

Discover where your talent could take you.

PwC, Papua New Guinea's leading professional services firm, invites you to apply for the following opportunity based in Port Moresby:

Senior Associate, IT Audit

You will be providing your technical expertise in carrying out information system audits. You will also be provided with an opportunity to broaden your consulting skillset.

Candidate requirements for the role include:

- Degree qualified in information technology or a related discipline together with CISA qualification
- Deep knowledge of current technological and digital developments and trends
- Ability to gather data, compile information and prepare reports for internal and external purposes
- Deep knowledge of common information systems and information systems audit methodology
- Experience in developing appropriate information system audit strategies
- Demonstrated ability to coach junior team members
- Big 4 experience is ideal
- Have a keen interest to work in an emerging market.

PwC offers in return significant development and career opportunities in a growth market as well as an environment that inspires you to be your best, providing you with a platform to help shape our clients' and also our own business, create value for our clients and to impact our community. This role offers a competitive expatriate package.

To apply, please submit your CV to pwc.pom@pg.pwc.com or PwC PNG Resourcing, PO Box 484, Port Moresby.
