PwC Careers

PricewaterhouseCoopers (PwC), Papua New Guinea's leading professional services firm invites you to apply for the following opportunity based in Port Moresby:

Senior Manager, Advisory

A career within our Advisory Line of Service as a Senior Manager will provide you with the opportunity to help our clients and work alongside business leaders to solve their toughest problems and capture their greatest opportunities. We work with PNG's largest and most complex companies to understand their unique business issues and opportunities in an ever changing environment. We help create sustainable change by stimulating innovation, unlocking data possibilities, navigating risk and regulatory complexity, optimising deals, and aligning costs with business strategy to create a competitive advantage. In particular, we are looking for relevant skills in risk and compliance, internal audit, digital and business transformation.

In this role you will be responsible for:

- dealing effectively with ambiguous and unstructured problems and situations
- coaching team members, recognising their strengths, and encouraging them to take ownership of their personal development
- initiating open and candid coaching conversations at all levels
- anticipating stakeholder needs, and develop and discuss potential solutions
- contributing technical knowledge in area of specialism
- navigating the complexities of cross-border and/or diverse teams and engagements
- initiating and leading open conversations with teams, clients and stakeholders to build trust.

We're looking for someone who comes from a strong financial management and accounting background with demonstrated ability to drive strategy and business planning to identify and jointly target market opportunities, coupled with your ability to lead large teams whilst managing relationships with multiple stakeholders, with a minimum of ten years experience in a similar role. You will ideally hold a relevant tertiary qualification with relevant technical work experience from either professional services or a large reputable corporate environment. Your strong relationship building skills, combined with your attention to detail and ability to manage your time will see you hit the ground running and excel in this fast paced role.

PwC offers in return a competitive salary package, commensurate with experience, development opportunities and a professional, supportive environment that inspires you to be your best.
