined in section 581 and any corporation to which section 581 would apply but for the fact that it is a foreign corporation).
- (2)(iv) Effect of local regulation [§1.1471-5(e)(2)(iv)]  
Whether an entity is subject to the banking and credit laws of a foreign country, the United States, a State, a U.S. territory, or a subdivision thereof, or is subject to supervision and examination by agencies having regulatory oversight of banking or similar institutions, is relevant to, but not necessarily determinative of, whether that entity qualifies as a financial institution under section 1471(d)(5)(A). Whether an entity conducts a banking or similar business is determined based upon the character of the actual activities of such entity.

1-5(e)(3) *Holding financial assets for others as a substantial portion of its business [§1.1471-5(e)(3)]*

- (3)(i) Substantial portion [§1.1471-5(e)(3)(i)]

  - (i)(B) Special rule for start-up entities [§1.1471-5(e)(3)(i)(B)]  
An entity with no operating history as of the date of the determination is considered to hold financial assets for the account of others as a substantial portion of its business if the entity expects to meet the gross income threshold described in paragraph (e)(3)(i)(B) of this section based on its anticipated functions, assets, and employees, with due consideration given to any purpose or functions for which the entity is licensed or regulated (including those of any predecessor).
- (3)(ii) Income attributable to holding financial assets and related financial services [§1.1471-5(e)(3)(ii)]

**1-5(e)(4) Investment entity [§1.1471-5(e)(4)]**

(4)(i) In general [§1.1471-5(e)(4)(i)]  
 The term investment entity means any entity that is described in paragraph (e)(4)(i)(A), (B), or (C) of this section.

(i)(A) The entity primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer- [§1.1471-5(e)(4)(i)(A)]

For purposes of this paragraph (e)(4)(i)(B), an entity is managed by another entity if the managing entity performs, either directly or through another third-party service provider, any of the activities described in paragraph (e)(4)(i)(A) of this section on behalf of the managed entity. [§1.1471-5(e)(4)(i)(B)]

(i)(C) The entity functions or holds itself out as a collective investment vehicle, mutual fund, exchange traded fund, private equity fund, hedge fund, venture capital fund, leveraged buyout fund, or any similar investment vehicle established with an investment strategy of investing, reinvesting, or trading in financial assets. [§1.1471-5(e)(4)(i)(C)]

(4)(ii) Financial assets [§1.1471-5(e)(4)(ii)]  
 For purposes of this paragraph, the term financial asset means a security (as defined in section 475(c)(2) without regard to the last sentence thereof), partnership interest, commodity (as defined in section 475(e)(2)), notional principal contract (as defined in §1.446-3(c)), insurance contract or annuity contract, or any interest (including a futures or forward contract or option) in a security, partnership interest, commodity, notional principal contract, insurance contract, or annuity contract.

(iii)(A) In general [§1.1471-5(e)(4)(iii)(A)]

(iii)(B) Special rule for start-up entities [§1.1471-5(e)(4)(iii)(B)]  
 An entity with no operating history as of the date of the determination is treated as primarily conducting as a business one or more of the activities described in paragraph (e)(4)(i)(A) of this section if such entity expects to meet the gross income threshold described in paragraph (e)(4)(iii)(A) of this section based on its anticipated functions, assets, and employees, with due consideration given to any purpose or functions for which the entity is licensed or regulated (including those of any predecessor).

(4)(iv) Primarily attributable to investing, reinvesting, or trading in financial assets [§1.1471-5(e)(4)(iv)]

- (2) The period during which the entity has been in existence. [§1.1471-5(e)(4)(iv)(A)(2)]

(iv)(B) Special rule for start-up entities [§1.1471-5(e)(4)(iv)(B)]  
 An entity with no operating history as of the date of the determination will be considered to have income that is primarily attributable to investing, reinvesting, or trading in financial assets for purposes of paragraph (e)(4)(i)(B) of this section if such entity expects to meet the income threshold described in paragraph (e)(4)(iv)(A) of this section based on its anticipated functions, assets, and employees, with due consideration given to any purpose or functions for which the entity is licensed or regulated (including those of any predecessor).

(4)(v) Examples [§1.1471-5(e)(4)(v)]

Ex. 1 Investment advisor [§1.1471-5(e)(4)(v) Example 1.]  
 Fund Manager is an investment entity within the meaning of paragraph (e)(4)(i)(A) of this section. Fund Manager, among its various business operations, organizes and manages a variety of funds, including Fund A, a fund that invests primarily in equities. Fund Manager hires Investment Advisor, a foreign entity, to provide advice and discretionary management of a portion of the financial assets held by Fund A.

Investment Advisor earned more than 50% of its gross income for the last three years from providing similar services. Because Investment Advisor primarily conducts a business of managing financial assets behalf of clients, Investment Advisor is an investment entity under paragraph (e)(4)(i)(A) of this section and an FFI under paragraph (e)(1)(iii) of this section.

Ex. 2 Entity that is managed by an FFI [§1.1471-5(e)(4)(v) Example 2.] The facts are the same as in Example 1. In addition, in every year since it was organized, Fund A has earned more than 50% of its gross income from investing in financial assets. Accordingly, Fund A is an investment entity under paragraph (e)(4)(i)(B) of this section because it is managed by Fund Manager and Investment Advisor and its gross income is primarily attributable to investing, reinvesting, or trading in financial assets.

Ex. 3 Investment manager [§1.1471-5(e)(4)(v) Example 3.] Investment Manager, a U.S. entity, is an investment entity within the meaning of paragraph (e)(4)(i)(A) of this section. Investment Manager organizes and registers Fund A in Country A. Investment Manager is authorized to facilitate purchases and sales of financial assets held by Fund A in accordance with Fund A's investment strategy. In every year since it was organized, Fund A has earned more than 50% of its gross income from investing, reinvesting, or trading in financial assets. Accordingly, Fund A is an investment entity under paragraph (e)(4)(i)(B) of this section and an FFI under paragraph (e)(1)(iii) of this section.

Ex. 4 Foreign real estate investment fund that is managed by an FFI [§1.1471-5(e)(4)(v) Example 4.] The facts are the same as in Example 3, except that Fund A's assets consist solely of non-debt, direct interests in real property located within and without the United States. Fund A is not an investment entity under paragraph (e)(4)(i)(B) of this section, even though it is managed by Investment Manager, because less than 50% of its gross income is attributable to investing, reinvesting, or trading in financial assets.

Ex. 5 Trust managed by an individual [§1.1471-5(e)(4)(v) Example 5.] On January 1, 2013, X, an individual, establishes Trust A, a nongrantor foreign trust for the benefit of X's children, Y and Z. X appoints Trustee A, an individual, to act as the trustee of Trust A. Trust A's assets consists solely of financial assets, and its income consists solely of income from those financial assets. Pursuant to the terms of the trust instrument, Trustee A manages and administers the assets of the trust. Trustee A does not hire any entity as a third-party service provider to perform any of the activities described in paragraph (e)(4)(i)(A) of this section. Trust A is not an investment entity under paragraph (e)(4)(i)(B) of this section because it is managed solely by Trustee A, an individual.

Ex. 6 Trust managed by a trust company [§1.1471-5(e)(4)(v) Example 6.] The facts are the same as in Example 5, except that X hires Trust Company, an FFI, to act as trustee on behalf of Trust A. As trustee, Trust Company manages and administers the assets of Trust A in accordance with the terms of the trust instrument for the benefit of Y and Z. Because Trust A is managed by an FFI, Trust A is an investment entity under paragraph (e)(4)(i)(B) of this section and an FFI under paragraph (e)(1)(iii) of this section.

Ex. 7 Individual introducing broker [§1.1471-5(e)(4)(v) Example 7.] [Reserved]. For further guidance, see §1.1471-5T(e)(4)(v) Example 7.

*IB, an individual introducing broker, primarily conducts a business of providing advice to clients, has discretionary authority to manage clients' assets, and uses the services of a foreign entity to conduct and execute trades on behalf of clients. IB provides services as an investment advisor and manager to Entity, a foreign corporation. Entity has earned 50% or more of its gross income for the past three years from investing, reinvesting, or trading in financial assets. Because IB is an individual, notwithstanding that IB primarily conducts certain investment-related activities, IB is not an investment entity under paragraph (e)(4)(i)(A) of this section. Further, Entity is not an investment entity under paragraph (e)(4)(i)(B) of this section because Entity is managed by IB, an individual.*

**Ex. 8** Entity introducing broker [§1.1471-5(e)(4)(v) Example 8.]  
[Reserved]. For further guidance, see §1.1471-5T(e)(4)(v) Example 8.

*IB, a foreign entity introducing broker, primarily conducts a business of providing advice to clients, has discretionary authority to manage clients' assets, and uses the services of a foreign entity to conduct and execute trades on behalf of clients. IB provides its services as an investment advisor and manager to Entity, a foreign corporation. Entity has earned 50% or more of its gross income for the past three years from investing, reinvesting, or trading in financial assets. Because IB is an entity that primarily conducts certain investment-related activities, IB is an investment entity under paragraph (e)(4)(i)(A) of this section. Further, Entity is an investment entity under paragraph (e)(4)(i)(B) of this section because it is managed by IB, an investment entity that performs certain of the activities described in paragraph (e)(4)(i)(A) of this section on behalf of Entity.*

A deemed-compliant FFI will be treated pursuant to section 1471(b)(2) as having met the requirements of section 1471(b). A deemed-compliant FFI that complies with the due diligence and withholding requirements applicable to such entity as provided in this paragraph (f) will also be deemed to have met its withholding obligations under sections 1471(a) and 1472(a). For this purpose, an intermediary or flow-through entity that has a residual withholding obligation under §1.1471-2(a)(2)(ii) must fulfill such obligation to be considered a deemed-compliant FFI.
- 1-5(f)(1) *Registered deemed-compliant FFIs [§1.1471-5(f)(1)]*  
A registered deemed-compliant FFI means an FFI that meets the procedural requirements described in paragraph (f)(1)(ii) of this section and that either is described in any of paragraphs (f)(1)(i)(A) through (F) of this section or is treated as a registered deemed-compliant FFI under a Model 2 IGA. A registered deemed-compliant FFI also includes any

FFI, or branch of an FFI, that is a reporting Model 1 FFI that complies with the registration requirements of a Model 1 IGA.

- (1)(i) Registered deemed-compliant FFI categories [§1.1471-5(f)(1)(i)]
  - (i)(A) Local FFIs [§1.1471-5(f)(1)(i)(A)]
 

An FFI is described in this paragraph (f)(1)(i)(A) if the FFI meets the following requirements.

    - (1) The FFI is licensed and regulated as a financial institution under the laws of its country of incorporation or organization (which must be a FATF-compliant jurisdiction at the time the FFI registers for deemed-compliant status). [§1.1471-5(f)(1)(i)(A)(1)]
    - (2) The FFI does not have a fixed place of business outside its country of incorporation or organization. For this purpose, a fixed place of business does not include a location that is not advertised to the public and from which the FFI performs solely administrative support functions. [§1.1471-5(f)(1)(i)(A)(2)]
    - (3) The FFI does not solicit customers or account holders outside its country of incorporation or organization. For this purpose, an FFI will not be considered to have solicited customers or account holders outside its country of incorporation or organization merely because it operates a website, provided that the website does not specifically indicate that the FFI maintains accounts for or provides services to nonresidents, and does not otherwise target or solicit U.S. customers or account holders. An FFI will also not be considered to have solicited customers or account holders outside its country of incorporation or organization merely because it advertises in print media or on a radio or television station that is distributed or aired primarily within its country of incorporation or organization but is also incidentally distributed or aired in other countries, provided that the advertisement does not specifically indicate that the FFI maintains accounts for or provides services to nonresidents and does not otherwise target or solicit U.S. customers or account holders. [§1.1471-5(f)(1)(i)(A)(3)]
    - (4) The FFI is required under the laws of its country of incorporation or organization to identify resident account holders for purposes of either information reporting or withholding of tax with respect to accounts held by residents or is required to identify resident accounts for purposes of satisfying such country's AML due diligence requirements. [§1.1471-5(f)(1)(i)(A)(4)]
    - (5) At least 98 percent of the accounts by value maintained by the FFI as of the last day of the preceding calendar year are held by residents (including residents that are entities) of the country in which the FFI is incorporated or organized. An FFI that is incorporated or organized in a member state of the European Union may treat account holders that are residents (including residents that are entities) of other member states of the European Union as residents of the country in which the FFI is incorporated or organized for purposes of this calculation. [§1.1471-5(f)(1)(i)(A)(5)]

*By the later of June 30, 2014, or the date it registers as a deemed-compliant FFI, the FFI implements policies and procedures, consistent with those set forth for a participating FFI under*

*§1.1471-4(c), to monitor whether the FFI opens or maintains an account for a specified U.S. person who is not a resident of the country in which the FFI is incorporated or organized (including a U.S. person that was a resident when the account was opened but subsequently ceases to be a resident), an entity controlled or beneficially owned (as determined under the FFI's AML due diligence) by one or more specified U.S. persons that are not residents of the country in which the FFI is incorporated or organized, or a nonparticipating FFI.*

*Such policies and procedures must provide that if any such account is discovered, the FFI will close such account, transfer such account to a participating FFI, reporting Model 1 FFI, or U.S. financial institution, or withhold and report on such account as would be required under §1.1471-4(b) and (d) if the FFI were a participating FFI.*

- (7) With respect to each preexisting account held by a nonresident of the country in which the FFI is organized or held by an entity, the FFI reviews those accounts in accordance with the procedures described in §1.1471-4(c) applicable to preexisting accounts to identify any U.S. account or account held by a nonparticipating FFI, and certifies to the IRS that it did not identify any such account as a result of its review, that it has closed any such accounts that were identified or transferred them to a participating FFI, reporting Model 1 FFI, or U.S. financial institution, or that it agrees to withhold and report on such accounts as would be required under §1.1471-4(b) and (d) if it were a participating FFI. [§1.1471-5(f)(1)(i)(A)(7)]
- (8) In the case of an FFI that is a member of an expanded affiliated group, each FFI in the group is incorporated or organized in the same country and, with the exception of any member that is a retirement plan described in §1.1471-6(f), meets the requirements set forth in this paragraph (f)(1)(i)(A) and the procedural requirements of paragraph (f)(1)(ii) of this section. [§1.1471-5(f)(1)(i)(A)(8)]

- (i)(B) Nonreporting members of participating FFI groups [§1.1471-5(f)(1)(i)(B)]

*By the later of June 30, 2014, or the date it registers with the IRS pursuant to paragraph (f)(1)(ii) of this section, the FFI implements policies and procedures to ensure that within six months of opening a U.S. account or an account held by a recalcitrant account holder or a nonparticipating FFI, the FFI either transfers such account to an affiliate that is a participating FFI, reporting Model 1 FFI, or U.S. financial institution, closes the account, or becomes a participating FFI.*

- (2) The FFI reviews its accounts that were opened prior to the time it implements the policies and procedures (including time frames) described in paragraph (f)(1)(i)(B)(1) of this section, using the procedures described in §1.1471-4(c) applicable to preexisting accounts of participating FFIs, to identify any U.S. account or account held by a nonparticipating FFI. Within six months of the identification of any account described in this paragraph, the FFI transfers the account to an affiliate that is a participating FFI, reporting Model 1 FFI, or U.S. financial institution, closes the account, or becomes a participating FFI. *By the later of June 30, 2014, or the date it registers with the IRS pursuant to paragraph (f)(1)(ii) of this section, the FFI implements policies and procedures to ensure that it identifies any account that becomes a U.S. account or an account held by a recalcitrant account holder or a nonparticipating FFI due to a change in circumstances. Within six months of the date on which the FFI first has knowledge or reason to know of the change in the account holder's chapter 4 status, the FFI transfers any such account to an affiliate that is a participating FFI, reporting Model 1 FFI, or U.S. financial institution, closes the account, or becomes a participating FFI.*

- (1) The FFI is an FFI solely because it is an investment entity, and it is regulated as an investment fund either in its country of incorporation or organization or in all of the countries in which it is registered and all of the countries in which it operates. A fund will be considered to be regulated as an investment fund under this paragraph if its manager is regulated with respect to the investment fund in all of the countries in which the investment fund is registered and in all of the countries in which the investment fund operates. [§1.1471-5(f)(1)(i)(C)(1)]

*Notwithstanding the prior sentence, an FFI will not be prohibited from qualifying as a qualified collective investment vehicle solely because it has issued interests in bearer form provided that the FFI ceased issuing interests in such form after December 31, 2012, retires all such interests upon surrender, and establishes policies and procedures to redeem or immobilize all such interests prior to January 1, 2017, and that prior to payment the FFI documents the account holder in accordance with the procedures set forth in §1.1471-4(c) applicable to accounts other than preexisting accounts*

*and agrees to withhold and report on such accounts as would be required under §1.1471-4(b) and (d) if it were a participating FFI.*

*For purposes of this paragraph (f)(1)(i)(C), an FFI may disregard equity interests owned by specified U.S. persons acquired with seed capital within the meaning of paragraph (i)(4) of this section if the specified U.S. person is described in paragraph (i)(3)(i) and (ii) of this section (substituting the term U.S. person for the terms FFI and member), and the specified U.S. person neither has held, nor intends to hold, such interest for more than three years.*

(3) In the case of an FFI that is part of an expanded affiliated group, all other FFIs in the expanded affiliated group are participating FFIs, registered deemed-compliant FFIs, sponsored FFIs described in paragraph (f)(1)(i)(F)(1) or (2) of this section, nonreporting IGA FFIs, or exempt beneficial owners. [§1.1471-5(f)(1)(i)(C)(3)]

(i)(D) Restricted funds [§1.1471-5(f)(1)(i)(D)]  
An FFI is described in this paragraph (f)(1)(i)(D) if it meets the following requirements.

