

Cooperation agreement signed between the training centre of the Macedonian Stock Exchange and PwC Academy

The training centre of the Macedonian Stock Exchange (MSE) signed a contract for cooperation with the reputable PwC Academy in Macedonia.

The cooperation agreement signed is part of the efforts of both parties to further expand and enhance the training areas as well as the contents of the training events within the Training centre of MSE and PwC Academy. As part of this agreement PwC Academy and the Training centre of MSE will jointly organise and deliver trainings covering variety of topics and practice areas, all focused on increasing the financial and business education.

Joint mission of both PwC Academy and the Training centre of MSE is providing continuous and high quality education as an important condition for further development of the Macedonian companies and their employees.

Detailed information on the upcoming events will be announced and communicated in the following days.
