

**PigBrother**  
The pig data reality

## Efficiency-enhancing software for pig farms

## CAMERA-BASED WEIGHT ESTIMATION

### Pain points

Inefficient and inaccurate sorting by weight on the farm cause money loss to the farmers. Labor intensive counting at slaughterhouses affects the companies costs.

### Our solutions

**PigBrother**  
daily weight gain monitoring 96%+

**PigCounter**  
flawless animal counting 99,9%+

**PigData**  
environmental sensors to keep pigs comfy