(1) The FFI is an FFI solely because it is an investment entity, and it is regulated as an investment fund under the laws of its country of incorporation or organization (which must be a FATF-compliant jurisdiction at the time the FFI registers for deemed-compliant status) or in all of the countries in which it is registered and in all of the countries in which it operates. A fund will be considered to be regulated as an investment fund for purposes of this paragraph if its manager is regulated with respect to the fund in all of the countries in which the investment fund is registered and in all of the countries in which the investment fund operates. [§1.1471-5(f)(1)(i)(D)(1)]

(2) Interests issued directly by the fund are redeemed by or transferred by the fund rather than sold by investors on any secondary market. Notwithstanding the prior sentence, an FFI will not be prohibited from qualifying as a restricted fund solely because it issued interests in bearer form provided that the FFI ceased issuing interests in bearer form after December 31, 2012, retires all such interests upon surrender, and establishes policies and procedures to redeem or immobilize all such interests prior to January 1, 2017, and that prior to payment the FFI documents the account holder in accordance with the procedures set forth in §1.1471-4(c) applicable to accounts other than preexisting accounts and agrees to withhold and report on such accounts as would be required under §1.1471-4(b) and (d) if it were a participating FFI. For purposes of this paragraph (f)(1)(i)(D), interests in the FFI that are issued by the fund through a transfer agent or distributor that does not hold the interests as a nominee of the account holder will be considered to have been issued directly by the fund. (3) Interests that are not issued directly by the fund are sold only through distributors that are participating FFIs, registered deemed-compliant FFIs, nonregistering local banks described in paragraph (f)(2)(i) of this section, or restricted distributors described in paragraph (f)(4) of this section. For purposes of this paragraph (f)(1)(i)(D) and paragraph (f)(4) of this section, a distributor means an underwriter, broker, dealer, or other person who participates, pursuant to a contractual arrangement with the FFI, in the distribution of securities and holds interests in the FFI as a nominee. [§1.1471-5(f)(1)(i)(D)(3)]

*In addition, by that date, the FFI's prospectus and all marketing materials must indicate that sales and other transfers of interests in the FFI to specified U.S. persons, nonparticipating FFIs, or passive NFFEs with one or more substantial U.S. owners are prohibited unless such interests are both distributed by and held through a participating FFI.*

The FFI must, with respect to any distributor that ceases to qualify as a distributor identified in paragraph (f)(1)(i)(D)(3) of this section, terminate its distribution agreement with the distributor, or cause the distribution agreement to be terminated, within 90 days of the notification of the distributor's change in status and, with respect to all debt and equity interests of the FFI issued through that distributor, redeem those interests, convert those interests to direct holdings in the fund, or cause those interests to be transferred to another distributor identified in paragraph (f)(1)(i)(D)(3) of this section within six months of the distributor's change in status.*

Notwithstanding the previous sentence, the FFI will not be required to review the account of any individual investor that purchased its interest at a time when all of the FFI's distribution agreements and its prospectus contained an explicit prohibition of the issuance and/or sale of shares to U.S. entities and U.S. resident individuals.*

*An FFI will not be required to review the account of any investor that purchased its interest in bearer form until the time of payment, but at such time will be required to document the account in accordance with procedures set forth in §1.1471-4(c) applicable to accounts other than preexisting accounts. - (4)(viii) With respect to sales after December 31, 2011, and prior to the time the restrictions described in paragraph (f)(4)(vii) of this section were incorporated into the distribution agreement, either the agreement governing the distributor's distribution of debt or equity interests of the relevant FFI contained a prohibition of the sale of such securities to U.S. entities or U.S. resident individuals, or the distributor reviews all accounts relating to such sales in accordance with the procedures (and time frames) described in §1.1471-4(c) applicable to preexisting accounts and certifies that it has caused the restricted fund to redeem or retire, or it has transferred all securities sold to any of the persons described in paragraph (f)(4)(vii) of this section. If the distribution agreement addressed in the prior sentence contained only a prohibition on the sale of securities to U.S. resident individuals, the distributor will not be required to review the individual accounts relating to such sales but must review and make certifications with respect to all entity accounts in the manner described in the previous sentence. **1-5(g) Recalcitrant account holders [§1.1471-5(g)]**

**1-5(g)(1) Scope [§1.1471-5(g)(1)]**  
 This paragraph (g) provides rules for determining when an account holder of a participating FFI or registered deemed-compliant FFI is a recalcitrant account holder. Paragraph (g)(2) of this section defines the term recalcitrant account holder. Paragraphs (g)(3) and (4) of this section provide timing rules for when an account holder will begin to be treated as a recalcitrant account holder by a participating FFI and when an account holder will cease to be treated as a recalcitrant account holder by such institution. For rules for determining the holder of an account, see paragraph (a)(3) of this section. For the withholding requirements of an FFI with respect to its recalcitrant account holders, see paragraph (f) of this section and §1.1471-4(b). For the reporting requirements of an FFI with respect to its recalcitrant account holders, see §1.1471-4(d)(6), and, for the reporting required with respect to payments made to such account holders, see §1.1474-1(d)(4)(iii). The rules provided in this paragraph (g) to classify certain account holders as recalcitrant account holders shall not, however, apply to a U.S. branch of a participating FFI. Instead, a U.S. branch of a participating FFI or registered deemed-compliant FFI that is treated as a U.S. person shall apply the presumption rules of §1.1471-3(f) (for foreign entity account holders) and chapter 3 or 61 (for individual payees) to determine the status of a payee if it cannot reliably associate a reportable payment made to the payee with valid documentation.

**1-5(g)(2) Recalcitrant account holder [§1.1471-5(g)(2)]**  
 The term recalcitrant account holder means any holder of an account maintained by an FFI if such account holder is not an FFI (or presumed to be an FFI under §1.1471-3(f)), the account does not meet the requirements of the exception to U.S. account status described in paragraph (a)(4) of this section (for depository accounts with a balance of \$50,000 or less) and does not qualify for any of the exceptions from the documentation requirements described in §1.1471-4(c)(3)(iii), (c)(4)(iii), (c)(5)(iii), (c)(5)(iv)(E) (or the participating FFI elects to forego such exceptions) and-

- (2)(i) The account holder fails to comply with requests by the FFI for the documentation or information that is required under §1.1471-4(c) for determining the status of such account as a U.S. account or other than a U.S. account; [§1.1471-5(g)(2)(i)]
- (2)(ii) The account holder fails to provide a valid Form W-9 upon request from the FFI or fails to provide a correct name and TIN combination upon request from the FFI when the FFI has received notice from the IRS indicating that the name and TIN combination reported by the FFI for the account holder is incorrect; [§1.1471-5(g)(2)(ii)]
- (2)(iii) If foreign law would (but for a waiver) prevent reporting by the FFI (or branch or division thereof) of the information described in §1.1471-4(d)(3) or (5) with respect to such account, the account holder (or substantial U.S. owner of an account holder that is a U.S. owned foreign entity) fails to provide a valid and effective waiver to permit such reporting; or [§1.1471-5(g)(2)(iii)]
- (2)(iv) The account holder provides the documentation described in §1.1471-3(d)(12) to establish its status as a passive NFFE (other than a WP or WT) but fails to provide the information regarding its owners required under §1.1471-3(d)(12)(iii). [§1.1471-5(g)(2)(iv)]

1-5(g)(3) *Start of recalcitrant account holder status [§1.1471-5(g)(3)]*

An account holder of a preexisting account described in paragraph (g)(2) of this section maintained by a participating FFI will be treated as a recalcitrant account holder beginning on the dates provided in paragraphs (g)(3)(B) through (D) of this section. An account holder of a preexisting account described in paragraph (g)(2) of this section that is maintained by a registered deemed-compliant FFI will be treated as a recalcitrant account holder beginning on the dates provided in paragraph (f) of this section (setting forth the time by which the FFI must identify its accounts in accordance with the requirements of §1.1471-4(c) in order to meet the requirements of its applicable registered deemed-compliant status).
  - (i)(B) Accounts other than high-value accounts [§1.1471-5(g)(3)(i)(B)]
 

Account holders of preexisting accounts maintained by a participating FFI that are not high-value accounts (as described in §1.1471-4(c)(5)(iv)(D)) and that are described in paragraph (g)(2) of this section will be treated as recalcitrant account holders beginning on the date that is two years after the effective date of the FFI agreement.
  - (i)(C) High-value accounts [§1.1471-5(g)(3)(i)(C)]
 

Account holders of preexisting accounts maintained by a participating FFI that are high-value accounts (as described in §1.1471-4(c)(5)(iv)(D)) and that are described in paragraph (g)(2) of this section will be treated as recalcitrant account holders beginning on the date that is one year after the effective date of the FFI agreement.
  - (i)(D) Preexisting accounts that become high-value accounts [§1.1471-5(g)(3)(i)(D)]

*a recalcitrant account holder beginning on the earlier of the date a withholdable payment is made to the account following end of the calendar year in which the account is identified as a high-value account or the date that is six months after the calendar year end.*

(3)(ii) Accounts that are not preexisting accounts and accounts requiring name/TIN correction [§1.1471-5(g)(3)(ii)]  
 An account holder of an account other than a preexisting account and that is described in paragraph (g)(2) of this section will be treated as a recalcitrant account holder beginning on the date that is the earlier of 90 days after the date the account is opened by the participating FFI or the date that a withholdable payment that is subject to withholding under § 1.1441-2(a) is made to the account. An account holder for which the participating FFI received a notice from the IRS indicating that the name and TIN combination provided for the account holder is incorrect will be treated as a recalcitrant account holder following the date of such notice within the time prescribed in §31.3406(d)-5(a) of this chapter.

(3)(iii) Accounts with changes in circumstances [§1.1471-5(g)(3)(iii)]  
 An account holder holding an account that is described in paragraph (g)(2) of this section following a change in circumstances (other than a change in account balance or value in a subsequent year that causes an individual account to be identified as a high-value account) will be treated as a recalcitrant account holder beginning on the date that is 90 days after the change in circumstances. For the definition of a change in circumstances with respect to an account, see §1.1471-4(c)(2)(iii).

1-5(g)(4) *End of recalcitrant account holder status [§1.1471-5(g)(4)]*  
 An account holder that is treated as a recalcitrant account holder under paragraphs (g)(2) and (3) of this section will cease to be so treated as of the date on which the account holder is no longer described in paragraph (g)(2) of this section.

**2 1472****2-1 §1.1472-1 Withholding on NFFEs [§1.1472-1]****2-1(a) In general [§1.1472-1(a)]**

This section provides rules that a withholding agent must apply to determine its obligations to withhold under section 1472 on withholdable payments made to a payee that is an NFFE. A participating FFI that complies with its withholding obligations under §1.1471-4(b) will be deemed to satisfy its obligations under section 1472 with respect to withholdable payments made to NFFEs that are account holders. The rules of this section will apply, however, in the case of a participating FFI acting as a withholding agent with respect to a payment made to an NFFE that is not an account holder (for example, a payment with respect to a contract that does not constitute a financial account). See §1.1473-1(a)(4)(vi), however, for rules excepting from the definition of withholdable payment certain payments of U.S. source FDAP income made prior to January 1, 2017, with respect to an offshore obligation and §1.1471-2(b) for rules excepting from the definition of withholdable payment a grandfathered obligation. See also §1.1471-2(a)(2)(ii), (iv), (v), and (vi) for special rules of withholding that apply for purposes of this section and §1.1471-2(a)(5) for withholding requirements if the source or character of a payment is unknown.

**2-1(b) Withholdable payments made to an NFFE [§1.1472-1(b)]****2-1(b)(1) In general [§1.1472-1(b)(1)]**

[Reserved]. For further guidance, see §1.1472-1T(b)(1).

*Except as otherwise provided in paragraph (b)(2) of this section (providing transitional relief) or paragraphs (c)(1) or (2) of this section (providing exceptions for payments to an excepted NFFE or an exempt beneficial owner), §1.1471-2(a)(4)(i) (providing an exception to withholding if the withholding agent lacks control, custody, or knowledge), §1.1471-2(a)(4)(vii) (providing an exception to withholding for payments made to an account held with or equity interests traded through a clearing organization with FATCA-compliant membership), or §1.1471-2(a)(4)(viii) (providing an exception to withholding for payments to certain excepted accounts), a withholding agent must withhold 30 percent of any withholdable payment made after June 30, 2014, to a payee that is a NFFE unless--*

(1)(i) The beneficial owner of such payment is the NFFE or any other NFFE; [§1.1472-1(b)(1)(i)]

(1)(ii) The withholding agent can, pursuant to paragraph (d) of this section, treat the beneficial owner of the payment as an NFFE that does not have any substantial U.S. owners, or as an NFFE that has identified its substantial U.S. owners; and [§1.1472-1(b)(1)(ii)]

(1)(iii) The withholding agent reports the information described in §1.1474-1(i)(2) relating to any substantial U.S. owners of the beneficial owner of such payment. [§1.1472-1(b)(1)(iii)]

**2-1(b)(2) Transitional relief [§1.1472-1(b)(2)]**

[Reserved]. For further guidance, see §1.1472-1T(b)(2).

*For any withholdable payment made prior to July 1, 2016, with respect to a preexisting obligation to a payee that is not a prima facie FFI and for which a withholding agent does not have documentation indicating the payee's status as a passive NFFE when the NFFE has failed to provide the owner certification as required under §1.1471-3(d)(12)(iii), the withholding agent is not required to withhold under this section or report under §1.1474-1(i)(2) (describing the reporting obligations of withholding agents with respect to NFFEs).*

## 2-1(c) Exceptions [§1.1472-1(c)]

2-1(c)(1) *Beneficial owner that is an excepted NFFE [§1.1472-1(c)(1)]*  
 [Reserved]. For further guidance, see §1.1472-1T(c)(1).

*A withholding agent is not required to withhold under section 1472(a) and paragraph (b) of this section on a withholdable payment (or portion thereof) if the withholding agent can treat the payment as made to a payee that is an excepted NFFE. For purposes of this paragraph, the term excepted NFFE means a payee that the withholding agent may treat as a NFFE that is a QI, WP, or WT. Additionally, the term excepted NFFE means, with respect to the payment, a NFFE described in paragraphs (c)(1)(i) through (vii) of this section to the extent the withholding agent may treat the NFFE as the beneficial owner of the payment.*

(1)(i) Publicly traded corporation [§1.1472-1(c)(1)(i)]  
 [Reserved]. For further guidance, see §1.1472-1T(c)(1)(i).

*A NFFE is described in this paragraph (c)(1)(i) if it is a corporation the stock of which is regularly traded on one or more established securities markets for the calendar year.*

(i)(A) Regularly traded [§1.1472-1(c)(1)(i)(A)]  
 For purposes of this section, stock of a corporation is regularly traded on one or more established securities markets for a calendar year if-

(1) One or more classes of stock of the corporation that, in the aggregate, represent more than 50 percent of the total combined voting power of all classes of stock of such corporation entitled to vote and of the total value of the stock of such corporation are listed on such market or markets during the prior calendar year; and [§1.1472-1(c)(1)(i)(A)(1)]

(2) With respect to each class relied on to meet the more-than-50-percent listing requirement of paragraph (c)(1)(i)(A)(1) of this section-[§1.1472-1(c)(1)(i)(A)(2)]

(i) Trades in each such class are effected, other than in de minimis quantities, on such market or markets on at least 60 days during the prior calendar year; and [§1.1472-1(c)(1)(i)(A)(2)(i)]

(ii) The aggregate number of shares in each such class that are traded on such market or markets during the prior year are at least 10 percent of the average number of shares outstanding in that class during the prior calendar year. [§1.1472-1(c)(1)(i)(A)(2)(ii)]

(i)(B) Special rules regarding the regularly traded requirement [§1.1472-1(c)(1)(i)(B)]

(1) Year of initial public offering [§1.1472-1(c)(1)(i)(B)(1)]  
 For the calendar year in which a corporation initiates a public offering of a class of stock for trading on one or more established securities markets, as defined in paragraph (c)(1)(i)(C) of this section, such class of stock meets the requirements of this paragraph (c)(1)(i) for such year if the stock is regularly traded in more than de minimis quantities on 1/6 of the days remaining after the date of the offering in the quarter during which the offering occurs, and on at least 15 days during each remaining quarter of the calendar year. If a corporation initiates a public offering of a class of stock in the fourth

quarter of the calendar year, such class of stock meets the requirements of this paragraph (c)(1)(i) in the calendar year of the offering if the stock is regularly traded on such established securities market, other than in de minimis quantities, on the greater of 1/6 of the days remaining after the date of the offering in the quarter during which the offering occurs, or 5 days.

- (2) Classes of stock treated as meeting the regularly traded requirement [§1.1472-1(c)(1)(i)(B)(2)]  
A class of stock meets the trading requirements of this paragraph (c)(1)(i) for a calendar year if the stock is traded during such year on an established securities market located in the United States and is regularly quoted by dealers making a market in the stock. A dealer makes a market in a stock only if the dealer regularly and actively offers to, and in fact does, purchase the stock from, and sell the stock to, customers who are not related persons (as defined in section 954(d)(3)) with respect to the dealer in the ordinary course of a trade or business.
- (3) Anti-abuse rule [§1.1472-1(c)(1)(i)(B)(3)]  
Any trade conducted with a principal purpose of meeting the regularly traded requirements of this paragraph (c)(1)(i) shall be disregarded. Further, a class of stock shall not be treated as regularly traded if there is a pattern of trades conducted to meet the requirements of this paragraph (c)(1)(i). Similarly, paragraph (c)(1)(i)(B)(1) of this section shall not apply to a public offering of stock that has as one of its principal purposes qualification of the class of stock as regularly traded under the reduced regularly traded requirements for the calendar year of an initial public offering. For purposes of applying the immediately preceding sentence, consideration will be given to whether the regularly traded requirements of this paragraph (c)(1)(i) are satisfied in the calendar year immediately following the initial public offering.

