

Email invoicing

Kesselman & Kesselman PwC Israel is launching a new service – invoicing via email.

Our clients will benefit many advantages, including:

- Approved invoice that looks similar to a printed invoice and is legally acceptable as the original.
- Invoice is delivered to your inbox immediately upon initiation.
- Paperless and environmentally friendly.

We use the Comsign system, which is certified by the Israel Ministry of Justice and the Israel Tax Authority. The service is free.

Now, all you need to do is sign up!

To do so, please fill out the form below and send it to us either by email or fax, using the following:
