We understand that each company has its own culture and strategies to perform business. On the other hand, doing business in Indonesia certainly brings a number of challenges to the companies. A combination of complex legal and investment regulatory environment, ever changing tax regulations, and competitive market environment makes a unique business environment. It is precisely for this reason that we have established our supporting group, the Korea Business Desk, dedicated to serve and work together with Korean companies operating or planning to enter the Indonesian market.

- PwC is well positioned in the market in Korea and we have a strong global network present in Korea and the country of investment of companies.
- We are able to communicate in Korean language through the Korea Business Desk. We are the first firm to have a dedicated team for Korean business. We have dedicated professionals with knowledge and experience to provide this service. Also, included in the team is a full time dedicated Korean Technical Advisor who will provide strong communication support to Korean clients.
- In Indonesia, we are the largest and most renowned firm in the market, with wider experience in the areas of management consulting, tax management and audit.
- We have highly knowledgeable and experienced people. PwC Indonesia staff comprises professionals specialized by line of service, solutions or type of industry, ensuring highly qualified services and professionals with deep knowledge of the market.
- We have substantial experience in dealing with various issues faced by Korean companies in diversified industries in Indonesia. To name a few, we are currently serving or have served the companies of Samsung Group, LG Group, Lotte Group, Cheil Jedang Group, Samtan Group, POSCO Group, SK Group, GS Group, Hankook Tire, Hwaseung, Daewoo E&C, Sae-A Trading, KEB Hana Bank, Woori Bank, Daewoo Securities, KT&G, Hansae, KOLON, KEPCO and the Korean Embassy.
