Kick start your career the PwC way

#MyWayUp

The PwC Graduate Programme is a journey which focuses on your development during your studies at University and prepares you for your career at PwC.

Every student knows how important training, coaching and practical experience in the working environment is. The PwC Graduate Programme aims to provide you with everything you need to start your career off right. It is the result of years of experience designing student development programmes and hundreds embarking on these programmes with the firm.

The PwC Graduate programme seeks to help you reach your maximum potential. It is flexibly structured around your studies and gives you the opportunity to get involved in a wide range of technical training and team-based projects. It also allows you to gain professional experience in different areas of our business, in an innovative way.

If you are a motivated and energetic student eager to embark on an exciting accounting career that allows you to use your creativity and soft skills, then this is the programme for you.

Key milestones

#ThePwCGraduateProgramme

3-Year Programme

A Level Summer

Skills for life

Sessions designed to complement your technical skills with softer skills relevant to your professional career.

Year 2 University

Digital Skills

This training is a structured learning and education programme aimed at digitally upskilling you in emerging technologies and various other contemporary digital aspects. This programme will help you become more technology savvy and prepare you to work in this digital era.

Job shadowing

The opportunity to work within different teams and get an overview of our work practices and firm culture.

Full-time Employment at PwC

Potential Employment

Upon successful completion of your degree at University, you will continue to nurture your career development working in one of our teams.

Year 1 University

PwC's Corporate Social Responsibility Programme

Make a difference in the community by joining one of our CSR initiatives. This will allow you to work in different teams and get acquainted with the firm's culture and our work ethic.

Job shadowing

The opportunity to work within different teams and get an overview of our work practices and firm culture.

Year 3 University

Dissertation Support – Let's do DissTogether

Academic support and specialised advice from experts in their field, to assist you with your dissertation.
