Mastering Taxation FY16-17

Dheerend Puholoo
Associate Director

Dheerend joined PwC in 2008 and provides advice on both domestic and international tax issues, international tax planning and the application of tax treaties to clients in a range of industries.

Dheerend also worked at the MRA for over 19 years and occupied various roles, including Assistant Commissioner before being promoted to Head of Section of the Large Taxpayers Department.

Feroz Hematally
Senior Manager

Feroz joined PwC Mauritius in 2012 after spending 13 years in the UK. He worked in a variety of roles, namely as a tax advisor in a Big 4 firm, managing a portfolio of both compliance & advisory clients. Feroz also acted as an in-house Tax Manager for a FTSE 100 group. He has had a broad exposure in international tax.

At PwC, Feroz coordinates the delivery of taxation compliance and advisory services to domestic, multinational and offshore companies.

Shameemah Raman-Sahebally
Manager

Shameemah joined PwC in July 2008 and heads PwC's VAT services.

Shameemah provides specialist VAT support to clients with a specific focus on health checks and compliance with local regulations. She also advises clients on the VAT implications of mergers and acquisitions, restructuring and other one-off transactions. She has significant experience in assisting clients in handling tax audits from the Mauritius Revenue Authority on VAT issues.

Shafeenaz Molotoo
Manager

Shafeenaz has been with PwC Mauritius for the last 8 years. She advises on a variety of assignments ranging from tax implications of group restructuring to specialised due diligence work.

Shafeenaz also manages a portfolio of more than 100 clients for the provision of tax compliance support and assistance in relation to investigations carried out by the tax authority.
