## In detail:

From **15 January 2022**, all passengers arriving in Kazakhstan from abroad are required to provide **PCR certificate with a negative test result for COVID-19**, regardless of availability of a full vaccination course:

- PCR certificate must be issued **no later than 72 hours** at the time of crossing the state border of Kazakhstan;
- PCR certificate must be in English, Russian or Kazakh;
- Children **under 5 y.o. are not required to present PCR certificate** if there is a certificate from the accompanying persons.

In the absence of PCR certificate with a negative test result for COVID-19, passengers, including citizens of Kazakhstan and persons holding Kazakhstan residence permit, will not be allowed on board.