(i)(C) Established securities market [§1.1472-1(c)(1)(i)(C)]

- (1) In general [§1.1472-1(c)(1)(i)(C)(1)]

- (2) Foreign exchange with multiple tiers [§1.1472-1(c)(1)(C)(2)]  
If an exchange in a foreign country has more than one tier or market level on which stock may be separately listed or traded, each such tier shall be treated as a separate exchange.
- (3) Computation of dollar value of stock traded [§1.1472-1(c)(1)(C)(3)]  
For purposes of paragraph (c)(1)(C)(1)(i) of this section, the value in U.S. dollars of shares traded during a calendar year shall be determined on the basis of the dollar value of such shares traded as reported by the World Federation of Exchanges located in Paris (or a successor institution), or, if not so reported, by converting into U.S. dollars the aggregate value in local currency of the shares traded using an exchange rate equal to the average of the spot rates on the last day of each month of the calendar year.

- (ii)(C) *The value of each substantial U.S. owner's equity interest in the NFFE determined by applying the rules described in §1.1471-5(b)(4) (substituting the term equity for the terms account and financial account); [§1.1472-1(c)(3)(ii)(C)]*
- (ii)(D) *The name, address, and GIIN of the NFFE, and [§1.1472-1(c)(3)(ii)(D)]*
- (ii)(E) *Any other information as required by Form 8966 (or such other form as the IRS may prescribe) and its accompanying instructions; [§1.1472-1(c)(3)(ii)(E)]*
- (3)(iii) *The NFFE must obtain a written certification (contained on a withholding certificate or in a written statement) from each person that would be treated as a substantial U.S. owner of the NFFE if such person were a specified U.S. person. Such written certification must indicate whether the person is a substantial U.S. owner of the NFFE, and if so, the name, address and TIN of the person. If the NFFE has reason to know that such written certification is unreliable or incorrect, it must contact the person and request a revised written certification. If no revised written certification is received, the NFFE must treat the person as a substantial U.S. owner and report on Form 8966 the information required under paragraph (c)(3)(ii) of this section.*

*The NFFE has reason to know that such a written certification is unreliable or incorrect if the certification is inconsistent with information in the NFFE's possession, including information that the NFFE provides to a financial institution in order for the financial institution to meet its AML or other account identification due diligence procedures with respect to the NFFE's account, information that is publicly available, and U.S. indicia as described in §1.1441-7(b) and for which appropriate documentation sufficient to cure the U.S. indicia in the manner set forth in §1.1441-7(b)(8) has not been obtained. [§1.1472-1T(c)(3)(iii)]*
- (3)(iv) *The NFFE must keep records that it produces in the ordinary course of its business that summarize the activity (including the gross amounts described in paragraph (3)(ii)(B) that are paid or credited to each of its substantial U.S. owners) relating to its transactions with respect to the equity of the NFFE held by each of its substantial U.S. owners for any calendar year in which the owner was required to be reported under paragraph (c)(3)(ii) of this section. The records must be retained for the longer of six years or the retention period under the NFFE's normal business procedures. A NFFE may be required to extend the six year retention period if the IRS requests such an extension prior to the expiration of the six year period; [§1.1472-1T(c)(3)(iv)]*
- (3)(v) *The NFFE must respond to requests made by the IRS for additional information with respect to any substantial U.S. owner that is subject to reporting by the NFFE or with respect to the records described in paragraphs (c)(3)(iii) or (iv) of this section; [§1.1472-1T(c)(3)(v)]*
- (3)(vi) *The NFFE must make a periodic certification to the IRS within each six-month period following the end of each certification period relating to its compliance with respect to the election described in paragraphs (c)(3) and (4) of this section. The first certification period begins on the date a GIIN is issued and ends at the close of the third full calendar year following that date. Each subsequent*

certification period is the three calendar year period following the close of the previous certification period. The certification will require an officer of the NFFE to certify to the following statements-- [§1.1472-1T(c)(3)(vi)]

(vi)(A) [§1.1472-1T(c)(3)(vi)(A)]

- (1) The NFFE has not had any events of default described in paragraph (c)(4)(v) of this section; or
- (2) If there are any events of default, appropriate measures were taken to remediate such failures and to prevent such failures from recurring; and

(vi)(B) With respect to any failure to report to the extent required under paragraph (c)(3)(ii), the NFFE has corrected such failure by filing the appropriate information returns; and

(3)(vii) The NFFE has not had its status as a direct reporting NFFE revoked by the IRS. [§1.1472-1T(c)(3)(vii)]

2-1(c)(4) Election to be treated as a direct reporting NFFE--

[Reserved]. For further guidance, see §1.1472-1T(c)(4). [§1.1472-1(c)(4)]

(4)(i) Manner of making election. [§1.1472-1T(c)(4)(i)]

A NFFE may elect to be treated as a direct reporting NFFE by registering on Form 8957 (or such other form as the IRS may prescribe) with the IRS to obtain a GIIN pursuant to the procedures prescribed by the IRS.

(4)(ii) Effective date of election. [§1.1472-1T(c)(4)(ii)]

The election is effective upon the issuance of a GIIN to the NFFE.

(4)(iii) Revocation of election by NFFE. [§1.1472-1T(c)(4)(iii)]

The election may not be revoked by the NFFE without the consent of the Commissioner. The NFFE must notify its sponsoring entity (if applicable) and all relevant withholding agents if it revokes its election.

(4)(iv) Revocation of election by Commissioner. [§1.1472-1T(c)(4)(iv)]

The election may be revoked by the Commissioner upon an event of default described in paragraph (v) of this section.

(4)(v) Event of default. [§1.1472-1T(c)(4)(v)]

An event of default occurs if a direct reporting NFFE fails to perform any of the obligations described in (c)(3)(i) through (vi) of this section. An event of default also includes any misrepresentation of a material fact to the IRS.

(4)(vi) Notice of event of default. [§1.1472-1T(c)(4)(vi)]

Following an event of default known by or disclosed to the IRS, the IRS will deliver to the NFFE a notice of default specifying the event of default. The IRS will request that the NFFE remediate the event of default within a specified time period. The NFFE must respond to the notice of default and provide information responsive to an IRS request for information or state the reasons why the NFFE does not agree that an event of default has occurred.

If the NFFE does not provide a response within the specified time period, the IRS may, at its sole discretion, deliver a notice to the NFFE that its election to be treated as a direct reporting NFFE has been revoked. A NFFE may request, within 90 days of receipt, reconsideration of a notice of default or notice of revocation by written request to the Deputy Commissioner (International), LB&I.

(4)(vii) *Remediation of event of default. [§1.1472-1T(c)(4)(vii)]*  
*A NFFE will be permitted to remediate an event of default to the extent it agrees with the IRS on a remediation plan. The IRS may, as part of a remediation plan, require additional information from the NFFE.*

2-1(c)(5) *Election by a direct reporting NFFE to be treated as a sponsored direct reporting NFFE. [Reserved]. For further guidance, see §1.1472-1T(c)(5) through (c)(5)(iv). [§1.1472-1(c)(5)]*

(5)(i) *Definition of sponsored direct reporting NFFE. [§1.1472-1T(c)(5)(i)]*  
*A NFFE is a sponsored direct reporting NFFE if the NFFE is a direct reporting NFFE and if another entity, other than a nonparticipating FFI, has agreed with the NFFE to act as its sponsoring entity, as described in paragraph (c)(5)(ii) of this section.*

(ii)(B) *Has registered with the IRS as a sponsoring entity; [§1.1472-1T(c)(5)(ii)(B)]*

(ii)(C) *Has registered the NFFE with the IRS as a sponsored direct reporting NFFE; [§1.1472-1T(c)(5)(ii)(C)]*

(ii)(D) *Agrees to perform, on behalf of the NFFE, all due diligence, reporting, and other requirements that the NFFE would have been required to perform as a direct reporting NFFE; [§1.1472-1T(c)(5)(ii)(D)]*

(ii)(E) *Identifies the NFFE in all reporting completed on the NFFE's behalf; [§1.1472-1T(c)(5)(ii)(E)]*

(ii)(F) *Complies with the certification and other requirements in paragraphs (f) and (g) of this section; [§1.1472-1T(c)(5)(ii)(F)]*

(ii)(G) *Has not had its status as a sponsoring entity revoked; and [§1.1472-1T(c)(5)(ii)(G)]*

(ii)(H) *Agrees to notify all relevant withholding agents and the IRS if its status as a sponsoring entity is revoked, if it otherwise ceases to be the sponsoring entity of any of its sponsored direct reporting NFFEs (for example, if the sponsored direct reporting NFFE changes sponsors), or if the status of any of its sponsored direct reporting NFFEs has been revoked. [§1.1472-1T(c)(5)(ii)(H)]*

(5)(iii) *Revocation of status as sponsoring entity. [§1.1472-1T(c)(5)(iii)]*  
*The IRS may revoke a sponsoring entity's status as a sponsoring entity with respect to all sponsored direct reporting NFFEs if there is a material failure by the sponsoring entity to comply with its obligations under paragraph (c)(5)(ii) of this section with respect to any sponsored direct reporting NFFE.*

(5)(iv) *Liability of sponsoring entity. [§1.1472-1T(c)(5)(iv)]*  
*A sponsoring entity is not liable for any failure to comply with the obligations contained in paragraph (c)(5)(ii) of this section. A sponsored direct reporting NFFE will remain liable for all of its chapter 4 obligations without regard to any failure of its sponsoring entity to comply with the obligations contained in*

*paragraph (c)(5)(ii) of this section that the sponsoring entity has agreed to undertake on behalf of the NFFE.*

**2-1(d)(1) In general [§1.1472-1(d)(1)]**  
 [Reserved]. For further guidance, see §1.1472-1T(d)(1).

*For purposes of this section, except in the case of a payee that is a QI, WP, or WT, a withholding agent may treat a withholdable payment as beneficially owned by the payee as determined under §1.1471-3. Thus, a withholding agent may treat a withholdable payment as beneficially owned by an excepted NFFE (other than a QI, WP, or WT) if the withholding agent can reliably associate the payment with valid documentation to determine the payee's status as an excepted NFFE under the rules of §1.1471-3(d).*

**2-1(d)(2) Payments made to an NFFE that is a WP or WT [§1.1472-1(d)(2)]**  
 [Reserved]. For further guidance, see §1.1472-1T(d)(2).

*A withholding agent may treat the payee of a withholdable payment as a NFFE that is a QI, WP, or WT if the withholding agent can reliably associate the payment with valid documentation to determine the payee's status as such under the rules of §1.1471-3(b)(3) and (d).*

**2-1(d)(3) Payments made to a partner or beneficiary of an NFFE that is an NWP or NWT [§1.1472-1(d)(3)]**

A withholding agent may treat a partner or beneficiary of an NFFE that is an NWP or NWT, respectively, as the payee of a withholdable payment under this section if the withholding agent can reliably associate the payment with a valid Form W-8 or written notification that the NFFE is a flow-through entity as described in §1.1471-3(c)(2), including valid documentation sufficient to establish the chapter 4 status of each payee of the payment that is a partner or beneficiary, respectively, by applying the rules described in §1.1471-3(d).

**2-1(d)(4) Payments made to a beneficial owner that is an NFFE [§1.1472-1(d)(4)]**

A withholding agent may treat the beneficial owner of a withholdable payment as an NFFE that does not have any substantial U.S. owners or that has identified all of its substantial U.S. owners if it can reliably associate the payment with valid documentation identifying the beneficial owner as an NFFE that does not have any substantial U.S. owners or that has identified all of its substantial U.S. owners by applying the rules described in §1.1471-3(d).

**2-1(d)(5) Absence of valid documentation [§1.1472-1(d)(5)]**

A withholding agent that cannot reliably associate the payment with documentation as described in any of paragraphs (d)(2) through (4) of this section must treat the payment as made to a payee in accordance with the presumption rules under §1.1471-3(f).

**2-1(e) Information reporting requirements [§1.1472-1(e)]**

**2-1(e)(1) Reporting on withholdable payments [§1.1472-1(e)(1)]**

A withholding agent that treats a withholdable payment as made to any payee described in paragraph (d) of this section must provide information about such payee on Form 1042-S and file a withholding income tax return on Form 1042 to the extent required under §1.1474-1(d) and (c), respectively.

**2-1(e)(2) Reporting on substantial U.S. owners [§1.1472-1(e)(2)]**

A withholding agent that receives information about any substantial U.S. owners of an NFFE that is not an excepted NFFE must report information about the NFFE's substantial U.S. owners in accordance with §1.1474-1(i)(2). See §1.1471-4(d) for the reporting requirements of a participating FFI with respect to the substantial U.S. owners of account holders that are NFFEs.

**3 §1.1473****3-1 §1.1473-1 Section 1473 definitions [§1.1473-1]****3-1(a) Definition of withholdable payment [§1.1473-1(a)]****3-1(a)(1) In general [§1.1473-1(a)(1)]**

Except as otherwise provided in this paragraph (a) and §1.1471-2(b) (regarding grandfathered obligations), the term withholdable payment means-

- (1)(i) Any payment of U.S. source FDAP income (as defined in paragraph (a)(2) of this section); and [§1.1473-1(a)(1)(i)]
- (1)(ii) For any sales or other dispositions occurring after December 31, 2016, any gross proceeds from the sale or other disposition (as defined in paragraph (a)(3)(i) of this section) of any property of a type that can produce interest or dividends that are U.S. source FDAP income. [§1.1473-1(a)(1)(ii)]

**3-1(a)(2) U.S. source FDAP income defined [§1.1473-1(a)(2)]****(2)(i) In general [§1.1473-1(a)(2)(i)]****(i)(A) FDAP income defined [§1.1473-1(a)(2)(i)(A)]**

For purposes of chapter 4, the term FDAP income means fixed or determinable annual or periodic income that is described in §1.1441-2(b)(1) or §1.1441-2(c) (excluding income described in paragraph (a)(2)(vi) of this section or §1.1441-2(b)(2) (such as gains derived from the sale of certain property)) and including the types of income enumerated in paragraphs (a)(2)(iii) through (v) of this section.

**(i)(B) U.S. source [§1.1473-1(a)(2)(i)(B)]**

The term U.S. source means derived from sources within the United States. A payment is derived from sources within the United States if it is income treated as derived from sources within the United States under sections 861 through 865 and other relevant provisions of the Code. In the case of a payment of FDAP income for which the source cannot be determined at the time of payment, see §1.1471-2(a)(5).

**(i)(C) Exceptions to withholding on U.S. source FDAP income not applicable under chapter 4 [§1.1473-1(a)(2)(i)(C)]**

Except as otherwise provided in paragraph (a)(4) of this section, no exception to withholding on U.S. source FDAP income for purposes other than chapter 4 applies for purposes of determining whether a payment of such income is a withholdable payment under chapter 4. Thus, for example, an exclusion from an amount subject to withholding under §1.1441-2(a) or an exclusion from taxation under section 881 does not apply for purposes of determining whether such income constitutes a withholdable payment.

**(2)(ii) Special rule for certain interest [§1.1473-1(a)(2)(ii)]**

Interest that is described in section 861(a)(1)(A) (relating to interest paid by foreign branches of domestic corporations and partnerships) is treated as U.S. source FDAP income.

**(2)(iii) Original issue discount [§1.1473-1(a)(2)(iii)]**

The rules described in §1.1441-2(b)(3)(ii) for determining when an amount representing original issue discount is subject to withholding for chapter 3 purposes apply for purposes of determining when original issue discount from sources within the United States is U.S. source FDAP income.

- (2)(iv) REMIC residual interests [§1.1473-1(a)(2)(iv)]  
U.S. source FDAP income includes an amount described in §1.1441-2(b)(5).
- (2)(v) Withholding liability of payee that is satisfied by withholding agent [§1.1473-1(a)(2)(v)]  
If a withholding agent satisfies a withholding liability arising under chapter 4 with respect to a withholdable payment from the withholding agent's own funds, the satisfaction of such liability is treated as an additional payment of U.S. source FDAP income to the payee to the extent that the withholding agent's satisfaction of such withholding liability also satisfies a tax liability of the payee under section 881 or 871 with respect to the same payment, and the satisfaction of the tax liability constitutes additional income to the payee under §1.1441-3(f) that is U.S. source FDAP income. In such case, the amount of any additional payment treated as made by the withholding agent for purposes of this paragraph (a)(2)(v) and any tax liability resulting from such payment shall be determined under §1.1441-3(f). See §1.1474-6 regarding the coordination of the withholding requirements under chapters 3 and 4 in the case of a withholdable payment that is also subject to withholding under chapter 3.
- (2)(vi) Special rule for sales of interest bearing debt obligations [§1.1473-1(a)(2)(vi)]  
[Reserved]. For further guidance, see §1.1473-1T(a)(2)(vi).  
*Special rule for sales of interest bearing debt obligations. Income that is otherwise described as U.S. source FDAP income in paragraphs (a)(2)(i) through (v) of this section does not include an amount of interest accrued on the date of a sale or exchange of an interest bearing debt obligation if the sale occurs between two interest payment dates and is not part of a plan described in §1.1441-3(b)(2)(ii).*
- (2)(vii) Payment of U.S. source FDAP income [§1.1473-1(a)(2)(vii)]
  - (vii)(A) Amount of payment of U.S. source FDAP income [§1.1473-1(a)(2)(vii)(A)]  
The amount of U.S. source FDAP income is the gross amount of the payment of such income, unreduced by any deductions or offsets. The rules of §1.1441-3(b)(1) shall apply to determine the amount of an interest payment on an interest-bearing obligation. In the case of a corporate distribution, the distributing corporation or intermediary shall determine the portion of the distribution that is treated as U.S. source FDAP income under this paragraph (a)(2) in the same manner as the distributing corporation or intermediary determines the portion of the distribution subject to withholding under §1.1441-3(c). Any portion of a payment on a debt instrument or a corporate distribution that does not constitute U.S. source FDAP income under this paragraph (a)(2) solely because of a provision other than the source rules of sections 861 through 865 shall be taken into account as gross proceeds under paragraph (a)(3) of this section. For rules regarding the determination of the amount of a payment of U.S. source FDAP income under paragraph (a)(2) of this section made in a medium other than U.S. dollars, see §1.1441-3(e). For determining the amount of a payment of a dividend equivalent, see section 871(m) and the regulations thereunder.
  - (vii)(B) When payment of U.S. source FDAP income is made [§1.1473-1(a)(2)(vii)(B)]  
A payment is considered made when the amount would be includible in the income of the beneficial owner under the U.S. tax principles governing the cash method of accounting. If an FFI acts as an intermediary with respect to a payment of U.S. source FDAP income, the FFI will be treated as making a payment of such U.S. source FDAP income to the person with respect to which the FFI acts as an intermediary when it pays or credits such amount to such person. The

following rules also apply for purposes of this paragraph (a)(2)(vii)(B): §§1.1441-2(e)(2) (regarding when a payment is considered made in the case of income allocated under section 482); 1.1441-2(e)(3) (regarding blocked income); 1.1441-2(e)(4) (regarding when a dividend is considered paid); and 1.1441-2(e)(5) (regarding when interest is considered paid if a foreign person has made an election under §1.884-4(c)(1)).

