

# ***Amendments to the VAT return form***

*26 June 2014*

## ***In brief***

The Main State Tax Inspectorate (MSTI) has approved amendments to instructions for filling in the VAT return form.

## ***In detail***

The amendments refer to the inclusion of the following additional information in VAT returns by tax payers:

- Box 7 – “Import of services” – to be completed with the long-term tangible asset value that is to be included in the statutory capital;
- Box 8 – “The amount of VAT for import of services” – to be completed with the amount of VAT calculated and paid by the taxpayer in whose social capital the long-term tangible assets would be included;
- Box 17 – “VAT recoverable from the previous period” – to be completed with the unrequested or unaccepted VAT amount for refund for the previous month.

## ***Takeaway***

Under the new order, which entered into force on 20 June 2014, the MSTI approved amendments to instructions for filling in the VAT return form. Taxpayers now have to include additional information in their VAT returns.
