

IT Auditor Bursary opportunities... are you the one?

Your career is just that; yours. You choose it. You live it. You make it happen.

PwC Namibia offers a unique opportunity to pursue a career as an **IT Auditor**. For those interested, this career will enable you to build an in-depth understanding of Information Technology and Security and how to perform IT Governance and Security assessments and implementations (including Cyber Security), IT General and Application Control and Data Migration reviews. We are offering Bursaries for **B.Sc Computer Science** at North-West University, or other recognised Universities with similar qualification.

Requirements:

- Must be a Namibian Citizen;
- Grade 12, Mathematics on Higher Level with an average of 75%, and if you have this subject on Extended Level an A* is required;
- Students must qualify for admission or be registered at a University that is recognised, e.g North-West University;
- Namibians currently studying towards a B.Com Economics & Informatics / Honors Information Systems are also invited to apply;
- Demonstrating versatility at school will be an added advantage that we would consider as part of our awarding of bursaries. Activities may include participation in a sport, occupying a leadership position, participating in a cultural extra mural activity, participating in a science fair, participating in a community activity etc.;
- Two written references are to be included. One from inside the school and one from outside of school excluding a family member;
- Applicants have to submit an essay of approximately 300 words on what the characteristics are that make you the most suitable candidate for awarding a bursary to;
- Other requirements include proficiency in English, good communication skills, logical thinking to solve problems, working knowledge of technology, good social skills, and be able to work well in a team;
- Students who obtained a bursary from another financial institution that requires the student to complete work after studies, will not qualify for a PwC bursary;
- Current University students studying towards a Chartered Accountant qualification are also invited to apply;
- Shortlisted candidates will be subject to a personality and aptitude test.

Please note you have to register your profile and apply **online**. No hardcopy applications will be accepted.
