IFRS 9 & IFRS 15 Corporates

N60,000

IFRS 9 - Financial Instruments and IFRS 15 - Revenue from contracts with customers

Do you have an understanding of the new standards on revenue or financial instruments and perhaps you need a quick refresher? Or do you need to address certain issues you may have experienced in implementing these new standards? We've got you covered with this session. Practical issues around the IFRS 9 ECL model and complexities that may arise whilst applying the IFRS 15 five-step model will also be addressed.

IFRS Financial Statements

N70,000

Financial statement preparation training

Participants will learn how to complete a set of financial statements on excel from scratch using best presentation practices. The training will also include sessions on identifying the minimum disclosures for major transactions, incorporating disclosures required by IFRS 7 and the new standards and computing capital risk management ratios.

IFRS 16 Deep Dive

N70,000

IFRS 16: Leases

Effective 1 January 2019, almost all operating leases will be recognized on the balance sheet. Join us as we walk through the new rules to equip you as you make your lease accounting and business decisions.

IFRS 9 - Expected Credit Loss (ECL) models

N100,000

IFRS 9 - Financial Instruments

Do you need to understand the technicalities of building a model? We are here to put you through. This one day training includes detailed sessions on how to develop an ECL model, resolve the complexities that may arise and re-calibrate current models to support year end reporting.

IFRS 17 Insurance Contracts

N80,000

IFRS 17 - Insurance contracts

Thinking of what to do about the new insurance contracts standard? This session is for you! We will discuss the new requirements around consecutive service margin, risk margin etc., how you may be affected by the changes and what you need to start doing. Don't wait until 2020!
