Programme

TIME	SESSION
08.30 am	Morning coffee and registration
09.00 am	Opening address
09.15 am	Budget 2019: Key tax proposals and how they impact you Understand the key changes and gain expert insights on the measures announced in Budget 2019. Importantly, we will share how they impact you and your business and answer the questions you have.
10.45 am	Coffee and networking
11.15 am	Cyber threats and your defence As we remove the boundaries between humanity and technology, we create a world where change is global, fluid, and rapidly having a dramatic social economic impact. In the digital economy, cyber threats is ranked No. 2 among Global CEOs' top worries based on our PwC recent survey in 2018. Organisation needs to understand that strong cyber security is a fundamental component for them to build and sustain business trust with its customers. In this session, we will share with you the latest cyber security thought leaderships, as well as industry best practices to respond to cyber threats.
12.30 pm	Lunch
02.00 pm	Taxing the digital economy: A matter of how and when Tax legislation has yet to catch up with the new way of doing business and the growing digital economy, making it difficult to determine how these should be taxed. Our presenter will discuss some of the tax considerations affecting the digital economy.
03.15 pm	Coffee and networking
03.45 pm	Tax positions: Differences in interpretation, reporting and beyond Are taxes paid in accordance with the law? Different interpretations result in different tax positions. Today, taxpayers and tax authorities are adopting tax positions against a backdrop of increased demand by the public, government, and business community for a more transparent and fair tax system. We will discuss how you can respond to contentious tax positions, and provide insights on tax and financial reporting affecting them.
05.00 pm	Seminar ends
