

# The General Law on Social Insurance, its key impact on businesses and practical issues

The Parliament of Mongolia has recently adopted the Revised General Law on Social Insurance (the "General SI Law"), which is to take effect from January 1, 2024. Through the training, we will share our knowledge and experience on practical issues of the current Law on Social Insurance; as well as the impact of the General SI Law on businesses and its key considerations. We are excited to share our knowledge and experience with you.

## Training Agenda

- Key considerations and changes introduced by the General SI Law;
- Current practices of applying social insurance contributions and personal income tax on different types of income provided to individuals;
- Types of income provided to individuals under the different contracts;
- Rights and responsibilities of employers and the insured specified in the General SI Law;
- Current social insurance inspection practice and upcoming changes;
- Statutory limitation period in social insurance system;
- Legal liabilities for social insurance-related breaches;
- Dispute resolution mechanism.
