

Future Finance Professional Programme

With Strategic Professional Papers and Applied Papers -
Association of Chartered Certified Accountants (ACCA)

Excellence begins here

Our Future Finance Professional Programme gives you an edge in working towards your professional qualification. Complete your Association of Chartered Certified Accountants (ACCA) Strategic Professional Papers and Applied Papers under our programme.

- Offered together with PwC's CareerEdge and PwC's Online Academy training, our goal is to support you in developing your professional skills.
- Specially designed by PwC's Academy, this programme will help you gain leadership and human skills, and digital knowledge, and grow your business acumen.

Key benefits

Experienced trainers for the ACCA programme	Gain access to our ACCA award-winning e-learning platform for Applied Papers and hybrid training when you embark on your Strategic Professional Papers training with us, under the guidance of our trainers. Learn through hands-on experience and real-world case studies.
A variety of options for better control over your own learning	You have the option to register for PwC's CareerEdge with PwC's Online Academy. This package offers you the opportunity to acquire critical soft skills and professional skills, together with a subscription to PwC's Online Academy. Through PwC's Online Academy, gain access to a series of live learning boosts, and a variety of on-demand learning including PwC certifications in IFRS, environmental, social and governance (ESG), digital, and more.
Networking opportunities	Beyond live learning boosts, benefit from networking opportunities including access to exclusive networking events.
