PwC is the world’s largest network of professional service firms. We have a presence in 149 countries at 656 locations with over 370,000 professionals. We have been in Indonesia since 1971 and employ over 3,700 professionals, including more than 80 partners and technical advisors who are experienced in delivering assurance, tax and advisory services to both Indonesian and international companies and are equipped with in-depth knowledge of the local business environment and global business trends.

인도네시아는 법률, 투자규제, 시장체제 및 세무규정이 복잡하며 이러한 복잡성으로 인하여 다국적 기업의 초기진출 및 정착이 쉽지 않습니다. PwC Indonesia는 한국 고객들의 다양한 요구와 급변하는 투자환경의 변화에 대응하기 위하여 Korea Business Desk를 별도로 운영하고 있으며, 한국기업의 인도네시아 진출 및 성공적인 비즈니스를 위하여 한국기업에 특화된 서비스를 제공하고 있습니다.

We understand that each company has its own culture and strategies to perform business. On the other hand, doing business in Indonesia certainly brings a number of challenges to the companies. A combination of complex legal and investment regulatory environment, ever changing tax regulations, and competitive market environment makes a unique business environment. It is precisely for this reason that we have established our supporting group, the Korea Business Desk, dedicated to serve and work together with Korean companies operating or planning to enter the Indonesian market.
