

# MFRS 18 – How It Impacts Your Company's Presentation & Disclosure in Financial Statements Seminar

Gain 7 CPE/CPD Points

A public seminar by PwC's Academy

Assess impacts of the new MFRS 18 on your company's financial statements and effectively apply its principles, including the new statement of profit or loss structure, aggregation and disaggregation requirements, and the treatment of management-defined performance measures (MPMs).

Prepare for a smooth transition and ensure compliance, ultimately enhancing the clarity and comparability of financial information for stakeholders.

## Who is this for:

Finance and Tax  
Managers/Executives

Financial Analysts

Regulators, Academicians, and  
Accountancy Students

## What's In It For You?

- Understand the rationale and apply the new MFRS 18 Statement of Profit or Loss structure, including classifying business activities into Operating, Investing, and Financing categories, and utilizing aggregation and disaggregation principles.
- Grasp the requirements for identifying, disclosing, and reconciling Management-Defined Performance Measures (MPMs), together with the broader enhanced disclosure framework for transparent financial reporting.
- Evaluate MFRS 18's implications on existing financial reporting processes, systems, and controls, and outline key steps for effective planning and implementation within the company.
