## PwC Careers

PricewaterhouseCoopers (PwC), Papua New Guinea's leading professional services firm invites you to apply for the above role based in Port Moresby.

### Senior Associate, Human Capital

We're looking for a Human Capital professional with a broad range of skills in Human Resource (HR) and HR administration. You must have strong project management and demonstrated leadership skills, excellent communication and experience in managing teams. The ideal candidate will have deep knowledge of the PNG labour and immigration requirements and has experience in administering this process, particularly stakeholder management. Ideally you will hold a relevant tertiary qualification and have a minimum of five years experience in a similar role. Your strong relationship building skills, combined with your attention to detail and ability to manage your time will see you hit the ground running and excel in this fast paced role.

As the Senior Associate in Human Capital, you'll work as part of a team responsible for all things people management. You will support the Senior Manager, Human Capital with projects from strategy to execution.

#### In this role you will be responsible for:

- leading yourself and your team in executing daily deliverables
- delegating responsibilities to team members to provide stretch opportunities
- provide on the job coaching
- using feedback to develop self awareness, strengths and address development opportunities.

This role provides an opportunity to further develop your Human Capital skills in a fun and professional environment.
