Kick start your career the PwC way

#MyWayUp

The PwC Graduate Programme is a journey which focuses on your development during your studies at University and prepares you for your career at PwC.

Every student knows how important training, coaching and practical experience in the working environment is. The PwC Graduate Programme aims to provide you with everything you need to start your career off right. It is the result of years of experience designing student development programmes and hundreds embarking on these programmes with the firm.

The PwC Graduate programme seeks to help you reach your maximum potential. It is flexibly structured around your studies and gives you the opportunity to get involved in a wide range of technical training and team-based projects. It also allows you to gain professional experience in different areas of our business, in an innovative way.

If you are a motivated and energetic student eager to embark on an exciting accounting career that allows you to use your creativity and soft skills, then this is the programme for you.
