

Isla Lipana & Co.

We are pleased to share that as of 15 May 2017, we have received over 500 entries from 179 student participants from all over the country. Our panel of judges have chosen the entries listed below as finalists. Student entrants will receive a cash award of PHP3000 for each entry selected.

Considering the very positive feedback we have received, we are extending the competition until December 2017 so more students can submit their entries and have the chance to be included among the roster of finalists.

The top 10 entries who will receive recognition and additional cash awards will be selected from the finalists below and other finalists that will be identified by end of December 2017.
