Career Edge Programme

PwC's Academy I By specialists, for specialists

Equip yourself to be a career-ready young professional

Designed by PwC's Academy, the Career Edge Programme helps you build the skills and confidence needed to succeed in today's workplace. Over the course of one month, you'll develop core interpersonal and business skills and learn to navigate professional environments.

Key benefits

- Live online sessions with PwC leaders
- Practical, business-essential skills
- Unlimited access to over 120,000 learning resources

Course details and modules

PwC's Career Edge is a programme that brings together virtual instructor-led masterclasses, curated digital learning, and live engagement sessions with PwC leaders. The one-month structured curriculum is designed to strengthen workplace readiness, deepen business understanding, and help you build a foundation for long-term professional growth.
