

E-Invoicing: Tax authorities levy penalties

edition № 12

Almaty Department of State Revenues has been issuing Notifications on the violation of tax legislation with respect to tax invoices issued in paper form when selling goods, to which reduced customs duty rates are applied (List of Goods approved by the Resolution of the EAEU Council on 14 October 2015, #59).

According to the Notifications, the tax authorities are demanding that the taxpayers importing Listed Goods should provide data on their sales turnover related to such goods for the period of 11 January through 30 September 2016, for purposes of assessing administrative fines.

If your company received such Notification and you need support in communications with the tax authorities, please let us know.
