

AI Toolkit for the Modern Manager

A public workshop by PwC's Academy

"Today's CEOs are the last to manage all-human workforces",

Marc Benioff, Salesforce CEO

AI isn't just about machines doing work; it's about how we can work together and put AI to work for our teams. Steve Jobs once said "Innovation distinguishes between a leader and a follower".

This workshop is focused around practical tools, frameworks and practice to launch you towards becoming and inspiring and forward-thinking leader. As a leader, you will understand practical ways in which team structures are changing, how you can leverage AI within your team and elevate your influence for a high performing team.

Who is this for:

People manager

Team lead

AI Transformation/ AI Change champion

Human Capital/ Human Resource

What's In It For You?

- New Leadership Skills and New Mental Models that leverages on human-AI orchestration
- Using AI responsibly and ensure trust with its use
- Personal readiness assessment
- AI & team enablement plan