**3-1(a)(3)      *Gross proceeds defined [§1.1473-1(a)(3)]***

**(3)(i)      *Sale or other disposition [§1.1473-1(a)(3)(i)]***

**(i)(A)      *In general [§1.1473-1(a)(3)(i)(A)]***

Except as otherwise provided in this paragraph (a)(3)(i), the term sale or other disposition means any sale, exchange, or disposition of property described in paragraph (a)(3)(ii) of this section that requires recognition of gain or loss under section 1001(c), determined without regard to whether the owner of such property is subject to U.S. federal income tax with respect to such sale, exchange, or disposition. The term sale or other disposition includes (but is not limited to) sales of securities; redemptions of stock; retirements and redemptions of indebtedness; entering into short sales; and a closing transaction under a forward contract, option, or other instrument that is otherwise a sale. Such term further includes a distribution from a corporation to the extent the distribution is a return of capital or a capital gain to the beneficial owner of the payment. Such term does not include grants or purchases of options, exercises of call options for physical delivery, transfers of securities for which gain or loss is excluded from recognition under section 1058, or mere executions of contracts that require delivery of personal property or an interest therein. For purposes of this section only, a constructive sale under section 1259 or a mark to fair market value under section 475 or 1296 is not a sale or disposition.

**(i)(B)      *Special rule for sales effected by brokers [§1.1473-1(a)(3)(i)(B)]***

In the case of a sale effected by a broker (with the term effect defined in §1.6045-1(a)(10)), a sale means a sale as defined in §1.6045-1(a)(9) with respect to property described in paragraph (a)(3)(ii) of this section.

**(i)(C)      *Special rule for gross proceeds from sales settled by a clearing organization [§1.1473-1(a)(3)(i)(C)]***

In the case of a clearing organization that settles sales and purchases of securities between members of such organization on a net basis, the gross proceeds from sales or dispositions are limited to the net amount paid or credited to a member's account that is associated with sales or other dispositions of property described in paragraph (a)(3)(ii) of this section by such member as of the time that such transactions are settled under the settlement procedures of such organization.

**(3)(ii)      *Property of a type that can produce interest or dividend payments that would be U.S. source FDAP income [§1.1473-1(a)(3)(ii)]***

**(ii)(A)      *In general [§1.1473-1(a)(3)(ii)(A)]***

Property is of a type that can produce interest or dividends payments that would be U.S. source FDAP income if the property is of a type that ordinarily gives rise to the payment of interest or dividends that would constitute U.S. source FDAP income, regardless of whether any such payment is made during the period such property is held by the person selling or disposing of such property. Thus, for example, stock issued by a domestic corporation is property of a type that can produce dividends from sources within the United States if a dividend from such corporation would be from sources within the United States, regardless

of whether the stock pays dividends at regular intervals and regardless of whether the issuer has any plans to pay dividends or has ever paid a dividend with respect to the stock.

- (ii)(B) Contracts producing dividend equivalent payments [§1.1473-1(a)(3)(ii)(B)]  
In the case of any contract that results in the payment of a dividend equivalent as defined in section 871(m) and the regulations thereunder (including as part of a termination payment), such contract shall be treated as property that is described in paragraph (a)(3)(ii)(A) of this section, without regard to whether the taxpayer is a foreign person subject to U.S. federal income tax with respect to such transaction. To the extent that the proceeds from a termination payment include the payment of a dividend equivalent, the gross amount of such proceeds will not include the amount of such dividend equivalent.
- (ii)(C) Regulated investment company distributions [§1.1473-1(a)(3)(ii)(C)]  
The amount of a distribution that is designated as a capital gain dividend under section 852(b)(3)(C) or 871(k)(2) is a payment of gross proceeds to the extent attributable to property described in paragraph (a)(3)(ii)(A) of this section.
- (3)(iii) Payment of gross proceeds [§1.1473-1(a)(3)(iii)]
  - (iii)(A) When gross proceeds are paid [§1.1473-1(a)(3)(iii)(A)]  
With respect to a sale that is effected by a broker that results in a payment of gross proceeds as defined in this paragraph (a)(3), the date the gross proceeds are considered paid is the date that the proceeds of such sale are credited to the account of or otherwise made available to the person entitled to the payment.
  - (iii)(B) Amount of gross proceeds [§1.1473-1(a)(3)(iii)(B)]  
Except as otherwise provided in this paragraph (a)(3)-
    - (1) The amount of gross proceeds from a sale or other disposition means the total amount realized as a result of a sale or other disposition of property described in paragraph (a)(3)(ii) under section 1001(b); [§1.1473-1(a)(3)(iii)(B)(1)]
    - (2) In the case of a sale effected by a broker, the amount of gross proceeds from a sale or other disposition means the total amount paid or credited to the account of the person entitled to the payment increased by any amount not so paid by reason of the repayment of margin loans. The broker may (but is not required to) take commissions with respect to the sale into account in determining the amount of gross proceeds; [§1.1473-1(a)(3)(iii)(B)(2)]
    - (3) In the case of a corporate distribution, the amount treated as gross proceeds excludes the amount described in paragraph (a)(2)(vii)(A) of this section that is treated as U.S. source FDAP income; [§1.1473-1(a)(3)(iii)(B)(3)]
    - (4) [Reserved]. For further guidance, see §1.1473-1T(a)(3)(iii)(B)(4). [§1.1473-1(a)(3)(iii)(B)(4)]

*In the case of a sale of an obligation described in paragraph (a)(2)(vi), gross proceeds includes any interest accrued between interest payment dates other than an amount described in paragraph (a)(2)(vi) of this section that is treated as U.S. source FDAP income and*

(5) In the case of a sale, retirement, or redemption of a debt obligation, gross proceeds excludes the amount of original issue discount treated as U.S. source FDAP income under paragraph (a)(2)(iii) of this section. [§1.1473-1(a)(3)(iii)(B)(5)]

**3-1(a)(4) Payments not treated as withholdable payments [§1.1473-1(a)(4)]**

The following payments are not withholdable payments under paragraph (a)(1) of this section-

(4)(i) Certain short-term obligations [§1.1473-1(a)(4)(i)]  
A payment of interest or original issue discount on short-term obligations described in section 871(g)(1)(B)(i).

(4)(ii) Effectively connected income [§1.1473-1(a)(4)(ii)]  
Any payment to the extent it gives rise to an item of income that is taken into account under section 871(b)(1) or 882(a)(1) for the taxable year. An item of income is taken into account under section 871(b)(1) or 882(a)(1) when the income is (or is deemed to be) effectively connected with the conduct of a trade or business in the United States and is includable in the beneficial owner's gross income for the taxable year. An amount of income shall not be treated as taken into account under section 871(b)(1) or 882(a)(1) if the income is (or is deemed to be) effectively connected with the conduct of a trade or business in the United States and the beneficial owner claims an exception from tax under an income tax treaty because the income is not attributable to a permanent establishment in the United States.

(4)(iii) Excluded nonfinancial payments [§1.1473-1(a)(4)(iii)]  
Payments for the following: services (including wages and other forms of employee compensation (such as stock options)), the use of property, office and equipment leases, software licenses, transportation, freight, gambling winnings, awards, prizes, scholarships, and interest on outstanding accounts payable arising from the acquisition of goods or services. Notwithstanding the preceding sentence, excluded nonfinancial payments do not include: payments in connection with a lending transaction (including loans of securities), a forward, futures, option, or notional principal contract, or a similar financial instrument; premiums for insurance contracts or annuity contracts; amounts paid under cash value insurance or annuity contracts; dividends; interest (including substitute interest described in §1.861-2(a)(7)) other than interest described in the preceding sentence; gross proceeds other than gross proceeds described in paragraph (a)(4)(iv) of this section; investment advisory fees; custodial fees; and bank or brokerage fees.

(4)(iv) Gross proceeds from sales of excluded property [§1.1473-1(a)(4)(iv)]  
Gross proceeds from the sale or other disposition of any property that can produce U.S. source FDAP income if all such U.S. source FDAP income would be excluded from the definition of withholdable payment under paragraphs (a)(4)(i) through (iii) of this section.

(4)(v) Fractional shares [§1.1473-1(a)(4)(v)]  
Payments arising in sales described in §1.6045-1(c)(3)(ix).

(4)(vi) Offshore payments of U.S. source FDAP income prior to 2017 (transitional) [§1.1473-1(a)(4)(vi)]  
[Reserved]. For further guidance, see §1.1473-1T(a)(4)(vi).

*A payment with respect to an offshore obligation made prior to January 1, 2017, if such payment is U.S. source FDAP income and made by a person that is not acting as an intermediary or as a WP or WT with respect to the payment. The exception for offshore payments of U.S. source FDAP income provided in the preceding sentence shall not apply, however, in the case of a flow-through entity*

*that has a residual withholding requirement with respect to its partners, owners, or beneficiaries under §1.1471-2(a)(2)(ii), or in the case of payments made with respect to debt or equity issued by a U.S. person (excluding interest payments made by a foreign branch of a U.S. financial institution with respect to depository accounts it maintains for retail customers).*

*For purposes of this paragraph (a)(4)(vi), an intermediary includes a person that acts as a qualified securities lender as defined for purposes of chapter 3 and does not include a person acting as an insurance broker with respect to premiums.*

(4)(vii) Collateral arrangements prior to 2017 (transitional). [§1.1473-1T(a)(4)(vii)] [Reserved]. For further guidance, see §1.1473-1T(a)(4)(vii). [§1.1473-1(a)(4)(vii)]

*A payment made prior to January 1, 2017, by a secured party with respect to collateral securing one or more transactions under a collateral arrangement, provided that only a commercially reasonable amount of collateral is held by the secured party as part of the collateral arrangement.*

*For purposes of this paragraph (a)(4)(vii), the term transaction generally includes a debt instrument, a derivative financial instrument (including a notional principal contract, future, forward, and option), and any securities lending transaction, sale-repurchase transaction, margin loan, or substantially similar transaction that is subject to a collateral arrangement.*

3-1(a)(5) *Special payment rules for flow-through entities, complex trusts, and estates [§1.1473-1(a)(5)]*

(5)(i) In general [§1.1473-1(a)(5)(i)] [Reserved]. For further guidance, see §1.1473-1T(a)(5)(i).

*This paragraph (a)(5) provides special rules for a flow-through entity, complex trust, or estate to determine when such entity must treat a payment of U.S. source FDAP income that is also a withholdable payment as having been paid by such entity to its partners, owners, or beneficiaries (as applicable depending on the type of entity).*

(5)(ii) Partnerships [§1.1473-1(a)(5)(ii)] [Reserved]. For further guidance, see §1.1473-1T(a)(5)(ii).

*An amount of U.S. source FDAP income that is also a withholdable payment is treated as being paid to a partner under rules similar to the rules prescribing when withholding is required for chapter 3 purposes as described in §1.1441-5(b)(2)(i)(A).*

(5)(iii) Simple trusts [§1.1473-1(a)(5)(iii)] [Reserved]. For further guidance, see §1.1473-1T(a)(5)(iii).

*An amount of U.S. source FDAP income that is also a withholdable payment is treated as being paid to a beneficiary of a simple trust under rules similar to the rules prescribing when withholding is required for chapter 3 purposes as described in §1.1441-5(b)(2)(ii).*

(5)(iv) Complex trusts and estates [§1.1473-1(a)(5)(iv)] [Reserved]. For further guidance, see §1.1473-1T(a)(5)(iv).

*An amount of U.S. source FDAP income that is also a withholdable payment is treated as being paid to a beneficiary of a complex trust or estate under rules*

*similar to the rules prescribing when withholding is required for chapter 3 purposes as described in §1.1441-5(b)(2)(iii).*

(5)(v) Grantor trusts [§1.1473-1(a)(5)(v)]  
 [Reserved]. For further guidance, see §1.1473-1T(a)(5)(v).

*If an amount of U.S. source FDAP income that is also a withholdable payment is paid to a grantor trust, a person treated as an owner of all or a portion of such trust is treated as having been paid such income by the trust at the time it is received by or credited to the trust or portion thereof.*

(5)(vi) Special rule for an NWP or NWT [§1.1473-1(a)(5)(vi)]  
 [Reserved]. For further guidance, see §1.1473-1T(a)(5)(vi).

*In the case of a partnership, simple trust, or complex trust that is an NWP or NWT, the rules described in paragraphs (a)(5)(ii) and (iii) of this section shall not apply, and U.S. source FDAP income that is also a withholdable payment is treated as being paid to the partner or beneficiary at the time the income is paid to the partnership or trust, respectively.*

(5)(vii) Special rules for determining when gross proceeds are treated as paid to a partner, owner, or beneficiary of a flow-through entity. [§1.1473-1(a)(5)(vii)]  
 [Reserved].

3-1(a)(6) *Reporting of withholdable payments [§1.1473-1(a)(6)]*  
 See §1.1474-1(c) and (d) for a description of the income tax return and information reporting requirements applicable to a withholding agent that has made a withholdable payment.

3-1(a)(7) *Example Satisfaction of payee's chapter 4 liability by withholding agent [§1.1473-1(a)(7)]*  
 Recalcitrant account holder (RA) is entitled to receive a payment of \$100 of U.S. source interest from withholding agent, WA. The payment is subject to withholding under chapter 4, but is not subject to withholding under section 1442, and RA has no substantive tax liability under section 881 with respect to this payment. WA pays the full \$100 to RA and, after the date of payment, pays the \$30 of tax due under chapter 4 to the IRS from its own funds. Because no underlying tax liability of RA is satisfied, and further because WA and RA did not execute any agreement for WA to pay this tax and WA did not have an obligation to pay this tax apart from the requirements of chapter 4, WA's payment of the tax does not give rise to a deemed payment of U.S. source FDAP income to RA under paragraph (a)(2)(v) of this section. Thus, WA is not required to pay any additional tax with respect to this payment for purposes of chapter 4.

3-1(b) *Substantial U.S. owner [§1.1473-1(b)]*

3-1(b)(1) *Definition [§1.1473-1(b)(1)]*  
 Except as otherwise provided in paragraph (b)(4) or (5) of this section, the term substantial United States owner (or substantial U.S. owner) means:

- (1)(i) With respect to any foreign corporation, any specified U.S. person that owns, directly or indirectly, more than 10 percent of the stock of such corporation (by vote or value); [§1.1473-1(b)(1)(i)]
- (1)(ii) With respect to any foreign partnership, any specified U.S. person that owns, directly or indirectly, more than 10 percent of the profits interests or capital interests in such partnership; and [§1.1473-1(b)(1)(ii)]
- (1)(iii) In the case of a trust—[§1.1473-1(b)(1)(iii)]
  - (iii)(A) Any specified U.S. person treated as an owner of any portion of the trust under sections 671 through 679; and [§1.1473-1(b)(1)(iii)(A)]

(iii)(B) Any specified U.S. person that holds, directly or indirectly, more than 10 percent of the beneficial interests of the trust. [§1.1473-1(b)(1)(iii)(B)]

3-1(b)(2) *Indirect ownership of foreign entities [§1.1473-1(b)(2)]*  
For purposes of determining a person's interest in a foreign entity, the following rules shall apply.

(2)(i) Indirect ownership of stock [§1.1473-1(b)(2)(i)]  
Stock of a foreign corporation that is owned directly or indirectly by an entity (other than a participating FFI, a deemed-compliant FFI (excluding an owner-documented FFI), a U.S. financial institution, a U.S. person that is not a specified U.S. person, an exempt beneficial owner, or an excepted NFFE) that is a corporation, partnership, or trust shall be considered as being owned proportionately by such entity's shareholders, partners, or, in the case of a trust, persons treated as owners under sections 671 through 679 of any portion of the trust that includes the stock, and the beneficiaries of the trust. Stock considered to be owned by a person by reason of the application of the preceding sentence shall, for purposes of applying such sentence, be treated as actually owned by such person.

(2)(ii) Indirect ownership in a foreign partnership or ownership of a beneficial interest in a foreign trust [§1.1473-1(b)(2)(ii)]  
A capital or profits interest in a foreign partnership or an ownership or beneficial interest (as described in paragraph (b)(3) of this section) in a foreign trust that is owned or held directly or indirectly by an entity (other than a participating FFI, a deemed-compliant FFI (excluding an owner-documented FFI), a U.S. financial institution, a U.S. person that is not a specified U.S. person, an exempt beneficial owner, or an excepted NFFE) that is a corporation, partnership, or trust shall be considered as being owned or held proportionately by such entity's shareholders, partners, or, in the case of a trust, persons treated as owners under sections 671 through 679 of any portion of the trust that includes the partnership or beneficial trust interest, and the beneficiaries of the trust. Partnership or beneficial trust interests considered to be owned or held by a person by reason of the application of the preceding sentence shall, for purposes of applying such sentence, be treated as actually owned or held by such person.

