

MFERS e-learning series

online self-paced learning of the different MFERS / IFRS standards

Programme outline - MFERS e-learnings complete package

This programme featured complete set of e-learn modules consists of long-time established standards such as primary financial statements, accounting policies and estimates, property, plant and equipment, intangible assets, provisions, impairment, as well as standards published in recent years including financial instruments, leases, revenue, etc.

Upon completion, you will be able to:

- refresh and reinforce current technical knowledge
- update on developments of financial reporting standards
- better equipped to prepare financial statements in compliance with MFERS/IFRS standards
