Unlock the future of tax and legal research with PwC Kenya

We're excited to announce the launch of PwC Kenya's Tax and Legal Insights—a comprehensive digital resource designed to help you navigate the ever-evolving world of tax and legal compliance.

What is Tax and Legal Insights?

Tax and Legal Insights is PwC Kenya's new centralized platform that provides instant access to critical resources, eliminating the need for multiple sources and hard-copy materials.

Key Features:

- **Tax & Legal Legislation**
  Access major statutes such as the Income Tax Act, VAT Act, Customs & Excise Act, and others. PwC has maintained these updates for over 20 years, ensuring accuracy and completeness. Historically available in hard copy, these statutes are now digital for convenience and real-time updates.
- **Case Law & Summaries**
  Landmark tax cases and concise summaries to help interpret complex issues.
- **KRA Public Notices**
  Timely updates from the Kenya Revenue Authority to keep you compliant.
- **Fringe Benefit Guidelines**
  Latest rules on fringe benefit taxation.
- **Tax Calendar**
  A practical tool to track key tax deadlines and compliance dates.
- **Additional Resources**
  Includes Double Taxation Treaties and PwC alerts.

This initiative reflects our commitment to innovation and knowledge-sharing, helping you stay ahead with timely insights and practical tools.

Subscription

An introductory annual subscription is available at **KES 50,000**, giving you unlimited access to all features and updates until June 2027.

The platform also consolidates PwC alerts in one organised, easy-to-access place.