(2)(iii) Ownership and holdings through options [§1.1473-1(b)(2)(iii)]  
If a specified U.S. person holds, directly or indirectly (applying the principles of paragraphs (b)(2)(i) and (ii) of this section) an option to acquire stock in a foreign corporation, a capital or profits interest in a foreign partnership, or an ownership or beneficial interest in a foreign trust, such person is considered to own the underlying equity or other ownership interest in such foreign entity for purposes of this paragraph (b). For purposes of the preceding sentence, an option to acquire such an option, and each one of a series of such options, shall be considered an option to acquire such stock or other ownership interest described in this paragraph (b)(2)(iii).

(2)(iv) Determination of proportionate interest [§1.1473-1(b)(2)(iv)]  
For purposes of this paragraph (b), and except as otherwise provided in paragraph (b)(3) of this section, the determination of a person's proportionate interest in a foreign corporation, partnership, or trust is based on all of the relevant facts and circumstances. In making this determination, any arrangement that artificially decreases a specified U.S. person's proportionate interest in any such entity will be disregarded in determining whether such person is a substantial U.S. owner. In lieu of applying the rules of this paragraph (b)(2) to determine whether an owner's proportionate interest in a foreign entity meets the 10 percent threshold described in paragraph (b)(1) of this section, the entity or its withholding agent may opt to treat the owner as a substantial U.S. owner.

(2)(v) Interests owned or held by a related person [§1.1473-1(b)(2)(v)]

[Reserved]. For further guidance, see §1.1473-1T(b)(2)(v).

*For purposes of determining whether a specified U.S. person is a substantial U.S. owner in a foreign entity described in paragraphs (b)(2)(i) through (iv) of this section, if a specified U.S. person owns or holds, directly or indirectly, any interest in the foreign entity, that interest must be aggregated with any such interest in the foreign entity owned or held, directly or indirectly, by a related person. For purposes of the preceding sentence, a related person is a person or spouse of a person described in §1.267(c)-1(a)(4), determined by reference to such specified U.S. person.*

**3-1(b)(3)      *Beneficial interest in a foreign trust [§1.1473-1(b)(3)]***

- (3)(i)      In general [§1.1473-1(b)(3)(i)]  
For purposes of paragraph (b)(1)(iii)(B) of this section, a person holds a beneficial interest in a foreign trust if such person has the right to receive directly or indirectly (for example, through a nominee) a mandatory distribution or may receive, directly or indirectly, a discretionary distribution from the trust. For purposes of this section, a mandatory distribution means a distribution that is required to be made pursuant to the terms of the trust document. A discretionary distribution means a distribution that is made to a person at the discretion of the trustee or a person with a limited power of appointment of such trust.
- (3)(ii)      Determining the 10 percent threshold in the case of a beneficial interest in a foreign trust [§1.1473-1(b)(3)(ii)]  
A person will be treated as holding directly or indirectly more than 10 percent of the beneficial interest in a foreign trust if
  - (ii)(A)      The person receives, directly or indirectly, only discretionary distributions from the trust and the fair market value of the currency or other property distributed, directly or indirectly, from the trust to such person during the prior calendar year exceeds 10 percent of the value of either all of the distributions made by the trust during that year or all of the assets held by the trust at the end of that year; [§1.1473-1(b)(3)(ii)(A)]
  - (ii)(B)      The person is entitled to receive, directly or indirectly, mandatory distributions from the trust and the value of the person's interest in the trust, as determined under section 7520, exceeds 10 percent of the value of all the assets held by the trust as of the end of the prior calendar year; or [§1.1473-1(b)(3)(ii)(B)]
  - (ii)(C)      (C) The person is entitled to receive, directly or indirectly, mandatory distributions and may receive, directly or indirectly, discretionary distributions from the trust, and the value of the person's interest in the trust, determined as the sum of the fair market value of all of the currency or other property distributed from the trust at the discretion of the trustee during the prior calendar year to the person and the value of the person's interest in the trust as determined under section 7520 at the end of that year, exceeds either 10 percent of the value of all distributions made by such trust during the prior calendar year or 10 percent of the value of all the assets held by the trust at the end of that year. [§1.1473-1(b)(3)(ii)(C)]

**3-1(b)(4)      *Exceptions [§1.1473-1(b)(4)]***

- (4)(i)      De minimis amount or value exception [§1.1473-1(b)(4)(i)]  
A specified U.S. person is not treated as a substantial U.S. owner if-

- (i)(A) The fair market value of the currency or other property distributed, directly or indirectly, from the trust to such specified U.S. person during the prior calendar year is \$5,000 or less and, [§1.1473-1(b)(4)(i)(A)]
- (i)(B) In the case of a specified U.S. person that is entitled to receive mandatory distributions, the value of such person's interest in the trust is \$50,000 or less. [§1.1473-1(b)(4)(i)(B)]
- (4)(ii) Trusts wholly owned by certain U.S. persons [§1.1473-1(b)(4)(ii)]  
A trust that is treated as owned only by U.S. persons under sections 671 through 679 is not required to treat any of its beneficiaries as substantial U.S. owners.

**3-1(b)(5)** *Special rule for certain financial institutions [§1.1473-1(b)(5)]*  
In the case of any financial institution described in §1.1471-5(e)(1)(iii) or (iv) (referring to investment entities and specified insurance companies), this section shall be applied by substituting "0 percent" for "10 percent" in each place that it appears. Additionally, in the case of a financial institution described in §1471-5(e)(1)(iii) that is a trust, the rules of paragraph (b)(3) and (4) of this section (referring to beneficial interests in a trust) shall be applied by substituting "calendar year" for "prior calendar year" in each place that it appears.

**3-1(b)(6)** *Determination dates for substantial U.S. owners [§1.1473-1(b)(6)]*  
A foreign entity may make the determination of whether it has one or more direct or indirect substantial U.S. owners as of the last day of such entity's accounting year or as of the date on which such foreign entity provides the documentation described in §1.1471-3(d) to the withholding agent for which such determination is required to be made. See §1.1471-4(c) for when a participating FFI is required to obtain documentation with respect to its account holders.

**3-1(b)(7)** *Examples [§1.1473-1(b)(7)]*

- Ex. 1** Indirect ownership [§1.1473-1(b)(7) Example 1.]  
U, a specified U.S. person, owns directly 100% of the sole class of stock of F1, a foreign corporation. F1 owns directly 90% of the sole class of stock of F2, a foreign corporation, and U owns directly the remaining 10% of the sole class of stock of F2. F2 owns directly 10% of the sole class of stock of F3, a foreign corporation, and U owns directly 3% of the sole class of stock of F3. U is treated as owning 13% (3% directly and 10% indirectly) of the sole class of stock of F3 and 100% (10% directly and 90% indirectly) of the sole class of stock of F2 for purposes of this paragraph (b). U is a substantial U.S. owner of F1, F2, and F3.
- Ex. 2** Indirect ownership through entities that are specified U.S. persons [§1.1473-1(b)(7) Example 2.]  
U, a specified U.S. person, owns directly 100% of the sole class of stock of US1, a U.S. corporation that is a specified U.S. person. US1 owns directly 100% of the sole class of stock of US2, a U.S. corporation that is a specified U.S. person. US2 owns directly 15% of the sole class of stock of FC, a foreign corporation. For purposes of this paragraph (b), U, US1, and US2 are all substantial U.S. owners of FC.
- Ex. 3** Determining the 10% threshold in the case of a beneficial interest in a foreign trust [§1.1473-1(b)(7) Example 3.]  
U, a U.S. citizen, holds an interest in FT1, a foreign trust, under which U may receive discretionary distributions from FT1. U also holds an interest in FT2, a foreign trust, and FT2, in turn, holds an interest in FT1 under which FT2 may receive discretionary distributions from FT1. U receives \$25,000 from FT1 in Year 1. FT2 receives \$120,000 from FT1 in Year 1 and distributes the entire amount to its beneficiaries in Year 1. The distribution from FT1 is FT2's only source of income and FT2's distributions in Year 1 total \$120,000. U receives \$40,000 from FT2 in Year 1. FT1's distributions in Year 1 total \$750,000. U's discretionary interest in FT1 is valued at \$65,000 at the end of Year 1 and therefore does not meet the 10% threshold as determined under paragraph (b)(3)(ii)(A). U's

discretionary interest in FT2, however, is valued at \$40,000 at the end of Year 1 and therefore meets the 10% threshold as determined under paragraph (b)(3)(ii)(A).

**Ex. 4** Determining ownership (determination date) [§1.1473-1(b)(7) Example 4.] F, a foreign corporation that is an NFFE, has a calendar year accounting year. On December 31 of Year 1, U, a specified U.S. person, owns 12% of the sole class of outstanding stock of F. In March of Year 2, F redeems a portion of U's stock and reduces U's ownership of F to 9%. In May of Year 2, F opens an account with P, a participating FFI, and delivers to P the documentation required under §1.1471-3(d). At the time F opens its account with P, U is the only specified U.S. person that directly or indirectly owns stock in F. Because of the redemption, U's interest in F is 9% on the date F opens its account with P. Pursuant to paragraph (b)(6) of this section, F may determine whether it has a substantial U.S. owner as of the date it provides the documentation required under §1.1471-3(d) to P, which would be the day it opens the account. As a result, F may indicate in its §1.1471-3(d) documentation that it has no substantial U.S. owners.

**3-1(c) Specified U.S. person [§1.1473-1(c)]**

The term specified United States person (or specified U.S. person) means any U.S. person other than-

- 3-1(c)(1)** A corporation the stock of which is regularly traded on one or more established securities markets, as described in §1.1472-1(c)(1)(i); [§1.1473-1(c)(1)]

- 3-1(c)(3)** Any organization exempt from taxation under section 501(a) or an individual retirement plan as defined in section 7701(a)(37); [§1.1473-1(c)(3)]
- 3-1(c)(4)** The United States or any wholly owned agency or instrumentality thereof; [§1.1473-1(c)(4)]
- 3-1(c)(5)** Any State, the District of Columbia, any U.S. territory, any political subdivision of any of the foregoing, or any wholly owned agency or instrumentality of any one or more of the foregoing; [§1.1473-1(c)(5)]
- 3-1(c)(6)** Any bank as defined in section 581; [§1.1473-1(c)(6)]
- 3-1(c)(7)** Any real estate investment trust as defined in section 856; [§1.1473-1(c)(7)]
- 3-1(c)(8)** Any regulated investment company as defined in section 851 or any entity registered with the Securities Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. 80a-64); [§1.1473-1(c)(8)]
- 3-1(c)(9)** Any common trust fund as defined in section 584(a); [§1.1473-1(c)(9)]
- 3-1(c)(10)** Any trust that is exempt from tax under section 664(c) or is described in section 4947(a)(1); [§1.1473-1(c)(10)]
- 3-1(c)(11)** A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any State; [§1.1473-1(c)(11)]
- 3-1(c)(12)** A broker; and [§1.1473-1(c)(12)]
- 3-1(c)(13)** Any tax exempt trust under a section 403(b) plan or section 457(g) plan. [§1.1473-1(c)(13)]

3-1(d) *Withholding agent [§1.1473-1(d)]*

3-1(d)(1) *In general [§1.1473-1(d)(1)]*  
 Except as provided in this paragraph (d), the term withholding agent means any person, U.S. or foreign, in whatever capacity acting, that has the control, receipt, custody, disposal, or payment of a withholdable payment or foreign passthru payment.

3-1(d)(2) *Participating FFIs and registered deemed-compliant FFIs as withholding agents [§1.1473-1(d)(2)]*  
 The term withholding agent includes a participating FFI that has the control, receipt, custody, disposal, or payment of a passthru payment (as defined in §1.1471-5(h)). The term withholding agent also includes a registered deemed-compliant FFI to the extent that such FFI is required to withhold on a passthru payment as part of the conditions for maintaining its status as a deemed-compliant FFI under §1.1471-5(f)(1)(ii). For the withholding requirements of a participating FFI, including the requirement to withhold with respect to limited branches and limited FFIs that are in the same expanded affiliated group as the participating FFI, see §§1.1471-4(b) and 1.1472-1(a).

3-1(d)(3) *Grantor trusts as withholding agents [§1.1473-1(d)(3)]*  
 The term withholding agent includes a grantor trust with respect to a withholdable payment or a foreign passthru payment (in the case of a grantor trust that is a participating FFI) made to a person treated as an owner of the trust under sections 671 through 679. For purposes of determining when a payment is treated as made to such a person, see §1.1473-1(a)(5)(v).

3-1(d)(4) *Deposit and return requirements [§1.1473-1(d)(4)]*  
 See §1.1474-1(b) for a withholding agent's requirement to deposit any tax withheld, and §1.1474-1(c) and (d) for the requirement to file income tax and information returns (including the special allowance in §1.1474-1(b)(2) for participating FFIs with respect to dormant accounts).

3-1(d)(5) *Multiple withholding agents [§1.1473-1(d)(5)]*  
 When several persons qualify as a withholding agent with respect to a single payment, only one tax is required to be withheld and deposited. See §1.1474-1(a). A person who, as a nominee described in §1.6031(c)-1T, has furnished to a partnership all of the information required to be furnished under §1.6031(c)-1T(a) shall not be treated as a withholding agent if the person has notified the partnership that it is treating the provision of information to the partnership as a discharge of its obligations as a withholding agent.

3-1(d)(6) *Exception for certain individuals [§1.1473-1(d)(6)]*  
 An individual is not a withholding agent with respect to a withholdable payment made by the individual outside the course of such individual's trade or business (including as an agent with respect to making or receiving such payment).

3-1(e) *Foreign entity [§1.1473-1(e)]*

**4 §1.1474****4-1 §1.1474-1 Liability for withheld tax and withholding agent reporting [§1.1474-1]****4-1(a) Payment and returns of tax withheld [§1.1474-1(a)]****4-1(a)(1) In general [§1.1474-1(a)(1)]**

A withholding agent is required to deposit any tax withheld pursuant to chapter 4 as provided under paragraph (b) of this section and to make the returns prescribed by paragraphs (c) and (d) of this section. When several persons qualify as withholding agents with respect to a single payment, only one tax is required to be withheld and deposited.

**4-1(a)(2) Withholding agent liability [§1.1474-1(a)(2)]**

A withholding agent that is required to withhold with respect to a payment under §1.1471-2(a), 1.1471-4(b) (in the case of a participating FFI), or 1.1472-1(b) but fails either to withhold or to deposit any tax withheld as required under paragraph (b) of this section, is liable for the amount of tax not withheld and deposited.

**4-1(a)(3) Use of agents [§1.1474-1(a)(3)]****(3)(i) In general [§1.1474-1(a)(3)(i)]**

Except as otherwise provided in this paragraph (a)(3), a withholding agent may authorize an agent to fulfill its obligations under chapter 4. The acts of an agent of a withholding agent (including the receipt of withholding certificates, the payment of amounts subject to withholding, the withholding and deposit of tax withheld, and the reporting required on the relevant form) are imputed to the withholding agent on whose behalf it is acting.

**(3)(ii) Authorized agent [§1.1474-1(a)(3)(ii)]**

An agent is authorized only if-

(ii)(A) There is a written agreement between the withholding agent and the person acting as agent; [§1.1474-1(a)(3)(ii)(A)]

(ii)(B) A Form 8655, "Reporting Agent Authorization," is filed with the IRS if the agent (including any sub-agent) is acting as a reporting agent for filing Form 1042 or making tax deposits and payments; [§1.1474-1(a)(3)(ii)(B)]

(ii)(C) Books and records and relevant personnel of the agent (including any sub-agent) are available to the withholding agent (on a continuous basis, including after termination of the relationship) in order to evaluate the withholding agent's compliance with the provisions of chapter 4; and [§1.1474-1(a)(3)(ii)(C)]

(ii)(D) The withholding agent remains fully liable for the acts of its agent (or any sub-agent) and does not assert any of the defenses that may otherwise be available, including under common law principles of agency, in order to avoid tax liability under the Code. [§1.1474-1(a)(3)(ii)(D)]

**(3)(iii) Liability of withholding agent acting through an agent [§1.1474-1(a)(3)(iii)]**

A withholding agent acting through an agent is liable for any failure of the agent, such as a failure to withhold an amount or make a payment of tax, in the same manner and to the same extent as if the agent's failure had been the failure of the withholding agent. For this purpose, the agent's actual knowledge or reason to know shall be imputed to the withholding agent. Except as otherwise provided in the QI, WP, or WT agreement, an agent of a withholding agent is subject to the same withholding and reporting obligations that apply to any withholding agent under the provisions of chapter 4 and does not benefit from the special procedures

or exceptions that apply to a QI, WP, or WT. If the agent is a foreign person, however, a U.S. withholding agent may treat the acts of the foreign agent as its own for purposes of determining whether it has complied with the provisions of chapter 4. The withholding agent's liability under paragraph (a)(2) of this section will exist even if the agent is also a withholding agent and is itself separately liable for failure to comply with the provisions of chapter 4. The same tax, interest, or penalties, however, shall not be collected more than once.

**4-1(a)(4) *Liability for failure to obtain documentation timely or to act in accordance with applicable presumptions [§1.1474-1(a)(4)]***

- (4)(i) **In general [§1.1474-1(a)(4)(i)]**  
A withholding agent that cannot reliably associate a payment with documentation on the date of payment and that does not withhold under §1.1471-2(a), 1.1471-4(b), or 1.1472-1(b), or withholds at less than the 30 percent rate prescribed, is liable under this section for the tax required to be withheld under §1.1471-2(a), 1.1471-4(b), or 1.1472-1(b) (including interest, penalties, or additions to tax otherwise applicable in respect of the failure to deduct and withhold) unless-
  - (i)(A) The withholding agent has appropriately relied on the presumptions described in §1.1471-3(f) in order to treat the payment as exempt from withholding; or [§1.1474-1(a)(4)(i)(A)]
  - (i)(B) The withholding agent obtained after the date of payment valid documentation that meets the requirements of §1.1471-3(c)(7) to establish that the payment was, in fact, exempt from withholding. [§1.1474-1(a)(4)(i)(B)]
- (4)(ii) **Withholding satisfied by another withholding agent [§1.1474-1(a)(4)(ii)]**  
If a withholding agent fails to deduct and withhold any amount required to be deducted and withheld under §1.1471-2(a), 1.1471-4(b), or 1.1472-1(b), and the tax is satisfied by another withholding agent or is otherwise paid, then the amount of tax required to be deducted and withheld shall not be collected from the first-mentioned withholding agent. However, the withholding agent is not relieved from liability in any such case for any interest or penalties or additions to tax otherwise applicable in respect of the failure to deduct and withhold.

