

PwC Legal Japan Legal Services

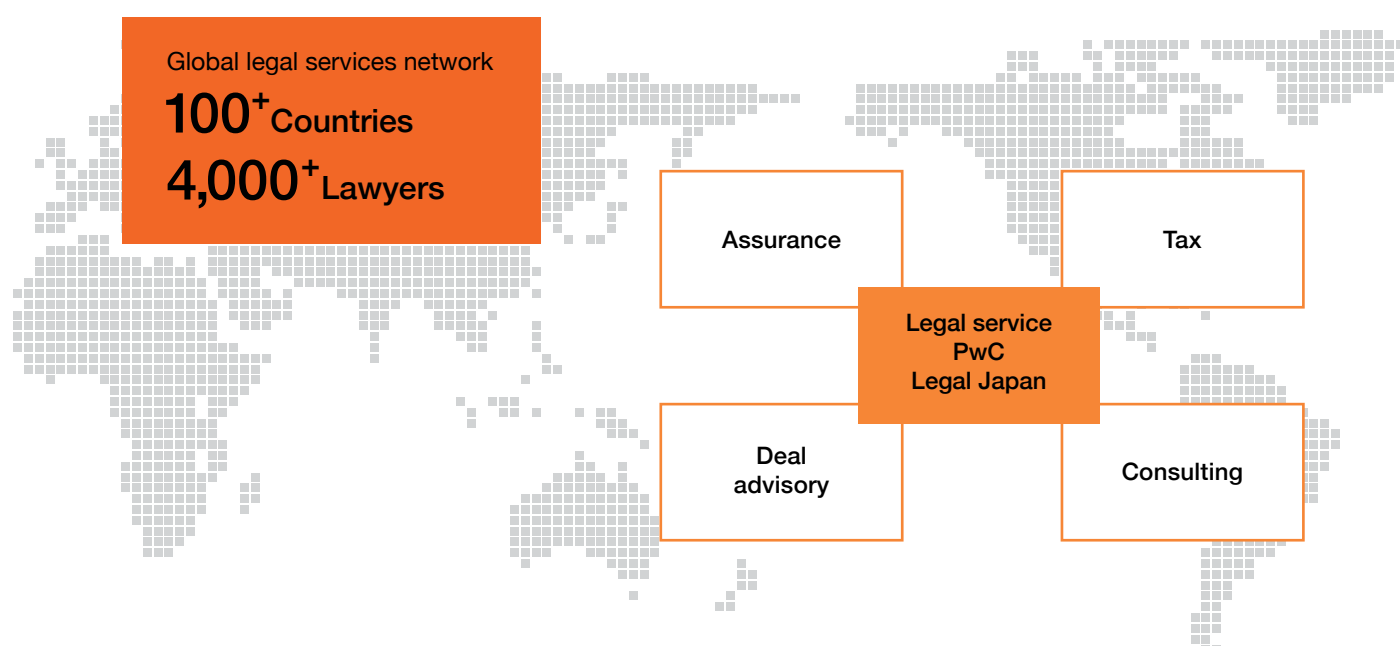

PwC's legal services in Japan

As trusted legal advisers, we at PwC Legal Japan, are committed to helping our clients solve their important business issues by providing broad legal services and combining the knowledge and experience of our professionals throughout the PwC Japan Group and the PwC global network.

In collaboration with the PwC global network, which has more than 4,000 attorneys in over 100 countries around the world, we provide prompt and appropriate solutions to legal issues involving not only domestic but also foreign laws and regulations. In collaboration with the PwC global network, we provide seamless legal support to meet the needs of our Japanese clients and their overseas subsidiaries and affiliates regarding cross-border investments and strategic business alliances.

We also provide solutions that meet our clients' diverse needs, which include complex legal, tax, accounting and other issues, by working together with tax, assurance, consulting, and other professionals within the PwC Japan Group*.

* The PwC Japan Group is a collective name for the member firms of the PwC global network in Japan and their affiliates. Each firm within the PwC Japan Group conducts its business as a separate, independent business entity.
