I. Declaration of Accuracy of Information

The information contained in this application and my resume, and any other document that I provide to PricewaterhouseCoopers in connection with my application for employment, and my personal interviews, is accurate and complete. I understand that providing inaccurate information will result in my application being declined or my dismissal after employment. I also understand that if I am offered a position, I will be required to provide more detailed personal information eg. date of birth, emergency contact details, proof of identity or legal authorisation to work.

Signature: _____ Date: _____

Your application

If you would like to apply for a place in our graduate recruitment programme, please complete the application form and return it to the address below together with your transcript certified by the authority of the University. If you would like to provide us with further information or a resume, please feel free to include it with this application. Please indicate the position that you wish to apply for on the envelope.

To apply you must have completed or be scheduled to complete a university degree by August 2016. You may be graduating soon or you may have already graduated and have been working elsewhere for some time already.

If you are successful, you will be invited to attend a preliminary interview with our company. The full recruitment process includes interviews with staff and management of our company as well as a number of aptitude tests covering subjects such as accounting, problem solving and English.
