Briefly

The Ministry of Health has developed the draft order to amend and supplement the Rules for the wholesale and retail sale of medicines and medical devices (the “**Order**”).

In details

The Order provides for the following changes and additions:

- Requirement on compliance by wholesale and retail sales entities with the Rules for labeling and traceability of medicines and labeling of medical devices;
- Prohibition of placing prescription medicines on the display window;
- Exclusion of possibility of exchanging and returning medicines and medical products that have expired or are defective;

The Order is available on the “Open Legal Acts” portal until 19 August 2024.

Are you interested in this topic?

- We would be pleased to discuss with you the above amendments and how they can impact your business.
- We can analyze and implement possible steps to ensure compliance with the new requirements.

If you are interested in additional information, please contact PwC specialists working as part of a group serving your company, or to any of the persons listed.
