About PwC

At PwC, our purpose is to build trust in society and solve important problems. We're a network of firms in 157 countries with more than 276,000 people who are committed to delivering quality in assurance, advisory and tax services. Find out more by visiting us at www.pwc.com/ng

PwC's Business School

We understand that in order to keep abreast with the latest developments in the market, you require constant training. We can help you work smarter, navigate the murky business environment and position yourself to pull ahead of your competition.

PwC Nigeria offers training on various key subjects. All our courses can also be offered as bespoke. Below are some of our training programmes:

Data & Analytics
Academy

Digital Risk &
Cybersecurity Academy

Finance Academy

HR Academy

IFRS Academy

Internal Audit Academy

Procurement Bootcamp

Tax Academy

Data & Analytics Academy

Our curriculum is designed to provide knowledge in the areas of data science, machine learning, business intelligence, data visualisation techniques etc to drive value for actionable business insights and sharper business outcomes.