**4-1(b) *Payment of withheld tax [§1.1474-1(b)]***

- 4-1(b)(1) *In general [§1.1474-1(b)(1)]***  
Except as otherwise provided in this paragraph (b), every withholding agent who withholds tax pursuant to chapter 4 shall deposit such tax within the time provided in §1.6302-2(a) by electronic funds transfer as provided under §31.6302-1(h) of this chapter. If for any reason the total amount of tax required to be deposited for any calendar year pursuant to the income tax return described in paragraph (c) of this section has not been deposited pursuant to §1.6302-2, the withholding agent shall pay the balance of such tax due for such year at such place as the IRS shall specify. The tax shall be paid when filing the return described in paragraph (c)(1) of this section for such year, unless the IRS specifies otherwise. See §1.1471-4(b)(6) for the special rule allowing participating FFIs to set aside in escrow amounts withheld with respect to dormant accounts.

**4-1(b)(2) *Special rule for foreign passthru payments and payments of gross proceeds that include an undetermined amount of income subject to tax [§1.1474-1(b)(2)]***  
[Reserved].

**4-1(c) *Income tax return [§1.1474-1(c)]***

- 4-1(c)(1) *In general [§1.1474-1(c)(1)]***  
Every withholding agent shall file an income tax return on Form 1042, "Annual Withholding Tax Return for U.S. Source Income of Foreign Persons," (or such other form as the IRS may

prescribe) to report chapter 4 reportable amounts (as defined in paragraph (d)(2)(i) of this section). This income tax return shall be filed on the same income tax return used to report amounts subject to reporting for chapter 3 purposes as described in §1.1461-1(b). The return must show the aggregate amount of payments that are chapter 4 reportable amounts and must report the tax withheld for the preceding calendar year by the withholding agent, in addition to any information required by the form and its accompanying instructions. Withholding certificates and other statements or information provided to a withholding agent are not required to be attached to the return. A Form 1042 must be filed under this paragraph (c)(1) even if no tax was required to be withheld for chapter 4 purposes during the preceding calendar year. The withholding agent must retain a copy of Form 1042 for the applicable period of limitations on assessment and collection with respect to the amounts required to be reported on the Form 1042. See section 6501 and the regulations thereunder for the applicable period of limitations. Adjustments to the total amount of tax withheld described in S1.1474-2 shall be stated on the return as prescribed by the form and its accompanying instructions.

**4-1(c)(2) *Participating FFIs, registered deemed-compliant FFIs, and U.S. branches treated as U.S. persons [§1.1474-1(c)(2)]***

A participating FFI or registered deemed-compliant FFI shall file Form 1042 in accordance with paragraph (c)(1) of this section to report chapter 4 reportable amounts for which the participating FFI or registered deemed-compliant FFI is required to file Form 1042-S, as described in paragraph (d)(4)(iii) of this section. A participating FFI or registered deemed-compliant FFI with a U.S. branch that is treated as a U.S. person must exclude from Form 1042 payments made and taxes withheld by such U.S. branch. A U.S. branch that is treated as a U.S. person shall file a separate Form 1042 in accordance with paragraph (c)(1) of this section and the instructions on the form to report chapter 4 reportable amounts.

**4-1(c)(3) *Amended returns [§1.1474-1(c)(3)]***

An amended return under this paragraph (c)(3) must be filed on Form 1042. An amended return must include such information as the form or its accompanying instructions shall require, including, with respect to any information that has changed from the time of the filing of the return, the information that was shown on the original return and the corrected information.

**4-1(d) *Information returns for payment reporting [§1.1474-1(d)]***

**4-1(d)(1) *Filing requirement [§1.1474-1(d)(1)]***

(1)(i) In general [§1.1474-1(d)(1)(i)]  
[Reserved]. For further guidance, see §1.1474-1T(d)(1)(i).

*Except as otherwise provided in paragraph (d)(4) of this section or in the instructions to Form 1042-S, every withholding agent must file an information return on Form 1042-S, "Foreign Person's U.S. Source Income Subject to Withholding," (or such other form as the IRS may prescribe) to report to the IRS chapter 4 reportable amounts as described in paragraph (d)(2)(i) of this section that were paid to a recipient during the preceding calendar year.*

*Except as otherwise provided in paragraphs (d)(4)(ii)(B) (certain unknown recipients) and (d)(4)(i)(B) and (d)(4)(iii)(A) of this section (describing payees includable in reporting pools of a participating FFI or registered deemed-compliant FFI), a separate Form 1042-S must be filed with the IRS for each recipient of an amount subject to reporting under paragraph (d)(2)(i) of this section and for each separate type of payment made to a single recipient in accordance with paragraph (d)(4)(i) of this section.*

*The Form 1042-S shall be prepared in such manner as the form and its accompanying instructions prescribe. One copy of the Form 1042-S shall be filed with the IRS on or before March 15 of the calendar year following the year in which the amount subject to reporting was paid, with a transmittal form as*

*provided in the instructions to the form. Withholding certificates, certifications, documentary evidence, or other statements or documentation provided to a withholding agent are not required to be attached to the form. A copy of the Form 1042-S must be furnished to the recipient for whom the form is prepared (or any other person, as required under this paragraph or the instructions to the form) and to any intermediary or flow-through entity described in paragraph (d)(3)(vii) of this section on or before March 15 of the calendar year following the year in which the amount subject to reporting was paid.*

*The withholding agent must retain a copy of each Form 1042-S for the period of limitations on assessment and collection applicable to the tax reportable on the Form 1042 to which the Form 1042-S relates (determined as set forth in paragraph (c)(1) of this section). See paragraph (d)(4)(iii) of this section for the additional reporting requirements of participating FFIs and deemed-compliant FFIs.*

- (3)(vii) The EIN or GIIN (as applicable), status for chapter 3 and chapter 4 purposes (as required on the instructions to the form) of an entity reported under paragraph (d)(3)(vii) of this section; [§1.1474-1(d)(3)(vii)]

Except as otherwise provided on Form 1042-S or its instructions, only payments for which the income or payment code, exemption code, withholding rate, and recipient code are the same may be reported on a single form filed with the IRS. See paragraph (d)(4)(ii) of this section for reporting of payments made to a person that is not a recipient and that is otherwise required to be reported on Form 1042-S.
  - (i)(A) Payments to certain entities that are beneficial owners [§1.1474-1(d)(4)(i)(A)]  
If the beneficial owner of a payment made by a U.S. withholding agent is an exempt beneficial owner, an FFI, an NFFE, or a territory entity, it must complete Form 1042-S treating such entity as the recipient of the payment.
  - (i)(B) Payments to participating FFIs, deemed-compliant FFIs, and certain QIs [§1.1474-1(d)(4)(i)(B)]  
[Reserved]. For further guidance, see §1.1474-1T(d)(4)(i)(B).

*With respect to a payment of U.S. source FDAP income made to a participating FFI or registered deemed-compliant FFI that is an NQI, NWP, or NWT or QI that elects to be withheld upon under section 1471(b)(3) and from whom the withholding agent receives an FFI withholding statement allocating the payment (or portion of the payment) to a chapter 4 withholding rate pool, a U.S. withholding agent must complete a separate Form 1042-S issued to the participating FFI, registered deemed-compliant FFI, or QI (as applicable) as the recipient with respect to each such pool identified on an FFI withholding statement, described in S1.1471-3(c)(3)(iii)(B)(2). If, however, a participating FFI, deemed-compliant FFI, or QI (as applicable) has made an election under S1.1471-4(b)(3)(iii), for the portion of the payment that the FFI allocates to each recalcitrant account holder that is subject to backup withholding under section 3406, the withholding agent must report on Form 1099 the amount of the payment and tax withheld in accordance with the form's requirements and accompanying instructions.*

- *See S1.1471-2(a)(2)(i) for the requirement of a withholding agent to withhold on payments of U.S. source FDAP income made to a participating FFI or registered deemed-compliant FFI that is an NQI, NWP, or NWT.*
- *See also S1.1471-2(a)(2)(iii) in the case of payments made to a QI.*
- *See S1.1461-1(c)(4)(A) for the extent to which reporting is required under that section for U.S. source FDAP income that is reportable on Form 1042-S under chapter 3 and not subject to withholding under chapter 4, in which case the U.S. withholding agent must report in the manner described under S1.1461-1(c)(4)(ii) and paragraph (d)(4)(ii)(A) of this section.*
- *See paragraph (d)(4)(ii)(A) of this section for reporting rules applicable if participating FFIs or deemed-compliant FFIs provide specific payee information for reporting to the recipient of the payment for Form 1042-S reporting purposes.*
- *See paragraph (d)(4)(iii) of this section for the residual reporting responsibilities of an NQI, NWP, or NWT that is an FFI.*

(i)(C) Amounts paid to a U.S. branch of a participating FFI or registered deemed-compliant FFI [S1.1474-1(d)(4)(i)(C)]  
 A U.S. withholding agent making a payment of U.S. source FDAP income to a U.S. branch of a participating FFI or registered deemed-compliant FFI shall complete Form 1042-S as follows-

- (1) If the U.S. branch is treated as a U.S. person, if the withholding agent treats amounts paid as effectively connected with the conduct of the branch's trade or business in the United States, or if the U.S. branch is the beneficial owner of the payment, the withholding agent must file Form 1042-S reporting the U.S. branch as the recipient; [S1.1474-1(d)(4)(i)(C)(1)]
- (2) If the U.S. branch of a participating FFI is not treated as a U.S. person and provides the withholding agent with a withholding certificate that transmits information regarding its reporting pools referenced in paragraph (d)(4)(i)(B) of this section or information regarding each recipient that is an account holder or payee of the U.S. branch, the withholding agent must complete a separate Form 1042-S issued to the U.S. branch for each such pool to the extent

required on the form and its accompanying instructions or must complete a separate Form 1042-S issued to each recipient whose documentation is associated with the U.S. branch's withholding certificate as described in paragraph (d)(4)(ii)(A) of this section and report the U.S. branch as an entity not treated as a recipient; or [§1.1474-1(d)(4)(i)(C)(2)]

- (3) If the U.S. branch of a participating FFI is not treated as a U.S. person, to the extent its fails to provide sufficient information regarding its account holders or payees, the withholding agent shall report the recipient of the payment as an unknown recipient to the extent recipient information is not provided and report the U.S. branch as provided in paragraph (d)(4)(ii)(A) of this section for an entity not treated as a recipient. [§1.1474-1(d)(4)(i)(C)(3)]

- (i)(D) Amounts paid to territory financial institutions that are flow-through entities or acting as intermediaries [§1.1474-1(d)(4)(i)(D)]  
A U.S. withholding agent making a withholdable payment to a territory financial institution that is a flow-through entity or that acts as an intermediary must complete Form 1042-S as follows-

- (1) If the territory financial institution is treated as a U.S. person or is the beneficial owner of the payment, the withholding agent must file Form 1042-S treating the territory financial institution as the recipient; [§1.1474-1(d)(4)(i)(D)(1)]
- (2) If the territory financial institution is not treated as a U.S. person and provides the withholding agent with a withholding certificate that transmits information regarding each recipient that is a partner, beneficiary, owner, account holder, or payee, the withholding agent must complete a separate Form 1042-S for each recipient whose documentation is associated with the territory financial institution's withholding certificate as described in paragraph (d)(4)(ii)(A) of this section and must report the territory financial institution under that paragraph; or [§1.1474-1(d)(4)(i)(D)(2)]
- (3) If the territory financial institution is not treated as a U.S. person, to the extent its fails to provide sufficient information regarding its partners, beneficiaries, owners, account holders or payees, the withholding agent shall report the recipient of the payment as an unknown recipient and report the territory financial institution as provided in paragraph (d)(4)(ii)(A) of this section for an entity not treated as a recipient. [§1.1474-1(d)(4)(i)(D)(3)]

- (i)(E) Amounts paid to NFFEs [§1.1474-1(d)(4)(i)(E)]  
[Reserved]. For further guidance, see §1.1474-1T(d)(4)(i)(E).

*A U.S. withholding agent that makes payments of chapter 4 reportable amounts to an excepted or passive NFFE shall complete Forms 1042-S treating the NFFE as the recipient, except when the NFFE is a flow-through entity or acting as an intermediary and the partner or beneficiary is treated as the payee. In cases in which the chapter 4 reportable amount is also an amount of U.S. source FDAP income reportable on Form 1042-S (described in §1.1441-2(a)), see also §1.1461-1(c)(4)(A) for the extent to which reporting is required with respect to the partners, beneficiaries, or owners of such entities.*

(4)(ii) Payments made by withholding agents to certain entities that are not recipients [§1.1474-1(d)(4)(ii)]

(ii)(A) Entities that provide information for a withholding agent to perform specific payee reporting [§1.1474-1(d)(4)(ii)(A)]  
 If a U.S. withholding agent makes a payment of a chapter 4 reportable amount to a flow-through entity that is a passive NFFE, a nonparticipating FFI receiving a payment on behalf of an exempt beneficial owner, or a participating FFI or deemed-compliant FFI that is an NQI, NWP, or NWT, except as otherwise provided in paragraph (d)(4)(i)(B) of this section, the withholding agent must complete a separate Form 1042-S for each recipient that is a partner, beneficiary, owner, or account holder of such entity to the extent the withholding agent can reliably associate the payment with valid documentation (under the rules of §1.1471-3(c) and (d)) provided by such entity, as applicable, with respect to each such recipient.

If a payment is made through tiers of such entities, the withholding agent must nevertheless complete Form 1042-S for the recipient to the extent it can reliably associate the payment with documentation provided with respect to that recipient. A withholding agent that is completing a Form 1042-S for a recipient described in this paragraph (d)(4)(ii)(A) must include on the form the information described in paragraph (d)(3)(vii) of this section for the entity through which the recipient directly receives the payment.

(ii)(B) Nonparticipating FFI that is a flow-through entity or intermediary [§1.1474-1(d)(4)(ii)(B)]  
 [Reserved]. For further guidance, see §1.1474-1T(d)(4)(ii)(B).

*If a withholding agent makes a payment of a chapter 4 reportable amount to a nonparticipating FFI that it is required to treat as an intermediary with regard to a payment or as a flow-through entity under rules described in §1.1471-3(c)(3)(iii), and except as otherwise provided in paragraph (d)(1)(ii)(A)(1)(x) of this section (relating to an exempt beneficial owner), the withholding agent must report the recipient of the payment as an unknown recipient and report the nonparticipating FFI as provided in paragraph (d)(4)(ii)(A) of this section for an entity not treated as a recipient.*

(ii)(C) Disregarded entities [§1.1474-1(d)(4)(ii)(C)]  
 [Reserved]. For further guidance, see §1.1474-1T(d)(4)(ii)(C).

*If a U.S. withholding agent makes a payment to a disregarded entity and receives a valid withholding certificate or other documentary evidence from the person that is the single owner of such disregarded entity, the withholding agent must file a Form 1042-S treating the single owner as the recipient in accordance with the instructions to the Form 1042-S.*

(4)(iii) Reporting by participating FFIs and deemed-compliant FFIs (including QIs, WPs, and WTs) [§1.1474-1(d)(4)(iii)]  
 [Reserved]. For further guidance, see §1.1474-1T(d)(4)(iii).

(iii)(A) In general [§1.1474-1(d)(4)(iii)(A)]  
 [Reserved]. For further guidance, see §1.1474-1T(d)(4)(iii)(A).

*Except as otherwise provided in paragraph (d)(4)(iii)(B) (relating to NQIs, NWPs, NWTs, and FFIs electing under section 1471(b)(3)) and §1.1471-4(d)(2)(ii)(F) (relating to transitional payee-specific reporting for payments to nonparticipating FFIs), a participating FFI or deemed-*

compliant FFI (including a QI, WP, WT, or U.S. branch of a participating FFI that is not treated as a U.S. person) that makes a payment that is a chapter 4 reportable amount to a recalcitrant account holder or nonparticipating FFI must complete a Form 1042-S to report such payments. A participating FFI or registered deemed-compliant FFI (including a QI, WP, WT, or U.S. branch of a participating FFI that is not treated as a U.S. person) may report in pools consisting of its recalcitrant account holders and payees that are nonparticipating FFIs.

With respect to recalcitrant account holders, the FFI may report in pools consisting of recalcitrant account holders within a particular status described in §1.1471-4(d)(6) and within a particular income code. Except as otherwise provided in §1.1471-4(d)(2)(ii)(F), with respect to payees that are nonparticipating FFIs, the FFI may report in pools consisting of one or more nonparticipating FFIs that fall within a particular income code and within a particular status code described in the instructions to Form 1042-S.

Alternatively, a participating FFI or registered deemed-compliant FFI (including a QI, WP, WT, or U.S. branch of a participating FFI that is not treated as a U.S. person) may (and a certified deemed-compliant FFI is required to) perform payee-specific reporting to report a chapter 4 reportable amount paid to a recalcitrant account holder or a nonparticipating FFI when withholding was applied (or should have applied) to the payment.

(iii)(B) Special reporting requirements of participating FFIs, deemed-compliant FFIs, and FFIs that make an election under section 1471(b)(3) [§1.1474-1(d)(4)(iii)(B)]  
[Reserved]. For further guidance, see §1.1474-1T(d)(4)(iii)(B).

Except as otherwise provided in §1.1471-4(d)(2)(ii)(F), a participating FFI or deemed-compliant FFI that is an NQI, NWP, NWT (including a U.S. branch of a participating FFI that is not treated as a U.S. person), or an FFI that has made an election under section 1471(b)(3) and has provided sufficient information to its withholding agent to withhold and report the payment is not required to report the payment on Form 1042-S as described in paragraph (d)(4)(iii)(A) of this section if the payment is made to a nonparticipating FFI or recalcitrant account holder and its withholding agent has withheld the correct amount of tax on such payment and correctly reported the payment on a Form 1042-S.

