

# Grow here. Go further.

## Explore our Advance Polytechnic Graduates Pathway

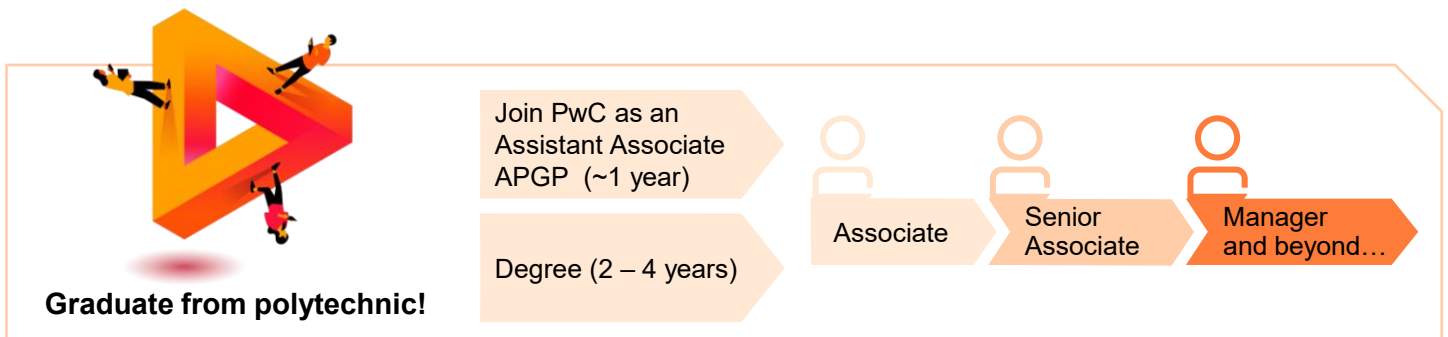

### Fast-track your career growth with us after polytechnic graduation

PwC Singapore's Advance Polytechnic Graduates Pathway (APGP) offers polytechnic graduates a fully-funded structured learning programme with us and set you up for a meaningful and rewarding career in audit.

#### Join us if this sounds like you:

- Hold a diploma in accountancy from a local recognised polytechnic
- Demonstrate a strong interest in audit work

### Your career roadmap with APGP after polytechnic graduation

APGP offers you an accelerated pathway to attain the Associate grade earlier than your peers who opt for the university route.

Should you wish to pursue more qualifications and certifications while working at PwC, the firm will also offer you support through time off work for further studies such as part-time degree or chartered accountant qualification.

## What you can expect

### Hands-on experience

Get involved with real client engagements, and receive timely coaching that equips and empowers you.

### Grow professionally

Pick up technical and soft skills on the job. You will also gain support from the firm to pursue further studies.

### Build your network

Work alongside seasoned professionals and make new connections within and beyond your teams.

## Hear from our graduate

"The Advance Polytechnic Graduates Pathway programme offered me a smooth transition from Polytechnic graduation to the workplace. The accelerated pathway, industry insights and hands-on experience in real-life projects enhanced my skillsets and allowed me to thrive professionally.

Now, I can take on more complex client work, contribute meaningfully to my team, and take concrete steps towards my career aspirations."

**Joel Ooi**

**Associate, Financial Services Assurance**

**Alumnus of Singapore Institute of Management, Diploma in Accounting**

## How to register

To participate, secure an Assistant Associate role with us and notify your career coach or HR business partner of your interest.
