Opportunity Jamaica

History of PwC Jamaica

PwC Jamaica is a part of PwC in the Caribbean which is the region's leading professional services provider, focused on providing high quality audit, tax, business advisory and corporate services. Our primary strategic goal is to create value for our clients and deliver a competitive advantage to their operations. We use our diverse experiences to help our people, clients and communities to succeed. As market leaders, we're sustained by delivering value through meaningful relationships and by working together with agility, passion and a focus on quality.

The firm, which began in 1916, now comprises of over 300 professionals including 16 partners, located in two offices – Kingston and Montego Bay. We provide professional services to the vast majority of the companies that sit on the Jamaica Stock Exchange (JSE). We also provide services to SEC registrants, international conglomerates and statutory bodies.

Our professionals are deeply experienced in each of their chosen fields and industries. Combine this with a closely connected first class regional and global network, and you will see why the business community places their trust and confidence in the quality of our services.

Our industry knowledge, capabilities and experience support the Caribbean's leading industry sectors:

- Asset and wealth management
- Banking and capital markets
- Capital projects and infrastructure
- Consumer and industrial products and services
- Government and public services
- Healthcare
- Insurance and reinsurance
- Telecommunications and information and communications technology
- Tourism, hospitality and leisure
- Utilities, energy and mining

Our clients have ready access to highly experienced and talented people from across the network of more than 276,000 professionals in 157 countries. Our close network means that we can quickly mobilise our people to focus on our clients' needs where and when they are most in demand.
