From PwC Georgia Academy

(Association of Chartered Certified Accountants)

The ACCA Qualification

The ACCA Qualification is your route to learning modern finance methods and becoming an ACCA member. It is designed to provide the accounting knowledge, skills and professional values that will deliver finance professionals who are capable of building successful careers across all sectors.

No previous knowledge of accounting or finance is required to start ACCA studies. All you need is the motivation to make the significant investment in time to achieve success.

For PwC the quality of expertise is essential and that is why our finance trainees study the ACCA. It helps us to develop the key skills and knowledge within the company. With The Academy, you can now learn from the PwC professionals and join our ACCA.

Why study the ACCA with The Academy?

- ❖ PwC's Academy has extensive experience in preparing students for the ACCA qualification.
