

PwC Business School

# IFRS 2018 Training Calendar

## Benefits

• Networking • Certificate from PwC Business School • Subject matter experts • Practical illustrative examples • CPD Points

## February 2018

### **Training:** IFRS 9 - (IFRS 9: Financial Instruments)

**February 1**  
Full Day

The changes that IFRS 9 introduces might provide a great opportunity for balance sheet optimization, enhanced efficiency of the reporting process and cost savings. We will share with you what you need to know and do as well as the relevant disclosures for your reporting. If you haven't begun assessing the implications of IFRS 9, now's the time to start.

### **Training:** IFRS 15 - Deep Dive (IFRS 15: Revenue from contracts with customers)

**February 7**  
Full Day

The devil is in the details! Which is why we will dive into the specifics of the new 5 step model in the revenue standard. We will also have illustrative examples that will demystify the seemingly complex areas of the standard.

## March 2018

### **Training:** Financial reporting in the oil & gas industry

**March 7-9**  
3 days

Applying IFRS in the oil and gas industry continues to be a challenge. This 3 day insightful session addresses the accounting issues that are most significant to your business. The accounting issues are addressed following the oil and gas value chain: exploration and development, production and sales of product, together with issues that are pervasive to a typical oil and gas entity including joint ventures and collaborations.

## May 2018

### **Training:** Retail, manufacturing and consumer industry (IFRS 9, 15 & 16)

**May 18**  
Full Day

We are dedicating the month of May to cater for your industry specific needs with regards to the new standards IFRS 9, 15 & 16.

## June 2018

### **Training:** IFRS16 - Deep Dive - (IFRS 16: Leases)

**June 27**  
Full Day

Did you know that the new lease standard (IFRS 16), now requires all operating leases to be on the balance sheet subject to some exemptions? Join us as we walk through the details of the new standard. You will learn about the new lease determination criteria, exemptions available, dealing with lease modification and other key changes coming through.

## July 2018

### **Training:** Integrated reporting: financial and non-financial reporting

**July 26**  
Full Day

Do your strategies consider the interests of all the stakeholders who could influence your Company's growth? Join us as we help you embed an integrated thinking approach within your business.

## September 2018

### **Training:** IFRS 17 - Deep Dive - (IFRS 17- Insurance contracts)

**September 12**  
Full Day

Thinking of how to go about the new insurance contracts standard, IFRS 17? Well, think no further. We will discuss the new requirements, how you will be affected and what you should start doing now.

## November 2018

### **Training:** IFRS Update Training (Annual Update Training)

**November 22**  
Full Day

To wrap-up our year, our annual IFRS update training will help you refresh on all relevant changes and prepare for year end procedures.

### **What our participants say**

*Let the training and knowledge impartation continue...*

*Gave good first hand examples to applying the course material*

*Combination of actuarial with IFRS. Quite insightful.*

*The course was really good; looking forward to more engagements as we transition to the new standards*

*It was very informative and eye opening. The delivery was also very practical and well structured.*

### **Early registration and group discounts apply**
