Briefly

On 4 July 2022 the Law No.134-VII “On amendments and additions to certain legislative acts of Kazakhstan on volunteer activities, charity, state social order, state order for implementation of strategic partnership, grants and awards for non-governmental organizations, medicines and social security” (the “**Law**”) was adopted.

In details

The Law excluded the restriction of Article 245.7 of Kazakh Healthcare Code, and medicines and medical devices could be procured within framework of the guaranteed volume of free medical care and compulsory social medical insurance (the “**GVFMC / OSHI**”) without following ceiling price requirement.

The Law would come into force on 4 September 2022.

Are you interested in this topic?

- We would be pleased to discuss with you the above amendments and how they can impact your business
- We can analyze and implement possible steps to ensure compliance with the new requirements

If you are interested in additional information, please contact PwC specialists working as part of a group serving your company, or to any of the persons listed.
