

PwC's Academy

New cohort starts on
25 March 2022

Business Coaching Diploma offers a variety of coaching methodologies, techniques and tools that can be used by professional coaches as well as business professionals in their coaching role

It equips with skills to attain a high level in coaching - both in a business & life environment

Business Coaching Diploma

Certified by ICF
(International Coaching Federation)

Our approach to coaching

Coaching is about a systemic approach to the Client, having in mind their working environment, business challenges, level of motivation, values and expected results

A coaching relationship ensures confidential, Client-oriented form of cooperation

The Coach knows that the Clients themselves are the best source of inspiration and solutions, which they reach in the course of the coaching sessions

We invite you to join the course!

PwC's Academy would like to invite you to participate in the coaching course **Business Coaching Diploma**. The aim of this course is to provide essential knowledge and coaching skills, enabling to engage in the practice of a **qualified, professional coach**.

Who can be interested?

The course is directed to managers, senior leaders, HR professionals, business skills trainers, counsellors, consultants, psychologists, educators and **everyone who is interested in coaching and development**.
