## In detail:

On December 2, the President of Kazakhstan signed the Law of the Republic of Kazakhstan "On the Republican Budget for 2022-2024", which approved the Monthly Calculation Index (**MCI**) and Minimum Monthly Wage (**MMW**) for 2022.

The following indicators will be applied starting from January 1, 2022:

- 1) MMW - KZT 60,000.
- 2) MCI for calculating benefits and other social payments, as well as the application of penalties, taxes and other payments in accordance with the legislation of the Republic of Kazakhstan - KZT 3,063;
- 3) Minimum basic state pension payment - KZT 19,450;
- 4) Minimum pension - KZT 46,302;
- 5) Minimum subsistence level for calculating the basic social payments - KZT 36,018.

The law determines that the funds allocated for pension payments will be increased by 7 percent from January 1, 2022.
