In detail:

Pursuing to Governmental Decree of Chief Sanitary Doctor of the RoK №25 dated **June 3 and June 12, 2021**:

Changes were made to the procedure for presenting a PCR-certificate when entering Kazakhstan:

1. Foreign nationals are not required to provide PCR-certificate in case if **a full course of vaccination was completed in Kazakhstan**. The document confirming vaccination e.g passport or certificate of vaccination, shall be provided upon arrival to Kazakhstan instead of PCR-certificate.
1. Vaccinated foreign nationals from Hungary, Thailand and Mongolia now **can enter** Kazakhstan. Their passports / certificates / vaccination certificates recognized as valid on the territory of Kazakhstan.

If you are not complying with the above requirements then you **still need** a PCR certificate with a negative result for Covid-19 to enter Kazakhstan.

If you are interested in additional information, please contact us.
