Auditorium, Borneo Cultures Museum, Kuching

Budget 2026—the fourth instalment of the MADANI Budgets and the first under the 13th Malaysia Plan—builds on the Government's reform agenda to “Raise the Ceiling, Raise the Floor and Drive Reform & Good Governance”.

Key themes span fiscal consolidation under the Public Finance & Fiscal Responsibility Act, the New Investment Incentive Framework, National Semiconductor Strategy, targeted subsidies, labour-market reforms and an expanded social-protection net.

Join us at the seminar where our tax professional as we unpack the proposals and analyse what they mean for businesses, investors and the wider economy.