Such FFI is required to report a payment, however, when the FFI knows, or has reason to know, that less than the required amount has been withheld by the withholding agent on the payment or the withholding agent has not correctly reported the payment on Form 1042-S. In such case, the FFI must report on Form 1042-S to the extent required under paragraph (d)(4)(iii)(A) of this section. See, however, §1.1471-4(d)(6) for the requirement to report certain aggregate information regarding accounts held by recalcitrant account holders on Form 8966, "FATCA Report," regardless of whether withholdable payments are made to such accounts.

(iii)(C) Reporting by U.S. branches of a participating FFI or registered deemed-compliant FFI that is treated as a U.S. person [§1.1474-1(d)(4)(iii)(C)] [Reserved]. For further guidance, see §1.1474-1T(d)(4)(iii)(C).

*A U.S. branch of a participating FFI or registered deemed-compliant FFI that is treated as a U.S. person must report amounts paid to recipients on Forms 1042-S in the same manner as a U.S. withholding agent under paragraph (d)(4)(i) of this section.*

(4)(iv) Reporting by territory financial institutions [§1.1474-1(d)(4)(iv)]  
A territory financial institution that is not treated as a U.S. person will not be required to report on Form 1042-S if another withholding agent has reported the same amount with regard to the same recipient for which such entity would otherwise be required to file a return under this paragraph (d)(4)(iv) and such withholding agent has withheld the entire amount required to be withheld from such payment. A territory financial institution must, however, report payments made to recipients for whom it has failed to provide the appropriate documentation to another withholding agent or to the extent it knows, or has reason to know, that less than the required amount has been withheld. A territory financial institution that is treated as a U.S. person or is otherwise required under this paragraph (d)(4)(iv) to report amounts paid to recipients on Forms 1042-S must report in the same manner as a U.S. withholding agent.

(4)(v) Nonparticipating FFIs [§1.1474-1(d)(4)(v)]  
A nonparticipating FFI that is a flow-through entity or that acts as an intermediary with respect to a payment may file Forms 1042 and 1042-S only to report and allocate tax withheld to the account holders, partners, owners, or beneficiaries of the nonparticipating FFI.

(4)(vi) Other withholding agents [§1.1474-1(d)(4)(vi)]  
Any person that is a withholding agent that is not described in any of paragraphs (d)(4)(i) through (v) of this section shall file Forms 1042-S in the same manner as a U.S. withholding agent and in accordance with the instructions to the form.

**4-1(e) Magnetic media reporting [§1.1474-1(e)]**

A withholding agent that is not a financial institution and that is required to file 250 or more Form 1042-S information returns for a taxable year must file Form 1042-S returns on magnetic media. See §301.6011-2(b) of this chapter for the requirements of a withholding agent that is not a financial institution with respect to the filing of Forms 1042-S on magnetic media. See §301.1474-1(a) of this chapter for the requirements applicable to a withholding agent that is a financial institution with respect to the filing of Forms 1042-S on magnetic media.

**4-1(f) Indemnification of withholding agent [§1.1474-1(f)]**

A withholding agent is indemnified against the claims and demands of any person for the amount of any tax it deducts and withholds in accordance with the provisions of chapter 4 and the regulations thereunder. A withholding agent that withholds based on a reasonable belief that such withholding is required under chapter 4 and the regulations thereunder is treated for purposes of section 1474 and this paragraph (f) as having withheld tax in accordance with the provisions of chapter 4 and the regulations thereunder. This paragraph (f) does not relieve a withholding agent from tax liability under chapter 3 or chapter 4 or the regulations under those chapters.

**4-1(g) Extensions of time to file Forms 1042 and 1042-S [§1.1474-1(g)]**

The IRS may grant an extension of time to file Form 1042 or 1042-S as described in §1.1461-1(g).

**4-1(h) Penalties [§1.1474-1(h)]**

For penalties and additions to tax for failure to file returns or file and furnish statements in accordance with this section, see sections 6651, 6662, 6663, 6721, 6722, 6723, 6724(c), 7201, 7203, and the regulations under those sections. For penalties and additions to tax for failure to timely pay the tax required to be withheld under chapter 4, see sections 6656, 6672, 7202, and the regulations under those sections.

The report must contain the following information-*

4-1(j) *Effective/applicability date [§1.1474-1(j)]*  
 This section generally applies on January 28, 2013. For other dates of applicability see §§1.1474-1(d)(4)(iii)(C) and 1.1474-1(i).

4-2 S1.1474-2 Adjustments for overwithholding or underwithholding of tax [§1.1474-2]4-2(a) *Adjustments of overwithheld tax [§1.1474-2(a)]*4-2(a)(1) *In general [§1.1474-2(a)(1)]*

Except as otherwise provided by this section, a withholding agent that has overwithheld tax under chapter 4 and made a deposit of the tax as provided in §1.6302-2(a) may adjust the amount of overwithheld tax either pursuant to the reimbursement procedure described in paragraph (a)(3) of this section or pursuant to the set-off procedure described in paragraph (a)(4) of this section. Adjustments under this paragraph (a) may only be made within the time prescribed under paragraph (a)(3) or (a)(4) of this section. After such time, a refund of the amount of overwithheld tax can only be claimed pursuant to the procedures described in §1.1474-5 and chapter 65 of the Code and the regulations thereunder.

4-2(a)(2) *Overwithholding [§1.1474-2(a)(2)]*

For purposes of this section, the term overwithholding means an amount actually withheld (determined before application of the adjustment procedures under this section and regardless of whether such overwithholding was in error or appeared correct at the time it occurred) from an item of income or other payment pursuant to chapter 4 that is in excess of the greater of

- (2)(i) The amount required to be withheld with respect to such item of income or other payment under chapter 4; and [§1.1474-2(a)(2)(i)]
- (2)(ii) The actual tax liability of the beneficial owner that is attributable to the income or payment from which the amount was withheld. [§1.1474-2(a)(2)(ii)]

4-2(a)(3) *Reimbursement of tax [§1.1474-2(a)(3)]*(3)(i) *General rule [§1.1474-2(a)(3)(i)]*

Under the reimbursement procedure, the withholding agent may repay the beneficial owner or payee for an amount of overwithheld tax. In such case, the withholding agent may reimburse itself by reducing, by the amount actually repaid to the beneficial owner or payee, the amount of any deposit of tax made by the withholding agent under §1.6302-2(a)(1)(iii) for any subsequent payment period occurring before the end of the calendar year following the calendar year of overwithholding. A withholding agent must obtain valid documentation as described under §1.1471-3(c)(6) with respect to the beneficial owner or payee supporting a reduced rate of withholding before reducing the amount of any deposit of tax under this paragraph (a)(3)(i). Any such reduction that occurs for a payment period in the calendar year following the calendar year of overwithholding shall be allowed only if-

- (i)(A) The repayment of the beneficial owner or payee occurs before the earlier of the due date (without regard to extensions) for filing the Form 1042-S for the calendar year of overwithholding or the date that the Form 1042-S is actually filed with the IRS; [§1.1474-2(a)(3)(i)(A)]
- (i)(B) The withholding agent states on a timely filed (not including extensions) Form 1042-S the amount of tax withheld and the amount of any actual repayment; and [§1.1474-2(a)(3)(i)(B)]
- (i)(C) The withholding agent states on a timely filed (not including extensions) Form 1042 for the calendar year of overwithholding that the filing of the Form 1042 constitutes a claim for credit in accordance with §1.6414-1. [§1.1474-2(a)(3)(i)(C)]

(3)(ii) *Record maintenance [§1.1474-2(a)(3)(ii)]*

If the beneficial owner or payee is repaid an amount of overwithheld tax under the provisions of this paragraph (a)(3), the withholding agent shall keep as part of its

records a receipt showing the date and amount of repayment, and the withholding agent must provide a copy of such receipt to the beneficial owner or payee. For this purpose, a canceled check or an entry in a statement is sufficient, provided that the check or statement contains a specific notation that it is a refund of tax overwithheld.

**4-2(a)(4) *Set-offs [§1.1474-2(a)(4)]***

Under the set-off procedure, the withholding agent may repay the beneficial owner or payee for an amount of overwithheld tax by applying the amount overwithheld against any amount which otherwise would be required under chapter 3 or 4 to be withheld from the amount paid by the withholding agent to such person before the earlier of the due date (without regard to extensions) for filing the Form 1042-S for the calendar year of overwithholding or the date that the Form 1042-S is actually filed with the IRS. For purposes of making a return on Form 1042 or 1042-S (or an amended form) for the calendar year of overwithholding and for purposes of making a deposit of the amount withheld, the reduced amount shall be considered the amount required to be withheld from such payment under chapter 3 or 4, respectively.

**4-2(a)(5) *Examples [§1.1474-2(a)(5)]***

The principles of this paragraph (a) are illustrated by the following examples:

**Example 1 [§1.1474-2(a)(5) Example 1.]**

**Ex. 1** Fund A is a unit investment trust that is an FFI and a resident of Country X. Fund A also qualifies for the benefits of the income tax treaty between the United States and Country X. On December 1, 2016, domestic corporation C pays a dividend of \$100 to Fund A, at which time C withholds \$30 of tax pursuant to §1.1471-2(a) and remits the balance of \$70 to Fund A, because it does not hold valid documentation that Fund A is a participating FFI or deemed-compliant FFI. On February 10, 2017, prior to the time that C is obligated to file its Form 1042, Fund A furnishes a valid Form W-8BEN described in §§1.1441-1(e)(2)(i) and 1.1471-3(c)(3)(ii) upon which C may rely to treat Fund A as the beneficial owner of the income and as a participating FFI so that C may reduce the rate of withholding to 15% under the provisions of the United States-Country X income tax treaty with respect to the payment. C repays the excess tax withheld of \$15 to Fund A. [§1.1474-2(a)(5) Example 1.(i)]

**Ex. 2** During the 2016 calendar year, C makes no other payments upon which tax is required to be withheld under chapter 3 or 4; accordingly, its Form 1042 for such year, filed on March 15, 2017, shows total tax withheld of \$30, an adjusted total tax withheld of \$15, and tax deposited of \$30 for such year. Pursuant to §1.6414-1, C claims a credit for the overpayment of \$15 shown on the Form 1042 for 2016. Accordingly, C is permitted to reduce by \$15 any deposit required by §1.6302-2 to be made of tax withheld during the 2017 calendar year with respect to taxes due under chapter 3 or 4. The Form 1042-S required to be filed by C with respect to the dividend of \$100 paid to Fund A in 2016 is required to show tax withheld of \$30 and tax repaid of \$15 to Fund A. [§1.1474-2(a)(5) Example 1.(ii)]

**(5)(i) Example 2 [§1.1474-2(a)(5) Example 2.]**

**Ex. 1** In November 2016, Bank A, a foreign bank organized in Country X that is an NQI, receives on behalf of one of its account holders, Z, an individual, a \$100 dividend payment from C, a domestic corporation. At the time of payment, C withholds \$30 pursuant to §1.1471-2(a) and remits the balance of \$70 to Bank A, because it does not hold valid documentation that it may rely on to treat Bank A as a participating FFI or deemed-compliant FFI. In December 2016, prior to the time that C files its Forms 1042 and 1042-S, Bank A furnishes a valid Form W-8IMY

and FFI withholding statement described in §1.1471-3(c)(3)(iii) that establishes Bank A's status as a participating FFI that is an NQI, as well as a valid Form W-8BEN that has been completed by Z as described in §1.1471-3(c)(3)(ii) and §1.1441-1(e)(2)(i) upon which C may rely to treat the payment as made to Z, a nonresident alien individual who is a resident of Country X eligible for a reduced rate of withholding of 15% under the income tax treaty between the United States and Country X. Although C has already deposited the \$30 that was withheld, as required by §1.6302-2(a)(1)(iv), C remits the amount of \$15 to Bank A for the benefit of Z. [§1.1474-2(a)(5) Example 2.(i)]

**Ex. 2** During the 2016 calendar year, C makes no other payments upon which tax is required to be withheld under chapter 3 or 4; accordingly, its return on Form 1042 for such year, which is filed on March 15, 2017, shows total tax withheld of \$30, an adjusted total tax withheld of \$15, and tax deposited of \$30. Pursuant to §1.6414-1(b), C claims a credit for the overpayment of \$15 shown on the Form 1042 for 2014. Accordingly, it is permitted to reduce by \$15 any deposit required by §1.6302-2 to be made of tax withheld during the 2017 calendar year. The Form 1042-S required to be filed by C for 2016 with respect to the dividend of \$100 beneficially owned by Z is required to show tax withheld of \$30 and tax repaid of \$15 to Z. [§1.1474-2(a)(5) Example 2.(ii)]

**4-2(b) *Withholding of additional tax when underwithholding occurs [§1.1474-2(b)]***

A withholding agent that has underwithheld under chapter 4 may apply the procedures described in §1.1461-2(b) (by substituting the term "chapter 4" for "chapter 3") to satisfy its withholding obligations under chapter 4 with respect to a payee or beneficial owner.

**4-2(c) *Effective/applicability date [§1.1474-2(c)]***

This section applies January 28, 2013.

**4-3 §1.1474-3 Withheld tax as credit to beneficial owner of income [§1.1474-3]**

**4-3(a) *Creditable tax [§1.1474-3(a)]***

The entire amount of the income, if any, attributable to a payment from which tax is required to be withheld under chapter 4 (including income deemed paid by a withholding agent under §1.1473-1(a)(2)(v)) shall be included in gross income in a return required to be made by the beneficial owner of the income, without deduction for the amount required to be or actually withheld, but the amount of tax actually withheld shall be allowed as a credit against the total income tax computed in the beneficial owner's return.

**4-3(b) *Amounts paid to persons that are not the beneficial owners [§1.1474-3(b)]***

Amounts actually deducted and withheld under chapter 4 on payments made to a fiduciary, agent, partnership, trust, or intermediary are deemed to have been paid by the beneficial owner of the item of income or other payment subject to withholding under chapter 4, except when the fiduciary, agent, partnership, trust, or intermediary pays the tax from its own funds and does not in turn withhold with respect to the payment made to such person. Thus, for example, if a beneficiary of a trust is subject to the taxes imposed by section 1, 2, 3, or 11 upon any amount of distributable net income or other taxable distribution received from a foreign trust, the part of any amount withheld at source under chapter 4 that is properly allocable to the income so taxed to such beneficiary shall be credited against the amount of the income tax computed upon the beneficiary's return, and any excess shall be refunded to the beneficiary in accordance with §1.1474-5 and chapter 65 of the Code.

**4-3(c) *Effective/applicability date [§1.1474-3(c)]***

This section applies January 28, 2013.

4-4 S1.1474-4 Tax paid only once [S1.1474-4]4-4(a) *Tax paid [S1.1474-4(a)]*

If the tax required to be withheld under chapter 4 on a payment is paid by the payee, beneficial owner, or the withholding agent, it shall not be re-collected from any other, regardless of the original liability therefor. However, this section does not relieve a person that was required to, but did not, withhold tax from liability for interest or any penalties or additions to tax otherwise applicable.

4-4(b) *Effective/applicability date [S1.1474-4(b)]*

This section applies January 28, 2013.

4-5 S1.1474-5 Refunds or credits [S1.1474-5]4-5(a) *Refund and credit [S1.1474-5(a)]*4-5(a)(1) *In general [S1.1474-5(a)(1)]*

Except to the extent otherwise provided in this section, a refund or credit of tax which has actually been withheld at the source at the time of payment under chapter 4 shall be made to the beneficial owner of the payment to which the amount of withheld tax is attributable if the beneficial owner or payee meets the requirements of this paragraph (a) and any other requirements that may be required under chapter 65. To the extent that the amount withheld under chapter 4 is not actually withheld at source, but is later paid by the withholding agent to the IRS, the refund or credit under chapter 65 of the Code shall be made to the withholding agent to the extent the withholding agent provides documentation with respect to the beneficial owner or payee described in paragraphs (a)(2) and (3) of this section sufficient for the beneficial owner or payee to have obtained a refund of the tax and sufficient for the withholding agent to have applied a reduced rate or exemption from withholding under chapter 4. The preceding sentence shall not, however, apply to a nonparticipating FFI that is acting as a withholding agent with respect to one or more of its account holders. In such a case, only the account holders of the nonparticipating FFI will be entitled to a credit or refund of an amount withheld under chapter 4, to the extent otherwise allowable under this section. Additionally, there are collective refund procedures for a participating FFI or reporting Model 1 FFI to claim a refund or credit on behalf of certain direct account holders that are beneficial owners of the payment under S1.1471-4(h) (in lieu of such account holders claiming refund or credit under this paragraph (a)(1)).

## 4-5(a)(2)

*Limitation to refund and credit for a nonparticipating FFI [S1.1474-5(a)(2)]*

Notwithstanding paragraph (a)(1) of this section, a nonparticipating FFI (determined as of the time of payment) that is the beneficial owner of an item of income or other payment that is subject to withholding under chapter 4 shall not be entitled to any credit or refund pursuant to section 1474(b)(2) and this section unless it is entitled to a reduced rate of tax with respect to the income or other payment by reason of any treaty obligation of the United States. If the nonparticipating FFI is entitled to a reduced rate of tax with respect to an item of income or other payment by reason of any treaty obligation of the United States, the amount of any credit or refund with respect to such tax shall not exceed the amount of credit or refund attributable to such reduction in rate on the item of income or other payment, and no interest otherwise allowable under section 6611 shall be allowed or paid with respect to such credit or refund.

