## In brief

The Kazakhstan Government adopted a decree "On certain matters of subordinate organizations of the Ministry of Ecology, Geology and Natural Resources of the Republic of Kazakhstan" (the "**Decree**").

## In details

According to the Degree, the functions of the operator of the extended obligations of producers (importers) were transferred from ROP Operator LLP to Zhasyl Damu JSC. The current rates of the recycling fee would be valid until the rates are reviewed by the competent authorities, development and discussion of which are planned in the near future.
