

ACCA DipIFR - 2022 spring course

Who is the "ACCA DipIFR" training for?

The DipIFR or "ACCA Diploma in International Financial Reporting" is an international diploma certifying proficiency in IFRS, issued by the world's largest finance and accounting professionals organization, the Association of Chartered Certified Accountants (ACCA). The DipIFR qualification provides you with the basic IFRS knowledge and elevates you to a higher level of IFRS expertise.

The DipIFR course is recommended for professionals working in the field of accounting, auditing, and finance who want to engage in a deeper study of IFRS and expand their theoretical and practical knowledge.

Participants acquiring the ACCA DipIFR diploma or qualification

- get to know, understand and learn to apply all IFRS standards,
- possess the necessary knowledge to compile IFRS reporting, including the preparation of consolidated financial statements in accordance with IFRS,
- get exemption from ACCA FR (F7) IFRS Financial Reporting accounting training module.

Why choose PwC's Academy

- Our students' pass rate during the past years was always above 80%
- **PASS GUARANTEE:** students who participate in the course without absence, sit the two mock exams and do homeworks but fail the exam will be able to attend the revision days free of charge in the next semester. (This guarantee applies to the exam preparation module only and does not extend to the ACCA exam and registration fee.)
- We provide a virtual student interface for our students on our e-learning portal, where you will find all tutor's notes, task series and answer keys.
- Between the modules, students receive homework for the weekends, which helps them prepare for the exams.
- Before the exam, students can sit two mock exams, which are corrected together with the tutor during the training. This gives students a deeper understanding and the opportunity to test their knowledge before the exam.

Prerequisites for the DipIFR exam registration:

Relevant (financial and accounting) degree and 2 years of relevant accounting experience
OR 3 years of relevant accounting experience.

Livia Márkus-Rác

PwC's Academy
Trainer,
Accounting
Advisory Services
Manager
Budapest, Hungary

Application
deadline for
the DipIFR
course: **1
April 2022**

Career and Profession

Livia has joined PwC's Hungarian office in 2015. Currently she takes active part as a **trainer** at IFRS, USGAAP and Hungarian accounting related seminars. She has relevant experience in virtual live online trainings with very positive feedbacks from the participants. She also participates in **IFRS related e-learning modules' content** development. Before joining PwC she has been involved with tuition of accounting for 6 years at the University of Novi Sad. Beside the Academy work, Livia fulfils an **expert role in accounting advisory** department, provides technical accounting advice on IFRS and Hungarian accounting related topics and was involved in several IFRS transition projects.

Livia has also more than 8 years of **audit experience**, mostly in the financial services industry.

Training fee, ACCA registration and exam fee

The training fee includes attendance of the training course, PwC's Academy study material in English (study text, course notes, question and answer bank, past exam papers and pocket notes), mock exams, and homework.

Training fee: EUR 1,200 + VAT /person (payable to PwC)
ACCA initial registration and examination fee: 215 GBP (payable to ACCA)
