Kaz-Ir Agro

Kaz-Ir agro is one of the few companies in Kazakhstan that performs all production, processes and sowing, harvesting, storage, oil production (pressing), packaging and export.

Our company specializes in production of the cold-pressed unrefined safflower oil under «Safloria» brand name in the Kazakhstan market since 2011, as well as cultivation of safflower and cereals.

Geographic Feature ()

Product 1 - Safloria Oil (5L)

- Indicative pricing- 9\$
- Packaging size- 5L, plastic bottle
- Shelf-life-18months

Features and benefits

Oil of the highest quality, unrefined, cold pressed .
Ideal for use in salads and hot dishes.

Has high fuming temperature(264C), which is very important when
frying or grilling.

Safloria oil contains large amount of linoleic acid (about 80%), which is very useful to the human. It is actively involved in metabolism but not synthesized by the body itself.