## 4-5(a)(3)

*Requirement to provide additional documentation for certain beneficial owners [S1.1474-5(a)(3)]*

## (3)(i)

*In general [S1.1474-5(a)(3)(i)]*

Except as provided in paragraph (a)(3)(ii) of this section, no refund or credit shall be allowed under paragraph (a)(1) of this section to the beneficial owner of the income or other payment to which the amount of such withheld tax was attributable if such beneficial owner is an NFFE, unless the NFFE attaches to its income tax return the information described in paragraph (a)(3)(iii) of this section.

- (3)(ii) Claim of reduced withholding under an income tax treaty [§1.1474-5(a)(3)(ii)]  
Paragraph (a)(3)(i) of this section does not apply to the extent that the beneficial owner is entitled to a reduced rate of tax with respect to the income or other payment by reason of any treaty obligation of the United States.
- (3)(iii) Additional documentation to be furnished to the IRS for certain NFFEs [§1.1474-5(a)(3)(iii)]  
The information described in this paragraph (a)(3)(iii) is-
  - (iii)(A) A certification that the beneficial owner does not have any substantial U.S. owners; [§1.1474-5(a)(3)(iii)(A)]
  - (iii)(B) The form described in §1.1474-1(i)(2) relating to each substantial U.S. owner of such entity; or [§1.1474-5(a)(3)(iii)(B)]
  - (iii)(C) Other appropriate documentation to establish withholding was not required under chapter 4. [§1.1474-5(a)(3)(iii)(C)]

4-5(b) *Tax repaid to payee [§1.1474-5(b)]*  
For purposes of this section and §1.6414-1, any amount of tax withheld under chapter 4, which, pursuant to §1.1474-2(a)(1), is repaid by the withholding agent to the beneficial owner of the income or payment to which the withheld amount is attributable shall be considered as tax which, within the meaning of sections 1474 and 6414, was not actually withheld by the withholding agent.

4-5(c) *Effective/applicability date [§1.1474-5(c)]*  
This section applies January 28, 2013.

4-6 §1.1474-6 Coordination of chapter 4 with other withholding provisions. [§1.1474-6]

4-6(a) *In general [§1.1474-6(a)]*  
This section coordinates the withholding requirements of a withholding agent when a withholdable payment or foreign passthru payment is subject to withholding under both chapter 4 and another Code provision. See §1.1473-1(a) for the definition of withholdable payment and see §1.1471-5(h)(2) for the definition of foreign passthru payment.

4-6(b) *Coordination of withholding for amounts subject to withholding under sections 1441, 1442, and 1443 [§1.1474-6(b)]*

4-6(b)(1) *In general [§1.1474-6(b)(1)]*  
[Reserved]. For further guidance, see §1.1474-6T(b)(1).

*In the case of a withholdable payment that is both subject to withholding under chapter 4 and is an amount subject to withholding under §1.1441-2(a), a withholding agent may credit the withholding applied under chapter 4 against its liability for any tax due under sections 1441, 1442, or 1443. See §1.1474-1(c) and (d) for the income tax return and information return reporting requirements that apply in the case of a payment that is a withholdable payment subject to withholding under chapter 4 that is also an amount subject to withholding under §1.1441-2(a).*

4-6(b)(2) *When withholding is applied [§1.1474-6(b)(2)]*  
For purposes of paragraph (b)(1) of this section, withholding is applied by a withholding agent under section 1441 (or section 1442 or 1443) or chapter 4 (as applicable) when the withholding agent has withheld on the payment and has designated the withholding as having been made under section 1441 (or section 1442 or 1443) or chapter 4 to the extent required in the reporting described in §1.1474-1(c) and (d). For purposes of allowing an offset of withholding and allowing a credit to a withholding agent against its liability for such tax as described in paragraph (b)(1) of this section, withholding is treated as applied for purposes of paragraph (a) of this section only when the withholding agent has actually

withheld on a payment and has not made any adjustment for overwithheld tax applicable to the amount withheld that would otherwise be permitted with respect to the payment.

## 4-6(b)(3)

*Special rule for certain substitute dividend payments [S1.1474-6(b)(3)]*

In the case of a dividend equivalent under section 871(m) paid pursuant to a securities lending transaction described in section 1058 (or a substantially similar transaction), or pursuant to a sale-repurchase transaction, a withholding agent may offset its obligation to withhold under chapter 4 for amounts withheld by another withholding agent under chapters 3 and 4 with respect to the same underlying security in such a transaction, but only to the extent that there is sufficient evidence as required under chapter 3 that tax was actually withheld on a prior dividend equivalent paid to the withholding agent or a prior withholding agent with respect to the same underlying security in such transaction.

4-6(c) *Coordination with amounts subject to withholding under section 1445 [S1.1474-6(c)]*

## 4-6(c)(1)

*In general [§1.1474-6(c)(1)]*

An amount subject to withholding under section 1445 is not subject to withholding under chapter 4 as described in paragraphs (c)(2)(i) and (ii) of this section.

## 4-6(c)(2)

*Determining the amount of the distribution from certain domestic corporations subject to section 1445 or chapter 4 withholding [§1.1474-6(c)(2)]*

## (2)(i)

*Distribution from qualified investment entity [§1.1474-6(c)(2)(i)]*

In the case of a passthru payment (including a withholdable payment) subject to withholding under chapter 4 that is a distribution with respect to the stock of a qualified investment entity as described in section 897(h)(4)(A), withholding under chapter 4 does not apply when withholding under section 1445 applies to such amounts. With respect to the portion of such distribution that is not subject to withholding under section 1445 but is subject to withholding under section 1441 (or section 1442 or 1443) and chapter 4, the coordination rule described in paragraph (b)(1) of this section shall apply.

## (2)(ii)

*Distribution from a United States real property holding corporation [§1.1474-6(c)(2)(ii)]*

A distribution (or portion of a distribution) from a United States real property holding corporation (or from a corporation that was a United States real property holding corporation at any time during the five-year period ending on the date of the distribution) with respect to its stock that is a United States real property interest under section 897(c) is subject to withholding under chapter 4 and is also subject to the withholding provisions of section 1441 (or section 1442 or 1443) and section 1445. In such case, to the extent that the United States real property holding corporation chooses to withhold on a distribution only under section 1441 (or section 1442 or 1443) pursuant to §1.1441-3(c)(4)(i)(A), the coordination rule described in paragraph (b)(1) of this section shall apply to such distribution.

Alternatively, to the extent that the United States real property holding corporation chooses to withhold under both section 1441 (or section 1442 or 1443) and section 1445 pursuant to §1.1441-3(c)(4)(i)(B), the coordination rule described in paragraph (b)(1) of this section shall apply to the portion of such distribution described in §1.1441-3(c)(4)(i)(B)(1), and withholding under section 1445 shall apply to the amount of such distribution described in §1.1441-3(c)(4)(i)(B)(2). A withholding agent other than a United States real property holding corporation may rely, absent actual knowledge or reason to know otherwise, on the representations of the United States real property holding corporation making the distribution regarding the portion of the distribution that is estimated to be a dividend under §1.1441-3(c)(2)(ii)(A), and in the case of a failure by the withholding agent to withhold under chapter 4 due to this reliance, the required amount shall be imputed to the United States real property holding corporation.

4-6(d) *Coordination with section 1446 [§1.1474-6(d)]*

**4-6(d)(1)** *In general [§1.1474-6(d)(1)]*  
 Except as otherwise provided in paragraph (d)(2) of this section, a withholdable payment or a foreign passthru payment subject to withholding under section 1446 shall not be subject to withholding under chapter 4. See §1.1473-1(a)(4)(ii) for the exclusion from withholdable payment and the requirements for such exclusion for any item of income that is taken into account under section 871(b)(1) or 882(a)(1) for the taxable year.

**4-6(d)(2)** *Determining the amount of distribution subject to section 1446 [§1.1474-6(d)(2)]*  
 [Reserved].

**4-6(e)** *Example Chapter 4 withholding satisfies chapter 3 withholding obligation [§1.1474-6(e)]*  
 WA, a U.S. withholding agent, makes a payment consisting of a dividend from sources within the United States to NPFFI. NPFFI is a nonparticipating FFI that is a resident of Country X, a country that has an income tax treaty in force with the United States that would allow WA to reduce the rate of withholding for section 1442 purposes on a payment of U.S. source dividends paid to NPFFI to 15%. Because the payment is a withholdable payment and NPFFI is a nonparticipating FFI, WA withholds on the payment at the rate of 30% under chapter 4. WA does not make any adjustment for overwithholding that is otherwise permitted with respect to this payment. Although the payment is also an amount subject to withholding under section 1442, WA is not required to withhold any tax on this payment under section 1442. WA may credit its withholding applied under chapter 4 against the amount of tax otherwise required to be withheld on this payment under section 1442. See §1.1474-5(a)(2) for the credit and refund procedures for nonparticipating FFIs that are entitled to a reduced rate of tax with respect to an amount subject to withholding under chapter 4 by reason of any treaty obligation of the United States.

**4-6(f)** *[Reserved]. For further guidance, see §1.1474-6T(f). [§1.1474-6(f)]*

*A participating FFI that makes a withholdable payment that is also a reportable payment (as defined in the relevant sections of chapter 61) to a recalcitrant account holder that is a U.S. non-exempt recipient is not required to withhold under section 3406 if it withholds on the payment at a 30-percent rate in accordance with its withholding obligations under chapter 4. See, however, §1.1471-4(b)(3)(iii) for the election to withhold on recalcitrant account holders that are non-exempt U.S. recipients under section 3406 instead of withholding under chapter 4.*

**4-6(g)** *Effective/applicability date [§1.1474-6(g)]*  
 This section applies January 28, 2013.

**4-7** §1.1474-7 Confidentiality of information [§1.1474-7]

**4-7(a)** *Confidentiality of information [§1.1474-7(a)]*  
 Pursuant to section 1474(c)(1), the provisions of §31.3406(f)-1(a) of this chapter shall apply (substituting "sections 1471 through 1474" for "section 3406") to information obtained or used in connection with the requirements of chapter 4.

**4-7(b)** *Exception for disclosure of participating FFIs [§1.1474-7(b)]*  
 Pursuant to section 1474(c)(2), the identity of a participating FFI or deemed-compliant FFI shall not be treated as return information for purposes of section 6103.

**4-7(c)** *Effective/applicability date [§1.1474-7(c)]*  
 This section applies January 28, 2013.

**1 §301.1474-1 Required use of magnetic media for financial institutions filing Form 1042-S or Form 8966 [§301.1474-1]**

**1-1(a) *Financial institutions filing certain information returns [§301.1474-1(a)]***

If a financial institution is required to file a Form 1042-S, "Foreign Person's U.S. Source Income Subject to Withholding," (or such other form as the IRS may prescribe) under §1.1474-1(d) of this chapter, the financial institution must file the information required by the applicable forms and schedules on magnetic media. Additionally, if a financial institution is required to file Form 8966, "FATCA Report," (or such other form as the IRS may prescribe) to report certain information about U.S. accounts, substantial U.S. owners of foreign entities, or owner-documented FFIs as required under this chapter, the financial institution must file the required information on magnetic media or other machine-readable form. Returns filed on magnetic media must be made in accordance with applicable regulations, revenue procedures, publications, forms, instructions, and the IRS.gov Internet site. In prescribing regulations, revenue procedures, publications, forms, and instructions, including those on the IRS.gov Internet site, the Commissioner may direct the type of magnetic media or other machine-readable form used for filing.

**1-1(b) *Waiver [§301.1474-1(b)]***

The Commissioner may grant waivers from the requirements of this section in cases of undue hardship. If a financial institution fails to file a Form 1042-S or a Form 8966 on magnetic media when required to do so by this section, the financial institution is deemed to have failed to comply with the information reporting requirements under section 6723 of the Code. See section 6724(c) for failure to meet magnetic media requirements. In determining whether there is reasonable cause for failure to file the return, §301.6651-1(c) and rules similar to the rules in §301.6724-1(c)(3) (undue economic hardship related to filing information returns on magnetic media) will apply.

**1-1(d) *Meaning of terms [§301.1474-1(d)]***

The following definitions apply for purposes of this section

**1-1(d)(1) *Magnetic media [§301.1474-1(d)(1)]***

These generally include magnetic tape, tape cartridge, and diskette, as well as other media, such as electronic filing, specifically permitted under the applicable regulations, revenue procedures, publications, forms, or instructions.

**1-1(d)(2) *Financial institution [§301.1474-1(d)(2)]***

United States Code Annotated Currentness  
 Title 26. Internal Revenue Code  
 Subtitle A. Income Taxes  
 Chapter 4. Taxes to Enforce Reporting on Certain Foreign Accounts

**§1471 Withholdable payments to foreign financial institutions**

(a) In general [§1471(a)]

In the case of any withholdable payment to a foreign financial institution which does not meet the requirements of subsection (b), the withholding agent with respect to such payment shall deduct and withhold from such payment a tax equal to 30 percent of the amount of such payment.

(b) Reporting requirements, etc. [§1471(b)]

(1) In general [§1471(b)(1)]

The requirements of this subsection are met with respect to any foreign financial institution if an agreement is in effect between such institution and the Secretary under which such institution agrees--

- (A) to obtain such information regarding each holder of each account maintained by such institution as is necessary to determine which (if any) of such accounts are United States accounts, [§1471(b)(1)(A)]
- (B) to comply with such verification and due diligence procedures as the Secretary may require with respect to the identification of United States accounts, [§1471(b)(1)(B)]
- (C) in the case of any United States account maintained by such institution, to report on an annual basis the information described in subsection (c) with respect to such account, [§1471(b)(1)(C)]
- (D) to deduct and withhold a tax equal to 30 percent of-- [§1471(b)(1)(D)]
  - (i) any passthru payment which is made by such institution to a recalcitrant account holder or another foreign financial institution which does not meet the requirements of this subsection, and [§1471(b)(1)(D)(i)]
  - (ii) in the case of any passthru payment which is made by such institution to a foreign financial institution which has in effect an election under paragraph (3) with respect to such payment, so much of such payment as is allocable to accounts held by recalcitrant account holders or foreign financial institutions which do not meet the requirements of this subsection, [§1471(b)(1)(D)(ii)]
- (E) to comply with requests by the Secretary for additional information with respect to any United States account maintained by such institution, and [§1471(b)(1)(E)]
- (F) in any case in which any foreign law would (but for a waiver described in clause (i)) prevent the reporting of any information referred to in this subsection or subsection (c) with respect to any United States account maintained by such institution-- [§1471(b)(1)(F)]
  - (i) to attempt to obtain a valid and effective waiver of such law from each holder of such account, and [§1471(b)(1)(F)(i)]
  - (ii) if a waiver described in clause (i) is not obtained from each such holder within a reasonable period of time, to close such account. [§1471(b)(1)(F)(ii)]

Any agreement entered into under this subsection may be terminated by the Secretary upon a determination by the Secretary that the foreign financial institution is out of compliance with such agreement.

(2) Financial institutions deemed to meet requirements in certain cases.

A foreign financial institution may be treated by the Secretary as meeting the requirements of this subsection if-- [§1471(b)(2)]

- (A) such institution-- [§1471(b)(2)(A)]
  - (i) complies with such procedures as the Secretary may prescribe to ensure that such institution does not maintain United States accounts, and [§1471(b)(2)(A)(i)]
  - (ii) meets such other requirements as the Secretary may prescribe with respect to accounts of other foreign financial institutions maintained by such institution, or [§1471(b)(2)(A)(ii)]
- (B) such institution is a member of a class of institutions with respect to which the Secretary has determined that the application of this section is not necessary to carry out the purposes of this section. [§1471(b)(2)(B)]
- (3) Election to be withheld upon rather than withhold on payments to recalcitrant account holders and nonparticipating foreign financial institutions.

In the case of a foreign financial institution which meets the requirements of this subsection and such other requirements as the Secretary may provide and which elects the application of this paragraph [§1471(b)(3)]

- (A) the requirements of paragraph (1)(D) shall not apply, [§1471(b)(3)(A)]
- (B) the withholding tax imposed under subsection (a) shall apply with respect to any withholdable payment to such institution to the extent such payment is allocable to accounts held by recalcitrant account holders or foreign financial institutions which do not meet the requirements of this subsection, and [§1471(b)(3)(B)]
- (C) the agreement described in paragraph (1) shall-- [§1471(b)(3)(C)]
  - (i) require such institution to notify the withholding agent with respect to each such payment of the institution's election under this paragraph and such other information as may be necessary for the withholding agent to determine the appropriate amount to deduct and withhold from such payment, and [§1471(b)(3)(C)(i)]
  - (ii) include a waiver of any right under any treaty of the United States with respect to any amount deducted and withheld pursuant to an election under this paragraph. [§1471(b)(3)(C)(ii)]

To the extent provided by the Secretary, the election under this paragraph may be made with respect to certain classes or types of accounts of the foreign financial institution.

(c) Information required to be reported on United States accounts [§1471(c)]

(1) In general [§1471(c)(1)]

The agreement described in subsection (b) shall require the foreign financial institution to report the following with respect to each United States account maintained by such institution:

- (A) The name, address, and TIN of each account holder which is a specified United States person and, in the case of any account holder which is a United States owned foreign entity, the name, address, and TIN of each substantial United States owner of such entity. [§1471(c)(1)(A)]
- (B) The account number. [§1471(c)(1)(B)]
- (C) The account balance or value (determined at such time and in such manner as the Secretary may provide). [§1471(c)(1)(C)]
- (D) Except to the extent provided by the Secretary, the gross receipts and gross withdrawals or payments from the account (determined for such period and in such manner as the Secretary may provide). [§1471(c)(1)(D)]

(2) Election to be subject to same reporting as United States financial institutions [§1471(c)(2)(A)]

In the case of a foreign financial institution which elects the application of this paragraph--

- (A) subparagraphs (C) and (D) of paragraph (1) shall not apply, and [§1471(c)(2)(A)]

(B) the agreement described in subsection (b) shall require such foreign financial institution to report such information with respect to each United States account maintained by such institution as such institution would be required to report under sections 6041, 6042, 6045, and 6049 if-- [§1471(c)(2)(B)]

(i) such institution were a United States person, and [§1471(c)(2)(B)(i)]
