Future PwCer.**

# PwC Values

Our values define who we are, what we stand for, and how we behave. They describe the expectations our clients should have of us, guide how we work with each other, and hold us accountable to do our best. They govern our actions and enable our success.

Our five values, and their underlying behaviour, set the context in which we strive to fulfill our purpose to build trust in society and solve important problems.

Act with  
integrity

Make a  
difference

Care

# Our Internship Your Experience...

Your career is just that; **yours**. You choose it. You live it. You make it happen. To get the best from it, you need the best opportunities. That's why opportunities are at the heart of a career with us.

Our Internship provides you with an opportunity to grow as an individual, build lasting relationships and make an impact in a place where people, quality and value mean everything.

It's an inspiring backdrop for your career, whether you're making a difference to a public or a private company, a government or charity. Be part of something special and find out how your drive and initiative could open up new opportunities for you and our clients

We offer the following internships:

**Tax**

**Deals**

**Oracle Consulting**

**Data Analytics**

**Consulting Finance & Risk**

**International Development Assistance**

**Let's see where you could join!**

## Deals

Originating deals, creating deals, executing deals and realising results from a deal, is what we do everyday.

PwC's Deals business provides a broad spectrum of integrated services for complex businesses across their development. Realising the potential of your mergers, acquisitions and divestitures and capital markets transactions.

## Tax

PwC is the leading provider of tax services worldwide both in terms of the size and scope of our tax practice and our reputation.

With clients ranging from multinational organisations and public sector bodies to entrepreneurs and family businesses, the work we do is diverse. We lead the debate with tax authorities and governments around the world, changing the way we all think about tax.

## Oracle Services

PwC practices bring together business, experience and technology that allow us to help solve complex business problems by leveraging powerfully innovative Oracle technology.

We offer deep industry-based technology expertise, collaborate, and share knowledge to envision what's possible and turn the possibilities into reality.

## International Development Assistance

PwC's International Development practice is a network of passionate practitioners working together globally and locally with business, public bodies and civil society to drive inclusive and sustainable economic development outcomes and impact

## Consulting Finance & Risk

The pressure on Finance to do more with less has never been greater. Financial scorekeeping is no longer the core responsibility.

Our consulting finance and risk team will work with you to ensure your business is ready to meet the demands of the modern, frequently changing economy.

## Data Analytics

Every area in every business can be improved through smart use of data and analytics.

PwC has been helping clients solve their business challenges with the power of data analytics which combines varying data sets and our own analytics platforms. We use our experience in analytics and consulting to help you work more efficiently and effectively.
