

Rethink Your Business Model with a Designer's Mindset

A public workshop by **PwC's Academy**

In today's fast-paced global economy, reinventing your business model isn't just an option—it's a strategic imperative for sustainable growth and long-term success. The companies that fail to adapt are often left behind, as history has shown us time and again. The landscape is shifting; customer expectations are higher than ever, behaviours are evolving, and technology continues to accelerate at an unparalleled rate.

This practical workshop will get hands on to rethink business models and opportunities using design thinking, gain customer insight, design and prototype new value propositions and revenue streams, and leave with a tested concept and an experiment plan you can run immediately.
