The following report may be of interest to:

General taxpayers

Due to the long public holidays in May 2019, the General Department of Taxation (GDT) has extended the deadline for filing and paying the April monthly tax returns from 20 May 2019 to 24 May 2019.

The GDT has also extended the deadline, again, for submitting VAT credit reports with VAT returns to the end of June 2019 as some taxpayers haven't yet updated their enterprise's information. These taxpayers are requesting the GDT technical group to make the new online system more usable.

The GDT has asked all taxpayers to register and update their information as soon as possible, in accordance with Notification No. 8406 GDT, dated 10 May 2019.
